PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of Skyline Corporation (Skyline) for use at the Annual Meeting of Shareholders to be held September 22, 2006. The shares represented by properly executed proxies received prior to the meeting will be voted. If the shareholder directs in the proxy how the shares are to be voted, they will be voted accordingly. When no direction has been given by the shareholder, it is the intention of the proxies named in the proxy to vote the same in accordance with their best judgment. Any proxy given may be revoked by the shareholder at any time prior to the voting of the proxy. The approximate date on which this proxy statement and the form of proxy are first sent or given to security holders is August 16, 2006.

VOTING SECURITIES

Only shareholders of record as of the close of business on July 21, 2006, or their proxies are entitled to vote at the meeting. As of that date, Skyline had outstanding 8,391,244 shares of Common Stock having one vote per share.

ELECTION OF DIRECTORS

Each share of Common Stock is entitled to one vote, which means that the holders of more than 50% of the shares voting for the election of Directors can elect all of the Directors and approve any other matter as may properly come before the meeting if they choose to do so. While the Corporation does not have a policy requiring Board members to attend the annual meeting, traditionally all Directors have attended the annual meeting and did so at the 2005 annual meeting.

In June 2006 the Board of Directors amended Skyline s Bylaws to increase the size of the Board from seven to eight Directors, effective with the 2006 annual meeting of shareholders. Skyline s Nominating and Governance Committee approved John C. Firth for consideration for election by the shareholders for that eighth Board position. Mr. Firth was recommended for nomination by a non-management Director.

It is proposed that eight Directors be elected at the meeting, each to serve until the next Annual Meeting of Shareholders and until his successor qualifies and is elected.

It is intended that the votes authorized by the enclosed proxy will be cast for the election of the eight nominees for Directors whose names are set forth below. In the event that one or more of the nominees shall unexpectedly become unavailable for election, the votes will be cast, pursuant to authority granted by the enclosed proxy, for such person or persons as may be designated by the present Board of Directors or the Board may be reduced accordingly. All of the nominees for whom the proxies intend to vote have agreed to serve as Directors if elected.

Information about the nominees for election as Directors and the beneficial ownership of Skyline Common Stock by directors as a group is as follows:

Charles Chambliss, an executive officer of Skyline, failed to file seven reports on Form 5 (one for each of the fiscal years below), each of which should have reported the number of transactions set forth below for that fiscal year. None of the transactions was required to be filed on a Form 4 (pursuant to the Rule 16a-6 small acquisition exemption), but should have been reported on a Form 5 filed at the end of the fiscal year in which the transaction occurred.

Compensation of Directors

Chairmen of Board Committees who are not employees of Skyline receive an additional \$2,000 annually and Committee members who are not employees of Skyline receive an additional \$1,500 annually payable in quarterly installments.

Transactions with Management

The son-in-law of Thomas G. Deranek, the Chief Executive Officer of Skyline, is employed as a network administrator by Skyline. He was hired by and reports to

James R. Weigand, Chief Financial Officer, and during the last fiscal year he received total compensation as an employee of approximately \$65,000.

Termination of Employment Arrangements

The Skyline Corporation and Affiliates Employees Profit Sharing Plan provides benefits on death, disability or retirement for substantially all employees. Employees become eligible as of the June 1 or December 1 immediately following completion of six months of employment. The amount of contribution under the Plan is at the discretion of Skyline each year. The maximum contribution for any participant shall not exceed 12% of a participant's basic compensation, subject to the maximum amount allowed by the internal revenue code. Upon retirement, death or permanent total disability, a participant is entitled to all of the funds credited to his account. In case of termination of employment by resignation or discharge, the participant is entitled to a percentage of the amount credited to his account, ranging from 0% after one year of employment to 100% after seven years. Forfeitures resulting from any employee's termination of employment prior to full vesting will be used to reduce employer contributions. Net investment earnings or net losses for each fiscal year are allocated to the account of each participant in the same ratio as the participant's account balance bears to the total account balances of all participants. Skyline reserves the right to modify, amend or terminate the Plan. In the event of termination of the plan, the entire amount theretofore contributed under the Plan must be paid to participants or their beneficiaries and under no circumstances reverts to Skyline.

Under an insurance plan, payments would be made to the below named executive officers and four former executive officers, and current and former executive officers as a group, for a period of 10 years upon retirement from Skyline at age 60 or later, in the following annual amounts: Thomas G. Deranek, \$75,000; William H. Murschel, \$75,000; Terrence M. Decio, \$75,000; James R. Weigand, \$60,000; Christopher R. Leader, \$60,000; Charles W. Chambliss, \$60,000; Arthur J. Decio, \$100,000; and Ronald F. Kloska, \$100,000; and all current and former executive officers as a group, consisting of 9 individuals, \$645,000. Under the same insurance plan, in the event of the death of any of these individuals while employed by Skyline, payments would be made for a period of 10 years in the annual amounts hereinafter specified to the beneficiaries of the following individuals and group: Thomas G. Deranek, \$75,000; William H. Murschel, \$75,000; Terrence M. Decio, \$75,000; James R. Weigand, \$40,000; Christopher R. Leader, \$40,000; Charles W. Chambliss, \$40,000; Arthur J. Decio, \$100,000; and Ronald F. Kloska, \$100,000 and 1 other executive officer, totaling 9 individuals, \$575,000. Skyline is the owner and beneficiary of policies insuring the lives of all these individuals in the total amount of \$4,850,000.

In addition, in the event of the death of Arthur J. Decio, whether before or after his retirement from Skyline, Skyline has agreed to pay his survivor(s) the sum of \$2,700,000, which at the present income tax rates, would result in after tax cost to

Skyline of approximately \$1,600,000. Skyline is the owner and beneficiary of policies insuring Arthur J. Decio's life in the amount of \$1,600,000.

