This Amendment No. 1 to Schedule TO amends and supplements the Tender Offer Statement on Schedule TO filed by EPIX Pharmaceuticals, Inc., a Delaware corporation ("EPIX Pharmaceuticals"), with the Securities and Exchange Commission on April 7, 2009 ("Schedule TO"), in connection with EPIX Pharmaceuticals' offer to repurchase the 3.00% Convertible Senior Notes Due 2024 that were issued by EPIX Pharmaceuticals (the "Notes"), upon the terms and subject to the conditions set forth in the Indenture, the Company Notice, and the related offer materials filed as Exhibits (a)(1)(A) to (a)(1)(G) to the Schedule TO. Capitalized terms used herein and not defined have the meanings set forth in the Schedule TO.

Offer to Exchange and Consent Solicitation.

1. The Offer to Exchange and Consent Solicitation is hereby amended as follows:
-

The Offer to Exchange and Consent Solicitation expires at 12:00 a.m., New York City time, on May 5, 2009, unless the Exchange Offer and Consent Solicitation is extended by us with the consent of the holders of at least 75% in outstanding principal amount of the Notes.

2. The paragraph entitled *Support of the Exchange Offer and Consent Solicitation* under the section entitled *Restructuring Support Agreement* on page 7 is hereby deleted in its entirety and replaced with the following paragraph:

Support of the Exchange Offer and Consent Solicitation: The Noteholders that are party to the Restructuring Support Agreement, or that have otherwise agreed to tender their Notes for exchange and support the Offer, have agreed to tender in the Exchange Offer and consent to the Proposed Amendments on the terms described herein Notes that they beneficially own representing approximately 83% in aggregate principal amount of the Notes.

The paragraph entitled *Termination of Restructuring Support Agreement* under the section entitled *Restructuring Support Agreement* on page 8 is hereby deleted in its entirety and replaced with the following paragraph:

Termination of Restructuring Support Agreement: The Restructuring Support Agreement is terminable in a variety of circumstances. In the event the Restructuring Support Agreement is terminated, the holders of Notes party thereto shall no longer be required to tender their Notes for exchange and shall not be required to consent to the Proposed Amendments.

The paragraph entitled *Support of the Exchange Offer and Consent Solicitation* under the section entitled *Terms of the Restructuring Support Agreement* on page 27 is hereby deleted in its entirety and replaced with the following paragraph:

Support of the Exchange Offer and Consent Solicitation: The Noteholders that are party to the Restructuring Support Agreement, or that have otherwise agreed to be bound by the provisions of the Restructuring Support Agreement summarized within this section entitled *Support of the Exchange Offer and Consent Solicitation*, have agreed to tender in the Exchange Offer and Consent Solicitation on the terms described herein Notes that they beneficially own representing approximately 83% in aggregate principal amount of the Notes. The material terms of the Exchange Offer and Consent Solicitation that these Noteholders have agreed to support by tendering their Notes include:

the amount of the cash payment, the number of shares common stock and the Contingent Value Rights to be issued in the Exchange Offer,

the expiration date of the Exchange Offer and that such date may only be extended with the consent of the holders of at least 75% in aggregate principal amount of the Notes, and

the condition that at least ninety-three percent (93%) in aggregate principal amount of the Notes be validly tendered and not withdrawn, which condition may only be modified with the consent of the holders of at least 75% in aggregate principal amount of the Notes.

The paragraph entitled *Termination of Restructuring Support Agreement* under the section entitled *Terms of the Restructuring Support Agreement* on page 28 is hereby deleted in its entirety and replaced with the following paragraph:

4. The second sentence of the last paragraph under the section entitled **Special Note Regarding Forward-Looking Statements** on page 15 is hereby deleted in its entirety.

5. The base model and stretch model tables (including the accompanying footnotes) under the section entitled **Financial Projections** on page 26 are hereby deleted in their entirety and replaced with the following tables (including the accompanying footnotes):

Base Model (1)(2)

	Year Ended December 31,		
	2009	2010	2011
Net Revenue	\$ 31,723,953	\$ 55,855,845	\$86,336,679
Non-GAAP Net Expenses*	60,435,242	65,941,343	74,038,660

Stretch Model (1)(2)(3)

	Year Ended December 31,		
	2009	2010	2011
Net Revenue	\$64,229,837	\$ 54,855,845	\$104,336,679
Non-GAAP Net Expenses*	60,486,568	63,974,676	74,771,993
Net Interest	3,467,563	3,767,563	3,767,563
Non-GAAP Net Profit (Loss)*	\$ 275,706	\$(12,886,394)	\$ 25,797,123
Cash Burn	\$ 756,750	\$(13,074,606)	\$ 25,693,351

* Represents
non-GAAP
financial

measures which
exclude
non-cash
expenses
related to
compensation
for employee
stock issuances.

A reconciliation
of the
non-GAAP
measures to the
most directly
comparable
financial
measures
calculated in
accordance
with GAAP,
namely net
expenses and
net profit (loss),
are not
available
without
unreasonable
efforts because
we do not
budget or
manage future
compensation
expense for
employee stock
issuances.

Consequently,
stock
compensation
expense for
future periods
is not available.

