The purpose of this Schedule 13D/A is to reflect (i) changes in beneficial ownership of the Common Stock by certain of the Reporting Persons and (ii) a letter that was sent on September 28, 2005 by the Fund, one of the Reporting Persons, to the Board of Directors of the Issuer.

Item 3. Source and Amount of Funds or Other Consideration.

Since the date of the Schedule 13D, the Fund used \$12,289,302 of investment capital to purchase an aggregate of 1,688,590 shares of Common Stock.

Item 4. Purpose of Transaction.

The Reporting Persons have purchased and hold the shares of Common Stock reported by them for investment purposes. The Fund, one of the Reporting Persons, has sent letters to the Issuer's Board of Directors, requesting that certain actions be taken. To date, the Board has not taken any action with respect to the specific requests made by the Fund, other than the appointment of Jim Halpin as Chairman of the Issuer's Board.

On September 12, 2005, the Issuer reported a loss of \$37.5 million, or \$1.69 a share, for the third quarter ended July 31st, compared to net income of \$20.5 million, or \$1.06 a share, during the same period only one year ago. Revenue for the quarter plummeted to \$4.6 million from \$34 million last year. Based on previously-announced earnings guidance issued by the Issuer, analysts expected a loss of 65 cents a share on revenue of \$7.8 million, according to Thomson First Call. When the Issuer updated its earnings guidance just this past July, the Issuer predicted a full-year operating loss of just \$16 million to \$19 million on sales of \$120 million to \$125 million. Now, the Issuer has stated that it expects to post a full-year operating loss this year of \$40 million to \$45 million on sales ranging from \$60 million to \$65 million. It is conceivable that the Issuer will not have sufficient liquidity to fund current and anticipated operations, considering that the Issuer had only \$10.3 million in cash at the end of the quarter, and that the Issuer could face significant challenges in maintaining its existing financing or obtaining new financing at satisfactory levels and upon reasonable terms. As a result of these announcements and the Issuer's uncertain future, the trading price for the Common Stock as of the market close yesterday was \$1.32, the lowest price at which such shares have traded in nearly three years, and just over five percent (5%) of the price at which such shares traded only one year ago.

As a result of these developments and the Fund's continued belief in the Issuer's significant potential, yesterday, September 28, 2005, the Fund made an offer to the Issuer in a letter addressed to the Issuer's board of directors to invest \$5 million in the Issuer through the purchase from the Issuer of 3,333,333 shares of Common Stock at a price of \$1.50 per share, representing a premium of more than 17% over yesterday's closing price of the Common Stock. This investment is subject to several conditions, including the completion by the Fund of a due diligence review of the Issuer, the ability to appoint a

Edgar Filing: MAJESCO ENTERTAINMENT CO - Form SC 13D/A

majority of members to the Issuer's board of directors and the grant of registration rights with respect to such shares. A copy of this letter is attached hereto as Exhibit A.

The Reporting Persons may at any time, or from time to time, acquire additional shares of Common Stock or dispose of their shares of Common Stock, propose or pursue any of the foregoing actions or matters or change their intentions with respect to the matters referred to herein.

Item 5. Interest in Securities of the Issuer.

(a) As of the date hereof:

(i) The Fund may be deemed to beneficially own 1,688,590 shares of Common Stock, representing approximately 7.59% of the outstanding shares of Common Stock.

(ii) Robert S. Ellin may be deemed to beneficially own 2,077,000 shares of Common Stock, representing approximately 9.39% of the outstanding shares of Common Stock, including: (A) 33,856 shares of Common Stock owned directly by Robert S. Ellin; (B) 1,688,590 shares of Common Stock owned by the Fund; (C) 47,656 shares of Common Stock owned directly by Nancy J. Ellin, the spouse of Robert S. Ellin; (D) 225,456 shares of Common Stock owned directly by Atlantis, a Delaware corporation of which Nancy J. Ellin is the sole stockholder; and (E) 81,442 shares of Common Stock owned by the Plan. Mr. Ellin disclaims any beneficial ownership of shares of Common Stock held by the Fund except to the extent of (1) his indirect beneficial ownership as the managing member of Trinad Advisors GP, LLC, the general partner of a principal stockholder of the Fund, and (2) his indirect beneficial ownership as a limited partner of the Fund. Mr. Ellin also disclaims any beneficial ownership of shares of Common Stock owned directly by Mrs. Ellin, Atlantis and the Plan.

(b) As of the date hereof:

(i) The Fund has sole power to vote and dispose of 1,688,590 shares of Common Stock.

(ii) Robert S. Ellin has sole power to vote and dispose of 33,856 shares of Common Stock and shared power to vote and dispose of 2,043,144 shares of Common Stock, reflecting, (A) 1,688,590 shares of Common Stock owned by the Fund; (b) 47,656 shares of Common Stock owned directly by Nancy J. Ellin, the spouse of Robert S. Ellin; (C) 225,456 shares of Common Stock that are owned directly by Atlantis; and (D) 81,442 shares of Common Stock owned by the Plan. Mr. Ellin disclaims any beneficial ownership of shares of Common Stock held by the Fund except to the extent of (1) his indirect beneficial ownership as the managing member of Trinad Advisors GP, LLC, the general partner of a principal stockholder of the Fund, and (2) his indirect beneficial ownership as a limited partner of the Fund. Mr. Ellin also disclaims any beneficial ownership of shares of Common Stock owned directly by Mrs. Ellin, Atlantis and the Plan.

