JOINT PROXY STATEMENT

JOINT ANNUAL MEETING OF SHAREHOLDERS
APRIL 6, 2005

This joint proxy statement is being sent to you by the board of trustees of each of CALAMOS CONVERTIBLE OPPORTUNITIES AND INCOME FUND ("CHI"), CALAMOS CONVERTIBLE AND HIGH INCOME FUND ("CHY") and CALAMOS STRATEGIC TOTAL RETURN FUND ("CSQ"). The board is asking you to complete and return the enclosed proxy card(s), permitting your shares of the Funds to be voted at the joint meeting of shareholders called to be held on April 6, 2005. Shareholders of record at the close of business on March 4, 2005 (called the "record date") are entitled to vote at the meeting. You are entitled to one vote for each share you hold, with a fraction of a vote for each fraction of a share. This joint proxy statement and enclosed proxy are first being mailed to shareholders on or about March 10, 2005. The board of each Fund has determined that the use of this joint proxy statement for each annual meeting is in the best interest of each Fund and its shareholders in light of the matters being considered and voted on by the shareholders.

You should have received your Fund's annual report to shareholders for the fiscal year ended October 31, 2004. IF YOU WOULD LIKE ANOTHER COPY OF THE ANNUAL

Edgar Filing: CALAMOS STRATEGIC TOTAL RETURN FUND - Form DEF 14A

REPORT (OR THE MOST RECENT SEMI-ANNUAL REPORT SUCCEEDING THE ANNUAL REPORT, IF ANY), PLEASE WRITE TO OR CALL THE FUND AT THE ADDRESS OR TELEPHONE NUMBER SHOWN AT THE TOP OF THIS PAGE. THE REPORT WILL BE SENT TO YOU WITHOUT CHARGE.

CALAMOS ADVISORS LLC, each Fund's investment adviser, is referred to as "Calamos Advisors." Calamos Advisors is an indirect subsidiary of CALAMOS ASSET MANAGEMENT, INC. ("CAM"), a publicly traded corporation that is controlled by John P. Calamos and the Calamos family. As of January 31, 2005, Calamos Advisors managed approximately \$37.5 billion in assets of individuals and institutions. The

Funds and Calamos Advisors may be contacted at the same address, above.

ELECTION OF TRUSTEES

Three trustees are to be elected to the board of each Fund. The nominees are John P. Calamos, Sr., Weston W. Marsh and William R. Rybak, who are currently trustees.

The persons named on the accompanying proxy card(s) intend to vote at the meeting (unless otherwise directed) FOR the election of those three nominees as trustees of each Fund. Currently there are seven trustees. In accordance with each Fund's Agreement and Declaration of Trust, its board of trustees is divided into three classes of approximately equal size. The terms of the trustees of the different classes are staggered. The current terms of John P. Calamos, Sr., Weston W. Marsh and William R. Rybak will expire at the annual meeting of shareholders in 2005. The terms of Joe F. Hanauer and John E. Neal will expire on the date of the 2006 annual meeting and the terms of Nick P. Calamos and Stephen B. Timbers will expire at the annual meeting of shareholders in 2007.

The holders of preferred shares of each Fund will have equal voting rights with the holders of common shares (i.e., one vote per share). William R. Rybak has been nominated for election as a trustee designated to represent the holders of the preferred shares of each Fund. The vote of a plurality of the preferred shares of each Fund is required to elect the representative of the preferred shares. John P. Calamos, Sr. and Weston W. Marsh have been nominated for election as trustees to represent all shareholders. The vote of a plurality of the preferred shares and the common shares of each Fund, voting together as a single class, is required to elect the representatives of all shareholders.

The nominees for election at the 2005 annual meeting currently serve as trustees and were unanimously nominated by each board of trustees.

Each trustee elected at the meeting will hold office until the 2008 annual meeting or until his successor is duly elected and qualified. If a nominee is unable to serve because of an event not now anticipated, the persons named as proxies may vote for another person designated by the board of trustees.

2

The following table sets forth each trustee's position(s) with each Fund, age, principal occupation during the past five years, other directorships, and the date on which he first became a trustee of the Funds.

