[                    ], 2004

To the Shareholders of SkillSoft Public Limited Company:

We are holding an Extraordinary General Meeting of shareholders to seek your approval of a share purchase program to allow us and/or certain of our subsidiaries to purchase our shares out of profits available for distribution. A share purchase proposal authorizing only SkillSoft PLC, and not any of our subsidiaries, to purchase our shares was originally contemplated for presentation to shareholders at our Annual General Meeting on August 27, 2004. However, because certain of our subsidiaries may have profits available for distribution even if SkillSoft PLC does not have such profits at the parent level, we believe that allowing our subsidiaries, in addition to SkillSoft PLC, to directly purchase our shares provides us with greater flexibility to purchase our shares using profits available for distribution at the subsidiary level. Accordingly, we withdrew from the Annual General Meeting, upon the agreement of the holders of our ordinary shares present at our Annual General Meeting, the share repurchase proposal and are instead holding an Extraordinary General Meeting to consider a modified share repurchase proposal. The Extraordinary General Meeting will take place at [                    ] a.m. local time on September [    ], 2004 at the offices of Binchys Solicitors, 40 Lower Baggot Street, Dublin 2, Ireland.

Enclosed in this package is our proxy statement soliciting your approval of the proposal described above. I urge you to read and consider these materials carefully. Please complete, sign, date and return your proxy form in the enclosed envelope.

On behalf of our board of directors, thank you for your continued support.

Sincerely,  
CHARLES E. MORAN  
*Chief Executive Officer*

**PROXY STATEMENT**

---

**GENERAL INFORMATION CONCERNING THE EXTRAORDINARY GENERAL MEETING**

**General**

The enclosed proxy is solicited on behalf of SkillSoft Public Limited Company (the "Company") for use at the Extraordinary General Meeting of Shareholders to be held on September [ ], 2004 at Binchys Solicitors, 40 Lower Baggot Street, Dublin 2, Ireland at [ ] a.m., local time, or at any adjournment of the Extraordinary General Meeting, for the purposes set forth in the accompanying Notice of Extraordinary General Meeting.

These proxy solicitation materials were first mailed on or about [ ], 2004 to ADS holders as of the record date (described below) and to all ordinary shareholders entitled to attend and vote at the Extraordinary General Meeting as of such mailing date.

**Record Date**

*Record Date for Holders of the Company's Ordinary Shares.* Holders of the Company's ordinary shares, or Members, whose names appear in the Register of Members, maintained by the Company's registrars, Computershare Investor Services (Ireland) Limited, on the date the proxy statement is mailed to Members are entitled to receive notice of the Extraordinary General Meeting or any adjournment of the Extraordinary General Meeting. In addition, any person who is a Member on the date of the Extraordinary General Meeting is entitled to attend and vote at the Extraordinary General Meeting and any adjournment of the Extraordinary General Meeting.

*Record Date for Holders of the Company's ADSs.* The Bank of New York, as the registrar and transfer agent for the Company's ADSs, as well as the depository for the Company's ordinary shares represented by the ADSs, has fixed the close of business on July 16, 2004, which date is the same as the record date set by the Company, as the record date for determining the ADS holders entitled to give instructions for the exercise of voting rights at the Extraordinary General Meeting and any adjournment of the Extraordinary General Meeting.

As of July 16, 2004, there were 105,695,241 of the Company's ordinary shares, par value 0.11 per share, issued and outstanding held by approximately 11 holders of record. As of July 16, 2004, there were 105,687,595 of the Company's ADSs issued and outstanding. Each ADS represents one ordinary share. The ADSs are quoted on the NASDAQ National Market under the symbol SKIL. As of July 16, 2004, there were approximately 377 registered holders of the Company's ADSs. The ordinary shares represented by the ADSs are owned of record by AIB Custodial Nominees Limited on behalf of The Bank of New York.