Majesco Entertainment Company

Attention: Board of Directors of Majesco Entertainment Company

Gentlemen:

As you know, Trinad Capital Master Fund Ltd. and its affiliates ("Trinad" or "we"), which has been a long-time shareholder of Majesco Entertainment Company ("Majesco" or the "Company"), have made repeated requests for fundamental changes in the Company's management structure, corporate governance, executive compensation and board composition in our letters to you over the past several months. Based on our analysis of the Company's publicly-available information and filings, we believe that the Company now faces danger to its continued existence and prosperity due to a number of factors, including its declining business, a disruption of its customer relationships, an immediate need for additional capital and a total lack of investor confidence in the Company. It is conceivable that the Company will not have sufficient liquidity to fund current and anticipated operations, considering that the Company had only \$10.3 million in cash at the end of the quarter, and that the Company will likely face significant challenges in maintaining its existing financing or obtaining new financing at satisfactory levels and upon reasonable terms.

We have long been proponents of, and believers in, the significant potential of the Company. With this in mind, and considering the Company's impending liquidity crisis, we are prepared to make an equity investment in the Company of five million dollars (\$5,000,000), at a price of \$1.50 per share, in the Company's common stock ("Common Stock"), upon the terms, and subject to the satisfaction of each of the conditions, hereinafter set forth.

1. Cash Investment. The Company shall issue and sell to Trinad or its designees, and Trinad or its designees shall purchase from the Company, an aggregate of 3,333,333 shares of Common Stock at a price of \$1.50 per share, or an aggregate of five million dollars. We refer to the purchase and sale of Common Stock as set forth above as the "Investment." The Company shall cause the shares to be registered under the Securities Act of 1933 within 30 days following the completion of the Investment.
2. Due Diligence. The Investment is subject to the completion to our satisfaction, in our sole and absolute discretion, of a due diligence review of the Company. Majesco shall permit Trinad and its authorized employees and agents, at Trinad's expense, to have access to the operations and facilities, customers, books, records, employees, counsel, accountants and other representatives of Majesco for the purpose of evaluating the transaction contemplated hereby.

3. Board Representation. As a condition to closing, the Company and the board shall take all necessary and desirable action, as reasonably requested by Trinad, to cause a majority of the Company's board of directors to be comprised of individuals nominated by Trinad. We recognize that this may be effected in a number of ways including, without limitation, through the resignation of certain existing board members or by increasing the size of the existing board and, in each case, filling vacancies with our nominees. We are prepared to propose as nominees individuals that we strongly believe will add value to the Board's decision-making process and enhance the Board's ability to maximize shareholder value.
4. Board Approval; Compliance with Applicable Laws. The Investment and the other actions contemplated hereby shall be approved in advance by the Board of Directors of Majesco in a manner to render inapplicable any and all laws, regulations and agreements that would prevent, or impose materials conditions upon, the Investment. Further, Majesco shall execute and deliver any further instruments or documents and take all such necessary action that may be reasonably requested by Trinad to carry out the purpose of this letter.
5. Miscellaneous.

(a) Attorneys' Fees. In the event any of the parties hereto shall institute any action or proceeding against any other party or parties hereto relating to this letter, the unsuccessful party in such action or proceeding shall reimburse the successful party or parties for its reasonable expense incurred in connection herewith, including reasonable attorneys' fees.

(b) Governing Law. This letter shall be governed by, construed and enforced in accordance with the laws of the State of New York, United States of America, without regard to conflict of law principles.

(c) Entire Letter; Modification. This letter sets forth the entire understanding among the parties and supersedes all agreements made prior to or contemporaneously herewith, written or oral, with respect to the subject matter hereof. Any modification of this letter must be in writing and signed by all of the parties hereto in an instrument which makes specific reference to this letter.

(d) Termination. In the event that this letter is not accepted in writing by Majesco and returned to Trinad before 5:00 p.m., New York time, on October 4, 2005, this letter shall automatically terminate and be null and void without any obligation of Trinad. Further, this letter may be terminated by Trinad by the delivery of written notice to Majesco of its desire to so terminate this letter.

(e) Counterparts. This letter may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

(f) Non-Binding Letter. Your acceptance and execution of this letter will affirm our mutual intent as set forth herein. This letter expresses only the intention of Trinad to make the Investment contemplated hereby upon the terms and subject to the conditions contained herein, and does not constitute a binding agreement, or create any legal obligation on the part of, Trinad. Any such agreement or legal obligation shall be created solely through the execution and delivery of a definitive purchase or investment agreement in form and

Edgar Filing: MAJESCO ENTERTAINMENT CO - Form SC 13D/A

substance mutually satisfactory to each of Trinad and Majesco. If such a definitive agreement is not executed, our respective obligations under this letter of intent shall be terminated.

We are confident that our proposal is generous, reasonable and serves the interests of the Company's shareholders. The time has clearly come for the board to take decisive and aggressive action

to begin to deal with the enormity of problems that now face the Company. Given the Company's continued poor performance and current and deteriorating financial position, your failure to agree to our generous proposal could only be deemed to have been made for the purpose of entrenching the current management of the Company and the existing board of directors. This, of course, is completely unacceptable to shareholders and the investment community, and would be in clear violation of your fiduciary and other duties as members of the board. Time is clearly of the essence, as any further diminution in shareholder value is simply unacceptable. Subject to compliance with applicable law, we may seek to accumulate additional shares to bring our interest to more than 10% of the Company's issued and outstanding shares of common stock, and become more actively involved in the Company.

If the foregoing correctly reflects our understanding with respect to the subject matter thereof, please so indicate by signing this letter in the space provided below for your signature.

Very truly yours,

TRINAD CAPITAL MASTER FUND LTD.
