### **PART III - NARRATIVE**

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

Alliance One International, Inc. (the Company) will be unable to file its Annual Report on Form 10-K for the fiscal year end March 31, 2006 within the prescribed time period without unreasonable effort or expense. The delay relates to the Company's recent adoption of segment reporting. In connection with a routine SEC comment letter, the Company has recently determined it has separate regional operating segments, in accordance with Statement of Financial Accounting Standards (SFAS) No.131, *Disclosures about Segments of an Enterprise and Related Information*. Pursuant to SFAS No. 131 the Company has aggregated its operating segments except for South America, into one reportable segment, and will provide the required disclosures for these two reportable segments. In accordance with SFAS No.142 *Goodwill and Other Intangible Assets*, the Company has determined that the reporting unit will be at the operating segment level. Under SFAS No. 142 the Company is required to appropriately allocate the previously reported enterprise goodwill to operating segments and test for impairment as of January 1, 2006, the annual testing date. The first step in this annual test indicated a potential impairment for certain of the operating segments. As part of Step 2, an independent third party has been engaged to complete valuations used in the impairment testing process. Until this work is completed, the Company will not be able to determine the extent of its non-cash goodwill impairment charge for fiscal year 2006, which will have a material impact on its results. The Company expects to file its Annual Report on Form 10-K and issue a press release announcing its results of operations for the year ended March 31, 2006, on or before June 29, 2006.