Because of
varying
available
valuation
methodologies,
subjective
assumptions
and the variety
of award types,
we believe that
the exclusion of

stock-based
payments
allows for more
accurate
comparisons of
our operating
results to our
peer
companies. We
believe that
excluding this
non-cash
expense
provides the
holders of
Notes with a
more
meaningful
perspective on
the cash-based
performance
and health of
the business,
including our
current
projected
liquidity.
Although we
believe the
non-GAAP
financial
measures
provided above
enhance an
understanding
of our
performance,
these
non-GAAP
financial
measures
should not be
considered a
substitute for
GAAP financial
measures.

- (1) Assumes,
among other
things, that we
receive

additional
funding of at
least \$50
million from a
capital raising
transaction
prior to the end
of August 2009.

As of
December 31,
2008, we had
\$24.6 million of
cash and cash
equivalents to
fund our future
operations. We
believe that our
cash and cash
equivalents,
along with
anticipated
revenue that we
expect to earn
during the first
half of 2009,
will fund our
operations only
through the end
of August 2009.

If we are unable
to obtain
additional
capital to fund
our operations
beyond
August 2009,
we will not be
able to sustain
our operations
and would be
required to
cease our
operations
and/or seek
bankruptcy
protection.

- (2) Does not reflect, among other things, our March 2009 efforts to reduce our cost structure by eliminating approximately 50% of our workforce, narrowing the focus of our research and development efforts to our lead clinical programs, PRX-03140 being developed for the treatment of Alzheimer's disease and PRX-08066 being developed for the treatment of pulmonary hypertension associated with chronic obstructive pulmonary disease, and our partnered preclinical programs with SmithKline Beecham Corporation (GlaxoSmithKline) and Cystic Fibrosis Foundation Therapeutics, Incorporated; and reducing our research and development obligations under our collaboration agreement with GlaxoSmithKline through September 13, 2009 for programs other than the PRX-03140 program. In

addition to reducing our future net expenses, these efforts also significantly reduced our ability to achieve projected revenues.

- (3) The stretch projections were prepared to highlight the maximum potential for our business and did not take into account our resources and ability to optimally execute on our strategy, including the timing and maximum amounts that we could potentially receive in connection with the monetization of MS-325 (formerly marketed as Vasovist, gadofosveset trisodium by Bayer Schering Pharma AG, Germany) in 2009 and potential licensing of PRX-08066. Actual proceeds from the Product Sale were materially lower than assumed in the stretch projections.
6. The first full paragraph on page 31, under the subheading "Source and Amount of Funds" is amended by deleting such paragraph in its entirety and replacing it with the following:
- The Exchange Offer is being made in connection with the Company's sale of certain of its patents relating to, and rights to commercialization of, MS-325 (formerly marketed as Vasovist, gadofosveset trisodium by Bayer Schering Pharma AG, Germany), in certain territories, pursuant to an Asset Purchase Agreement (the "Purchase Agreement") between the Company and Lantheus Medical Imaging, Inc. (the "Product Sale"). The aggregate cash payment of up to \$18,000,000 to be paid to the holders of Notes that tender in the Exchange Offer shall be funded primarily from the net proceeds of the Product Sale, which were received by the Company upon completion of the Product Sale on April 6, 2009.

7. The first paragraph on page 35 is amended by inserting the following after the first sentence of the paragraph.
- If at any time prior to the expiration of the Offer we seek to modify the minimum tender condition, we intend to contact the Noteholders Committee, whose members hold approximately 83% in outstanding principal amount of the outstanding Notes. The consent of the members of the Noteholders Committee would provide greater than the 75% in outstanding principal amount of the Notes required to modify the minimum tender condition.
8. The first paragraph in the subsection entitled Interests of Directors, Executive Officers and Affiliates of EPIX Pharmaceuticals in the Notes is amended by deleting such paragraph in its entirety and replacing it with the following:

Neither the Company nor any of our affiliates, subsidiaries, directors or executive officers have any beneficial interest in the Notes. None of the officers or directors of our subsidiaries have any beneficial interest in the Notes. We will not purchase any Notes from such persons and, since January 1, 2009 neither the Company nor any of our executive officers, directors or affiliates have engaged in any transactions in the Notes.

The third paragraph in the subsection entitled Interests of Directors, Executive Officers and Affiliates of Pharmaceuticals in the Notes is amended by deleting such paragraph in its entirety and replacing it with the following:

Except as described in this Offer to Exchange and Consent Solicitation, including the Restructuring Support Agreement described herein, neither the Company nor any of our affiliates, directors or executive officers is a party to any contract, arrangement, understanding or agreement with any other person relating, directly or indirectly, to the Offer or with respect to any of our securities including, but not limited to, any contract, arrangement, understanding or agreement concerning the transfer or the voting of the securities, joint ventures, loan or option arrangement, puts or calls, guarantees of loans, guarantees against loss or the giving or withholding of proxies, consents or authorizations.

9. On page 58, the heading "Certain Material United States Federal Income Tax Consequences" and the two paragraphs immediately thereunder are amended by deleting such heading and paragraphs in their entirety and replacing them with the following.

MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a discussion of the material U.S. federal income tax considerations related to the exchange of Notes pursuant to the Exchange Offer and of the ownership and disposition of shares of our common stock received upon the exchange.

10. On page 62, the heading "Incorporation of Documents by Reference" and the three paragraphs immediately thereunder are amended by deleting such heading and paragraphs in their entirety and replacing them with the following:
