QUESTIONS AND ANSWERS

Following are questions often asked by shareholders of publicly held companies. We hope that the answers will assist you in casting your vote.

WHAT AM I VOTING ON?

We are soliciting your vote on the election of two directors for a three-year term beginning at the Annual Meeting.

WHO MAY VOTE?

Shareholders of record at the close of business on September 3, 2002, the

Edgar Filing: PERRIGO CO - Form DEF 14A

record date, may vote. On that date, there were 70,032,767 shares of Perrigo common stock outstanding.

HOW MANY VOTES DO I HAVE?

Each share of Perrigo common stock that you own entitles you to one vote.

HOW DO I VOTE?

You may vote your shares in any of the following four ways:

1. By mail: complete the proxy card or voting instruction form and sign, date and return it in the enclosed envelope.
2. By telephone: call the toll-free number on the proxy card, enter the control number on the proxy card and follow the recorded instructions.
3. By Internet: go to the website listed on the proxy card, enter the control number on the proxy card and follow the instructions provided.
4. In person: attend the Annual Meeting, where ballots will be provided.

You may also vote by telephone or over the Internet if you hold your shares through a bank or broker that offers either of those options. If you choose to vote in person at the Annual Meeting and your shares are held in the name of your broker, bank or other nominee, you need to bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on September 3, 2002, the record date for voting.

HOW DOES DISCRETIONARY VOTING AUTHORITY APPLY?

If you sign, date and return your proxy card or vote by telephone or Internet, your vote will be cast as you direct. If you do not indicate how you want to vote, you give authority to Douglas R. Schrank and John R. Nichols to vote for the election of directors and on any other matter that is properly raised at the Annual Meeting. In that event, your

1

proxy will be voted FOR the election of each director nominee and FOR or AGAINST any other properly raised matters at the discretion of Messrs. Schrank and Nichols.

MAY I REVOKE MY PROXY?

You may revoke your proxy at any time before it is exercised in one of four ways:

1. Notify our Secretary in writing before the Annual Meeting that you are revoking your proxy. The notice should be sent to our address on the cover of this proxy statement.
2. Submit another proxy with a later date.
3. Vote by telephone or Internet after you have given your proxy.
4. Vote in person at the Annual Meeting.

Edgar Filing: PERRIGO CO - Form DEF 14A

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

Your shares are likely registered differently or are in more than one account. You should sign and return all proxy cards to guarantee that all of your shares are voted.

WHAT CONSTITUTES A QUORUM?

The presence, in person or by proxy, of the holders of a majority of Perrigo shares entitled to vote at the Annual Meeting constitutes a quorum. You will be considered part of the quorum if you return a signed and dated proxy card, if you vote by telephone or Internet, or if you attend the Annual Meeting.

Abstentions and broker non-votes are counted as "shares present" at the Annual Meeting for purposes of determining whether a quorum exists. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for a proposal because he or she does not have voting authority and has not received voting instructions from you.

WHAT VOTE IS REQUIRED TO ELECT THE DIRECTOR NOMINEES?

A plurality of the votes cast will elect directors. This means that the two nominees who receive the highest number of votes will be elected. If you do not want to vote your shares for a particular nominee, you may indicate that by following the instructions on the proxy card or by withholding authority as prompted during telephone or Internet voting or in person at the meeting. Abstentions and broker non-votes will have no effect on the election of the directors.

HOW DO I SUBMIT A SHAREHOLDER PROPOSAL FOR NEXT YEAR'S ANNUAL MEETING?

You must submit a proposal to be included in our proxy statement for the 2003 annual meeting of shareholders no later than May 29, 2003. Your proposal must be in writing and must comply with the proxy rules of the Securities and Exchange Commission. You may also submit a proposal that you do not want included in the proxy statement but that you want to raise at the 2003 annual meeting. If you want to do this, we must receive your written proposal on or after July 31, 2003, but on or before

2

August 20, 2003. If you submit your proposal after the deadline, then Securities and Exchange Commission rules permit the individuals named in the proxies solicited by Perrigo's Board of Directors for that meeting to exercise discretionary voting power as to that proposal but they are not required to do so.