COMMITTEES OF THE BOARD OF TRUSTEES. Each Fund's board of trustees currently has three standing committees:

- Executive Committee. Messrs. John Calamos and Nick Calamos are members of each executive committee, which has authority during intervals between meetings of the board of trustees to exercise the powers of the board, with certain exceptions.
- Audit Committee. Messrs. Hanauer, Marsh, Neal, Rybak and Timbers serve on each audit committee. The audit committees operate under a written charter adopted and approved by each board. The audit committees select independent auditors, approve services to be rendered by the auditors, monitor the auditors' performance, review the results of each Fund's audit, determine whether to recommend to the board that the Fund's audited financial statements be included in the Fund's annual report and respond to other matters deemed appropriate by the boards. Each committee member is "independent" as defined by the New York Stock Exchange. Messrs. Neal and Rybak have been determined by the board to be audit committee financial experts for each Fund.
- Governance Committee. Messrs. Hanauer, Marsh, Neal, Rybak and Timbers serve on each governance committee. The governance committees operate under a written charter adopted and approved by the board. The governance committees oversee the independence and effective functioning of the board of trustees and endeavor to be informed about good practices for mutual fund boards. The governance committees also function as nominating committees by making recommendations to the board of trustees regarding candidates for election as non-interested trustees. In making such recommendations, the governance committees consider a number of factors, including a candidate's background, integrity, knowledge and relevant experience. These factors are set forth in an appendix to the written charter. Any prospective candidate is interviewed by the trustees, and references are checked. The governance committees do not have a policy to consider shareholder recommendations regarding candidates for election as trustees. The committees determined that it is appropriate not to have a policy to consider shareholder recommendations because the current process of identifying and recommending potential candidates is sufficient to ensure a knowledgeable and

7

independent board. Each committee member is "independent" as defined by the New York Stock Exchange.

Edgar Filing: CALAMOS STRATEGIC TOTAL RETURN FUND - Form DEF 14A

In addition to the above committees, the board of trustees of each Fund has appointed and oversees a pricing committee comprised of officers of the Fund and employees of Calamos Advisors.

The following table shows the number of meetings held for each Fund during the fiscal year ended October 31, 2004:

	CHI	CHY	CSQ
Board of Trustees	4	4	4
Executive Committee*	0	0	0
Audit Committee	4	4	4
Governance Committee	4	4	3

* Although the executive committees of CHI, CHY and CSQ held no meetings, they acted by written consent on 15, 14 and 9 occasions, respectively.

All of the trustees and committee members then serving attended at least 75% of the meetings of the board of trustees and applicable committees held during the fiscal year.

TRUSTEE COMPENSATION. The Funds do not compensate any of the trustees who are affiliated persons of Calamos Advisors. The following table sets forth certain information with respect to the compensation paid by the Funds and the Fund Complex during the periods indicated to each of the current trustees.

+ Includes fees deferred during the year pursuant to the deferred compensation plan described below. As of October 31, 2004, the value of Messrs. Neal's and Marsh's deferred compensation accounts were \$137,562 and \$15,172, respectively.

* For the periods shown, the Fund Complex includes Calamos Investment Trust, Calamos Advisors Trust and the Funds.

** Appointed trustee in March 2004.

8

The Funds have adopted a deferred compensation plan (the "Plan"). Under the Plan, a trustee who is not an "interested person" of Calamos Advisors who has elected to participate in the Plan ("participating trustees") may defer receipt of all or a portion of his compensation from the Funds. The deferred compensation payable to the participating trustee is credited to the participating trustee's deferral account as of the business day such

Edgar Filing: CALAMOS STRATEGIC TOTAL RETURN FUND - Form DEF 14A

compensation would have been paid to the participating trustee. The value of a participating trustee's deferred compensation account at any time is equal to what would be the value if the amounts credited to the account had instead been invested in shares of one or more of the funds of Calamos Investment Trust as designated by the participating trustee. Thus, the value of the account increases with contributions to the account or with increases in the value of the measuring shares, and the value of the account decreases with withdrawals from the account or with declines in the value of the measuring shares. If a participating trustee retires, the participating trustee may elect to receive payments under the plan in a lump sum or in equal annual installments over a period of five years. If a participating trustee dies, any amount payable under the Plan will be paid to the participating trustee's beneficiaries.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS. The Funds have entered into a Financial Accounting Services Agreement with Calamos Advisors, effective as of March 30, 2004. Calamos Advisors is indirectly owned by Messrs. John Calamos and Nick Calamos, who serve as trustees of the Funds. According to the terms of the Financial Accounting Services Agreement, Calamos Advisors will provide certain accounting services to the Funds in consideration for fees based on the daily average net assets of the Funds.