The appreciation in cash surrender value of all of the above-described insurance policies is such that there is no current cost to Skyline for their maintenance.

Compensation Committee Interlocks and Insider Participation

The following persons served as members of the Compensation Committee of Skyline's Board of Directors during the fiscal year ended May 31, 2006: William H. Lawson, Andrew J. McKenna, Jerry Hammes and David T. Link. Arthur J. Decio is the Chairman of the Board of Skyline, and is a member of the Board of Directors of Schwarz. Andrew J. McKenna is Chairman of Schwarz.

Report of the Compensation Committee on Executive Compensation

The compensation of Skyline's executive officers is determined by the Compensation Committee of the Board of Directors. Each member of the Compensation Committee is a director who is not an employee of Skyline or any of its affiliates. The following report with respect to compensation paid to Skyline's executive officers for the fiscal year ended May 31, 2006 is furnished by the Compensation Committee.

General Policies. Skyline's compensation programs are intended to enable Skyline to attract, motivate, reward and retain the executive management talent required to achieve corporate objectives. It is Skyline's policy to reward exceptional performance and contributions to the development of Skyline's business. To attain these objectives, Skyline's executive compensation program includes a competitive base salary coupled with the opportunity to participate in a bonus pool which is created based on the performance of Skyline's business. The Compensation Committee establishes the base salaries and discretionary bonuses which will be paid to Skyline's executive officers for each fiscal year. In setting salaries and bonuses, the Compensation Committee takes into account several factors, including compensation paid by competitors and other industries' compensation data as well as qualitative factors bearing on an individual's experience, responsibilities, management and job performance. The Compensation Committee evaluates the contributions to Skyline's overall performance during the last fiscal year, leadership, effectiveness and commitment of all executive officers, including the Chief Executive Officer. For the fiscal year ended May 31, 2006, each of the executive officers received a bonus, in the amounts set forth above in the executive compensation table.

Salaries. Salary levels for executive officer positions are set so as to reflect the duties and level of responsibilities inherent in the position and current economic

conditions relating to Skyline's business. Comparative salaries paid by other companies in the industries in which Skyline does business are considered in establishing the salary level for a given position. The Compensation Committee does not, however, target a specific percentile range within the comparative group in setting salaries of Skyline's executive officers. The particular qualifications and level of experience of the individual holding the position are also considered in establishing a salary level when the individual is first appointed to a given position.

Bonus. Skyline provides executive officers the opportunity to earn an annual incentive bonus based on an evaluation of the executive's individual performance and Skyline's performance. No executive officer is automatically entitled to a bonus or a bonus in any particular amount. In considering bonuses for executives, the Compensation Committee consults with the Chairman of the Board.

Other. In addition, the executive officers participate in a profit sharing program and insurance and other plans described above providing payments on death or retirement.

Compensation of Chief Executive Officer (CEO). In setting the base salary and bonus for Skyline's CEO for the fiscal year ended May 31, 2006 the Compensation Committee considered the same factors as with other executive officers of Skyline. The Compensation Committee believes the CEO's compensation was fully supported by those standards.

DIRECTOR INDEPENDENCE AND EXECUTIVE SESSIONS

The Board of Directors has affirmatively determined that each of the four non-management Directors, Andrew J. McKenna, Jerry Hammes, William H. Lawson, and

David T. Link, is an independent Director and therefore, that a majority of Skyline's seven person Board of Directors is currently independent as so defined. The Board of Directors has affirmatively determined that John C. Firth, a nominee for election to serve as a Director, will if elected also be an independent Director. For this purpose, Skyline's Board adopted the following categorical standards based in part on the New York Stock Exchange Corporate Governance Listing Standards approved by the SEC on November 4, 2003, and additional categories considered appropriate by the Board:

1. No Director qualifies as independent unless the Board affirmatively determines that the Director has no material relationship with Skyline or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with Skyline or its subsidiaries);
2. A Director who is an employee, or whose immediate family member is an executive officer of Skyline or any of its subsidiaries, is not independent until three (3) years after the end of such employment relationship;
3. A Director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from Skyline or any of its subsidiaries, other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three (3) years after he or she ceases to receive more than \$100,000 per year in such compensation;
4. A Director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by a present or former internal or external auditor of our company or any of its subsidiaries, is not independent until three (3) years after the end of the affiliation or the employment or auditing relationship;
5. A Director who is employed, or whose immediate family member is employed, as an executive officer of another company when any of Skyline or any of its subsidiaries' present executives serve on that other company's compensation committee is not independent until three (3) years after the end of such service or the employment relationship;
6. A Director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payment from, Skyline or any of its subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues, is not independent until three (3) years after falling below such threshold; and

7. The Board has determined that there are no relationships between Skyline and the Directors classified as independent other than service on Skyline's Board of Directors and compensation paid to such Directors.

The foregoing independence determination of the Board of Directors also included the conclusions of the Board that:

1. Each of the members of the Audit Committee, Nominating and Governance Committee, and Compensation Committee listed above is respectively independent under the standards listed above for purposes of membership on each of these committees; and
2. Each of the members of the Audit Committee also meets the additional independence requirements under Sec. Rule 10A-3(b).

Mr. McKenna is currently serving as the lead independent Director for purposes of scheduling and setting the agenda for executive sessions of the independent Directors. It is presently contemplated that there will be regular executive sessions during the fiscal year ending May 31, 2007 in conjunction with regularly scheduled Board meetings, in addition to the separate meetings of the key standing committees of the Board of Directors. There were two executive sessions in fiscal year ending May 31, 2006.

Our Board of Directors has adopted a statement of governance principles that is available on our Company's website at www.skylinecorp.com and is available in paper form upon request to the Skyline assistant secretary.
