This proxy statement and the accompanying proxy card are first being distributed to stockholders of Norwood Financial Corp. on or about March 22, 2019, in connection with the solicitation by our Board of Directors of proxies for use at our 2019 Annual Meeting of Stockholders (the "Annual Meeting") which will be held at the administrative office of Wayne Bank, 717 Main Street, Honesdale, Pennsylvania on Tuesday, April 23, 2019, at 11:00 a.m., local time.

## VOTING AND PROXY PROCEDURES

---

### Who Can Vote at the Annual Meeting

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, \$0.10 par value (the "Common Stock"), as of the close of business on March 11, 2019 (the "Record Date"). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder of your shares (or their designee). For directions to the Annual Meeting, please visit our website at [www.waynebank.com/honesdale-map](http://www.waynebank.com/honesdale-map). As of the Record Date, a total of 6,296,752 shares of Common Stock were outstanding. Each share of Common Stock has one vote in each matter presented.

### Voting by Proxy

The Board of Directors is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Common Stock to be represented at the Annual Meeting by the persons named in the Board of Directors' form of proxy. Stockholders of record may vote by proxy in any of three different ways:

**Voting by Telephone.** Call the toll-free number on the enclosed proxy card and follow the instructions in the recorded message. You will need to have your proxy card with you when you call.

**Voting on the Internet.** Go to [www.investorvote.com/nwfl](http://www.investorvote.com/nwfl) and follow the instructions. You will need to have your proxy card with you when you link to the internet voting site.

**Voting by Mail.** Complete, sign, date and return the enclosed proxy card in the envelope provided.

All shares of Common Stock represented at the Annual Meeting by properly executed or authenticated and dated proxies will be voted according to the instructions indicated on the form of proxy. If you return a proxy without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends a vote "FOR" each of its nominees for director, a vote "FOR" ratification of the appointment of S.R. Snodgrass, P.C. as our independent auditors and a vote "FOR" approval of the amendment to the Articles of Incorporation.

If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the persons named in the Board of Directors' form of proxy will vote your shares as determined by a majority of the Board of Directors. If the Annual Meeting is postponed or adjourned, your Common Stock may be voted by the persons named in the Board of Directors' form of proxy on the new Annual Meeting dates as well, unless you have revoked your proxy or the Board of Directors sets a new record date. The Company does not know of any other matters to be presented at the Annual Meeting.

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. To revoke your proxy you must either advise the Company's Secretary in writing before your Common Stock has been voted at the Annual Meeting, deliver a later-dated proxy, or attend the Annual Meeting and vote your shares in person. Attendance at the Annual Meeting will not by itself revoke your proxy.

If you hold your Common Stock in "street name," you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement.

#### Internet Access to Proxy Materials

Copies of this Proxy Statement and the 2018 Annual Report to Stockholders are available on the Stockholder Services page of the Company's website at [www.waynebank.com/stockholder-services](http://www.waynebank.com/stockholder-services). Stockholders can elect to receive future proxy statements and annual reports over the internet rather than in printed form. Stockholders of record can make this election by calling toll-free to 1 (800) 598-5002, sending an email to [info@waynebank.com](mailto:info@waynebank.com), or by following the instructions on the Stockholder Services page at [www.waynebank.com/stockholder-services](http://www.waynebank.com/stockholder-services). If you hold your shares in street name, please refer to the information provided by your broker, bank or other nominee for instructions on how to elect to access future proxy materials over the internet.

#### Participants in the Wayne Bank Employee Stock Ownership Plan

The enclosed proxy card also serves as a voting instruction form for participants in the Wayne Bank Employee Stock Ownership Plan (the "ESOP"), and reflects all shares participants may vote under the ESOP. ESOP participants may also give voting instructions by telephone or by internet as provided in the form. Under the terms of the ESOP, all shares held by the ESOP are voted by the ESOP trustees, but each participant in the ESOP may direct the trustees on how to vote the shares of Common Stock allocated to his or her ESOP account. Unallocated shares and allocated shares for which no timely voting instructions are received will be voted by the ESOP trustees in the same proportion as the shares for which the trustees have received timely voting instructions, provided that in the absence of any voting directions as to allocated stock, the Board of Directors of Wayne Bank will direct the ESOP trustees as to the voting of all shares of stock in the ESOP. The deadline for returning your voting instruction form to the ESOP trustees by mail is April 12, 2019.

### Vote Required

The Annual Meeting can only transact business if a majority of the outstanding shares of Common Stock entitled to vote are represented at the Annual Meeting. If you return valid proxy instructions or attend the Annual Meeting in person, your shares will be counted for purposes of determining whether there is a quorum even if you abstain or withhold your vote or do not vote your shares at the Annual Meeting. Under Pennsylvania law, if a proxy casts a vote for a matter on the agenda, the stockholder represented by that proxy is considered present for purposes of a quorum. Broker non-votes will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the agenda item and has not received voting instructions from the beneficial owner.