REQUIRED VOTE. The trustee of a Fund to represent the holders of preferred shares will be elected by the vote of a plurality of the preferred shares of the Fund present at the meeting, in person, or by proxy. The trustee of a Fund to represent all shareholders will be elected by the vote of a plurality of all shares of the Fund present at the meeting, in person or by proxy. Each share is entitled to one vote, and one-third of the shares of each Fund entitled to vote is a quorum for that Fund.

BOARD RECOMMENDATION

THE BOARD OF TRUSTEES OF EACH FUND UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS OF EACH FUND VOTE "FOR" THE NOMINEES.

9

OTHER MATTERS

The board of trustees of each Fund knows of no other matters that are intended to be brought before the meeting. If other matters are presented for action, the proxies named in the enclosed form of proxy will vote on those matters in their sole discretion.

HOW PROXIES WILL BE VOTED. All proxies solicited by the board of trustees that are properly executed and received prior to the meeting, and that are not revoked, will be voted at the meeting. Shares represented by those proxies will be voted in accordance with the instructions marked on the proxy. If no instructions are specified, shares will not be counted as a vote FOR the proposal.

HOW TO VOTE. Complete, sign and date the enclosed proxy card and return it in the enclosed envelope.

Edgar Filing: CALAMOS STRATEGIC TOTAL RETURN FUND - Form DEF 14A

EXPENSES. The expenses of preparing, printing and mailing the enclosed proxy card, the accompanying notice and this proxy statement and all other costs, in connection with the solicitation of proxies will be borne by the Funds. The Funds may also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of shares of the Funds. In order to obtain the necessary quorum at the meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Funds, Calamos Advisors, the Funds' transfer agent, or by brokers or their representatives or by a solicitation firm that may be engaged by the Funds to assist in proxy solicitations. Any

11

costs associated with such additional solicitation are not anticipated to be significant.

HOUSEHOLDING. The Funds reduce the number of duplicate shareholder reports and proxy statements your household receives by sending only one copy of those documents to those addresses shared by two or more accounts. Call the Funds at 1-800-582-6959 or write to the Funds at the address on page one of this proxy statement to request individual copies of shareholder reports and proxy statements. We will begin sending your household individual copies as soon as practicable after receiving your request.

REVOKING A PROXY. At any time before it has been voted, you may revoke your proxy by: (1) sending a letter saying that you are revoking your proxy to the Secretary of the Funds at the Funds' offices located at 1111 East Warrenville Road, Naperville, Illinois 60563-1463; (2) properly executing and sending a later-dated proxy; or (3) attending the meeting, requesting return of any previously delivered proxy, and voting in person.

QUORUM, VOTING AT THE MEETING, AND ADJOURNMENT. One-third of the shares of each Fund entitled to vote present in person or represented by proxy constitutes a quorum for electing the trustees of that Fund. For purposes of determining the presence or absence of a quorum and for determining whether sufficient votes have been received for approval of any matter to be acted upon at the meeting, abstentions and broker nonvotes will be treated as shares that are present at the meeting but have not been voted.

If a quorum is not present in person or by proxy at the meeting, or if a quorum is present at the meeting but not enough votes to approve a proposal are received, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation of proxies. Any proposal for adjournment for a Fund will require the vote of a majority of the shares of the Fund represented at the meeting in person or by proxy.

SECTION 16(a) BENEFICIAL INTEREST REPORTING COMPLIANCE

Section 30(h) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934 require the Funds' trustees and officers, investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of the Funds' equity securities to file forms reporting their affiliation with the Fund(s)

and reports of ownership and changes in ownership of the Funds' shares with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange. Those persons and entities are required by SEC regulation to furnish the Funds

Edgar Filing: CALAMOS STRATEGIC TOTAL RETURN FUND - Form DEF 14A

with copies of all Section 16(a) forms they file. Based on a review of those forms furnished to the Funds, the Funds believe that their trustees and officers, investment adviser and affiliated persons of the investment adviser have complied with all applicable Section 16(a) filing requirements during the last fiscal year. To the knowledge of management of the Funds, no person owns beneficially more than 10% of a class of either Fund's equity securities.

AUDIT COMMITTEE REPORT

The audit committee of the board of trustees of each Fund reviews the Fund's annual financial statements with both management and the independent auditors, and the committee meets periodically with the independent and internal auditors to consider their evaluation of the Fund's financial and internal controls.

Each audit committee, in discharging its duties, has met with and held discussions with management and the Fund's independent and internal auditors. The committee has reviewed and discussed the audited financial statements with management. Management has represented to the independent auditors that the Fund's financial statements were prepared in accordance with generally accepted accounting principles.

