PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Trustees (the Board, the members of which are referred to as Trustees) of The Gabelli Dividend & Income Trust, a Delaware statutory trust (the Fund) for use at the Annual Meeting of Shareholders of the Fund to be held on Thursday, June 2, 2011, at 8:00 a.m., at The Cole Auditorium, The Greenwich Library, 101 West Putnam Avenue, Greenwich, Connecticut 06830, and at any adjournments thereof (the Meeting). A Notice of Annual Meeting of Shareholders and proxy card or voting instruction form accompany this Proxy Statement, all of which are first being mailed to shareholders on or about April [], 2011.

In addition to the solicitation of proxies by mail, officers of the Fund and officers and regular employees of Computershare Trust Company, N.A. (Computershare), the Fund's transfer agent, and affiliates of Computershare or other representatives of the Fund may also solicit proxies by telephone, telegraph, Internet, or in person. In addition, the Fund has retained Morrow & Co., LLC to assist in the solicitation of proxies for an estimated fee of \$40,000 plus reimbursement of expenses. The Fund will pay the costs of the proxy solicitation and the expenses incurred in connection with preparing, printing, and mailing the Proxy Statement and its enclosures. The Fund will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of its shares.

The Fund's most recent annual report, including audited financial statements for the fiscal year ended December 31, 2010, is available upon request, without charge, by writing to the Secretary of the Fund, One Corporate Center, Rye, New York 10580-1422, by calling the Fund at 800-422-3554, or via the Internet at www.gabelli.com.

In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the chairman of the Meeting may propose one or more adjournments of such Meeting to permit further solicitation of proxies. If a quorum is present, a shareholder vote may be taken on one or more of the proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. PROPOSAL 1: TO ELECT FOUR (4) TRUSTEES OF THE FUND

Nominees for the Board of Trustees

The Board consists of ten Trustees, seven of whom are not interested persons of the Fund (as defined in the Investment Company Act of 1940, as amended (the 1940 Act)). The Fund divides the Board into three classes, each class having a term of three years. Each year, the term of office of one class will expire. Anthony J. Colavita, Frank J. Fahrenkopf, Jr., Anthonie C. van Ekris, and Salvatore J. Zizza have each been nominated by the Board for election to serve for a three year term to expire at the Fund's 2014 Annual Meeting of Shareholders and until their successors are duly elected and qualified. Each of the Trustees of the Fund has served in that capacity since the October 23, 2003 organizational meeting of the Fund. All of the Trustees of the Fund are also directors or trustees of other investment companies for which Gabelli Funds, LLC (the Adviser) or its affiliates serve as investment adviser. The classes of Trustees are indicated below:

Nominees to Serve Until 2014 Annual Meeting of Shareholders

Anthony J. Colavita
Frank J. Fahrenkopf, Jr.
Anthonie C. van Ekris
Salvatore J. Zizza

Trustees Serving Until 2013 Annual Meeting of Shareholders

Mario J. Gabelli, CFA
Mario d Urso
Michael J. Melarkey

Trustees Serving Until 2012 Annual Meeting of Shareholders

James P. Conn
Salvatore M. Salibello
Edward T. Tokar

Under the Fund's Declaration of Trust, Statements of Preferences, and the 1940 Act, holders of the Fund's outstanding Preferred Shares, voting as a separate class, are entitled to elect two Trustees, and holders of the Fund's outstanding Common Shares and Preferred Shares, voting together as a single class, are entitled to elect the remaining Trustees. The holders of the Fund's outstanding Preferred Shares would be entitled to elect the minimum number of additional Trustees that would represent a majority of the Trustees in the event that dividends on the Fund's Preferred Shares are in arrears for two full years. No dividend arrearages exist as of the date of this Proxy Statement. Messrs. Colavita and Conn are currently the Trustees elected solely by the holders of the Fund's Preferred Shares. A quorum of the Preferred Shareholders must be present in person or by proxy at the Meeting in order for the proposal to elect Mr. Colavita to be considered. Mr. Conn's term as Trustee is scheduled to expire at the Fund's 2012 Annual Meeting of Shareholders, and therefore is not standing for election at this Meeting.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy FOR the election of the nominees named above. Each nominee has indicated that he has consented to serve as a Trustee if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees. Each nominee is qualified to serve as a Trustee under the Fund's By-Laws.