In voting on the election of directors, you may vote in favor of a nominee or withhold your vote from a nominee.

There is no cumulative voting in the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of S.R. Snodgrass, P.C. as our independent auditors, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on this proposal.

In voting to approve the amendment to the Company's Articles of Incorporation, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this proposal requires the affirmative vote of a majority of the votes entitled to be cast at the Annual Meeting. Broker non-votes and abstentions will have the same effect as votes cast against this proposal.

---

### PRINCIPAL HOLDERS OF OUR COMMON STOCK

---

Persons and groups beneficially owning more than 5% of the Common Stock are required to report on their ownership to the Securities and Exchange Commission ("SEC"). A person is the beneficial owner of shares of Common Stock over which he or she has or shares voting or investment power or which he or she has the right to acquire at any time within 60 days from the Record Date. As of the Record Date, no persons or groups were known to the Company to beneficially own more than 5% of the Common Stock.

---

PROPOSAL I - ELECTION OF DIRECTORS

---

The Board of Directors currently consists of nine members, each of whom also serves as a director of our principal subsidiary, Wayne Bank (the “Bank”). Our Articles of Incorporation provide that the Board of Directors must be divided into three classes as nearly equal in number as possible. At each annual meeting of stockholders, each of the successors of the directors whose terms expire at the meeting will be elected to serve for a term of three years expiring at the third annual meeting of stockholders following the annual meeting of stockholders at which the successor director was elected.

Dr. Andrew A. Forte, Ralph A. Matergia and Susan Campfield (collectively, the “Nominees”) have been nominated by the Board of Directors for terms of three years each. The Nominees currently serve as directors of the Company and have consented to serve, if elected.

The persons named as proxies in the Board of Directors’ form of proxy intend to vote for the election of the Nominees, unless the proxy is marked to indicate that such authorization is expressly withheld. Should any of the Nominees withdraw or be unable to serve (which the Board of Directors does not expect) or should any other vacancy occur in the Board of Directors, it is the intention of the persons named in the Board of Directors’ form of proxy to vote for the election of such person as may be recommended to the Board of Directors by the Nominating Committee of the Board. If there is no substitute nominee, the size of the Board of Directors may be reduced.

The following table sets forth the names, ages, positions with the Company, terms and length of board service, number of shares owned and percentage ownership of the Common Stock for: (i) each of the persons nominated for election as directors of the Company at the Annual Meeting; (ii) each other director of the Company who will continue to serve as director after the Annual Meeting; and (iii) each executive officer who is not a director. Beneficial ownership of the directors and executive officers of the Company as a group is also set forth below.

## CORPORATE GOVERNANCE

---

### Director Independence

The Board of Directors has determined that Directors Davis, Phillips, Matergia, Adams, Campfield, Forte, Hungerford and Lamont are independent under the independence standards of The Nasdaq Global Market on which the Common Stock is currently listed. In determining the independence of directors, the Board of Directors considered the deposit and loan relationships which various directors have with the Bank and certain business relationships between the Bank and organizations in which certain directors have an interest. In determining whether Mr. Matergia is independent, the Board of Directors considered work occasionally done by his law firm for the Bank but determined that due to the small volume of work done, his independence was not affected. There are no members of the Audit Committee who do not meet the independence standards of The Nasdaq Global Market for Audit Committee members, and no members of the Audit Committee are serving under any exceptions to these standards.

### Code of Ethics

The Company has adopted a Code of Ethics, which applies to all directors, officers and employees of the Company and the Bank. It is expected that all directors, officers and employees act, in all matters, in accordance with the highest standards of personal and professional conduct in all aspects of their employment and association with the Company and the Bank, to comply with all applicable laws, rules and regulations and to adhere to all policies and procedures adopted by the Company and the Bank.

### Board Leadership Structure and Role in Risk Oversight

Under the Board of Directors' current leadership structure, the offices of Chairman of the Board and Chief Executive Officer are held by separate individuals. William W. Davis, Jr. serves as Chairman of the Board of Directors. Mr. Davis is an independent director and does not serve in any executive capacity with the Company. The Company's Chief Executive Officer is Mr. Lewis J. Critelli. Although the offices of Chairman of the Board and Chief Executive Officer are currently held by separate individuals, the Board of Directors has not made a determination that this is the appropriate leadership structure for the Board of Directors in all circumstances and reserves the right to combine these offices in the future if deemed appropriate under the circumstances.