**Quorum**

To conduct business at the Extraordinary General Meeting, a quorum must be present. The Company's Articles of Association provide that the presence at an Extraordinary General Meeting, either in person or by

## **Table of Contents**

proxy, of three (3) persons entitled to vote at the Extraordinary General Meeting, and who together hold not less than one-third of the Company's voting share capital in issue, each being a Member or a proxy for a Member or a duly authorized representative of a corporate Member, constitutes a quorum for the transaction of business. The Company will treat ordinary shares represented by a properly signed and returned proxy (including holders of shares who abstain or do not vote with respect to one or more of the matters presented for a vote) as present at the meeting for the purposes of determining the presence or absence of a quorum for the transaction of business.

### **Share Purchase Proposal Vote Required**

The affirmative vote of the holders of three-fourths of the ordinary shares represented, in person or by proxy, at the Extraordinary General Meeting and voting on the proposal is required to approve the share purchase agreement. **Unless otherwise instructed the proxies will vote FOR this resolution.**

### **Voting of Ordinary Shares**

*Generally.* Votes may be given at the Extraordinary General Meeting either personally or by proxy. Voting at the Extraordinary General Meeting will be by a show of hands, unless a poll (a count of the number of shares voted) is duly demanded. On a show of hands, each shareholder present in person and every proxy shall have one vote, provided, that no individual shall have more than one vote, and, on a poll, each shareholder shall have one vote for each share of which he, she or it is the holder. Where there is a tie, whether on a show of hands or on a poll, the chair of the meeting is entitled to a casting vote in addition to any other vote he may have. A poll may, subject to the provisions of the Irish Companies Acts, be demanded by: (i) the chair of the meeting; (ii) at least three Members present (in person or by proxy) having the right to attend and vote at the meeting; (iii) any Member or Members present (in person or by proxy) representing in aggregate not less than one-tenth of the total voting rights of all the Members having the right to attend and vote at the meeting; or (iv) a Member or Members present (in person or by proxy) holding the Company's shares conferring the right to attend and vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right. On a poll, a person entitled to more than one vote need not use all his, her or its votes or cast all the votes he, she or it uses in the same way.

*Proxies.* Ordinary shares represented by a properly signed and dated proxy will be voted at the Extraordinary General Meeting in accordance with instructions indicated on the proxy. Proxies that are properly signed and dated but which do not contain voting instructions will be voted **FOR** approval of the proposal presented at the Extraordinary General Meeting as more fully described in this proxy statement. Subject to any limitations imposed by law or the applicable rules of the Securities and Exchange Commission, a proxy holder may vote the proxy in his or her discretion as to any other matter which may properly come before the Extraordinary General Meeting.

*Abstentions.* The Company will count a properly executed proxy marked **ABSTAIN** as present for purposes of determining whether a quorum is present, but the shares represented by that proxy will not be voted at the Extraordinary General Meeting. An abstention will not have an effect on the vote for any of the proposal to be voted upon at the meeting. Shares held by shareholders who abstain from voting as to a particular matter, and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter and will also not be counted as votes cast on such matter. Accordingly, abstentions and broker non-votes will have no effect on the approval of the share purchase agreement.

### **Voting of ADSs**

*Generally.* Holders of ADSs may not vote at the Extraordinary General Meeting. The Bank of New York has the right, subject to certain limitations set forth in the Deposit Agreements among the Company, The Bank of New York and the owners and beneficial owners of ADSs, to vote all of the Company's ordinary shares represented by ADSs. Under the terms of the Deposit Agreements, however, The Bank of New York is required to cast its votes with respect to those ordinary shares for which it receives instructions from the holders of the ADSs representing such ordinary shares in accordance with the instructions received.

*Record Date; Notice of Extraordinary General Meeting.* Under the terms of the Deposit Agreements, whenever The Bank of New York receives notice of any meeting of holders of ordinary shares, The Bank of New York is required to fix a record date, which shall be the record date, if any, established by the Company for the purpose of such meeting or, if different, as close to the date established by the Company as practicable, for the determination of the owners of ADSs who will be entitled to give instructions for the exercise of voting rights at any such meeting, subject to the provisions of the Deposit Agreements.

