2004 PROXY STATEMENT

QUESTIONS AND ANSWERS

1. Q: What is a proxy?

A: A proxy is a document, also referred to as a proxy card (which is enclosed), by which you authorize someone else to vote for you in the way that you want to vote. Caraco's Board of Directors is soliciting this proxy. You may also abstain from voting.

2. Q: What is a proxy statement?

A: A proxy statement is the document the United States Securities and Exchange Commission (the "SEC") requires to explain the matters on which you are asked to vote on the proxy card. Caraco's proxy statement, together with its enclosed proxy card, was first mailed to shareholders on or about May 5, 2004.

3. Q: Who can vote?

A: Only holders of Caraco's common stock at the close of business on April 26, 2004, the Record Date, can vote at the Annual Meeting. Each shareholder of record has one vote for each share of common stock on each matter presented for a vote at the Meeting.

4. Q: What will I vote on at the Meeting?

A: At the Annual Meeting, shareholders will vote to:

1. Elect three directors for three-year terms expiring in 2007 and upon the election and qualification of their successors.

## Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

2. Transact any other business that is properly submitted before the Annual Meeting or any adjournment(s) of the Meeting.

5. Q: How does the Board of Directors recommend I vote on the proposal?

A: The Board of Directors recommends a vote "FOR" all of the nominees listed in Proposal 1.

6. Q: How can I vote?

A: You can vote in person or by proxy. To vote by proxy, sign, date and return the enclosed proxy card. If you return your signed proxy card to American Stock Transfer before the

1

Annual Meeting, the persons named as proxies on the card will vote your shares as you directed. You may revoke a proxy at any time before the proxy is exercised by:

1. giving written notice of revocation to the Chief Executive Officer of Caraco at 1150 Elijah McCoy Drive, Detroit, MI 48202;
2. submitting another proxy that is properly signed and later dated;
3. voting in person at the Meeting (but only if the shares are registered in Caraco's records in the name of the shareholder and not in the name of a broker, dealer, bank or other third party);

7. Q: What is a quorum?

A: There were 24,577,828 shares of Caraco's common stock outstanding on the Record Date. A majority of the outstanding shares, or 12,288,915 shares, present or represented by proxy, constitutes a quorum. For purposes of a quorum, abstentions and broker non-votes are included. A broker non-vote is a proxy a broker submits that does not indicate a vote for some or all the proposals because the broker does not have discretionary voting authority and the broker did not receive instructions as to how to vote on those proposals. A quorum must exist to conduct business at the Annual Meeting.

8. Q: How does voting work?

A: If a quorum exists, each director must receive the favorable vote of a majority of the shares voted, excluding abstentions and broker non-votes, present in person or represented by proxy.

Caraco will vote properly executed Proxies it receives prior to the Meeting in the way you direct. IF YOU SIGN THE PROXY CARD BUT DO NOT SPECIFY INSTRUCTIONS, THE SHARES REPRESENTED BY PROXIES WILL BE VOTED "FOR" THE NOMINEES FOR DIRECTORS. No other matters are currently scheduled to be presented at the Meeting. If any matter or matters are properly brought before the Meeting or any adjournment thereof, it is the intention of the persons named in the accompanying proxy card to vote the shares represented by the proxy card as they determine.

9. Q: Who pays for the costs of the Meeting?

A: Caraco pays the cost of preparing and printing the proxy statement and soliciting proxies. Caraco will solicit proxies primarily by mail, but

## Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

may also solicit proxies personally and by telephone. Caraco will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding solicitation material to beneficial owners of Caraco's common stock.

2

10. Q: When are shareholder proposals for the 2005 Annual Meeting due?

A: All shareholder proposals to be considered for inclusion in next year's proxy statement must be submitted in writing to the Chief Executive Officer, Caraco Pharmaceutical Laboratories, 1150 Elijah McCoy Drive, Detroit, Michigan 48202, before December 30, 2004.

11. Q: How may a shareholder communicate with the Board of Directors?

A: Shareholders may communicate with the Board of Directors or any member of the Board of Directors by sending a letter addressed to the Board of Directors, c/o Michael Perry, Human Resources Manager, at 1150 Elijah McCoy Drive, Detroit, Michigan 48202. The Board of Directors' policy is to have all shareholder communications compiled by the Human Resources Manager and forwarded directly to the Board or the director as indicated in the letter. All letters will be forwarded to the appropriate party. The Board of Directors reserves the right to revise this policy in the event that this process is abused, becomes unworkable or otherwise does not efficiently serve the purpose of the policy.

