PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
To Be Held On Tuesday, May 14, 2002

SOLICITATION OF PROXIES

IHOP Corp. ("IHOP" or the "Company") is furnishing this Proxy Statement ("Proxy") to the shareholders of the Company to solicit their proxies for use at the Annual Meeting of Shareholders (the "Meeting") to take place on Tuesday, May 14, 2002, at 10:00 a.m. at the Hilton Hotel in Glendale, 100 West Glenoaks Boulevard, Glendale, California, and at any adjournment thereof. In addition to solicitation by use of the mails, proxies may be solicited by directors, officers and employees of the Company personally or by telephone. Such directors, officers and employees will not be additionally compensated, but may be reimbursed for out-of-pocket expenses, in connection with such solicitation. IHOP will bear all of the costs of preparing, printing, assembling and mailing this Proxy Statement and the proxy card and all of the costs of the solicitation of the proxies. The Company will also pay to banks, brokers, nominees and certain other fiduciaries their reasonable expenses incurred in forwarding proxy material to the beneficial owners of securities held by them.

Only shareholders of record at the close of business on March 22, 2002 (the "Record Date"), will be entitled to receive notice of, and to vote at, the Meeting. As of the Record Date, there were outstanding 21,023,116 shares of Common Stock, par value \$.01 per share (the "Common Stock"), of the Company. Each such shareholder is entitled to one vote for each share of Common Stock so held and may vote such shares either in person or by proxy. Presence in person or by proxy of holders of 10,511,559 shares of Common Stock will constitute a quorum at the Meeting. Assuming a quorum is present, directors shall be elected by a plurality of the votes cast in the election of directors. Other matters submitted for shareholder approval shall be decided by the vote of the holders of a majority of the stock represented and entitled to vote at the Meeting. Abstentions and broker non-votes will be counted and will have the same effect as "no" votes.

The enclosed Proxy, if executed and returned, will be voted as directed on the Proxy or, in the absence of such direction, for the election of the nominees as directors and for the approval and ratification of the appointment of PricewaterhouseCoopers, LLP, as the Company's independent public accountants. If any other matters shall properly come before the Meeting, the persons authorized to vote the Proxies solicited hereunder will vote on these matters at their discretion. The Proxy may be revoked at any time prior to exercise by filing with the Secretary of the Company, at or before the Meeting, a written revocation bearing a date later than the date of the Proxy; by duly executing a Proxy with a later date relating to the same shares and delivering it to the Secretary of the Company at or before the Meeting; or by attending and voting at the Meeting.

The approximate date on which this Proxy Statement and form of Proxy are first being sent to shareholders is April 12, 2002.

Employment Agreements

Each of the executive officers are parties to employment agreements with the Company. The agreements provide for base salaries, participation in a bonus program, car allowances or a company car, and certain other perquisites and benefit programs available to other employees. In addition, the Board of Directors may, at its discretion, increase any executive officer's base salary during the term of such officer's employment agreement. The employment agreements generally call for employment terms of one year and provide for automatic successive one-year extensions unless the Company or the officer gives notice to the contrary more than 90 days prior to the expiration of the then current term of the agreement. Ms. Stewart's employment agreement calls for an initial employment term of two years and similar automatic one-year

7

extensions. In addition, Ms. Stewart's employment agreement provides that she will be named Chief Executive Officer of the Company within six months of December 3, 2001.

In the event of a change in control of the Company, the employment periods of Mr. Herzer and the other named executive officers will automatically be extended, for three years with respect to Mr. Herzer and for two years with respect to each of the other named executive officers, from the date of such change in control. For purposes of the employment agreements, a "change in control" will be deemed to have occurred if (i) any person acquires 25% or more of the combined voting power of the Company's then outstanding securities; (ii) in any two consecutive years individuals who at the beginning of the period constitute the board, plus any directors approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof; (iii) the stockholders approve certain merger or consolidation transactions; or (iv) the stockholders approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets.

Each officer is entitled to receive compensation through the date of termination if such officer's employment is terminated (i) by the Company for "cause" or "disability" or (ii) by the officer for any reason, other than a "voluntary termination" or for "good reason" following a change in control of the Company. For purposes of the employment agreements, "cause" means willful failure to substantially perform one's duties, willful misconduct or the commission of acts of dishonesty, fraud, misrepresentation or moral turpitude as would prevent the effective performance of the employee's duties. "Disability" is defined to mean the employee's absence from the full-time performance of his or her duties for 90 consecutive days or 180 days within any 12 month period as a result of incapacity due to physical or mental illness. "Good reason" includes, generally, a material breach of the agreement, an adverse change in the officer's duties or responsibilities from those in effect prior to such change in control, a reduction of the officer's salary or benefits, or relocation of the officer outside of Southern California and a "voluntary termination" may occur upon an uncorrected material breach of the agreement by the Company or, in the case of Mr. Herzer, if such officer is removed from the Board of Directors without his consent.

If an officer's employment is terminated (i) by the Company other than for cause or disability, (ii) by the officer in a voluntary termination or for good reason or (iii) by reason of the officer's death, then the officer (or, in the event of such officer's death, his or her designated payee) will be entitled to receive (i) a lump sum payment of the salary and bonus payments that would have been payable to such officer through (a) in the case of death or a voluntary termination, the term of the agreement and (b) in any other instance, a period of 12 months and (ii) continuing insurance benefits for the same period at no cost to the officer (or designated payee), subject to reduction under certain circumstances. Payments and benefits under each employment agreement would be reduced to the extent they are not deductible under Section 280G of the Internal Revenue Code of 1986, as amended (the "Code").