The Board of Directors has general authority over the Company's risk oversight function with authority delegated to various board committees to review risk management policies and practices in specific areas of the Company's business. The Audit Committee is primarily responsible for overseeing the Company's risk management. The Audit Committee works closely with officers involved in the risk management function including the internal audit staff who report directly to the Audit Committee.

**Audit Committee.** The Audit Committee is comprised of Directors Forte, Phillips, Matergia, Hungerford and Campfield. The Board of Directors has determined that each of the members of the Audit Committee is independent in accordance with the listing requirements for The Nasdaq Global Market. The Board of Directors has adopted a charter for the Audit Committee which is available on the Stockholder Services page of our website at [www.waynebank.com/stockholder-services](http://www.waynebank.com/stockholder-services). The Audit Committee is a standing committee and, among other matters, is responsible for developing and maintaining the Company's audit program. The Audit Committee also meets with the Company's independent auditors to discuss the results of the annual audit and any related matters.

In addition to regularly scheduled meetings, the Audit Committee is available either as a group or individually to discuss any matters that might affect the financial statements, internal controls or other financial aspects of the operations of the Company. The Audit Committee met four times during the fiscal year ended December 31, 2018.

**Compensation Committee.** The Compensation Committee consists of Directors Lamont, Matergia, Davis and Adams. This standing committee met once during the fiscal year ended December 31, 2018 to review the compensation of the chief executive officer and other executive officers. The members of the Compensation Committee are independent in accordance with the listing requirements of The Nasdaq Global Market. For a discussion of the committee's processes and procedures for determining director and executive officer compensation, see the "Compensation Discussion and Analysis" below. The Board of Directors has adopted a charter for the Compensation Committee which is available on the Stockholder Services page of our website at [www.waynebank.com/stockholder-services](http://www.waynebank.com/stockholder-services).

## Director Nomination Process

The Nominating Committee consists of Directors Lamont, Matergia, Davis and Adams, each of whom is independent within the meaning of the rules of The Nasdaq Global Market. The Nominating Committee met once during the year ended December 31, 2018. The Board of Directors has adopted a charter for the Nominating Committee which is available on the Stockholder Services page of our website at [www.waynebank.com/stockholder-services](http://www.waynebank.com/stockholder-services).

The Company does not currently pay fees to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. The Committee's process for identifying and evaluating potential nominees includes soliciting recommendations from directors and officers of the Company and the Bank. Additionally, the Committee will consider persons recommended by stockholders of the Company in selecting the Committee's nominees for election. There is no difference in the manner in which the Committee evaluates persons recommended by directors or officers and persons recommended by stockholders in selecting Board nominees.

To be considered in the Committee's selection of Board nominees, recommendations from stockholders must be received by the Company in writing by at least 120 days prior to the anniversary of the date the proxy statement for the previous year's annual meeting was first distributed to stockholders. Recommendations should identify the submitting stockholder, the person recommended for consideration and the reasons the submitting stockholder believes such person should be considered. The Committee believes potential directors should be stockholders, should have the highest personal and professional integrity and should be knowledgeable about the business activities and market areas in which the Company and its subsidiaries engage. The Committee may consider diversity in market knowledge, background, experience, qualifications, and other factors as part of its evaluation of each candidate.

## Stockholder Communications

The Board of Directors does not have a formal process for stockholders to send communications to the Board. In view of the infrequency of stockholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from stockholders are shared with the full Board no later than the next regularly scheduled Board meeting. In addition, directors are accessible to stockholders on an informal basis throughout the year and formally at the Annual Meeting. The Board encourages, but does not require, directors to attend the Annual Meeting of Stockholders. All then-serving directors attended the 2018 Annual Meeting of Stockholders.

## COMPENSATION DISCUSSION AND ANALYSIS

---

The Company's operating results for 2018 indicate that our compensation programs continue to support our operating goals and our financial targets in our efforts to build long-term value for our stockholders. Our return on assets was 1.19% and return on equity increased to 11.71% for 2018. The Company maintained a net interest margin of 3.53% and capital levels above our peers. Our cash dividends declared for the year increased to \$0.90 per share in 2018 up from \$0.87 per share in 2017, our 27<sup>th</sup> consecutive year of dividend increases.

## Stockholder Advisory Votes on Executive Compensation

At the 2017 Annual Meeting of Shareholders, shareholders approved the advisory vote on the Company's executive compensation policies and practices as disclosed in the Compensation Discussion and Analysis ("CD&A") and the proxy statement by 92.7% of the shares voting on the matter. The

Committee considered this supportive vote in continuing its administration of compensation for the NEOs in 2018.

#### Philosophy and Objectives

The Company's compensation programs are designed to effectively attract, retain, motivate and reward the NEOs and all employees for their performance. The Company believes in maintaining a competitive compensation package to insure continuity of the management team with the goal of increasing shareholder value over the long-term.