### PROPOSAL 1 - ELECTION OF DIRECTORS

#### ELECTION OF BOARD OF DIRECTORS

Caraco's Board of Directors is divided into three classes with each class of directors elected to a three-year term of office. At each annual meeting of shareholders, shareholders elect one class of directors for a three-year term to succeed the class of directors whose term of office expires at that meeting. This year you are voting on three candidate directors. Based on the recommendation of the Board of Directors, the following individuals, each of whom is a current director, are recommended for re-election: William C. Brooks, Timothy S. Manney and Sudhir Valia. Messrs. Brooks and Manney were appointed to the Board in January and March 2004. Each of the nominees has consented to his nomination and has agreed to serve as a director of Caraco if elected.

If any director is unable to stand for re-election, Caraco may vote the shares to elect any substitute nominee recommended by the Board of Directors. If the Board of Directors does not recommend any substitute nominees, the number of directors to be elected at the Annual Meeting may be reduced by the number of nominees who are unable to serve.

Caraco's Board of Directors recommends a vote "FOR" these nominees.

### COMMITTEES AND MEETINGS OF DIRECTORS

During 2003, the Board of Directors met 4 times. All of our directors attended at least 75% of the meetings of the Board and the committees on which they served, except for Messrs. Desai, Shanghvi and Valia. The Board of Directors encourages Board members to attend each Annual Meeting of Shareholders. At the 2003 Annual Meeting of Shareholders, 5 of the Caraco directors were in attendance.

The Board of Directors is fixed at seven members. Three of such directors are independent under Amex listing standards currently in effect. Unless a company

## Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

is a "controlled company" under Amex regulations, a majority of its Board of Directors must be independent. As a result of

6

Sun Pharma owning more than a majority of the outstanding voting shares, Caraco is a controlled company under Amex regulations and is therefore not required to have a majority of independent directors on its Board.

The Board maintains three standing committees: audit, compensation and independent. These are described below.

**Audit Committee.** The Audit Committee is responsible for selecting, evaluating, retaining and, where appropriate, replacing Caraco's independent auditors. Generally, the Audit Committee monitors the integrity of Caraco's financial statements and the independence and qualifications of the independent auditors. The Audit Committee is governed by a written charter, a copy of which is attached as Appendix A to this proxy statement. The Audit Committee's responsibilities are described in more detail in such charter. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee held three meetings in 2003. The current members of the Audit Committee are Mr. Brooks, Mr. Manney and Mr. Ugeux. Mr. Brooks is the committee's Chairman. Each of these members is independent under Section 121(A) of Amex listing standards currently in effect. The Board of Directors has determined that Mr. Manney is an audit committee financial expert.

**Compensation Committee.** The Compensation Committee oversees Caraco's policies and programs for the compensation of its officers. The Committee is to review and approve the compensation of the officers at least annually and report its actions to the Board of Directors. The Compensation Committee is also responsible for the review and approval of compensation programs for officers and employees, including fringe benefits and stock options and/or bonuses, as may be from time to time recommended by management. Grants of options or other awards under Caraco's 1999 Equity Participation Plan are made by the two "non-employee directors" as defined by 16b-3 who are also "outside directors" for purposes of Section 162(m) of the Internal Revenue Code. The Compensation Committee held two meetings during 2003. The Compensation Committee currently consists of Messrs. Brooks, Shanghvi and Ugeux. Mr. Shanghvi serves as the Chairman. Under Amex regulations, controlled companies, such as Caraco, are not required to have compensation committees consisting solely of independent directors. Two of the three directors, Messrs. Brooks and Ugeux, are independent.

**Independent Committee.** The Independent Committee was established to negotiate a products agreement between Caraco and Sun Pharma Global, Inc. ("Sun Global"), a wholly-owned subsidiary of Sun Pharma. In 2004, the Independent Committee approved an amendment to such products agreement, permitting the products to be selected by management based upon objective criteria developed by management and approved by the Independent Committee. Management is required to provide to the Independent Committee or to the independent directors following the selection of products under the products agreement, a list of the products selected and a certification that the products have satisfied the objective criteria. The Independent Committee currently consists of Messrs. Brooks, Manney and Ugeux. Mr. Ugeux serves as the Chairman.

NOMINATION OF DIRECTORS

## Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

The Board of Directors has not established a formal nominating committee as the entire Board serves in this capacity. Under Amex regulations, a controlled company is not required to establish a formal nominating committee. The Board of Directors has not maintained a formal nominating committee because the Board of Directors feels that it is not necessary since the size of the Board is relatively small.