To be properly brought before an annual meeting, our by-laws require that your proposal include: (1) your name and address as they appear on our stock records; (2) a brief description of the business you want to bring before the meeting; (3) the reasons for conducting the business at the meeting; (4) any interest you have in the business you want to bring before the meeting; and (5) the number of shares of Perrigo common stock that you own beneficially and of record. You should send any proposal to our Secretary at our address on the cover of this proxy statement.

HOW DO I NOMINATE A DIRECTOR?

If you wish to nominate an individual for election as director at the 2003 annual meeting, we must receive your nomination on or after July 31, 2003, but

Edgar Filing: PERRIGO CO - Form DEF 14A

on or before August 20, 2003. In addition, our by-laws require that for each person you propose to nominate you provide: (1) your name and address as they appear on our stock records; (2) the number of shares of Perrigo common stock that you own beneficially and of record; (3) the nominee's written statement that he or she is willing to be named in the proxy statement as a nominee and to serve as a director if elected; and (4) any other information regarding the nominee that would be required by the Securities and Exchange Commission to be included in a proxy statement had Perrigo's Board of Directors nominated that individual. You should send your proposed nomination to our Secretary at our address on the cover of this proxy statement.

WHO PAYS TO PREPARE, MAIL AND SOLICIT THE PROXIES?

Perrigo will pay all of the costs of preparing and mailing the proxy statement and soliciting the proxies. We will ask brokers, dealers, banks, voting trustees and other nominees and fiduciaries to forward the proxy materials and our Annual Report to the beneficial owners of Perrigo common stock and to obtain the authority to execute proxies. We will reimburse them for their reasonable expenses upon request. In addition to mailing proxy materials, our directors, officers and employees may solicit proxies in person, by telephone or otherwise. These individuals will not be specially compensated.

ELECTION OF DIRECTORS

Eight directors currently serve on our Board of Directors. The directors are divided into three classes. At this Annual Meeting, you will be asked to elect two directors. Each director will serve for a term of three years, until a qualified successor director has been elected, or until he or she resigns or is removed by the Board. The remaining six directors will continue to serve on the Board as described below. The nominees for this year, Peter R. Formanek and Herman Morris, Jr., are currently Perrigo directors.

3

We will vote your shares as you specify on the enclosed proxy card or during telephone or Internet voting. If you do not specify how you want your shares voted, we will vote them FOR the election of the nominees. If unforeseen circumstances (such as death or disability) make it necessary for the Board of Directors to substitute another person for any of the nominees, we will vote your shares FOR that other person. The Board of Directors does not anticipate that any nominee will be unable to serve. The nominees have provided the following information about themselves.

ANNUAL RETAINER AND ATTENDANCE FEES

Directors who are Perrigo employees receive no fees for their services as directors. Non-employee directors receive a \$21,000 annual retainer fee covering all regular and special Board meetings and the Annual Shareholders' meeting, of which \$11,000 is paid in cash. The balance of this fee is paid on the date of each annual meeting of directors in the form of a restricted stock grant to each of these directors having a value on that date of \$10,000. The restricted stock grant is made pursuant to a restricted stock plan for directors and is intended to directly link an element of director compensation to shareholders' interests.

Committee members also receive \$1,000 for each in-person committee meeting attended and \$500 for each telephonic committee meeting in which they participate. Committee chairmen receive \$2,000 for each in-person committee meeting they attend and \$1,000 for each telephonic committee meeting in which they participate. We also reimburse directors for expenses incurred in connection with attending Board and committee meetings.