The objectives of the compensation package include the following:

- Create an overall compensation package that is competitive with those offered by other financial institutions in our market area while providing appropriate incentives for the achievement of short and long term performance goals;
- Encourage achievement of short-term performance goals through cash incentive programs;
- Use stock incentive plans to encourage long-term corporate performance and align interests of management with stockholders;
- Encourage long-term management continuity and loyalty through the accrual of post-employment benefits; and
- Monitoring the incentive compensation applicable to NEOs and other officers and employees within acceptable parameters of risk to the Company.

Financial service is a competitive industry and the Company operates in a market area which is headquarters to many other community banks as well as much larger institutions. The NEO officer compensation packages are therefore structured to retain the current team. The Company believes this is important due to the following attributes of the NEOs:

- In-depth knowledge of the local markets;
- Familiarity with Norwood's operations;
- Strong customer relationships; and
- Management succession planning.

The Company has a balanced package of short-term, cash-based compensation and longer-term, stock-based plans and retirement plans. The Company's Executive Compensation package includes the following key elements:

- Base Salary;
- Cash Incentive Bonus Plan;
- Long-Term Equity-Based Incentive Compensation;
- Employment and Change of Control Agreements;
- Post-Employment and Retirement Programs;
- Insurance and Other Benefits; and
- Perquisites and Other Personal Benefits.

#### Administration of Compensation Program

The Compensation Committee of the Company is responsible for the administration of the compensation program of the President and Chief Executive Officer, the Chief Financial Officer and the other Named Executive Officer.

The Committee meets in the fourth quarter of each year to determine annual salary adjustments, cash bonus, stock and stock option awards for NEOs. The Company does not have a formal policy addressing each specific type of compensation.

The Committee does consider a variety of factors as it evaluates compensation for each NEO, including:

- Overall company performance as compared to budget and prior year's performance;
- Bank regulatory compliance;
- Bank performance metrics compared to peers, including return on assets, return on equity, charge-offs, level of non-performing loans and efficiency ratio; and
- The individual achievements of each NEO in their respective areas of responsibility.

In establishing base salaries and increases, the committee has access to various compensation surveys to ensure a competitive salary level. These include:

- The Conference Board Salary increase survey;
- SNL Executive Compensation Review; and
- A peer group of companies, as listed below.

The Committee has the sole authority to retain and terminate a compensation consultant and to approve the consultant's fees and all other terms of the engagement. In 2018, the Committee retained the services of Blanchard Consulting Group ("Blanchard Consulting"), an independent compensation consulting firm. Blanchard Consulting assisted the Committee during the fiscal year in preparing a review of the Company's peer group of companies and providing guidance with respect to the Company's market competitiveness to the selected peer group in terms of base salary, cash compensation, direct compensation (salary, annual cash incentives and the economic value of equity awards) and total compensation. A representative from Blanchard Consulting is available to attend Committee meetings upon request for the purpose of reviewing compensation data with the Committee and participating in general discussions on compensation for the named executive officers. While the Committee considers input from Blanchard Consulting when making compensation decisions, the Committee's final decisions reflect many factors and considerations.

Blanchard Consulting reports directly to the Committee and does not provide any other services to the Company. The Committee has analyzed whether the work of Blanchard Consulting as a compensation consultant has raised any conflict of interest, taking into consideration the following factors, among others: (i) the provision of other services to the Company by Blanchard Consulting; (ii) the amount of fees from the Company paid to Blanchard Consulting as a percentage of Blanchard Consulting's total revenue; (iii) Blanchard Consulting's policies and procedures that are designed to prevent conflicts of interest; (iv) any business or personal relationship of Blanchard Consulting or the individual compensation advisors employed by Blanchard Consulting with an executive officer of the Company; (v) any business or personal relationship of the individual compensation advisors with any member of the Committee; and (vi) any stock of the Company owned by Blanchard Consulting or the individual compensation advisors employed by Blanchard Consulting. The Committee has determined, based on its analysis of the above factors, among others, that the work of Blanchard Consulting and the individual compensation advisors employed by Blanchard Consulting as compensation consultants to the Company has not created any conflict of interest.

The Company does not specifically benchmark compensation to any specific group of companies.

