**PUTNAM ANNOUNCES DELAY OF MERGERS
OF TWO CLOSED-END FUNDS INTO OPEN-END FUNDS**

BOSTON, January 9, 2009—Putnam Investments and the Board of Trustees of the Putnam Funds announced today that the previously announced mergers of Putnam Municipal Opportunities Trust (NYSE: PMO) into Putnam Tax Exempt Income Fund and of Putnam Managed Municipal Income Trust (NYSE: PMM) into Putnam Tax-Free High Yield Fund will be delayed in light of current unsettled market conditions. In each merger the acquired fund (a closed-end fund) and the surviving fund (an open-end fund) are managed by Putnam Investment Management, LLC (—Putnam—).

As discussed in the October 30, 2008 press release announcing the Trustees' approval of these mergers, the terms of the mergers require that all of the closed-end funds' preferred shares be redeemed prior to completion of these mergers, and Putnam was authorized to implement such redemptions, as and when market conditions permit in its judgment. The tables below reflect the preferred share redemptions that have occurred (or are scheduled to occur) since October 30, 2008.

B	746823301 495	December 10, 2008	\$49,500,000
C	746823400 0	--	0

Following these redemptions Putnam Municipal Opportunities Trust and Putnam Managed Municipal Income Trust will have outstanding \$178,850,000 and \$123,500,000, respectively, in total liquidation preference of preferred shares.

Putnam has advised the Board of Trustees that in its judgment current market conditions make it inadvisable at this time to implement redemptions of the preferred shares beyond those already scheduled to occur. Accordingly, the Board of Trustees has decided to defer seeking shareholder approval of the proposed mergers at this time. The Trustees continue to believe that the proposed mergers are in the best long-term interests of shareholders and will seek to move forward with these transactions as and when market conditions permit. A further announcement will be made when additional information is available concerning the expected timing of shareholder meetings and the completion of the mergers.
