## Edgar Filing: FIRST HORIZON NATIONAL CORP - Form 8-K

### ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On January 31, 2006, the registrant, through its wholly-owned subsidiaries, entered into a definitive agreement to sell the registrant's national merchant processing business for a purchase price of \$432.7 million in cash. The sale is to NOVA Information Systems (NOVA), a wholly owned subsidiary of U.S. Bancorp. The registrant has conducted its merchant processing business primarily under the names First Horizon Merchant Services and Global Card Services. In the sale agreement, NOVA has agreed to purchase substantially all of the registrant's merchant processing assets and assume certain related liabilities.

Among other things, the sale agreement requires: the registrant and NOVA to enter into a merchant services agreement providing NOVA's merchant processing services to the registrant's current and prospective customers for a period of ten years; and, the registrant to enter into a non-competition agreement with NOVA, relating to merchant processing services, for the term of the merchant services agreement plus eighteen months. In addition, a supplement to the purchase price may be paid to the registrant if certain performance goals are achieved during a period following closing.

The sale transaction is subject to customary approvals, including reviews and approvals by federal regulators under U.S. anti-trust laws, and customary closing conditions.

The registrant intends to use the proceeds of the sale for general corporate purposes, including (among other things) to repurchase shares of the registrant's common stock under repurchase authority previously announced.
