**Item 1.01. Entry into a Material Definitive Agreement.**

On May 11, 2005, Jabil Circuit, Inc. (the "Company") entered into a five-year, \$500.0 million unsecured revolving credit agreement ("New Revolver"). The New Revolver was entered into among the Company; the initial lenders named therein; Citicorp USA, Inc. as administrative agent; JPMorgan Chase Bank, N.A. as syndication agent; and The Royal Bank of Scotland PLC, SunTrust Bank, and ABN Amro Bank N.V. as co-documentation agents. Some of the lenders under the New Revolver and their affiliates have various relationships with the Company and its subsidiaries involving the provision of financial services, including cash management, loans, letter of credit and bank guarantee facilities, investment banking and trust services. In addition, the Company and some of its subsidiaries have entered into foreign exchange contracts and other derivative arrangements with certain of the lenders and their affiliates. The New Revolver, which expires on May 11, 2010, may be increased to a maximum of \$750.0 million at the request of the Company if approved by the lenders. Such requests must be for an increase of at least \$50.0 million or an integral multiple thereof, and may only be made once per calendar year. Interest and fees on New Revolver advances are based on the Company's unsecured long-term indebtedness rating as determined by Standard & Poor's Rating Service and Moody's Investor Service. Interest is charged at either the base rate or a rate equal to 0.50% to 0.950% above the Eurocurrency rate, where the base rate, available for U.S. dollar advances only, represents the greater of the agent's prime rate or 0.50% plus the federal funds rate, and the Eurocurrency rate represents the applicable London Interbank Offered Rate, each as more fully defined in the New Revolver. Fees include a facility fee based on the total commitments of the lenders, a letter of credit fee based on the amount of outstanding letters of credit, and a utilization fee to be added to the interest rate and the letter of credit fee during any period when the aggregate amount of outstanding advances and letters of credit exceeds 50% of the total commitments of the lenders. Based on the Company's current unsecured long-term indebtedness rating as determined by Standard & Poor's Rating Service and Moody's Investor Service, the current rate of interest plus the applicable facility and utilization fee on a full Eurocurrency rate draw would be 1.00% above the Eurocurrency rate as defined above. The New Revolver is unsecured and includes various covenants, limitations and events of default currently customary for similar facilities for similarly rated borrowers. No initial draw under the New Revolver has been made.

The New Revolver replaces the Company's existing \$400.0 million unsecured revolving credit facility dated as of July 14, 2003, as amended, which was to expire on July 14, 2006 ("Existing Revolver"). The Existing Revolver was entered into among the Company and certain of its borrowing subsidiaries; certain lenders; SunTrust Bank and The Royal Bank of Scotland PLC as co-syndication agents; ABN Amro Bank N.V. and Royal Bank of Canada as co-documentation agents; and Bank One, NA as administrative agent. Some of the lenders under the Existing Revolver and their affiliates have various relationships with the Company and its subsidiaries involving the provision of financial services, including cash management, investment banking and trust services. In addition, the Company and some of its subsidiaries have entered into foreign exchange contracts and other derivative arrangements with certain of the lenders and their affiliates. On May 10, 2005, the Company repaid all amounts outstanding under the Existing Revolver using cash on hand from operations.

The foregoing description of the New Revolver is qualified in its entirety by reference to the complete terms and conditions of the New Revolver, which is filed as Exhibit 10.1 to this Current Report on Form 8-K.