Upon receipt of notice of any of the Company's meetings or the solicitation for consents or proxies from the holders of ordinary shares, The Bank of New York is required, if so requested in writing by the Company, as soon as practicable thereafter, to mail to all owners of ADSs a notice, the form of which shall be in the sole discretion of The Bank of New York, containing:

the information contained in the notice of meeting received by The Bank of New York from the Company;

a statement that the owners of ADSs at the close of business on a specified record date are entitled, subject to any applicable provisions of Irish law and of the Company's Articles of Association, to instruct The Bank of New York as to the exercise by The Bank of New York of the voting rights, if any, pertaining to the number of ordinary shares represented by their respective ADSs;

a statement that owners of ADSs who instruct The Bank of New York as to the exercise of their voting rights will be deemed to have instructed The Bank of New York or its authorized representative to call for a poll with respect to each matter for which instructions are given, subject to any applicable provisions of Irish law and of the Company's Articles of Association; and

a statement as to the manner in which the instructions may be given, including an express indication that instructions may be given or deemed to be given in accordance with the next paragraph, and if no instruction is received, to The Bank of New York to give a discretionary proxy to a person designated by the Company.

*Voting of Ordinary Shares Underlying ADSs.* Upon the written request of an owner of ADSs on the record date, received on or before the date established by The Bank of New York for the purpose of such meeting, The Bank of New York will, insofar as practicable, vote or cause to be voted the number of ordinary shares represented by such ADSs in accordance with the instructions set forth in such request. Accordingly, pursuant to the Company's Articles of Association and applicable Irish law, The Bank of New York will cause its authorized representative to attend each meeting of holders of ordinary shares and call for a poll as instructed for the purpose of effecting such vote. The Bank of New York will not vote or attempt to exercise the rights to vote that attach to the ordinary shares other than in accordance with such instructions or deemed instructions.

*Discretionary Proxies.* The Deposit Agreements provide that if no instructions are received by The Bank of New York from any owner of ADSs with respect to any of the ordinary shares represented by the ADSs on or before the date established by The Bank of New York for the purpose of such meeting, The Bank

**Table of Contents**

of New York will deem such owner of ADSs to have instructed The Bank of New York to give a discretionary proxy to a person designated by the Company with respect to such ordinary shares and The Bank of New York will give a discretionary proxy to a person designated by the Company to vote such ordinary shares, under circumstances and according to the terms as set forth in the Deposit Agreements. However, no such instructions will be deemed given and no such discretionary proxy will be given if the Company notifies The Bank of New York, and the Company has agreed to provide such notice as promptly as practicable in writing, that the matter to be voted upon is one of the following:

a matter not submitted to shareholders by means of a proxy statement comparable to that specified in Schedule 14A promulgated by the U.S. Securities and Exchange Commission (the "SEC") pursuant to the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act");

the subject of a counter-solicitation, or is part of a proposal made by a shareholder which is being opposed by the Company's management (i.e., a contest);

relates to a merger or consolidation in limited circumstances involving a merger between the Company and a wholly-owned subsidiary;

involves rights of appraisal;

authorizes mortgaging of property;

authorizes or creates indebtedness or increases the authorized amount of indebtedness;

authorizes or creates preference shares or increases the authorized amount of existing preference shares;

alters the terms or conditions of any shares then outstanding or existing indebtedness;

involves the waiver or modification of preemptive rights, except when the Company's proposal is to waive such rights for ordinary shares being offered under share option or purchase plans involving the additional issuance of not more than 5% of the Company's outstanding ordinary shares;

alters voting provisions or the proportionate voting power of a class of shares, or the number of its votes per share, except where cumulative voting provisions govern the number of votes per share for election of directors and the Company's proposal involves a change in the number of the Company's directors by not more than 10% or not more than one;

changes existing quorum requirements for shareholder meetings;

authorizes the issuance of ordinary shares, or options to purchase ordinary shares, to the Company's directors, officers, or employees in an amount which exceeds 5% of the total amount of the class outstanding. However, when no plan is amended to extend its duration, the Company shall factor into the calculation the number of ordinary shares that remain available for issuance, the number of ordinary shares subject to outstanding options and any ordinary shares being added. Should there be more than one plan being considered at the same meeting, all ordinary shares will be aggregated;

authorizes (a) a new profit-sharing or special remuneration plan, or a new retirement plan, the annual cost of which will amount to more than 10% of the Company's average annual income before taxes for the preceding five years, or (b) the amendment of an existing plan which would bring the annual costs above 10% of such average annual income before taxes. Should there be more than one plan being considered at the same meeting, all costs are aggregated; exceptions may be made in cases of: (1) retirement plans based on agreement or negotiations with labor unions or which have been or are to be approved by such unions, and (2) any related retirement plan for the benefit of non-union