Peer group of financial institutions utilized in 2018 consisted of the following banks with total assets between \$850 million and \$2.3 billion competing in the Pennsylvania market: Peoples Financial Services Corp. (PFIS); Codorus Valley Bancorp, Inc. (CVLY); Republic First Bancorp, Inc. (FRBK); Orrstown Financial Services, Inc. (ORRF); Citizens & Northern Corp. (CZNC); Citizens Financial Services, Inc. (CZFS); AmeriServ Financial Inc. (ASRV); ACNB Corp. (ACNB); FNCB Bancorp, Inc. (FNCB); Franklin Financial Services Corporation (FRAF); ENB Financial Corp. (ENBP); CB Financial Services, Inc. (CBFV); Malvern Bancorp, Inc. (MLVF); Fidelity D&D Bancorp, Inc. (FDBC); ESSA Bancorp, Inc. (ESSA); Embassy Bancorp, Inc. (EMYB); Mid Penn Bancorp, Inc. (MPB); Penns Woods Bancorp, Inc. (PWOD); First Keystone Corporation (FKYS); QNB Corp. (QNBC); and DNB Financial Corporation (DNBF); Riverview Financial Corp. (RIVE); and Prudential Bancorp, Inc. (PBIP).

In reviewing the available information, we review the overall information available, including salary, bonus, incentive compensation and other compensation. We do not have a pre-defined target level of compensation to which we set our compensation levels. A review of the 2018 peer group report provided by Blanchard Consulting, indicates that the Company's base salaries, annual discretionary cash bonuses and total compensation for each of its NEOs range from the 45<sup>th</sup> to 65<sup>th</sup> percentile for comparable positions in the peer group.

Absent a material increase in duties or a significant change in the economic or competitive landscape, NEO salaries are not increased materially from year to year. At each Committee meeting, the Chief Executive Officer discusses with the Committee the performance evaluations of each of the NEOs, excluding himself, and presents his recommendations. The Chief Executive Officer is not present for any discussion involving his compensation.

Depending on the Company's performance for the year, the Committee establishes a cash incentive bonus pool based on a percentage of pre-tax earnings. Specific bonus amounts are awarded to each NEO based on performance as determined within the discretion of the Committee. The Company realizes that all employees contribute to its success, and therefore, cash bonuses are also distributed to employees at all levels based on merit. The Company has never been required to materially adjust or restate the pre-tax earnings on which the bonus pool has been calculated and does not have a policy regarding the adjustment or recovery of bonuses in such an event.

The Committee also may grant stock option awards and restricted stock awards under the Company's 2014 Equity Incentive Plan. Such equity awards are designed to provide long-term incentives to NEOs, directors and other key employees that contribute to the success of the Company. The ten-year life of the options and five-year vesting of restricted stock awards are structured to retain the NEOs and promote the long-term success of the Company.

The Board of Directors believes that equity-based compensation is important in aligning the interests of management with those of shareholders and has established the Wayne Bank Employee Stock Ownership Plan and the 2014 Equity Incentive Plan to help it achieve this objective. Although each of the NEOs has a substantial personal investment in the Common Stock, the Board of Directors does not have formal equity ownership requirements or guidelines for executive officers.

#### Components of Compensation Program

The major components of compensation for 2018 were as follows:

**Salary.** As a result of the Company's ongoing success and the continuity of the management team, the average base salary increase of 11.5% was above the median of 3.0% as stated in the Conference Board Survey. The Committee approved an average 3.0% increase in staff salaries at the December meeting. This level was based on information from the Conference Board which indicated commercial banks would increase officer salaries by 3.0%. NEO salary increases ranged from 7.9% to

13.9% excluding increases related to any material changes in duties. The employment agreement in effect in 2018 with Mr. Critelli provided for a base salary of \$325,000 and a minimum annual increase of \$5,000.

Annually, the Committee reviews the salary levels of the CEOs in the peer group established (as detailed above). In 2018, the salary range paid to the CEOs in this peer group was \$239,500 to \$567,268 with a 50<sup>th</sup> percentile amount of \$393,290. The base salary for Mr. Critelli will increase from \$325,000 to \$370,000, a 13.9% increase, effective January 1, 2019. Other salary increases approved for the NEOs, effective as of January 1, 2019, ranged from 7.9% to 10.0%.

**Bonus.** For 2018, the Board approved a bonus pool equal to \$845,000, or 3.0%, of pre-tax earnings to be distributed to all NEOs, other officers and employees. Historically, this bonus pool percentage has varied from 3.0% to 5.1% of pre-tax earnings. In establishing this bonus pool, the Committee reviewed the Company's overall performance which exceeded expectations after considering the impact of any non-recurring events. Awards under the bonus pool are made within the discretion of the Committee and are not based upon pre-established performance criteria. Cash Bonuses approved by the Committee in December 2018 for the NEOs ranged from \$50,000 to \$125,000.

**Stock Based Awards.** The Committee approved stock option awards and restricted stock awards under the 2014 Equity Incentive Plan. The purpose of the plan is to provide incentives and rewards to officers, employees and directors that contribute to the success and growth of the Company. In 2018, a total of 26,500 options were granted to nineteen key employees. Additionally, a total of 2,400 options were granted to outside directors in 2018. Such options granted in 2018 represent 0.46% of total shares outstanding.