Mr. Tokar graduated from the University of Maryland, with a Bachelor of Science degree with High Honors, and received a Masters in Business Administration from the College of William & Mary.

Anthonie C. van Ekris. Mr. van Ekris has been the Chairman and Chief Executive Officer of a global import/export company for nineteen years. Mr. van Ekris serves on the boards of other funds in the Fund Complex, is the Chairman of one such fund's Nominating Committee, and a member of the Proxy Voting Committee of some funds in the Fund Complex. He has over fifty-five years of experience as Chairman and/or Chief Executive Officer of public and private companies involved in international trading or commodity trading, and served in both of these capacities for nearly twenty years for a large public jewelry chain. Mr. van Ekris is a former Director of an oil and gas operations company and served on the boards of a number of public companies and for more than ten years on the Advisory Board of the Salvation Army of Greater New York.

Salvatore J. Zizza. Mr. Zizza is the Chairman of a financial consulting firm. He also serves as Chairman to other companies involved in manufacturing, recycling, and real estate. He is the Chair of the Fund's Audit Committee and has been designated the Fund's Audit Committee Financial Expert. Mr. Zizza is a member of the Fund's Nominating and Proxy Voting Committees, the *ad hoc* Pricing Committee and both multi-fund *ad hoc* Compensation Committees. In addition, he serves on comparable or other board committees, including as lead independent director, with respect to other funds in the Fund Complex on whose boards he sits. Besides serving on the boards of many funds within the Fund Complex, he is currently a director of three other public companies and previously served on the boards of several other public companies. He previously served as the Chief Executive of a large NYSE listed construction company. Mr. Zizza received his Bachelor of Arts and his Master of Business Administration in Finance from St. John's University, which awarded him an Honorary Doctorate in Commercial Sciences.

Trustees Leadership Structure and Oversight Responsibilities

Overall responsibility for general oversight of the Fund rests with the Board. The Board has appointed Mr. Conn as the lead independent Trustee. The lead independent Trustee presides over executive sessions of the Trustees and also serves between meetings of the Board as a liaison with service providers, officers, counsel, and other Trustees on a wide variety of matters including scheduling agenda items for Board meetings. Designation as such does not impose on the lead independent Trustee any obligations or standards greater than or different from other Trustees. The Board has established a Nominating Committee and an Audit Committee to assist the Board in the oversight of the management and affairs of the Fund. The Board also has a Proxy Voting Committee that exercises beneficial ownership responsibilities on behalf of the Fund in selected situations. From time to time, the Board establishes additional committees or informal working groups, such as pricing committees related to securities offerings by the Fund, to address specific matters or assigns one of its members to work with trustees or directors of other funds in the Gabelli/GAMCO Fund Complex on special committees or working groups that address complex-wide matters, such as the multi-fund *ad hoc* Compensation Committee relating to compensation of the Chief Compliance Officer for all the funds in the Fund Complex and a separate *ad hoc* multi-fund Compensation Committee relating to certain officers of the closed-end funds in the Fund Complex.

All of the Fund's Trustees other than Messrs. Gabelli, Salibello and Tokar are Independent Trustees, and the Board believes they are able to provide effective oversight of the Fund's service providers. In addition to providing feedback and direction during Board meetings, the Trustees meet regularly in executive session and chair all committees of the Board.