**Table of Contents**

employees having terms substantially equivalent to the terms of such union-negotiated plan, which is submitted for action of shareholders concurrently with such union-negotiated plan;

changes the Company's purposes or powers to an extent which would permit the Company to change to a materially different line of business and the Company's stated intention is to make such a change;

authorizes the acquisition of property, assets or a company, where the consideration to be given has a fair value of 20% or more of the market value of the Company's previously outstanding ADSs and ordinary shares;

authorizes the sale or other disposition of 20% or more of the Company's assets or earning power as measured prior to the closing of the transactions;

authorizes a transaction which is not in the ordinary course of business in which an officer, director or substantial security holder of the Company has a direct or indirect interest; or

reduces the Company's earned surplus by 51% or more, or reduces earned surplus to an amount less than the aggregate of three years ordinary share dividends computed at the current dividend rate.

The proposal to be acted upon at the Extraordinary General Meeting is a matter for which The Bank of New York may deem that instruction has been given for The Bank of New York to give a discretionary proxy to a person designated by the Company where no instruction is received. Therefore, The Bank of New York will give a discretionary proxy to a person designated by the Company to vote such ordinary shares for which no instruction has been given.

*Inspection of Reports.* The Bank of New York will make available for inspection by the owners of ADSs at its Corporate Trust Office any reports and communications, including any proxy soliciting material, received from the Company, which are both (a) received by The Bank of New York as the holder of the ordinary shares and (b) generally made available to the holders of ordinary shares by the Company. The Bank of New York will also send to the owners of ADSs copies of such reports when furnished by the Company pursuant to the Deposit Agreements.

**Expenses of Solicitation of Proxies**

The Company will pay the cost of preparing, assembling, printing and mailing the proxy statement, the Notice of Extraordinary General Meeting of Shareholders and the enclosed form of proxy, as well as the cost of soliciting proxies relating to the Extraordinary General Meeting. Following the original mailing of the proxies and other solicitation materials, the Company will request banks, brokers, dealers and voting trustees or other nominees, including The Bank of New York in the case of the ADSs, to solicit their customers who are owners of shares listed of record and names of nominees, and will reimburse them for reasonable out-of-pocket expenses of such solicitation.

In addition to solicitation by mail, directors, officers and key employees of the Company may solicit proxies in person or by telephone, telegram or other means of communications. These persons will receive no additional compensation for solicitation of proxies but may be reimbursed for reasonable out-of-pocket expenses.

**SHARE PURCHASE PROPOSAL**

*General*

The Company proposes that it enter into a share purchase agreement with CBT (Technology) Limited, a subsidiary of the Company, CBT Finance Limited, a subsidiary of the Company, and Credit Suisse First Boston LLC ( CSFB ) relating to the right to purchase the Company's ADSs (the Agreement ). Under the Agreement, the Company shall be entitled to nominate, in addition to CBT (Technology) Limited and CBT Finance Limited, other subsidiaries to become entitled to purchase ADSs of the Company. By approving the Agreement, the Company's shareholders will provide the Company's Board of Directors and the board of directors of each of CBT (Technology) Limited and CBT Finance Limited, and of each of the other subsidiaries nominated by the Company (such subsidiaries, CBT (Technology) Limited and CBT Finance Limited are referred to together as the Purchasing Subsidiaries and each a Purchasing Subsidiary ) with the flexibility to respond quickly in making decisions to purchase the Company's ADSs without incurring undue delay or expense in order to seek shareholder approval prior to each share purchase.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS**