OPTIONS TO PURCHASE PERRIGO COMMON STOCK

Non-employee directors are eligible to participate in our Non-Qualified Stock Option Plan for Directors, which ties a further portion of director compensation to shareholder interests. The Board administers the Plan, which provides for the issuance of options covering up to 525,000 shares of Perrigo common stock at a purchase price per share at least equal to the fair market value of the stock on the grant date. Newly elected directors receive options under the Plan to purchase 5,000 Perrigo shares, and continuing directors annually receive options to purchase shares having a market value on the date of the grant of \$25,000.

OTHER ARRANGEMENTS WITH DIRECTORS

We entered into a two-year Consulting Agreement with Michael Jandernoa, the Chairman of the Board and the former President and Chief Executive Officer, effective May 1, 2000, under which Mr. Jandernoa provided consulting and advisory services as requested by the Chief Executive Officer for a monthly fee of \$16,668. In addition, we provided Mr. Jandernoa with office space, secretarial and office services and reimbursement of expenses during the two-year term of the agreement. Under the terms of the agreement, Mr. Jandernoa's stock options vested in full as of May 1, 2000, and Mr. Jandernoa has until May 1, 2003 to exercise these options. This agreement terminated April 30, 2002 and has been replaced by a new Consulting Agreement that will run through June 2003. Under the new agreement, Mr. Jandernoa will be paid \$5,000 per month for his continued consulting services. In addition, we will reimburse Mr. Jandernoa for his office space and secretarial service costs incurred during the term of the new agreement up to a maximum total reimbursement of \$46,667. We will also reimburse Mr. Jandernoa for properly documented expenses incurred by him in connection with his consulting services.

OPTION GRANTS IN FISCAL YEAR 2002

This table gives information relating to option grants to the named executive officers during fiscal year 2002. All of the options were granted under our Employee Stock Option Plan. The potential realizable value is calculated based on the term of the option at its time of grant, 10 years. The calculation assumes that the fair market value on the date of grant appreciates at the indicated rate compounded annually for the entire term of the option and that the option is exercised at the exercise price and sold on the last day of its term at the appreciated price. Stock price appreciation of 5% and 10% is assumed under the rules of the Securities and Exchange Commission. We cannot assure you that the actual stock price will appreciate over the 10-year option term at the assumed levels or any other defined level.

OPTION EXERCISES IN FISCAL YEAR 2002 AND FISCAL YEAR-END 2002 OPTION VALUES

This table provides information regarding the exercise of options during

Edgar Filing: PERRIGO CO - Form DEF 14A

fiscal year 2002 and options outstanding at the end of fiscal year 2002 for the named executive officers. The "value realized" is calculated using the difference between the option exercise price and the price of Perrigo common stock on the date of exercise multiplied by the number of shares underlying the option. The "value of unexercised in-the-money options at fiscal year end" is calculated using the difference between the option exercise price and \$13.00 (the closing price of Perrigo stock on June 28, 2002, the last trading day of fiscal year 2002) multiplied by the number of shares underlying the option. An option is in-the-money if the market value of Perrigo common stock is greater than the option's exercise price.

EMPLOYMENT AGREEMENT WITH CHIEF EXECUTIVE OFFICER

We entered into an employment agreement with our President and Chief Executive Officer, David T. Gibbons, effective May 1, 2000. The agreement has an initial term ending June 30, 2005 and renews for consecutive one-year terms unless either party gives 90 days' notice prior to the expiration of any term. Under the agreement, Mr. Gibbons' base salary is reviewed at least annually by the Board to determine if an increase is appropriate. We paid Mr. Gibbons a base salary of \$500,000 in fiscal year 2002 and, effective July 1, 2002, the Board increased his salary to \$540,000.

Mr. Gibbons is eligible to participate in the Management Incentive Bonus Plan, under which he has a target bonus opportunity of at least 100% of his annual salary. Mr. Gibbons was paid a bonus of \$523,334 under the Plan for fiscal year 2002. Pursuant to our agreement with Mr. Gibbons, a Deferred Compensation Plan was established in June 2001 for certain key employees, and Mr. Gibbons has elected to defer \$150,000 of his fiscal year 2002 compensation until his retirement. Mr. Gibbons also was granted an

13

option to purchase 750,000 shares of Perrigo common stock under our Employee Stock Option Plan at the time of his employment. Under the terms of the employment agreement, Mr. Gibbons was guaranteed options to purchase 125,000 shares of Perrigo common stock for each of fiscal years 2001 and 2002. These options were granted to Mr. Gibbons in May 2001 and August 2002, respectively.