While the Board has not established a formal committee, in the past the Board has asked one or two of its directors to meet with a number of candidates and to make recommendations to the full Board. The Board may utilize a variety of methods for identifying potential nominees, including considering potential candidates who come to their attention through current officers, directors, Caraco's professionals, professional search firms or other persons. Once a potential nominee has been identified, the Board evaluates whether the nominee has the appropriate skills and characteristics to become a director in light of the then make-up of the Board of Directors. This assessment includes an evaluation of the candidate's judgment and skills, such as experience at a policy setting level, financial sophistication, leadership and objectivity. At a minimum, the Board of Directors believes that all members of the Board should have the highest professional and personal ethics and values. Messrs. Brooks, Manney and Ugeux were appointed to the Board during the first quarter of 2004. Messrs. Brooks and Manney were recommended to the Company by its outside professionals, and Mr. Ugeux was recommended to the Company by the Chairman of the Board of Caraco.

The Board of Directors considers stockholder nominations for candidates for membership on the Board when properly submitted in accordance with Company's bylaws. The Company's bylaws provide that nominations for the election of directors may be made by any stockholder entitled to vote in the election of directors if timely notice of such shareholder's intent has been given in writing to the Secretary or an Assistant Secretary of the Company. To be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not less than 120 calendar days before the date of the Company's proxy statement is released to shareholders in connection with the previous year's annual meeting. Each such notice shall set forth (a) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (b) a representation that the shareholder is a shareholder of record of stock of the Company entitled to vote for the election of directors on the date of such notice and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (c) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholders; (d) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended

8

to be nominated, by the Board of Directors; and (e) the consent that each nominee to serve as a director of the Company is so elected.

### REPORT OF THE AUDIT COMMITTEE

Management is primarily responsible for the financial statements and the reporting process. The independent auditors are responsible for performing an audit of Caraco's financial statements in accordance with generally accepted auditing standards and for expressing an opinion on those financial statements based on their audit. The Audit Committee reviews these processes on behalf of the Board of Directors. In this context, the Audit Committee has reviewed and

## Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

discussed the audited financial statements contained in the 2003 Annual Report on Form 10-KSB with Caraco's management and its independent auditors.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as amended, and has discussed with the independent auditors their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Caraco's Annual Report on Form 10-KSB for the year ended December 31, 2003 filed with the Securities and Exchange Commission.

### CODE OF BUSINESS CONDUCT AND ETHICS

The Company has adopted a Code of Business Conduct and Ethics (the "Code") applicable to its directors, officers and employees. A copy of the Code is available at no charge by contacting the Human Resources Manager, Michael Perry, at 1150 Elijah McCoy Drive, Detroit, MI 48202, or by telephone: (313) 871-8400 or by email: mperry@caraco.com.

9

### COMPENSATION OF DIRECTORS

Directors who are employees of Caraco or who are directors and/or employees of Sun Pharma and its affiliates do not receive additional compensation for their service on the Board of Directors and its Committees. During 2003, each non-employee director of Caraco received 1000 shares of common stock of Caraco for each Board of Directors or Committee meeting in which he or she participated. Non-employee directors were also reimbursed for out-of-pocket expenses incurred in connection with attending Board and Committee meetings. In January 2004, the Board of Directors changed the compensation of the non-employee directors to provide that each non-employee director shall receive an annual retainer of \$12,000, a fee of \$1,500 for each attended Board and Committee meeting (with \$500 extra for the chairman of the Committee), a one time grant of 3,000 stock options upon initial election and an annual grant of 1,500 stock options on each anniversary date of election. No additional Committee fees are paid if the Committee meets on the same day as the Board meets.

### SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

The SEC requires that Caraco provide information about any shareholder who beneficially owns more than 5% of Caraco's common stock. The following table provides the required information, as of April 26, 2004, about the shareholders (who are not officers or directors) known to Caraco to be the beneficial owner of more than 5% of Caraco's common stock. Caraco relied solely on information furnished by its transfer agent and Schedule 13Ds.

AMOUNT AND NATURE OF BENEFICIAL OWNERSHIP AS OF APRIL 26, 2004

Name and Address of Beneficial Owner	Amount and Nature of Beneficial Ownership	Percent of Class
Sun Pharma. SPARC Akota Road, Akota Vadodara, 390 020 India	16,868,680 (1)	63.1%

Sun Pharma also beneficially owns 1,679,066 currently exercisable stock options. See footnote 2 under "Security Ownership of Management and Directors."

Pursuant to a stock purchase agreement and various option agreements dated January 18, 2004, between Sun Pharma and Jay F. Joliat and his affiliates, Sun Pharma acquired on February 4, 2004 and on January 30, 2004, 1,900,000 shares of common stock and rights to acquire options for 1,329,066 shares of common stock, respectively. common stock. Mr. Joliat and Mr. Hagelstein are former directors of Caraco. In addition, on February 20, 2004, Sun Pharma acquired 500,000 shares of common stock from a single shareholder. The shares were acquired for \$9.00 per share and the rights to the options were acquired for \$9.00 less the exercise price of each option. The aggregate purchase price was approximately \$42,815,000. Sun Pharma has disclosed that the source of the consideration for the purchase of the shares was from internal funds.

