Item 1.01. Entry into a Material Definitive Agreement.

On July 8, 2010, Pebblebrook Hotel Trust (the Company), as parent guarantor, Pebblebrook Hotel, L.P., as borrower (the Borrower), and certain indirect subsidiaries of the Company entered into a \$150.0 million, three-year, secured revolving credit agreement (the Credit Agreement) with the lenders party thereto, Bank of America, N.A., as administrative agent, Banc of America Securities LLC and Wells Fargo Securities, LLC, as joint lead arrangers and joint book runners, Wells Fargo Bank, National Association, as syndication agent, U.S. Bank National Association, as documentation agent, and Credit Agricole Corporate and Investment Bank, Raymond James Bank, FSB, Royal Bank of Canada; and Chevy Chase Bank as lenders (collectively, the Lenders). Subject to certain terms and conditions set forth in the Credit Agreement, the Borrower may increase the original principal amount of the Credit Agreement by an additional \$50.0 million and extend the maturity date by one additional year. Pursuant to the Credit Agreement, the Company and certain indirect subsidiaries of the Company guarantee to the Lenders all of the obligations of the Borrower and each other guarantor under the Credit Agreement, any notes and the other loan documents, including any obligations under hedging arrangements. From time to time, the Borrower may be required to cause additional subsidiaries to become guarantors under the Credit Agreement.

Availability under the Credit Agreement is based on the least of the following: (i) the aggregate commitments of all Lenders, (ii) a percentage of the as-is appraised value of qualifying borrowing base properties (subject to certain concentration limitations and other deductions) and (iii) a percentage of net operating income from qualifying borrowing base properties (subject to certain limitations and other deductions). The Credit Agreement is secured by each borrowing base property, including all personal property assets related thereto, and the equity interests of certain subsidiaries of the Company. The borrower is obtaining the certain appraisals and other information necessary to include certain properties in the borrowing base, therefore, as of July 8, 2010, there were no borrowing base properties under the Credit Agreement.

The Credit Agreement provides for revolving credit loans to the Company. All borrowings under the Credit Agreement will bear interest at a rate per annum equal to, at the option of the Company, (i) the greatest of (A) the weighted average of the rates on overnight federal funds transactions with members of the Federal Reserve System arranged by federal funds brokers, plus $\frac{1}{2}$ of 1% and a margin that fluctuates based upon the Company's leverage ratio, (B) the rate of interest as publicly announced from time to time by Bank of America, N.A. as its prime rate plus a margin that fluctuates based on the Company's leverage ratio or (C) the Eurodollar Rate (as defined in the Credit Agreement) for a one-month interest period plus 1% and a margin that fluctuates based upon the Company's leverage ratio or (ii) the greater of (A) 1.50% plus a margin that fluctuates based upon the Company's leverage ratio or (B) the Eurodollar Rate (as defined in the Credit Agreement) plus a margin that fluctuates based upon the Company's leverage ratio. The Credit Agreement also permits the issuance of letters of credit and provides for swingline loans. Swingline loans will bear interest at a rate equal to the Base Rate (as defined in the Credit Agreement) plus a margin that fluctuates based on the Company's leverage ratio.

The Credit Agreement contains representations, warranties, covenants, terms and conditions customary for transactions of this type, including a maximum leverage ratio, a minimum fixed charge coverage ratio and minimum net worth financial covenants, limitations on liens, incurrence of debt, investments, mergers and asset dispositions, covenants to preserve corporate existence and comply with laws, covenants on the use of proceeds of the credit facility and default provisions, including defaults for non-payment, breach of representations and warranties, insolvency, non-performance of covenants, cross-defaults and guarantor defaults. The occurrence of an event of default under the Credit Agreement could result in all loans and other obligations becoming immediately due and payable and the credit facility being terminated and allow the Lenders to exercise all rights and remedies available to them with respect to the collateral.

As of July 8, 2010, the Company had no borrowings outstanding under the Credit Agreement.

The foregoing description of the Credit Agreement is not complete and is qualified in its entirety by reference to the entire Credit Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
