December 31, 2005

Page 11

Pursuant to Item 4 of Form 11-K, the financial statements and schedules referred to above have been prepared in accordance with regulations of the Employee Retirement Income Security Act of 1974.

Other supplemental schedules required by Section 2520.103-10 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA have been omitted because they are not applicable.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

CenterPoint Energy Savings Plan

We have audited the accompanying statement of net assets available for benefits of the CenterPoint Energy Savings Plan (Plan) as of December 31, 2005 and 2004 and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004 and the changes in net assets available for benefits for the year ended December 31, 2005 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedules, listed in the Table of Contents, are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CENTERPOINT ENERGY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF THE PLAN

Description of the Plan

The following description of the CenterPoint Energy Savings Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. In the case of any discrepancy between this summary and the Plan document, the Plan's provisions will govern.

General

The Plan is a defined contribution plan covering all employees of CenterPoint Energy, Inc. (Company or CenterPoint Energy) and those subsidiaries and affiliates of the Company that have adopted the Plan except (a) building trades workers under a construction industry collective bargaining agreement, (b) leased employees, (c) independent contractors or (d) non-resident aliens who receive no U.S. sourced income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Active Participants may contribute up to 16% of eligible compensation, as defined in the Plan. Active Participants age 50 or over may contribute an additional pre-tax contribution up to a total amount of \$4,000 for 2005. Participants may also contribute amounts representing rollover eligible distributions from other defined benefit or defined contribution plans, 403(b) annuity plans, 457 governmental plans or conduit Individual Retirement Accounts that have been holding a distribution from a qualified

Edgar Filing: CENTERPOINT ENERGY INC - Form 11-K

plan. Participants direct their contributions into the various eligible investment options offered by the Plan.

In general, the employer matching contribution is 75% of the first 6% of eligible compensation that the Participant contributes into the Plan. Additional discretionary matching contributions may be made of up to 50% of the first 6% of eligible compensation that the Participant contributes to the Plan. All employer matching contributions (including the discretionary match) are fully vested at all times.

Participants may elect to invest all or a portion of their contributions to the Plan in the Company common stock fund. In addition, Participants may elect to have dividends paid on their investment in Company common stock either reinvested in the Company stock fund or paid to them in cash, and they can transfer all or part of their investment in the Company common stock fund to the other investment options offered by the Plan with the exception of the Reliant Energy, Inc. (Reliant Energy) common stock fund. Employer contributions are made in the form of cash and are invested in accordance with Participant elections.

Contributions are subject to certain limitations.

4

Investment Options

The Plan offered the following investment funds (Funds):

- Company Common Stock Fund
- Large Company Growth Fund
- Large Company Value Fund
- International Equity Fund
- Balanced Fund
- Fixed Income Fund
- Stable Value Fund
- S&P 500 Index Fund
- Small Company Fund
- Reliant Energy Common Stock Fund
- Vanguard Target Retirement 2005 Fund
- Vanguard Target Retirement 2015 Fund
- Vanguard Target Retirement 2025 Fund
- Vanguard Target Retirement 2035 Fund
- Vanguard Target Retirement 2045 Fund

Upon enrollment in the Plan, Participants may direct contributions (as

Edgar Filing: CENTERPOINT ENERGY INC - Form 11-K

permitted), in 1% increments, in any of the investment options, except for the Reliant Energy Common Stock Fund which is closed to new contributions. Participants should refer to the Plan prospectus for a detailed description of each investment fund.

Participant Accounts

Individual accounts are maintained for each Participant. Each Participant's account is credited with the Participant's contributions and with allocations of the Company contributions and Plan earnings. Each Participant's account is also charged with an allocation of administrative expenses. Allocations are based on Participant account balances. A Participant is entitled to their vested account balance.

Vesting and Forfeitures

Participants are vested immediately in all contributions plus actual earnings thereon. As a result, there are no forfeitures available to reduce employer contributions.

