This Amendment No. 1 (this Amendment) amends and supplements the Schedule 13D filed on May 17, 2010 (the Original Filing) by the Reporting Persons relating to the common stock, par value \$0.001 per share (Common Stock) of Biolase Technology, Inc., a Delaware corporation (the Issuer). Information reported in the Original Filing remains in effect except to the extent that it is amended, supplemented, restated or superseded by information contained in this Amendment. Capitalized terms used but not defined in this Amendment have the respective meanings set forth in the Original Filing.

Item 1. Security and Issuer.

Item 1 is hereby amended and restated as follows:

This Amendment, which relates to the Reporting Person's beneficial ownership of the Issuer's Common Stock, is being filed to supplement the disclosure in Item 4 of the Original Filing and amend Item 7 of the Original Filing. The principal executive offices of the Issuer are located at 4 Cromwell, Irvine, California 92618.

Item 4. Purpose of Transaction.

Item 4 of the Original Filing is hereby supplemented as follows:

In response to the Reporting Person's continued dissatisfaction with the performance of the Board of Directors of the Issuer, on June 4, 2010, the Reporting Person delivered a letter, which the Reporting Person modified and re-delivered on June 7, 2010 (as modified, the Letter) to the Secretary of the Issuer (and a copy to each member of the Board of Directors of the Issuer), notifying the Secretary that in the Reporting Person's capacity as President of the Issuer, the Reporting Person was exercising his right pursuant to Section 2.3(a) of the Issuer's Bylaws, to call a special meeting (the Meeting) of the Issuer's stockholders on August 6, 2010, at 11AM Pacific Daylight Time, at the Issuer's Corporate offices. Pursuant to the Letter, the Reporting Person proposed that at the Meeting, the Issuer's stockholders vote to (i) remove all persons serving as directors of the Issuer at the Meeting, other than himself and Mr. David M. Mulder; (ii) amend Section 3.2 of the Bylaws to reduce the size of the Board to no less than three directors and no more than seven directors; (iii) amend Section 3.4 of the Bylaws to require the unanimous vote of all remaining members of the Board to fill any vacancy on the Board whether as a result of an increase in the authorized number of directors on the Board or otherwise; (iv) amend Section 4.6 of the Bylaws to provide that the Board must adhere to any voting requirements required by the Bylaws; (v) amend Sections 7.1 of the Bylaws to require that (a) the Chief Executive Officer (the CEO) and Chief Financial Officer (or the principal officer having responsibility for financial matters pertaining to the Issuer) (the CFO) be elected by the unanimous vote of all directors other than any director who is being considered for election as the CEO or CFO, as applicable, by the Board, and (b) the Chairman of the Board be elected by the affirmative vote of all directors on the Board but one director; provided, however that the CEO may not serve as Chairman of the Board unless he/she is elected by the unanimous vote of all directors on the Board; (vi) add a new Section 9.11 to the Bylaws requiring the unanimous vote of all members of the Board to issue Issuer securities except as specifically provided for therein; and (vii) amend Section 11.2 of the Bylaws to require unanimous Board approval (or stockholder approval) to amend or repeal Sections 2.9, 3.2, 3.4, 4.6, 7.1, and 9.11 of the Bylaws. The Reporting Person intends to file a proxy statement with the United States Securities and Exchange Commission relating to the Meeting and to solicit proxies in support of the foregoing proposals. The Reporting Person believes that such changes in the Issuer's Board of Directors and the Issuer's Bylaws is in the best interests of the Issuer's stockholders and could help maximize stockholder value.

A copy of the Letter is filed herewith and attached hereto as Exhibit 1 and is incorporated by reference herein. The description of the Letter is qualified in its entirety by reference to the attached Exhibit 1.

Item 7. Material to Be Filed as Exhibits.
