On July 15, 2004, pursuant to a merger transaction, Belden Inc. ("Belden") became a wholly-owned subsidiary of Belden CDT Inc. (the "Company"). In connection with the merger, the Company (formerly called Cable Design Technologies Corporation ("CDT")) changed its name to Belden CDT Inc. For accounting purposes, the Company treated the merger as an acquisition by Belden. From July 16, 2004 onwards, the Company has included results of the legacy CDT operations in its operating results. Since the merger, the Company has spent substantial time consolidating the legacy companies of CDT with the Belden companies for financial reporting purposes. The Company needs additional time to complete and file its annual report on Form 10-K, its first, post-merger annual report.