Participant Loans

A Participant may borrow against their vested account balance. The maximum amount that a Participant may borrow is the lesser of (a) \$50,000, reduced by the excess, if any, of the highest outstanding balance of loans to the Participant from all plans maintained by the Company or an affiliated entity during the one-year period ending on the day before the date on which such loan is made over the outstanding balance of loans from the Plan on the date on which such loan is made or (b) 50% of the value of the Participant's vested account balance under the Plan.

The loans are to be secured by the pledge of a portion of the Participant's right, title and value of the Participant's vested account balance under the Plan as determined immediately after the loans are made. Loans may be repaid over a period of up to five years and are subject to a \$25 origination fee. The minimum loan amount is \$500. Interest rates are fixed at the prime rate listed in The Wall Street Journal for the first of each month in which the loan is requested plus one percent. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant loans fund.

5

Payment of Benefits

Upon termination, a Participant whose account exceeds \$1,000 may elect, upon written request at any time, to receive a distribution in a single lump sum payment or fixed monthly, quarterly, semi-annually or annual installments over a period of ten years or less. The Participant may have the above selected distribution option paid in the form of cash, Company or Reliant Energy common stock or in any combination.

Generally, to the extent a Participant has not requested a distribution by the time he reaches age 70 1/2, required minimum distributions will be made consistent with the terms and conditions of the Plan and the requirements of the Internal Revenue Code of 1986, as amended (Code). Immediate lump sum distributions are made for accounts which do not exceed \$1,000.

A Participant who is under age 59 1/2 may make a withdrawal from amounts

Edgar Filing: CENTERPOINT ENERGY INC - Form 11-K

attributable to after-tax contributions and, if applicable, rollover contributions in the Plan and associated earnings. A Participant who is under age 59 1/2 and has less than five years of service who withdraws matched after-tax contributions will be suspended from Plan participation for six months.

A Participant who is age 59 1/2 or older may make unlimited withdrawals from pre-tax contributions, after-tax contributions, vested portion of prior Plan accounts, rollover account and the associated earnings.

Administration

The assets of the Plan are held in trust by The Northern Trust Company (Trustee). Hewitt Associates is the recordkeeper for the Plan. The Benefits Committee of CenterPoint Energy, Inc. (Committee), appointed by the Board of Directors of the Company, is the Plan administrator. The Committee retains an independent investment consultant to provide investment advice with respect to the Funds. The fees charged by the Trustee and the investment consultant are paid by the Trustee out of the Funds.

Termination of the Plan

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time subject to the provisions of ERISA and must give written notice to the Trustee.

2. ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan recognizes net appreciation or depreciation in the fair value of its investments. Investments are reflected at fair value in the financial statements except for stable value investments that are reflected at book value (see Note 4). The fair value for securities are based on quoted market prices in an active market. Fair value for mutual and institutional funds are determined using the net asset value of each fund as of the financial statement dates. Security transactions are recorded as of the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Participant loans are valued at cost, which approximates fair value.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and the changes therein as well as certain disclosures. Actual results could differ from those

Edgar Filing: CENTERPOINT ENERGY INC - Form 11-K

estimates.

Risks and Uncertainties

The Plan provides for investments in Company common stock, various mutual funds and other investments. Investments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and Participant account balances. Rates of return will vary, and returns will depend on the market value of the Plan's investments.

3. INVESTMENTS

The following presents investments that represent five percent or more of the Plan's net assets available for benefits.

	DECEMBER 31,	
	2005	2004
Company common stock, 27,720,006 and 27,565,537 shares, respectively	\$356,202,077	\$311,490,568
Reliant Energy common stock, 8,766,917 and 10,070,967 shares	90,474,583	137,468,700
PIMCO Total Return Fund, 6,808,085 and 9,107,057 shares, respectively	71,484,891	97,172,302
Barclays Global Investors Equity Index Fund, 5,017,019 and 5,139,414 shares, respectively	89,704,294	87,524,213

During 2005 the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

Common stocks	\$15,760,127
Common or collective trusts	16,452,097
Mutual funds	9,827,823

	\$42,040,047
	=====

As detailed above, the Plan has significant holdings of Company common stock. As a result, the values of the Plan's investments may be materially impacted by the changes in fair value related to this security.