As of December 31, 2001, the members of the Compensation Committee of the Board of Directors were Frank Edelstein (Chairman), Neven C. Hulsey, Caroline W. Nahas and Patrick W. Rose. None of the Company's executive officers or directors served on the board of directors of any entities whose directors or officers served on the Compensation Committee of the Board of Directors. No current or past executive officers of the Company serve on the Compensation Committee.

Ms. Nahas is the Managing Director, Southern California, of Korn/Ferry International ("Korn/Ferry"). In 2001, Korn/Ferry was retained by the Company to provide executive search services. The Company paid Korn/Ferry \$263,626 in connection with this engagement. The Company believes that these services were supplied on terms no less favorable to the Company than could otherwise have been obtained from unaffiliated third parties.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee Report on Executive Compensation shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Compensation Committee. Executive compensation decisions are made by the four-member Compensation Committee of the Board of Directors. Each member of the Compensation Committee is a non-employee director. The Compensation Committee administers the executive incentive plan, reviews compensation plans, programs and policies, monitors the performance and compensation of executive officers and other key employees and makes recommendations and reports to the Board of Directors. All executive compensation decisions made by the Compensation Committee are reviewed by the entire Board of Directors, except for decisions regarding awards under the IHOP Corp. 2001 Stock Incentive Plan, which are made solely by the Compensation Committee.

Compensation Philosophy. The Company's philosophy regarding compensation is based on several objectives, including: (i) linking executives' interests with those of the Company's shareholders; (ii) instilling an ownership culture throughout the Company and officer group; (iii) attracting and facilitating retention of high caliber executive talent; and (iv) paying for performance and rewarding executives for achievement of both annual and longer term Company financial and key operating goals. The Company maintains a compensation program designed to attract and retain highly-qualified executives and to motivate management. We seek to tie each executive's "at risk" compensation, to the extent feasible, directly to his or her contribution to the Company's success in achieving its performance objectives.

The Company's executive compensation program consists of three main components: (1) base salary, (2) bonus, and (3) long-term incentives in the form of stock options or other stock-based awards. The bonus and long-term incentives constitute the "at risk" portion of the compensation program. The Named Executives' compensation for 2001 reflected the Compensation Committee's commitment to coordinating pay with Company and individual performance. In establishing specific compensation levels for Named Executives in 2001, the Compensation Committee considered information provided by compensation consultants, surveys of compensation programs offered by comparable companies, statistical information generated by the Company's Human Resources Department and evaluations of the individual performances of the Named Executives. In general, the Named Executives' total compensation was structured to fall in the range from the 50th to the 75th percentile, as indicated by the surveys of comparable companies.

11

Federal Income Tax Considerations. The Compensation Committee has considered the impact of section 162(m) of the Code. This section disallows tax deductions for any publicly-held corporation for individual compensation to certain executives of such corporation exceeding \$1 million in any taxable year, except for certain performance-based compensation which has been approved by shareholders. It is the intent of the Company and the Compensation Committee to qualify to the maximum extent possible its executives' compensation for deductibility under applicable tax laws, while recognizing that under certain circumstances, compensation for certain executives in excess of the 162(m) limit may be warranted. The Compensation Committee believes that the Company's compensation programs provide the necessary incentives and flexibility to promote the Company's performance-based compensation philosophy while being consistent with Company objectives.

Salaries. The general policy of the Compensation Committee is to establish executive base salaries that are (i) competitive and consistent with those provided to others holding similar positions in the restaurant and franchising industries, and (ii) consistent with each executive's actual and expected contributions to the Company's short-term and long-term success. The Board of Directors, acting on the Compensation Committee's recommendation, increased Mr. Herzer's salary in 2001 by 6.7 percent. The increase reflected the Compensation Committee's and

Edgar Filing: IHOP CORP - Form DEF 14A

the Board of Directors' assessment of his performance in light of the Company's performance in the prior fiscal year, and, to a lesser extent, other factors including the performance of the Company's stock and consideration of competitive data in compensation surveys of comparable companies. His salary is also reflective of his long service with the Company and breadth of knowledge about the restaurant industry. Salary increases for the other senior executives effected during 2001 ranged from about 4.5 percent to about 7 percent, and were based on similar considerations including individual performance, position, tenure, experience and competitive data in compensation surveys of comparable companies.

Bonus Awards. Pursuant to the IHOP Corp. Executive Incentive Plan (the "Incentive Plan"), Mr. Herzer and the Named Executives earned cash bonuses for 2001. Under the Incentive Plan, the amount of any bonus is targeted as a percentage of salary. The percentage of the targeted bonus actually earned is determined according to a formula that compares the Company's actual profit for any given fiscal year to the projected profit (before income taxes and contributions to the ESOP) in the Company's budget as approved by the Board of Directors at the beginning of the fiscal year. The Board of Directors' budget approval process considers short-term profits and the Company's long-term development and objectives, giving greater weight to those activities that will result in recurring success and lesser weight to extraordinary and non-recurring items. The formula for determining Mr. Herzer's bonus and those of the Named Executives under the Incentive Plan was based solely on the Company's achievement of a targeted profit amount.

Long-Term Incentives. The Named Executives participate in the IHOP Corp. 1991 and 2001 Stock Incentive Plans which are aimed at promoting the acquisition and ownership of the Company's stock. Under the program, grants may be made of stock options or other long-term stock based incentives. In 2001, the Committee granted options to purchase 20,000 shares of the Company's common stock to Mr. Herzer and lesser amounts to the other Named Executives. In determining the amounts of the individual option awards, the Compensation Committee considered several factors including primarily the officers' actual and potential contributions to the Company's long-term success, and the size of awards provided to others holding similar positions in the restaurant industry. Stock options have been granted to Mr. Herzer and the other Named Executives at the fair market value of the Company's stock on the date of grant as reflected in the Summary Compensation Table.
