Item 12. Results of Operation and Financial Condition

Pivotal Announces Second Quarter Results

Vancouver, BC January 28, 2004 Pivotal Corporation (Nasdaq: PVTL; TSX: PVT), a leading provider of customer relationship management (CRM) software for mid-sized enterprises, today announced financial results for its second quarter of fiscal 2004 ended December 31, 2003.

Pivotal s total revenues in the second quarter of fiscal 2004 were \$14.3 million, compared to \$13.3 million in the prior quarter and \$16.1 million in the same quarter last year. Revenues from licenses were \$4.3 million in the second quarter of fiscal 2004, compared to \$4.0 million in the prior quarter and \$7.0 million in the same quarter last year. Revenues from services and maintenance were \$10.0 million in the second quarter of fiscal 2004, compared to \$9.3 million in the prior quarter and \$9.1 million in the same quarter last year.

Net loss under generally accepted accounting principles in the United States (GAAP) for the second quarter of fiscal 2004 was \$2.6 million or \$0.10 per share, compared with a net loss of \$3.0 million or \$0.11 per share in the prior quarter and a net loss of \$11.8 million or \$0.47 per share in the same quarter last year. Net loss for the current quarter on a GAAP basis includes \$0.1 million of amortization of acquired intangibles and \$2.6 million of acquisition transaction costs, which resulted in the loss of \$2.6 million.

Pivotal signed 19 new customers this quarter, bringing Pivotal s total customer count to more than 1,670. New customers included organizations such as The Bank of Nova Scotia, WellCare Health Plans, Inc., Orlando Wyndham Group Pty Ltd., Wavin Plastics Limited, and Exel Global Freight Management. Fifty-nine existing customers made repeat purchases including: Centex Homes, 1st Global, Inc., Warehouse Stationery Ltd., The Bankers Bank, RS Components International, and IDEXX Laboratories, Inc.

Pivotal Reminds Securityholders of Date of Extraordinary General Meeting

Pivotal also reminded securityholders that Monday, February 23, 2004 is the date of an extraordinary general meeting to approve the previously announced transaction whereby CDC Software Corporation, a wholly-owned subsidiary of chinadotcom corporation, or its direct or indirect wholly-owned designee will acquire all of the outstanding shares of Pivotal. Materials are being mailed to holders of common shares as at the record date of January 21, 2004 and are also available on the EDGAR and SEDAR web sites. The transaction is subject to the approval of Pivotal s securityholders and the Supreme Court of British Columbia, as well as customary closing conditions. If approved by Pivotal securityholders and the Supreme Court of British Columbia, the parties anticipate that the transaction will close on or about February 25, 2004.

Forward Looking Statements

Statements made herein may contain forward-looking information about management s expectations, new strategic objectives, new market segments, business prospects, anticipated financial performance and other similar matters. A variety of factors, many of which are beyond our control, affect the operations, performance and business strategy and results of Pivotal and could cause actual results and experiences to differ materially from the expectations and objectives expressed in these statements. These factors include, but are not limited to: the severity and duration of adjustment of the market; fluctuations in operating results and general industry, economic and market conditions and growth rates; fluctuations in cash flow; the level of outstanding debt and debt ratings; international growth and global economic conditions, particularly in emerging markets and including interest rate and currency exchange rate fluctuations; the impact of the credit risks of our customers; the sufficiency of our restructuring activities and strategic initiatives, including the potential for higher actual costs to be incurred in connection with restructuring actions and strategic initiatives compared to the estimated costs of such actions or initiatives; the ability to retain and recruit qualified employees; the impact of rationalization or consolidation in the CRM industry; the impact of rapid technological and market change; the impact of price and product competition; the dependence on new product development; stock market volatility; the entrance into contracts which contain delivery, installation, and performance provisions, which, if not met, could result in the non-payment of fees or even damages; uncertain economic conditions, particularly as they affect spending by our prospective customers on CRM and similar enterprise software products; and the future success of our strategic alliances. Other potential risk factors are described in the Company s 2003 Annual Report on Form 10-K, in addition to reports on Form 8-K and Form 10-Q, which are available at the SEC s Web site at www.sec.gov. or the Canadian Depository for Securities Web site at www.sedar.com. Pivotal undertakes no responsibility to update or revise any forward-looking statements.