**THAT YOU VOTE FOR THE PROPOSAL**

*Summary of The Share Purchase Proposal*

From time to time, the Board of Directors of the Company (or a committee of the Board constituted for that purpose), and/or the board of directors of one or more of the Purchasing Subsidiaries (or a committee of such board constituted for that purpose) may consider the purchase of ADSs (representing the Company's ordinary shares) to be beneficial to the Company its shareholders and, in the case of a purchase by a Purchasing Subsidiary, that Purchasing Subsidiary, and a means of seeking to enhance shareholder value. In making such decisions, the Company's Board of Directors (or a committee as the case may be), and, in the case of a purchase by a Purchasing Subsidiary, the board of directors of that Subsidiary (or a committee as the case may be), would take into account various factors including the trading price of the Company's ADSs, the Board of Directors' assessment of the Company's business and prospects and the cash position of the company making the purchase.

The Companies Act, 1990 of Ireland, as amended, (the 1990 Act ) prohibits: (i) an Irish incorporated limited company from purchasing its own shares unless such purchases are made pursuant to either (1) market purchases or (2) off-market purchases made under a contract (contingent or otherwise) authorized in advance by a special resolution of the shareholders of the company; and (ii) a subsidiary of an Irish incorporated company from being a member of that holding company or from purchasing shares in that holding company unless such purchases are made pursuant to either (1) market purchases; or (2) off-market purchases made under a contract (contingent or otherwise) authorized in advance by a special resolution of the shareholders of both the subsidiary company and the holding company.

For Irish law purposes, market purchases are deemed to be made only through purchases on the Irish Stock Exchange. Since the securities of the Company are publicly traded only on the NASDAQ National Market and not the Irish Stock Exchange, the shares of the Company cannot be purchased by the Company or by any of the Purchasing Subsidiaries pursuant to market purchases but rather only through such shareholder approved off-market purchases.

Irish law only permits: (1) an Irish incorporated company to purchase its own shares only out of profits available for distribution to its members or the proceeds of a fresh issue of shares; and (2) a subsidiary

**Table of Contents**

company to purchase shares in its holding company only out of profits available for distribution to the subsidiary company's members.

While the Company does not currently have profits available for distribution, certain of the Purchasing Subsidiaries may. To the extent that any of the Purchasing Subsidiaries do have profits available for distribution it is proposed, subject to shareholders of the Company approving the terms of the Agreement and to a decision being made to effect any purchases, to either (i) dividend up such of these profits to the Company as it requires, in order to provide it with distributable profits out of which it may then effect the purchases; or (ii) subject to the shareholder of the relevant Purchasing Subsidiary(ies) approving the Agreement for the relevant Purchasing Subsidiary(ies) to effect the purchases themselves out of their distributable profits.

Under the terms of the Agreement and in accordance with the requirements of Rule 10b-18 promulgated under the Exchange Act, the Company and/or any or all of the Purchasing Subsidiaries may at any time and from time to time during the term of the Agreement request CSFB to purchase on the NASDAQ National Market or in privately negotiated transactions up to an aggregate of 5,000,000 outstanding ADSs (representing 5,000,000 outstanding ordinary shares of the Company) at a per share purchase price which complies with the requirements of Rule 10b-18 and to sell such securities to the company making such request at the price at which CSFB purchased them. Any such purchases of ADSs may only be made by the Company and/or by any or all of the Purchasing Subsidiaries out of its distributable profits.

In the event that there is any consolidation or sub division of ordinary shares or a bonus issue or scrip dividend of ordinary shares by the Company (a Share Adjustment ) during the term of the Agreement then in such event the said figure of 5,000,000 outstanding ADSs (representing 5,000,000 outstanding ordinary shares of the Company) referred to in the Agreement shall be adjusted so that the new number of ADSs (representing ordinary shares) shall be determined as follows: 5,000,000 multiplied by the quotient arrived at by dividing the total number of ordinary shares in the capital of the Company in issue immediately after the Share Adjustment by the number of such shares in issue immediately before the Share Adjustment.