At the 2014 Annual Meeting of Stockholders, the Stockholders approved a new stock-based incentive plan providing for a new program which may award up to an additional 375,000 shares of Common Stock in the form of stock options and restricted stock awards. At the 2018 Annual Meeting of Stockholders, Stockholders approved an amendment to the Plan to increase the proportion of shares available for restricted stock awards. In 2018, a total of 13,100 shares of restricted stock were awarded under this Plan to Executive Officers and Directors. NEOs received 5,000 stock awards in December 2018, as follows:

<u>Name</u>	<u>Stock Award</u>
Lewis J. Critelli	2,500 Shares
William S. Lance	1,250 Shares
James F. Burke	1,250 Shares

**Timing of Grants.** Stock awards are typically granted annually as part of the individual performance review process. This takes place at the Compensation Committee Meeting in the fourth quarter. The full board ratifies the actions of the Committee in December and establishes the grant date. The exercise price of stock options is based upon the last sale price of the Company's stock at the closing on the effective date of grant or if there is no trading on such date then the last trading day prior to such date of grant. As described above, options for 28,900 shares were awarded in December, 2018.

**Retirement Arrangements.** The Company has entered into Salary Continuation Plan agreements with President and Chief Executive Officer Lewis J. Critelli, Executive Vice President and Chief Financial Officer William S. Lance, and Executive Vice President and Chief Lending Officer James F. Burke. The Salary Continuation Agreements are intended to provide benefits to the Executives upon retirement, death, or disability, or in the event of a Change in Control (as defined in the Salary Continuation Agreements). Upon termination of employment on or after reaching age 65 (age 62 in the case of Mr. Critelli), or following a change-in-control, if earlier, Messrs. Critelli, Lance and Burke will be entitled under the Salary Continuation Agreements to a Normal Retirement Benefit of \$70,923, \$50,000

and \$60,000 per annum, respectively, payable in monthly installments for a period of fifteen (15) years. Mr. Critelli will be entitled to an annual retirement benefit of \$100,000 if he continues working until age 65 (the "Age 65 Benefit"). An Executive who continues working past the Normal Retirement Age will earn an increased benefit for each month worked up to age 67. If an Executive has a separation from service (other than in connection with a Change in Control or a termination for cause) or becomes disabled prior to reaching Normal Retirement Age, he will be eligible for a reduced annual benefit equal to the annual retirement benefit accrued through the date of separation or disability payable in monthly installments for a period of fifteen (15) years beginning at Normal Retirement Age or the month after disability, as the case may be. The Salary Continuation Agreements require the Executives to comply with certain non-competition and non-solicitation restrictions following a termination of employment as a condition to the continued receipt of benefits.

The benefit amounts under the Salary Continuation Agreements were calculated based on the amount of supplemental retirement income needed to allow the executive to retire on approximately 40%-75% of projected final salary when such supplemental benefit is added to the Company's qualified retirement plans and social security. The range of 40% to 75% of final salary is based on total years of service with the Company from inception date of the plan. The target supplemental salary level payable at normal retirement age as follows: up to 15 years of service – 40%, 15-25 years – 65% and 25 or more – 75%. We believe that the Salary Continuation Agreements serve the interests of shareholders by encouraging long-term service by the Executives and helping make the Company's executive compensation program competitive with other financial institutions.

The NEOs participate in the Bank's defined contribution profit-sharing and 401(k) Plan which is open to all employees over the age of 21 who have met the eligibility requirements. The 401(k) Plan permits employees to make pre-tax contributions of between 2% and 10% of their compensation to their accounts in the 401(k) Plan and the Bank will match the first 3% of the contribution. In addition, in 2018, the Committee approved an additional corporate contribution equal to 6% of each eligible employee's compensation. The Committee considers the financial performance of the Company when it sets the Company's annual contribution under the plan. For each eligible NEO, the Company contributed a total of 9% of the NEO's base salary to the Plan, the same percentage as for all eligible employees who contributed at least 3% of their compensation to their account.

Each of the NEOs participate in the Employee Stock Ownership Plan (ESOP) which is open to all employees who have met the eligibility requirements. There have been no contributions to the Plan since 1996. The compensation reported for Mr. Critelli represents shares purchased with dividends received on previously allocated shares of common stock.