Under the terms of the employment agreement, Mr. Gibbons received temporary housing and moving expenses, which amounted to \$18,333 in fiscal year 2002 for expenses incurred in fiscal year 2001. In fiscal year 2000, Mr. Gibbons also received a transition bonus consisting of 45,715 shares of restricted Perrigo common stock and a cash payment of \$160,000. The employment agreement also provides for a contingent restricted stock grant of 50,000 shares, which he received effective May 3, 2000. These shares were granted to Mr. Gibbons

Edgar Filing: PERRIGO CO - Form DEF 14A

contingent upon his purchase of at least 100,000 shares of Perrigo common stock in the open market by June 30, 2001. Mr. Gibbons purchased that number of shares prior to June 30, 2001 and continued to hold them as of that date. Therefore, Mr. Gibbons now owns the 50,000 shares subject only to the restrictions that also affect the 45,715 shares referred to above. All shares of restricted stock issued to Mr. Gibbons under the terms of his employment agreement are subject to forfeiture if Mr. Gibbons' employment is terminated under certain specific circumstances prior to July 1, 2003.

If Mr. Gibbons dies or becomes disabled during his employment, he will receive compensation and benefits earned to date, including payment for unused vacation days and a pro rata management incentive bonus for the portion of the year he was employed, and his options and restricted stock will vest in accordance with their terms. If Mr. Gibbons resigns for "good reason" or if we terminate his employment "without cause", each as defined in the employment agreement, Mr. Gibbons, in addition to receiving earned compensation and benefits and vesting of options and restricted stock, will receive a cash payment equal to 12 months' salary. If we terminate Mr. Gibbons' employment for cause, as defined in the employment agreement, he will receive compensation and benefits earned to date, but will forfeit any options and restricted stock, whether vested or unvested, as well as any unvested benefits. The employment agreement also provides for the payment of earned compensation and benefits as well as the automatic vesting of options and lapse of restrictions on restricted stock following a change in control of Perrigo.

In connection with his employment, Mr. Gibbons entered into a noncompetition and nondisclosure agreement with Perrigo. The agreement provides that Mr. Gibbons will not compete with us during the term of his employment and, if his employment with us terminates within five years from the date of the employment agreement, he cannot compete with us in the store brand business for two years thereafter. In addition, Mr. Gibbons has agreed that he will not, at any time during or after his employment with Perrigo, disclose any confidential information that he obtained during his employment.

EQUITY COMPENSATION PLAN INFORMATION

The following table provides information about Perrigo's common stock that may be issued upon the exercise of options and rights under all of our existing equity compensation plans as of June 29, 2002, including the Perrigo Company Employee Stock Option Plan, the Non-Qualified Stock Option Plan for Directors, the Restricted Stock Plan for Directors, the Restricted Stock Plan for Directors II, and individual Restricted Stock Agreements with Messrs. Gibbons and Schrank. The Directors restricted stock plans and the individual restricted stock arrangements for Messrs. Gibbons and Schrank were not approved by our shareholders.

RESTRICTED STOCK PLAN FOR DIRECTORS

The Restricted Stock Plan for Directors was established by the Board in November 1997 for the purpose of providing compensation to directors for their services in the form of restricted stock grants. On the date of each annual meeting of directors, a restricted stock grant having a value of \$10,000 based upon the average of the high and low price of our stock on that date is awarded to each non-management director. The Restricted Stock Plan for Directors II was established in August 2001 for the same purpose and on the same terms. Each plan provides for the issuance of up to 25,000 shares of Perrigo common stock. These grants are intended to directly link an element of director compensation to shareholder interests and, as to each director, are subject to forfeiture if his service as a member of the Board is terminated under certain specified circumstances prior to the end of his then current three-year term as a director.