4. STABLE VALUE FUND

The Company has a Stable Value Fund that has investments in synthetic

Edgar Filing: CENTERPOINT ENERGY INC - Form 11-K

guaranteed investment contracts as well as short and intermediate-term fixed income investments. The contract value and fair value of the fund were \$120,196,385 and \$118,053,146, respectively as of December 31, 2005. Total interest income of the Stable Value Fund totaled \$4,667,100 for the year ended December 31, 2005.

The crediting interest rates ranged from 3.8% to 4.3% for the year ended December 31, 2005. The fund's blended rate of return was 4.1% in 2005.

The crediting rates for synthetic contracts are reset quarterly and are based on the market value of the underlying portfolio of assets backing these contracts. Inputs used to determine the crediting rate include each contract's portfolio value, current yield to maturity, duration and market value relative to the synthetic contract's book value.

5. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated April 2, 2001 that the Plan is qualified and the trust fund established is tax-exempt under the appropriate sections of the Code. Although the Plan has been amended and restated since receiving the determination letter, the Plan administrator and the Plan sponsor's counsel believe that the Plan is designed and is currently operated in compliance with the applicable requirements of the Code.

6. RELATED PARTY TRANSACTIONS

During 2005, the Plan purchased and sold shares of the Company's common stock and units of short-term investment funds managed by the Trustee as temporary investments (party-in-interest transactions) as shown below:

	2005

Purchases Company common stock	\$ 41,834,084
Northern Trust collective short-term investment fund	301,162,848
Sales Company common stock	\$ 37,490,737
Northern Trust collective short-term investment fund	304,000,076

7. TRANSFER OF PLAN ASSETS

In July 2004, the Company announced its agreement to sell its majority owned subsidiary, Texas Genco Holdings, Inc. (Texas Genco), to Texas Genco LLC (formerly known as GC Power Acquisition LLC), an entity owned in equal parts by affiliates of the Blackstone Group, Hellman & Friedman LLC, Kohlberg Kravis Roberts & Co. and Texas Pacific Group. Associated with the sale agreement, the Company created a stand-alone savings plan for Plan participants impacted by the Texas Genco sale and initiated during October 2004 a plan-to-plan asset transfer totaling \$224,724,975.

During 2005, the Plan transferred an additional \$203,937 in plan assets to Texas Genco Savings Plan. The Committee believes that the asset transfer was a tax-exempt transaction under the Code.

Edgar Filing: CENTERPOINT ENERGY INC - Form 11-K

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

In August 2005, the plan sponsor made an additional employer contribution of \$13,063,871 that is reflected on Form 5500 but not on the financial statements as of and for the year ended December 31, 2004.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	DECEMBER 31, 2005	DECEMBER 31, 2004
	-----	-----
Net assets available for benefits per the financial statements	\$1,218,433,600	\$1,146,568,958
Employer contribution	--	13,063,871
	-----	-----
Net assets available for benefits per Form 5500	\$1,218,433,600	\$1,159,632,829
	=====	=====

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2005:

Employer contributions per the financial statements	\$ 47,545,008
Less: Employer contribution reflected on prior year Form 5500	(13,063,871)

Employer contributions per Form 5500	\$ 34,481,137
	=====

9. EXCESS CONTRIBUTIONS

Benefit payments of \$81,799,043 for the plan year ended December 31, 2005 include distributions of \$339,797 made to certain Participants to refund excess deferral contributions to satisfy the relevant nondiscrimination provisions of the Plan for the prior year. The Plan also expects to refund \$226,534 in 2006 related to excess contributions for plan year 2005.