Employment Agreement and Change In Control Severance Arrangements. As part of the long-term compensation package, the Company and the Bank have entered into a three-year employment agreement with Mr. Critelli. If the Company terminates Mr. Critelli, without just cause and absent a Change in Control, he would be entitled to a payment of salary for amounts due under the agreement with a minimum severance payment of one year's salary. The agreement has a two-step change-in-control trigger under which, in case of a voluntary termination within 30 days of a change-in control or an involuntary termination without just cause or a voluntary termination for good reason occurring during the six months before or within one year after a change-in-control, Mr. Critelli would be paid a lump sum amount equal to three times the five-year average of his annual compensation less \$1.00. We believe that the change-in-control provision is desirable in order to ensure that Mr. Critelli remains focused on the interests of the Company and its shareholders in the event of a pending change-in-control. In the event of a change in control, the Company will indemnify Mr. Critelli for any tax penalties that may be incurred by him for amounts received that exceed the limitations under Sections 280G and 4999 of the Internal Revenue Code of 1986 (the "Code"). A portion of such payments that could be made by the Company to Mr. Critelli as severance payments following a Change in Control transaction might be a non-deductible payment of the Company for federal income tax purposes. The Committee believes that it is in the best

interests of the Company's shareholders that the Committee has the flexibility to make severance payments that might exceed deductibility limits under Section 280G of the Code.

The Company and the Bank have entered into a five-year change in control severance agreement with Mr. William S. Lance, Chief Financial Officer and a three-year change in control severance agreement with Mr. James F. Burke, Chief Lending Officer. Each agreement has a two-step change-in-control trigger under which, in case of a voluntary termination within 30 days of a change-in-control or an involuntary termination without just cause or a voluntary termination for good reason occurring during the six months before or within one year after a change-in-control, Messrs. Lance and Burke would be paid a lump sum amount equal to two times their then-current base salary, and not to exceed the tax-deductible limits under Section 280G of the Code of three times the five-year average of their total taxable annual compensation less \$1.00. We believe that the change-in-control provisions are desirable in order to ensure that Messrs. Lance and Burke remain focused on the interests of the Company and its shareholders in the event of a pending change-in-control.

Other Benefits and Perquisites. In accordance with the terms of Mr. Critelli's employment agreement, the Company provides him with use of an automobile, including insurance, maintenance, fuel, fees and other costs. In 2018, the Company provided Mr. Burke with the use of an automobile, including insurance, maintenance, fuel, fees and other costs. In lieu of providing company-owned vehicles, the Company provides an automobile allowance to Mr. Lance. The Company also pays the costs for use of a local country club to facilitate business activities by the NEOs.

Other Matters. The Committee balances short-term and long-term compensation for the NEOs. Long term compensation includes stock option grants, stock awards, salary continuation plan and other benefits available to all employees which includes contributions to 401(k) Plan, ESOP and life insurance. For 2018, the target range for short-term compensation as a percentage of total compensation was 50% to 75% with long-term compensation at 25% to 50% of total compensation. We believe this formula is competitive within our market place and peer group.

Lewis J. Critelli has entered into a three-year employment agreement with the Company and the Bank. The employment agreement provides for annual one-year renewals on each anniversary date of the agreement unless either party provides prior written notice to the contrary. The agreement provides that the Board of Directors will review his salary not less often than annually and shall increase his base salary by no less than \$5,000 per year. The employment agreement provides that Mr. Critelli will participate equitably in discretionary bonuses that the Board of Directors may award to senior management from time to time. Mr. Critelli is also entitled to participate in specified benefit plans and in any fringe benefits made available to senior management.

In accordance with SEC regulations, the Summary Compensation Table reports the aggregate grant date value of option and restricted stock awards in the fiscal year in which the award was made. Stock options vest and become exercisable one year from the date of grant. Restricted stock awards are earned and become non-forfeitable in five equal installments beginning one year from the date of grant

during periods of continued service as an employee, director or director emeritus. Stock option and restricted stock awards fully vest upon a change-in-control. Stock options vest upon a termination of employment due to death or disability. At the death or disability of the Named Executive Officer, restricted stock awards vest as if the Named Executive Officer had reached the next applicable vesting event. Recipients of restricted stock awards are entitled to receive dividends paid on the underlying Common Stock prior to vesting but have no voting rights until the award vests.

The Summary Compensation Table includes various miscellaneous income items under “All Other Compensation.” Under the Company’s 401(k) Plan, eligible employees may annually contribute between 2% and 10% of their compensation to their accounts in the 401(k) Plan. The Company generally matches employee contributions up to 3% of salary. In 2018, the Company made an additional contribution of 6% of salary. Since all eligible Named Executive Officers each contributed at least 3% of salary, a contribution of 9% was made to each of their accounts. The Company pays premiums on life insurance coverage for all eligible employees including the Named Executive Officers with insurance coverage of three times base salary. Each Named Executive Officer also participates in the Wayne Bank Employee Stock Ownership Plan. In accordance with SEC regulations, the table excludes the value of certain perquisites and personal benefits which did not exceed \$10,000 in the aggregate for any Named Executive Officer.