SECURITY OWNERSHIP OF MANAGEMENT AND DIRECTORS

The following table contains information, as of April 26, 2004, about the number of shares of Caraco's common stock beneficially owned by incumbent directors, nominees and the executive officers named in the Summary Compensation Table presented in this Proxy Statement and by all current directors, nominees and executive officers as a group. The number of shares of common stock beneficially owned by each individual includes shares of common stock which the individual can acquire by June 26, 2004 through the exercise of any stock option or other right. Unless indicated otherwise, each individual has sole investment and voting power (or shares those powers with his or her spouse) with respect to the shares of common stock listed in the table.

### TRANSACTIONS OF DIRECTORS, EXECUTIVE OFFICERS AND CERTAIN BENEFICIAL HOLDERS OF CARACO

The following discloses transactions during 2003, 2002 and 2001 and proposed transactions between Caraco and several of the incumbent directors, executive officers and security holders who beneficially hold in excess of five percent of our outstanding shares:

On November 21, 2002, we entered into a products agreement with Sun Global. Under the agreement, which was approved by our independent directors, Sun Global has agreed to provide us with 25 new generic drugs over a 5-year period. In exchange for each new generic drug transferred to us by Sun Global which passes a bioequivalency test, we shall issue Sun Global 544,000 shares of a newly created preferred stock

During 2003, Sun Global earned 544,000 preferred shares for one product transfer as provided under the November 2002 products agreement. During 2002, we issued to Sun Pharma 1,632,000 shares of our common stock for three product transfers under the former 1997 products agreement with Sun Pharma. During 2001, there were no product transfers.

During 2003, 2002 and 2001, we borrowed approximately \$0.6 million, \$1.4 million and \$2.45 million, respectively, from Sun Pharma, and in 2003 we repaid the entire balance of all of our outstanding loans from Sun Pharma in the amount of approximately \$10 million. Prior to April 1, 2001, the interest rate was 10%; thereafter it was 8%.

During 2003, 2002 and 2001, we purchased approximately \$10.3 million, \$2.4 million and \$1.1 million, respectively, of our materials from Sun Pharma. We intend to continue to purchase raw materials from Sun Pharma in 2004.

During 2003, 2002 and 2001, Caraco purchased at Sun Pharma's cost, approximately \$.51 million, \$.31 million and \$.26 million, respectively, of equipment from Sun Pharma. We intend to continue to purchase equipment from Sun Pharma in 2004.

We entered into two non-cancelable operating leases during 2000 with Sun Pharma to lease production machinery. The leases each require rental payments of \$4,245 and expire during 2005.

On December 20, 2001, the Board of Directors granted to Jitendra N. Doshi a qualified stock option for 125,000 shares of Caraco's common stock at an exercise price of \$1.25 per share. The options are exercisable at the rate of 20% per year commencing one year from the date of grant and may be exercised until December 20, 2007.

14

On June 4, 2001, the Board of Directors granted to Robert Kurkiewicz a qualified stock option for 10,000 shares of Caraco's common stock at an exercise price of \$.80 per share. The options are exercisable at the rate of 20% per year commencing one year from the date of grant and may be exercised until June 4, 2007.

Robert Kurkiewicz	53	Commenced employment with Caraco as its Vice President -- Quality Assurance in November 1993 and was promoted to Sr. Vice President - Technical, October 1998.	199

### REPORT ON EXECUTIVE COMPENSATION

The Company currently has only two executive officers, its CEO (since October 2003), who is also the CFO, and its Senior Vice President - Technical. Each has entered into four year employment agreements with the Company through December 31, 2006 and December 31, 2007, respectively, and which automatically renew for one-year periods thereafter. A former CEO resigned in October 2003 (see "Employment Agreements" below).

The key elements of the executives' compensation is a base salary, which may be adjusted annually, based on performance and other factors deemed reasonable by the Company, a bonus and stock options. In October 2003, the then members of the Compensation Committee increased the base salary of Mr. Doshi and Mr. Kurkiewicz as a result of the Company's turnaround (see "Employment Agreements" below). The Company has not had a history of paying bonuses to its executive officers, however, the Compensation Committee is expected to meet in June 2004 to consider whether or not to pay bonuses to executive officers for 2003.

Stock options serve as a long-term incentive plan for executive officers in that the grant of stock options is intended to align the executive officers long-term interests with those of the shareholders. Stock options provide Caraco's executive officers with the opportunity to purchase and maintain an equity interest in Caraco and to share in the appreciation of the value of the stock. The Company believes that stock options directly motivate an executive to maximize long-term stockholder value. The option grants also utilize vesting periods in order to encourage key employees to continue in the employ of Caraco.