The Fund's operations entail a variety of risks, including investment, administration, valuation, and a range of compliance matters. Although the Adviser, the sub-administrator, and the officers of the Fund are responsible for managing these risks on a day-to-day basis within the framework of their established risk management functions, the Board also addresses risk management of the Fund through its meetings and those of the committees and working groups. As part of its general oversight, the Board reviews with the Adviser at Board meetings the levels and types of risks being undertaken by the Fund, and the Audit Committee discusses the Fund's risk management and controls with the independent registered public accounting firm engaged by the Fund. The Board reviews valuation policies and procedures and the valuations of specific illiquid securities. The Board also receives periodic reports from the Fund's Chief Compliance Officer regarding compliance matters relating to the Fund and its major service providers, including results of the implementation and testing of the Fund's and such providers' compliance programs. The Board's oversight function is facilitated by management reporting processes that are designed to provide visibility to the Board regarding the identification, assessment, and management of critical risks, and the controls and policies and procedures used to mitigate those risks. The Board reviews its role in supervising the Fund's risk management from time to time and may make changes at its discretion at any time.

The Board has determined that its leadership structure is appropriate for the Fund because it enables the Board to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight, and allows the Board to devote appropriate resources to specific issues in a flexible manner as they arise. The Board periodically reviews its leadership structure as well as its overall structure, composition, and functioning, and may make changes at its discretion at any time.

In addition, the lead independent trustee receives an annual fee of \$1,000, the Audit Committee Chairman receives an

annual fee of \$3,000, the Proxy Voting Committee Chairman receives an annual fee of \$1,500, and the Nominating Committee Chairman receives an annual fee of \$2,000. A Trustee may receive a single meeting fee, allocated among the participating funds, for participation in certain meetings on behalf of multiple funds. The aggregate remuneration (excluding out-of-pocket expenses) paid by the Fund to such Trustees during the fiscal year ended December 31, 2010 amounted to \$190,572. During the fiscal year ended December 31, 2010, the Trustees of the Fund met six times, two of which were special meetings of the Board of Trustees. Each Trustee then serving in such capacity attended at least 75% of the meetings of Trustees and of any Committee of which he is a member.

The Audit Committee and Audit Committee Report

The role of the Fund's Audit Committee is to assist the Board of Trustees in its oversight of (i) the quality and integrity of the Fund's financial statement reporting process and the independent audit and reviews thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls, and, as appropriate, the internal controls of certain of its service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent registered public accounting firm's qualifications, independence, and performance. The Audit Committee also is required to prepare an audit committee report pursuant to the rules of the Securities and Exchange Commission (the SEC) for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the Audit Charter) that was most recently reviewed and approved by the Board of Trustees on February 16, 2011. The Audit Charter is available on the Fund's website at www.gabelli.com/corporate/closed/corp_gov.html.

Pursuant to the Audit Charter, the Audit Committee is responsible for conferring with the Fund's independent registered public accounting firm, reviewing annual financial statements, approving the selection of the Fund's independent registered public accounting firm, and overseeing the Fund's internal controls. The Audit Charter also contains provisions relating to the pre-approval by the Audit Committee of audit and non-audit services to be provided by PricewaterhouseCoopers LLP (PricewaterhouseCoopers) to the Fund and to the Adviser and certain of its affiliates. The Audit Committee advises the full Board with respect to accounting, auditing, and financial matters affecting the Fund. As set forth in the Audit Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews. The independent registered public accounting firm is ultimately accountable to the Board of Trustees and to the Audit Committee, as representatives of shareholders. The independent registered public accounting firm for the Fund reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on February 14, 2011, the Audit Committee reviewed and discussed with management of the Fund and PricewaterhouseCoopers the audited financial statements of the Fund as of and for the fiscal year ended December 31, 2010, and discussed the audit of such financial statements with the independent registered public accounting firm.

In addition, the Audit Committee discussed with the independent registered public accounting firm the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent registered public accounting firm as required by Statement of Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board (United States) (PCAOB) in Rule 3200T. The Audit Committee also received from the independent registered public accounting firm the written disclosures and statements required by the SEC's independence rules, delineating relationships between the independent registered public accounting firm and the Fund, and discussed the impact that any such relationships might have on the objectivity and independence of the independent registered public accounting firm.