Under the terms of the Agreement, the Company or Purchasing Subsidiary effecting the purchase will agree to pay a commission to CSFB which shall not in any event exceed US\$0.05 per ADS purchased.

The Agreement will terminate on *[insert date 18 months from date of the EGM]*, 2006 and will be governed by the laws of the State of New York.

Under Section 213 of the 1990 Act, a special resolution of the Members cannot be effected to authorize the share purchase proposal if any Member holding shares to which the share purchase proposal relates vote such shares in favor of the share purchase proposal and the resolution would not have been passed if such members had not done so. At the date of the Extraordinary General Meeting, the Company and the Purchasing Subsidiaries will be unable to determine the exact number of ADSs that will be purchased by the Company and/or the Purchasing Subsidiaries, or the holders of such ADSs, and therefore cannot exclude the holders of such shares from voting on the share purchase proposal. Because of this uncertainty, even if the share purchase proposal is approved by the requisite vote of the Company's shareholders, the maximum number of ADSs which the Company and the Purchasing Subsidiaries may actually purchase under the share purchase agreement will be reduced to an amount equal to the total number of excess votes cast in favor of the share purchase proposal if such amount is less than 5,000,000 ADSs. For this purpose, the excess votes are the total number of votes actually cast in favor of the proposal in excess of the total number of votes required to be cast to approve such proposal.

As required by Section 213 of the 1990 Act, a copy of the Agreement will be made available for inspection by the Members at the registered office of the Company for the 21 days immediately preceding the date of the Extraordinary General Meeting and at the Extraordinary General Meeting itself.

All ordinary shares (represented by ADSs) purchased by the Company pursuant to the Agreement shall at the option of the Company's Board of Directors be either cancelled upon their purchase and in such case the Company will instruct the custodian, AIB Custodial Nominees Limited, to cancel the underlying ordinary share certificates or alternatively shall be held as treasury shares.

All ordinary shares (represented by ADSs) purchased by any Purchasing Subsidiary pursuant to the Agreement shall, for the purposes of the consolidated accounts prepared by the Company, be treated in the same manner as treasury shares, the Purchasing Subsidiary shall not be entitled to exercise any voting rights in respect of any such shares and the profits of such Purchasing Subsidiary available for distribution will be restricted by an amount equal to the total cost of such shares for so long as such shares are held by such subsidiary.

Although it is the intention of the Company and (subject to the approval of their respective shareholders) the Purchasing Subsidiaries to purchase shares if the shareholders approve this resolution, there is no assurance that the Company or the Purchasing Subsidiaries will, in fact, make any share purchases or that they will purchase all of the 5,000,000 ordinary shares referred to in this proposal.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information as of July 31, 2004 with respect to the beneficial ownership of the Company's ADSs by:

each person known to the Company to own beneficially more than 5% of the Company's outstanding securities;

each director;

the Company's chief executive officer and the four most highly compensated executive officers who were serving as executive officers on January 31, 2004 (the "Named Executive Officers"); and

the current directors and executive officers of the Company as a group.

The number of ADSs beneficially owned by each 5% shareholder, director or executive officer is determined under rules of the SEC. Under such rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power and includes any ADSs representing the ordinary shares which the individual has the right to acquire on or before September 29, 2004 through the exercise of share options, and any reference in the footnotes to this table to shares subject to share options refers only to share options that are so exercisable. For purposes of computing the percentage of outstanding ADSs held by each person or entity, any shares which that person or entity has the right to acquire on or before September 29, 2004, are deemed to be outstanding but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, each person or entity has sole investment and voting power (or shares such power with his or her spouse) with respect to the shares set forth in the following table. The inclusion herein of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares.

As of July 31, 2004, the Company had approximately 105,708,200 ordinary shares outstanding. The shareholders of the Company may elect to hold their respective shares of the Company's outstanding securities in the form of ordinary shares or ADSs. In addition, holders of options to purchase ordinary shares

of the Company may, upon exercise of their options, elect to receive such ordinary shares in the form of ADSs. The 5% shareholders, directors and executive officers identified in the following table hold their respective shares of the Company's outstanding securities in the form of ADSs.