Outstanding Equity Awards at Fiscal Year End. The following table sets forth information concerning outstanding equity awards of the Named Executive Officers at fiscal year end. Shares and per share amounts have been restated for the 50% stock dividend declared August 8, 2017.

Potential Payments Upon Retirement, Termination or Change-in-Control. The Named Executive Officers are parties to various agreements that provide for payments in connection with any termination of their employment.

Employment and Severance Agreements. Under his Employment Agreement, the Company or the Bank may terminate Mr. Critelli's employment at any time for "just cause" as defined in the Agreement without further liability. If the Company or the Bank terminated Mr. Critelli without just cause, he would be entitled to a continuation of his salary for the remaining term of the Agreement with a minimum of one year from the date of termination as well as the continuation of other benefits. In the event of an involuntary termination without just cause or a voluntary termination with good reason occurring during the period beginning six months prior and ending one year after a change in control, Mr. Critelli will be paid in a lump sum an amount equal to three times the five-year average of his annual compensation minus \$1.00. Under the Agreement, Mr. Critelli is prohibited from competing with the Bank for one year if his employment is terminated for just cause or he resigns for a reason other than good reason. The Company has entered into Change-in-Control Severance Agreements with William S. Lance and James F. Burke, pursuant to which Messrs. Lance and Burke would be entitled to severance payments equal to two times their base salary, in the event of an involuntary termination without just cause or a voluntary termination with good reason during the period beginning six months prior and ending one year after a change in control.

Salary Continuation Plan. Upon a separation of service from the Bank at the Normal Retirement Age of 65 (age 62 in the case of Mr. Critelli), the Bank is obligated to pay to the Executives the Normal Retirement Benefits specified in their respective Salary Continuation Agreements in monthly installments for a period of fifteen (15) years. The Normal Retirement Benefits for Messrs. Critelli, Lance and Burke are \$70,923, \$50,000 and \$60,000 per annum, respectively. Mr. Critelli will be entitled to an annual retirement benefit of \$100,000 if he continues working until age 65 (the "Age 65 Benefit"). If an Executive has a separation from service (other than in connection with a Change in Control or a termination for cause) or becomes disabled prior to reaching Normal Retirement Age, he is eligible for a reduced annual benefit equal to the annual retirement benefit accrued through the date of separation or disability payable in monthly installments for a period of fifteen (15) years beginning at Normal Retirement Age or the month after disability, as the case may be. In the event of a Change in Control occurring prior to a separation from service, disability or Normal Retirement Age, the Executives are entitled to receive an annual benefit equal to their Normal Retirement Benefit (or the Age 65 Benefit in the case of Mr. Critelli) in equal monthly installments for 15 years commencing the month following Normal Retirement Age in lieu of any other benefit under the Salary Continuation Agreement. In the event of an Executive's death before separation from service, disability or a Change in Control, the Normal Retirement Benefit (or the Age 65 Benefit in the case of Mr. Critelli) will be paid to the Executive's beneficiary over 15 years commencing the month following the Executive's death. In the event of the Executive's death after qualifying for benefits under the Salary Continuation Agreements but before Normal Retirement Age, the Bank will pay the Executive's beneficiary the same amount and for the same period as the Bank would have been required to pay the Executive at Normal Retirement Age but payments will commence the month following the Executive's death. No Executive will be entitled to receive any benefits under the Salary Continuation Agreements in the event of termination for cause.

Stock Option Plan and Equity Incentive Plan. The 2006 Stock Option Plan and 2014 Equity Incentive Plan provide that each outstanding stock option issued thereunder will become immediately vested in the event of the death or disability of the optionee or upon a change-in-control of the Company. The 2014 Equity Incentive Plan provides that outstanding restricted stock awards will be deemed fully earned and non-forfeitable upon a change in control. Upon the death or disability of the Executive, any unearned restricted stock awards would vest as if the Executive had reached the next applicable vesting event. Any portion of stock awards that remain unearned would be forfeited.

401(k) Plan and ESOP. The Named Executive Officers participate in the Bank's defined contribution profit-sharing and 401(k) Plan which is open to all employees over the age of 21 who have met the eligibility requirements. The 401(k) Plan permits employees to make pre-tax contributions of between 2% and 10% of their compensation to their accounts in the 401(k) Plan and the Bank will match the first 3% of the contribution. Each participant has an individual account under the 401(k) Plan and may direct the investment of his or her account among a variety of investment options or vehicles available. Each of the Named Executive Officers also participates in the Employee Stock Ownership Plan (ESOP) which is open to all employees who have met the eligibility requirements. Under the ESOP, shares are allocated to participants' accounts as they become available. Benefits may be paid either in shares of the common stock or in cash.