As set forth above, and as more fully set forth in the Audit Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management, or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the Fund's independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management

has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with the standards of the PCAOB or that the financial statements are presented in accordance with generally accepted accounting principles (United States).

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent registered public accounting firm, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Charter and those discussed above, the Audit Committee recommended to the Fund's Board of Trustees that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended December 31, 2010.

Submitted by the Audit Committee of the Fund's Board of Trustees

Salvatore J. Zizza, (Chairman)

Anthony J. Colavita

Frank J. Fahrenkopf, Jr.

February 16, 2011

The Audit Committee met three times during the fiscal year ended December 31, 2010. The Audit Committee is composed of three of the Fund's Independent Trustees, namely Messrs. Colavita, Fahrenkopf, and Zizza. Each member of the Audit Committee has been determined by the Board of Trustees to be financially literate. Mr. Zizza has been designated as the Fund's audit committee financial expert, as defined in Items 407(d)(5)(ii) and (iii) of Regulation S-K.

Nominating Committee

The Board of Trustees has a Nominating Committee composed of three Independent Trustees, namely Messrs. Colavita, (Chairman) Melarkey, and Zizza. Each Nominating Committee Member is an Independent Trustee as determined under NYSE guidelines. The Nominating Committee met once during the fiscal year ended December 31, 2010. The Nominating Committee is responsible for identifying and recommending qualified candidates to the Board in the event that a position is vacated or created. The Nominating Committee will consider recommendations by shareholders if a vacancy were to exist. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board, the qualifications of the candidate, and the interests of shareholders. The Nominating Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. To recommend a candidate for consideration by the Nominating Committee, a shareholder must submit the recommendation in writing and must include the following information:

The name of the shareholder and evidence of the shareholder's ownership of shares of the Fund, including the number of shares owned and the length of time of ownership;

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Trustee of the Fund, and the person's consent to be named as a Trustee if selected by the Nominating Committee and nominated by the Board of Trustees; and

If requested by the Nominating Committee, a completed and signed trustee's questionnaire, including a supplement relating to the candidate's satisfaction of the qualifications requirements set forth in the Fund's By-Laws.

The shareholder recommendation and information described above must be sent to the Fund's Secretary, c/o Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580 - 1422, and must be received by the Secretary no less than 120 days prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting or, if the meeting has moved by more than twenty-five days, no less than ten days following the date on which the public announcement, of the date of such annual meeting is first made.

The Nominating Committee believes that the minimum qualifications for serving as a Trustee of the Fund are that the individual demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board of Trustees oversight of the business and affairs of the Fund and have an impeccable record and

reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest, and independence from management and the Fund.

The Nominating Committee considers the overall composition of the Board, bearing in mind the benefits that may be derived from having members who have a variety of experiences, qualifications, attributes, or skills useful in

overseeing a publicly-traded, highly-regulated entity such as the Fund. The Fund's governing documents state that a nominee for Trustee shall be at least twenty-one years of age and not older than such maximum age, if any, as the Trustees may determine and shall not be under legal disability. The Trustees have not determined a maximum age. The Nominating Committee does not have a formal policy regarding the consideration of diversity in identifying trustee candidates. For a discussion of experiences, qualifications, attributes or skills supporting the appropriateness of each Trustee's service on the Fund's Board, see the biographical information of the Trustees above in the section entitled "Information about Trustees and Officers."

The Board of Trustees adopted a Nominating Committee Charter on May 12, 2004 and amended the charter on November 17, 2004. The charter is available on the Fund's website at www.gabelli.com/corporate/closed/corp_gov.html.

Other Board Related Matters

The Board of Trustees has established the following procedures in order to facilitate communications among the Board and the shareholders of the Fund and other interested parties.

Receipt of Communications

Shareholders and other interested parties may contact the Board or any member of the Board by mail or electronically. To communicate with the Board or any member of the Board, correspondence should be addressed to the Board or the Board member(s) with whom you wish to communicate by either name or title. All such correspondence should be sent to The Gabelli Dividend & Income Trust, Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580 - 1422. To communicate with the Board electronically, shareholders may go to the corporate website at www.gabelli.com under the heading "Our Firm/Contact Us/Email Addresses/Board of Directors (Gabelli Closed-End Funds)."

Forwarding the Communications

All communications received will be opened by the office of the General Counsel of the Adviser for the sole purpose of determining whether the contents represent a message to one or more Trustees. The office of the General Counsel will forward promptly to the addressee(s) any contents that relate to the Fund and that are not in the nature of advertising, promotion of a product or service, or patently offensive or otherwise objectionable material. In the case of communications to the Board of Trustees or any committee or group of members of the Board, the General Counsel's office will make sufficient copies of the contents to send to each Trustee who is a member of the group or committee to which the envelope or e-mail is addressed.

The Fund does not expect Trustees or nominees for election as Trustee to attend the Annual Meeting of Shareholders. Mr. Gabelli attended the Fund's Annual Meeting of Shareholders held on May 17, 2010.

The following table sets forth certain information regarding the compensation of the Trustees by the Fund and executive officers, if any, who were compensated by the Fund rather than the Adviser, for the year ended December 31, 2010.

THE BOARD OF TRUSTEES, INCLUDING THE INDEPENDENT TRUSTEES, UNANIMOUSLY RECOMMENDS THAT THE COMMON AND PREFERRED SHAREHOLDERS VOTE FOR THE ELECTION OF EACH NOMINEE.

ADDITIONAL INFORMATION**Independent Registered Public Accounting Firm**

PricewaterhouseCoopers, 300 Madison Avenue, New York, NY 10017, has been selected to serve as the Fund's independent registered public accounting firm for the fiscal year ending December 31, 2011. PricewaterhouseCoopers acted as the Fund's independent registered public accounting firm for the fiscal year ended December 31, 2010. The Fund knows of no direct financial or material indirect financial interest of PricewaterhouseCoopers in the Fund. A representative of PricewaterhouseCoopers will not be present at the Meeting, but will be available by telephone and will have an opportunity to make a statement, if asked, and will be available to respond to appropriate questions.

Set forth in the table below are audit fees and non-audit related fees billed to the Fund by PricewaterhouseCoopers for professional services received during and for the fiscal years ended December 31, 2009 and 2010, respectively.

Fiscal Year Ended	Audit Related			All Other Fees
	December 31	Audit Fees	Fees*	
2009		\$ 52,600	\$ 9,400	\$ 5,000
2010		\$ 43,131	\$ 11,538	\$ 4,200

* Audit Related Fees are those estimated fees billed to the Fund by PricewaterhouseCoopers in connection with the preparation of Preferred Shares Reports to Moody's Investors Service, Inc.

** Tax Fees are those fees billed by PricewaterhouseCoopers in connection with tax compliance services, including primarily the review of the Fund's income tax returns.

The Fund's Audit Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent registered public accounting firm to the Fund, and all non-audit services to be provided by the independent registered public accounting firm to the Fund's Adviser and service providers controlling, controlled by, or under common control with the Fund's Adviser (affiliates) that provide ongoing services to the Fund (a Covered Services Provider), if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report his decision(s) to the Audit Committee, at its next regularly scheduled meeting after the Chairman's pre-approval of such services. The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the Adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Adviser, and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit, audit related, and tax services described above for which PricewaterhouseCoopers billed the Fund fees for the fiscal years ended December 31, 2009 and December 31, 2010 were pre-approved by the Audit Committee.

For the fiscal years ended December 31, 2009 and 2010, PricewaterhouseCoopers has represented to the Fund that it did not provide any non-audit services (or bill any fees for such services) to the Adviser or any affiliates thereof that provide services to the Fund.

The Investment Adviser and Administrator

Gabelli Funds, LLC is the Fund's Adviser and Administrator and its business address is One Corporate Center, Rye, New York 10580-1422.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's executive officers and Trustees, executive officers and directors of the Adviser, certain other affiliated persons of the Adviser, and persons who own more than 10% of a registered class of the Fund's securities to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on the Fund's review of the copies of such forms it received for the fiscal year ended December 31, 2010, the Fund believes that during that year such persons complied with all such applicable filing requirements except for one late Form 4 filing on behalf of Mr. Zizza.

Broker Non-Votes and Abstentions

For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present but that have not been voted. Accordingly, shareholders are urged to forward their voting instructions promptly.

The affirmative vote of a plurality of votes cast for each nominee by the shareholders entitled to vote for a particular nominee is necessary for the election of a Trustee. The affirmative vote of a majority of the shares (voting together as a single class) present in person or by proxy and entitled to vote on the shareholder proposal is required in order to approve the shareholder proposal. Abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of a quorum.

Brokers holding shares of the Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on Proposal 1 and Proposal 2 before the Meeting. Under the rules of the New York Stock Exchange, such brokers may, for certain routine matters, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received from their customers and clients prior to the date specified in the brokers' request for voting instructions. Proposal 1 is a routine matter and accordingly beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of Proposal 1. However, Proposal 2 is not a routine matter and therefore brokers may not vote uninstructed shares in their discretion.

Shareholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semi-Annual Report for the six months ended June 30, 2011.

Householding

Please note that only one annual or semi-annual report or Proxy Statement may be delivered to two or more shareholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or semi-annual report or this Proxy Statement, or for instructions regarding how to request a separate copy of these documents or regarding how to request a single copy if multiple copies of these documents are received, shareholders should contact the Fund at the address and phone number set forth above.

PROPOSAL 2: SHAREHOLDER PROPOSAL

The Fund has received one shareholder proposal from Western Investments Hedged Partners L.P., a hedge fund, requesting that the Board take steps to eliminate the Fund's classified board structure that has been in place since the Fund's inception. The shareholder has represented that it is the beneficial owner of at least \$2,000 in market value of Common Shares of the Fund.

If properly presented, the following proposal will be voted on at the Meeting. Voting on this matter would serve only as an advisory vote. As required by the rules of the SEC, the text of the resolution and supporting statement of the shareholder, for which the Fund accepts no responsibility, are included below exactly as submitted by the shareholder. The Board's statement in opposition to this proposal follows immediately after the proposal.

FOR THE REASONS DISCUSSED BELOW, YOUR BOARD OF TRUSTEES STRONGLY SUPPORTS THE FUND'S CLASSIFIED BOARD STRUCTURE AND THEREFORE UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE IN FAVOR OF THE BOARD OF DIRECTORS' POSITION AND AGAINST THE SHAREHOLDER'S PROPOSAL

Shareholder Proposal

RESOLVED, that the stockholders of The Gabelli Dividend & Income Trust (GDV) hereby request that the Board of Directors of GDV (the Board) take the necessary steps to declassify the Board so that all directors are elected on an annual basis. Such declassification shall be completed in a manner that does not affect the unexpired terms of the previously elected directors.

SUPPORTING STATEMENT

We believe the annual election of all directors encourages board accountability to its stockholder constituents, and is generally held to be the standard for corporate governance best practices. In fact, Egan-Jones Proxy Services, Glass, Lewis & Co. and RiskMetrics Group/ISS, three of the leading proxy advisory firms, plus The Council of Institutional Investors, a nonprofit association of public, union and corporate pension funds with combined assets that exceed \$3 trillion, all recommend that all members of the board be elected annually.

Currently, the Board is divided into three classes serving staggered three-year terms. A classified board protects the incumbents, which in turn dilutes the voice of stockholders and limits board accountability to stockholders. It is our belief that the classification of the Board is strong proof the Board is not acting in the best interests of stockholders.

RiskMetrics Group/ISS has noted that that **the only real motive for implementing a [classified board] is to make it more difficult to change control of the board** and that empirical evidence has suggested that **[a classified board] is not in stockholders' best interests** from a financial perspective.

In this difficult market and economic environment, accountability for performance must be given to the stockholders whose capital has been entrusted in the form of share investments in GDV. We believe that if the Board was annually accountable to stockholders, the Board would address GDV's:

Excessive Discount to Net Asset Value (NAV). Since March 17, 2004, shortly after GDV's inception, GDV has traded at a persistent and excessive discount to NAV. In fact, since September 2008, GDV's shares have had an average discount of more than 16%, bottoming out at an incredible 28.1% discount to NAV.

Failure to Conduct Significant Accretive Share Repurchases. Despite being authorized to repurchase shares, the Board has failed to conduct significant repurchases of common stock, which would have been accretive to NAV and earnings per share. **History shows the Board has repeatedly chosen to maximize fee income for the manager rather than value for stockholders.** Repurchases have averaged less than a tiny 0.4% per year since 2006.

Enacting this proposal would provide stockholders with the opportunity to annually evaluate and weed out ineffective directors, which would, we believe, keep the Board focused on maximizing stockholder value, its true responsibility.

For a greater voice in the corporate governance of GDV and to increase the accountability of the Board to stockholders, we urge you to vote FOR this proposal to declassify the Board.

STATEMENT OF BOARD OF TRUSTEES

After careful and thoughtful consideration, the independent Trustees, who constitute a majority of your Fund's Trustees, have unanimously determined that this proposal is not in the best interests of the Fund or you, its shareholders, and accordingly recommend that you vote to protect the classified board structure that has served you so well.

We have an excellent and qualified Board that is committed to the Fund's long-term ability to achieve its mission of generating a high level of total returns with an emphasis on dividends and income. The Board of Trustees believes that, in contrast to industrial companies, as a closed-end fund subject to extensive regulation by the SEC, the Fund and its shareholders have been well served by the classified board structure. This structure continues to provide the Fund and its shareholders with important benefits. The Fund was offered to investors with a classified board as an integral part of its structure, which strengthens the independence of the Board, provides stability and continuity of management and is consistent with the regulatory framework in which the Fund operates. The closed-end fund structure, in turn, enables the portfolio team to focus on investment opportunities, such as occurred in the first quarter of 2009, without concern over the flow of funds into or out of the Fund. This provides the underpinning for an informed and focused pursuit of the Fund's investment objective. Since inception of the Fund in November of 2003, the Fund has outperformed the S&P 500 Index by 1% per year on a net asset value basis and 1.7% per year on average share price. With these elements in mind, the Nominating Committee and the Independent Trustees have considered the most effective structure for the Board and have determined that the current classified board structure is in the best interests of the Fund and its shareholders.

Consistency With Investment Company Act. The Investment Company Act, which regulates the Fund's activities and the composition of its Board of Trustees, explicitly recognizes classified boards of directors. The Act recognizes that classified boards are consistent with the purposes of the Act, one of which is that investment companies should be managed and invest their assets in the interests of all classes of security holders rather than in the interest of their directors, officers, investment advisors or other affiliates. The Independent Trustees believe that the Fund's board structure is consistent with the Investment Company Act.

Original Fund Structure. The Fund was originally offered to investors with a classified board as an integral part of its structure. The Board approved, and the Fund's initial investor base embraced, the classified board as an element of the closed-end fund structure that has been part of the Fund's success.

Fund Performance. The Fund has experienced a positive average annual total return since inception of 5.6% on a net asset value basis and 6.3% on average share price, in comparison to the average annual return of the S&P 500 Index of 4.6% over the same period.

