This Schedule TO is being filed on behalf of IDEX and the Purchaser. Capitalized terms used and not otherwise defined in this Amendment shall have the meaning assigned to such terms in the Offer to Purchase or in the Schedule TO.

Item 11. Additional Information

Item 11 of this Schedule TO is hereby amended and supplemented by including the following:

The Subsequent Offering Period was scheduled to expire at 5:00 p.m., New York City time, on Thursday, March 3, 2011. The Purchaser has been advised by the Depositary that, as of such time, a total of 7,410,530 Shares have been validly tendered and not properly withdrawn during the initial offering period and the Subsequent Offering Period, representing approximately 71.05% of the Shares outstanding. Pursuant to the terms of the Offer, as of March 4, 2011, Purchaser has accepted for payment all Shares validly tendered and not properly withdrawn during the initial offering period and all Shares validly tendered during the Subsequent Offering Period, and the consideration for all such Shares either has been paid or promptly will be paid.

On March 4, 2011, in accordance with the Merger Agreement, IDEX announced that the Purchaser has extended the Subsequent Offering Period to acquire all of the remaining untendered Shares to permit stockholders who have not yet tendered their Shares the opportunity to do so. The Subsequent Offering Period (as extended) will expire at 5:00 p.m., New York City time, on Thursday, March 10, 2011. During the Subsequent Offering Period (as extended), holders of Shares of Microfluidics common stock who did not previously tender their Shares during the initial offering period or the Subsequent Offering Period will receive the same consideration payable to stockholders who have previously tendered, \$1.35 per Share, net to the seller in cash without interest but subject to any applicable tax withholding. During the Subsequent Offering Period, the Purchaser will immediately accept for payment and promptly pay for properly tendered Shares as such Shares are tendered. Procedures for tendering Shares during the Subsequent Offering Period are the same as during the initial offering period with two exceptions: (1) stockholders will not be permitted to tender Shares by means of guaranteed delivery; and (2) pursuant to Rule 14d-7(a)(2) under the Exchange Act, Shares tendered during the Subsequent Offering Period may not be withdrawn. In addition, Shares previously tendered during the initial offering period and accepted for payment may not be withdrawn during the Subsequent Offering Period. IDEX and the Purchaser reserve the right to further extend the Subsequent Offering Period in accordance with Rule 14d-11 under the Exchange Act. For more information about the Subsequent Offering Period, see Section 1 Terms of the Offer of the Offer to Purchase.

On March 4, 2011, IDEX issued a press release announcing the extension of the Subsequent Offering Period. The press release is filed as Exhibit (a)(1)(N) to this Schedule TO and the information set forth in the press release is incorporated herein by reference.