15

INDIVIDUAL RESTRICTED STOCK AGREEMENTS

In August 2001, we granted Mr. Gibbons 25,000 shares of restricted common stock and Mr. Schrank 12,000 shares of restricted common stock, each under individual Restricted Stock Agreements. Under the terms of the Restricted Stock Agreements, the recipient will forfeit the shares issued to him if his employment with us is terminated under certain circumstances prior to August 14, 2003.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

COMPENSATION POLICY

During fiscal year 2002, the Compensation Committee of the Board of Directors was composed of three independent non-employee directors. The Committee reviews and recommends the compensation arrangements for the Executive Officers with respect to salaries, bonuses and option grants under the Perrigo

Edgar Filing: PERRIGO CO - Form DEF 14A

Company Employee Stock Option Plan.

The Committee strives to:

- motivate officers to create added value for Perrigo shareholders through compensation incentives that are tied to Perrigo's operating and stock market performance;
- reward officers for their individual performance as well as Perrigo's performance;
- provide compensation and benefits at levels that enable Perrigo to attract and retain high-quality executives; and
- align the interests of officers and directors with the interests of Perrigo shareholders through stock ownership.

Perrigo's management compensation policy is intended to provide a compensation package for Executive Officers that is generally competitive with the compensation of executive officers of comparable manufacturing companies. In establishing executive compensation, the Committee considers salary and bonus information compiled by Watson-Wyatt Data Services, a compensation consultant. The Watson-Wyatt survey includes non-durable goods manufacturing companies, some of which are reflected in the Nasdaq Pharmaceutical Index shown on the Performance Graph included in this proxy statement. The Committee's objective is that the salaries and bonuses for Perrigo's executive officers approximate the median reflected in the Watson-Wyatt survey.

EXECUTIVE OFFICER COMPENSATION

Executive Officer compensation includes cash-based and stock-based components. Cash-based compensation consists of base salary and an annual bonus, if one is warranted under the criteria of the Management Incentive Bonus Plan. In addition, Perrigo makes annual contributions under its Profit Sharing Plan for employees with at

16

least one year of service, including the Executive Officers. Perrigo also makes matching contributions under its 401(k) Plan to certain of its employees, including the Executive Officers. Stock-based compensation consists of option grants under the Perrigo Company Employee Stock Option Plan.

Cash-Based Compensation

As discussed above, the Committee considers the Watson-Wyatt survey in determining Executive Officer base salary and bonus awards under the Management Incentive Bonus Plan. In addition, the Committee evaluates the following factors, which are ranked in order of importance:

- company-wide performance measured by attainment of specific strategic objectives and quantitative measures;
- individual performance;
- compensation levels at comparable manufacturing companies; and
- historical cash and equity compensation levels.

The primary quantitative measure that the Committee considers is return on assets, although earnings per share and revenue growth are also relevant. Qualitative factors include the quality and progress of Perrigo's marketing and

Edgar Filing: PERRIGO CO - Form DEF 14A

manufacturing operations and the success of strategic actions, such as acquisitions of lines of business or introduction of new products.

Stock-Based Compensation

Certain designated key management employees, including the Chief Executive Officer and other executive officers, participate in the Perrigo Company Employee Stock Option Plan. The number of shares underlying option grants to these employees is based on an evaluation of the officer's performance and is subject to the approval of the Committee. Options granted under the Perrigo Company Employee Stock Option Plan must have an exercise price at least equal to the fair market value of Perrigo common stock on the grant date as determined by the Committee. The fair market value, as provided in the Plan approved by the shareholders, is the average of the high and low price of our stock on the date of the grant. The Committee views the Perrigo Company Employee Stock Option Plan as an effective incentive for executive officers to create value for shareholders since the ultimate value of a stock option is directly related to the increase in the market price of Perrigo's common stock.