Share Repurchases. The proponent complains that the Fund has not repurchased enough shares. However the Fund has repurchased over 2,000,000 shares at an aggregate investment of almost \$33 million. The Fund monitors its share repurchases carefully in order to ensure that it retains substantial excess coverage for its leverage to protect against downturns such as occurred in 2008 and 2009.

Benefit of Leverage Through Preferred Shares. The Board considers the Fund's use of leverage to be a contributor to the Fund's historical record of outperforming the S&P 500 Index, as the Fund's average cost of leverage (on which, unlike most closed-end funds, it pays no advisory fees if the Fund's total return does not exceed the cost of leverage) has been approximately 4.5%, which is significantly less than its average annual total return of 5.6% on a net asset

value basis. The Board considers protection of this leverage to be a benefit to the Fund's common shareholders.

Stability and Continuity. In accordance with our organizational documents, our Board has from inception been divided into three classes that serve staggered three-year terms. The Board is structured this way to provide stability, continuity and independence, while also enhancing long-term planning and ensuring that, at any given time, there are experienced trustees serving on the Board who are familiar with the Fund, its business and its investment

objective and are able to provide insight into the rationale and context for significant decisions. A classified Board also benefits the Fund and its shareholders because it helps attract and retain trustees who are willing to make long-term commitments of their time and energy.

Enhanced Independence. Electing trustees to three-year terms enhances the independence of non-management trustees by providing them with a longer term of office. This longer term provides additional independence from management and from special interest groups who may have an agenda contrary to the long-term interests of all shareholders. As a result, independent trustees are able to make decisions that are in the best interest of the Fund without having to consider annual elections.

The staggered board prevents a complete change in control, and a corresponding change in philosophy, in any one year. The staggered board allows all shareholders to make an informed decision whether or not to buy or sell, in an orderly fashion, for at least the better part of a year before there is a change of control.

Accountability to Shareholders. The proponent's assertion that the classified board structure minimizes a trustee's accountability to the Fund's shareholders is unfounded. Trustees elected to three-year terms are just as accountable to shareholders as trustees elected annually, since all trustees are required to uphold their fiduciary duties to the Fund and its shareholders regardless of term.

Moreover, the Fund's shareholders already have a variety of tools at their disposal to ensure that Trustees who are elected to a classified Board are accountable to them. These tools include withholding votes from Trustees who are standing for election, publicity campaigns and meeting with directors to express shareholder concerns. Shareholders have successfully used these accountability tools at many public companies, including closed-end investment companies like the Fund.

Risk Metrics/ISS Guidelines. The Independent Directors believe that the dynamics of closed-end funds are very different from those of industrial companies in relation to classified boards and need to be taken into account. Risk Metrics/ISS and others have expressed concern that a classified board could be used to thwart an attractive takeover offer. Takeovers of closed-end funds at a premium are highly unlikely under the Investment Company Act. The Board believes as a result that the Risk Metrics/ISS concern does not apply to closed-end funds.

It is important to note that shareholder approval of this proposal, which is advisory in nature, would not in itself declassify the Board. Approval of this proposal would advise the Board that a majority of the Fund's shareholders voting at the meeting favor a change and would prefer that the Fund end the system of electing approximately one-third of Trustees each year. However, under the Fund's organizational documents, a vote of at least 75% of the Fund's outstanding shares would be required.

After careful consideration of this proposal, the Nominating Committee, the Independent Trustees and the entire Board have determined that retention of a classified board structure remains in the best interests of the Fund and its shareholders. The Board believes that the benefits of a classified board structure do not come at the expense of director accountability and that a classified board helps protect the Fund and its shareholders against special interests.

Approval of this proposal requires the affirmative vote of a majority of the shares represented in person or by proxy at the meeting.

FOR THESE REASONS, YOUR BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS PROTECTING YOUR CLASSIFIED BOARD BY VOTING AGAINST THIS PROPOSAL.

OTHER MATTERS TO COME BEFORE THE MEETING

The Trustees of the Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying proxy will vote thereon in accordance with their judgment.