The audit committees have also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The independent auditors provided to the committees the written disclosure required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the committees discussed with representatives of the independent auditors their firm's independence.

Based on each audit committee's review and discussions with management and the independent auditors, the representations of management and the reports of the independent auditors to the committees, the committee recommended that the board include the audited financial statements in the Fund's annual report.

13

INDEPENDENT AUDITORS

Effective March 12, 2004, each Fund's audit committee selected Deloitte & Touche LLP ("D&T") as independent auditors to audit the books and records of the Fund for its fiscal year ending October 31, 2004. Effective April 14, 2003, the audit committee of CHI requested that Ernst & Young LLP ("E&Y") resign as the auditors of CHI. The cessation of that relationship was based on the desire of the CHI Audit Committee to retain the same independent auditors as had been retained by CHY and to diversify the expertise provided to the funds within the Calamos fund complex, since other funds in the complex had engaged E&Y. E&Y's report on the financial statements of CHI for the last two years during which it served as CHI's auditors did not contain an adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. During the period E&Y was engaged, there were no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that, if not resolved to E&Y's satisfaction, would have caused it to make reference to that matter in connection with its report.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES. The Funds' audit committees meet with D&T and Calamos Advisors to review and pre-approve all audit services to be provided by D&T.

The audit committees shall pre-approve all non-audit services to be provided by D&T to the Funds, including the fees and other compensation to be paid to DT provided that the pre-approval of non-audit services is waived if (i) the services were not recognized by Calamos Advisors at the time of the engagement as non-audit services, (ii) the aggregate fees for all non-audit services provided to the each of the Funds are less than 5% of the total fees paid by such Fund to D&T during the fiscal year in which the non-audit services are provided, and (iii) such services are promptly brought to the attention of the relevant audit committee by Calamos Advisors and such audit committee approves them prior to the completion of the audit.

The audit committees shall pre-approve all non-audit services to be provided by D&T to Calamos Advisors or any entity controlling, controlled by or under common control with Calamos Advisors that provides ongoing services to the Funds if the engagement relates directly to the operations or financial reporting of the Funds, including the fees and other compensation to be paid to DT provided that pre-approval of non-audit services to Calamos Advisors or any of its affiliates is not required if (i) the services were not recognized by Calamos Advisors at the time of the engagement as non-audit services, (ii) the aggregate fees for all non-audit services provided to Calamos Advisors and all entities controlling, controlled by or under common control with Calamos Advisors are less than 5% of the total fees for non-audit services requiring pre-approval paid by the Funds, Calamos Advisors or its affiliates to D&T during the fiscal year in which the non-audit services are provided, and (iii) such services are promptly brought to the attention of the relevant audit committee by Calamos Advisors and the audit committee approves them prior to the completion of the audit.

One hundred percent of the services provided to the Funds described in under the paragraphs entitled Audit-Related Fees, Tax Fees and All Other Fees were pre-approved by the Funds' audit committees. There were no services provided to Calamos Advisors or any entity controlling, controlled by or under common control with Calamos

Advisors described in the paragraphs entitled Audit-Related Fees, Tax Fees and All Other Fees that were required pre-approved by the audit committees.

AGGREGATE NON-AUDIT FEES. D&T billed CHI, CHY and CSQ aggregate fees in the amounts of \$13,579, \$13,579 and \$7,167, respectively, for the fiscal year ended October 31, 2004 and \$18,925, \$18,925 and \$0, respectively, for the fiscal year ended October 31, 2003 for non-audit services. D&T billed Calamos Advisors or any entity controlling, controlled by or under common control with Calamos Advisors aggregate fees in the amounts of \$58,000 for the fiscal year ended October 31, 2004 and \$75,500 for the fiscal year ended October 31, 2003 for services rendered.

All of the aggregate fees billed by D&T for non-audit services to Calamos Advisors relate to services that began prior to the adoption of rules requiring audit committee pre-approval. However, the Funds' audit committees did approve such non-audit services.

The audit committee of each Fund has considered whether D&T's provision of services (other than audit services to the Fund) to the Fund, Calamos Advisors and affiliates of Calamos Advisors that provide services to the Fund is compatible with maintaining D&T's independence in performing audit services.

ADMINISTRATORS

Each Fund has entered into an administration agreement with State Street Bank and Trust Company whose principal business address is 225 Franklin Street, Boston, Massachusetts 02110.