CHIEF EXECUTIVE OFFICER COMPENSATION

David T. Gibbons, our Chief Executive Officer, is compensated in accordance with the terms of an Employment Agreement entered into at the time of his employment in May 2000. A more complete description of his compensation arrangement can be found in this proxy statement under the heading "Employment Agreement with Chief Executive Officer." In fiscal year 2002, Mr. Gibbons was paid a base salary of \$500,000 under the terms of his Employment Agreement and a bonus of \$523,334 under the terms

17

of our Management Incentive Bonus Plan. In addition, under the terms of his Employment Agreement, Mr. Gibbons was awarded options for 125,000 shares in August 2002 in consideration for his services in fiscal year 2002. Mr. Gibbons was also awarded a restricted stock grant of 25,000 shares in August 2001, which was a discretionary award made to Mr. Gibbons by the Board of Directors for his services in fiscal year 2001.

The Committee believes that the terms of Mr. Gibbons' employment are similar to terms granted to chief executive officers of comparable companies and are necessary to attract and retain a chief executive officer of his stature.

SUMMARY

The Committee, the Board of Directors and senior management carefully review executive compensation. After reviewing Perrigo's compensation programs, the Committee has concluded that the amounts paid to executive officers, including stock options, in fiscal year 2002 appropriately reflect individual performance, are linked to Perrigo's financial, operational and market results, and are generally competitive with amounts paid to executive officers of comparable companies.

DEDUCTIBILITY OF COMPENSATION

Internal Revenue Code Section 162(m) limits the deductibility by Perrigo of compensation in excess of \$1,000,000 paid to each of the Chief Executive Officer and the next four most highly paid officers. Certain "performance based compensation" is not included in compensation counted for purposes of the limit. The Committee's policy is to establish and maintain a compensation program that will optimize the deductibility of compensation. The Committee, however, reserves the right to use its judgment to authorize compensation that may not be

Edgar Filing: PERRIGO CO - Form DEF 14A

fully deductible where merited by the need to respond to changing business conditions, or by an executive officer's individual performance.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for, among other things, considering the appointment of Perrigo's independent auditors, reviewing with the auditors the plan and scope of the audit and audit fees, monitoring the adequacy of reporting and internal controls and meeting periodically with internal and external and independent auditors. All of the members of the Audit Committee are independent, as such term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards. In April 2000, the Audit Committee approved and adopted an Audit Committee Charter, which is attached to this proxy statement as Appendix A. The Committee reviews the Charter on an annual basis.

In connection with the June 29, 2002 financial statements, the Audit Committee (1) reviewed and discussed the audited financial statements with management; (2) discussed with the auditors the matters required by Statement on Auditing Standards (SAS) No. 61, as amended by SAS 90; and (3) received and discussed with the auditors the matters required by Independence Standards No. 1 and considered the compatibility of non-audit services with the auditor's independence. Based upon these reviews and discussions, the Audit Committee has recommended to the Board of Directors, and the Board of Directors has approved, that the Company's audited financial statements be included in the Securities and Exchange Commission Annual Report on Form 10-K for the fiscal year ended June 29, 2002.

INDEPENDENT ACCOUNTANTS

BDO Seidman, LLP has been Perrigo's independent accounting firm since 1988. The Board has engaged BDO Seidman as our independent accountants for fiscal year 2003. Representatives of BDO Seidman will be present at the Annual Meeting and will have the opportunity to make a statement and respond to questions.

During fiscal year 2002, we retained BDO Seidman, LLP to perform auditing and other services for us and paid them the following amounts for these services:

Audit Fees	\$356,000
All Other Fees	\$ 78,000

We did not retain BDO Seidman, LLP for financial information systems, design and implementation services during fiscal year 2002. All Other Fees related primarily to benefit plan audits and miscellaneous tax services. The Audit Committee has considered whether the provision of non-audit services by BDO Seidman, LLP is compatible with maintaining auditor independence.
