On March 25, 2009 NuVasive, Inc. (NuVasive) and Osiris Therapeutics, Inc. (Osiris) entered into Amendment No. 3 to Manufacturing Agreement (the Manufacturing Amendment), which amended certain provisions of the Manufacturing Agreement entered into on July 24, 2008 by and between NuVasive and Osiris. Under the terms of the Manufacturing Amendment, on the fifteenth day following execution of the Manufacturing Amendment, the Manufacturing Agreement will expire and Osiris will cease all manufacturing activity related to Osteocel. The Manufacturing Agreement was initially entered into pursuant to the terms of an Asset Purchase Agreement between the parties, dated May 8, 2008.

As previously disclosed, the Asset Purchase Agreement provides for the sale of the Osteocel business at two closings a technology assets closing, at which technology and certain other business assets were transferred, and a manufacturing assets closing, at which manufacturing assets and facilities are transferred. The technology assets closing occurred on July 24, 2008.

In coordination with Manufacturing Amendment, on March 25, 2009, the NuVasive and Osiris amended the Asset Purchase Agreement pursuant to Amendment No. 2 to Asset Purchase Agreement (the Asset Purchase Amendment). Under the terms of Asset Purchase Amendment, the parties scheduled the manufacturing assets closing to coincide with the new expiration date for the Manufacturing Agreement and agreed to remove the performance contingencies otherwise applicable to \$30 million of milestone payments available to Osiris under the Asset Purchase Agreement and restated these milestone payments, in the same aggregate amount, into the following payments to be made on the following specified dates:

Date of Payment	Payment Value
March 31, 2009	\$ 5.0 M
June 30, 2009	\$ 12.5 M
September 30, 2009	\$ 12.5 M
Total	\$ 30.0 M

There is an additional milestone payment of \$15 million under the Asset Purchase Agreement. The terms of the remaining milestone payment remain unchanged. Each of the milestone payments may be made in cash or through the delivery of NuVasive common stock of equivalent value, as initially contemplated by the Asset Purchase Agreement. The Asset Purchase Amendment also provides for Osiris to retain its 61,203 square foot administrative office and manufacturing facility currently under lease in Columbia, Maryland.
