### Item 8.01 Other Events

On September 15, 2011, Equity Lifestyle Properties, Inc. (the Company) closed on \$100 million of secured financing bearing interest at rate of 5.0 percent per annum. The loan requires interest only payments for the first two years and matures on November 1, 2021. The loan is secured by 10 manufactured home communities and one RV resort.

The Company has previously announced that it entered into purchase and other agreements to acquire a portfolio of 75 manufactured home communities and one RV resort (the Acquisition Properties) and certain manufactured homes and loans secured by manufactured homes located at the Acquisition Properties for a stated purchase price of \$1.43 billion (the Acquisition), excluding estimated closing costs of approximately \$22 million.

As of September 15, 2011, the Company has closed on 58 of the 76 Acquisition Properties, and the proceeds from today's loan are expected to be used to partially fund the acquisition of the remaining 18 Acquisition Properties. Today's loan closing completes the new financings that the Company expected to originate in connection with the Acquisition. The Company's closing of the remainder of the Acquisition is subject to the receipt of loan servicer consents and other customary closing conditions. No assurances can be given that the remainder of the Acquisition will be completed in its entirety in accordance with the anticipated timing or at all.

- in the age-qualified Properties, home sales results could be impacted by the ability of potential homebuyers to sell their existing residences as well as by financial, credit and capital markets volatility;

- results from home sales and occupancy will continue to be impacted by local economic conditions, lack of affordable manufactured home financing and competition from alternative housing options including site-built single-family housing;

- impact of government intervention to stabilize site-built single family housing and not manufactured housing;

- the completion of the Acquisition in its entirety and future acquisitions, if any, and timing and effective integration with respect thereto and the Company's estimates regarding the future performance of the Acquisition Properties;

- the Company's inability to secure the contemplated debt financings to fund a portion of the stated purchase price of the Acquisition on favorable terms or at all and the timing with respect thereto;

These forward-looking statements are based on management's present expectations and beliefs about future events.
