*The following factors, among others, could cause Wachovia's financial performance to differ materially from that expressed in any forward-looking statements: (1) the risk that the businesses of Wachovia and SouthTrust in connection with the Merger or the businesses of Wachovia and Prudential in connection with the Brokerage Transaction will not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected; (2) expected revenue synergies and cost savings from the Merger or the Brokerage Transaction may not be fully realized or realized within the expected time frame; (3) revenues following the Merger or the Brokerage Transaction may be lower than expected; (4) deposit attrition, operating costs, customer loss and business disruption following the Merger or the Brokerage Transaction, including, without limitation, difficulties in maintaining relationships with employees, may be greater than expected; (5) the strength of the United States economy in general and the strength of the local economies in which Wachovia conducts operations may be different than expected, resulting in, among other things, a deterioration in credit quality or a reduced demand for credit, including the resultant effect on Wachovia's loan portfolio and allowance for loan losses; (6) the effects of, and changes in, trade, monetary and fiscal policies and laws, including interest rate policies of the Board of Governors of the Federal Reserve System; (7) inflation, interest rate, market and monetary fluctuations; (8) adverse conditions in the stock market, the public debt market and other capital markets (including changes in interest rate conditions) and the impact of such conditions on Wachovia's capital markets and capital management activities, including, without limitation, Wachovia's mergers and acquisition advisory business, equity and debt underwriting activities, private equity investment activities, derivative securities activities, investment and wealth management advisory businesses, and brokerage activities; (9) the timely development of competitive new products and services by Wachovia and the acceptance of these products and services by new and existing customers; (10) the willingness of customers to accept third party products marketed by Wachovia; (11) the willingness of customers to substitute competitors' products and services for Wachovia's products and services and vice versa; (12) the impact of changes in financial services laws and regulations (including laws concerning taxes, banking, securities and insurance); (13) technological changes; (14) changes in consumer spending and saving habits; (15) the effect of corporate restructurings, acquisitions and/or dispositions we may undertake from time to time, and the actual restructuring and other expenses related thereto, and the failure to achieve the expected revenue growth and/or expense savings from such corporate restructurings,*

*acquisitions and/or dispositions; (16) the growth and profitability of Wachovia's non-interest or fee income being less than expected; (17) unanticipated regulatory or judicial proceedings or rulings; (18) the impact of changes in accounting principles; (19) adverse changes in financial performance and/or condition of Wachovia's borrowers which could impact repayment of such borrowers' outstanding loans; (20) the*

*impact on Wachovia's businesses, as well as on the risks set forth above, of various domestic or international military or terrorist activities or conflicts; and (21) Wachovia's success at managing the risks involved in the foregoing. **Item 4. Controls and Procedures.**

*Evaluation of Disclosure Controls and Procedures.* As of June 30, 2005, the end of the period covered by this Quarterly Report on Form 10-Q, Wachovia's management, including Wachovia's Chief Executive Officer and Chief Financial Officer, evaluated the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934). Based upon that evaluation, Wachovia's Chief Executive Officer and Chief Financial Officer each concluded that as of June 30, 2005, the end of the period covered by this Quarterly Report on Form 10-Q, Wachovia maintained effective disclosure controls and procedures.

*Changes in Internal Control Over Financial Reporting.* No change in our internal control over financial reporting (as defined in Rule 13a-15(f) under the Securities Exchange Act of 1934) occurred during the fiscal quarter ended June 30, 2005, that has materially affected, or is reasonably likely to materially affect, Wachovia's internal control over financial reporting.

**Table of Contents****Part II. OTHER INFORMATION****Item 1. Legal Proceedings.**

Wachovia and certain of our subsidiaries are involved in a number of judicial, regulatory and arbitration proceedings concerning matters arising from the conduct of our business activities. These proceedings include actions brought against Wachovia and/or its subsidiaries with respect to transactions in which Wachovia and/or our subsidiaries acted as banker, lender, underwriter, financial advisor or broker or in activities related thereto. In addition, Wachovia and its subsidiaries may be requested to provide information or otherwise cooperate with governmental authorities in the conduct of investigations of other persons or industry groups. It is Wachovia's policy to cooperate in all regulatory inquiries and investigations.

Although there can be no assurance as to the ultimate outcome, Wachovia and/or our subsidiaries have generally denied, or believe we have a meritorious defense and will deny, liability in all significant litigation pending against us, including the matters described below, and we intend to defend vigorously each such case. Reserves are established for legal claims when payments associated with the claims become probable and the costs can be reasonably estimated. The actual costs of resolving legal claims may be substantially higher or lower than the amounts reserved for those claims.

The following supplements certain matters previously reported in Wachovia's Annual Report on Form 10-K for the year ended December 31, 2004 and in Wachovia's Quarterly Report on Form 10-Q for the period ended March 31, 2005.

*Mutual Fund Sales Practices.* Various securities regulators are currently investigating Wachovia Securities regarding Wachovia Securities' practices and procedures for the offer and sale of certain mutual funds. Wachovia believes the regulators are reviewing the adequacy of Wachovia Securities' disclosures regarding revenue sharing arrangements with certain investment companies and Wachovia Securities' mutual fund sales and distribution practices.

*Adelphia Litigation.* Certain Wachovia affiliates are defendants in an adversary proceeding pending in the United States Bankruptcy Court for the Southern District of New York related to the bankruptcy of Adelphia Communications Corporation (Adelphia). The Official Committee of Unsecured Creditors in that bankruptcy case has filed an adversary proceeding on behalf of Adelphia against over 300 financial services companies, including the Wachovia affiliates. The complaint asserts claims against the defendants under state law, bankruptcy law and the Bank Holding Company Act and seeks equitable relief and an unspecified amount of compensatory and punitive damages. The Official Committee of Equity Security Holders has sought leave to intervene in that complaint and sought leave to bring additional claims against certain of the financial services companies, including the Wachovia affiliates, including additional federal and state claims. The bankruptcy court has not yet permitted the creditors committee or the equity holders' committee to proceed with either of their claims and Wachovia and other defendants have filed motions to dismiss the complaints.

In addition, certain affiliates of Wachovia, together with numerous other financial services companies, have been named in several private civil actions by investors in Adelphia debt and/or equity securities, alleging among other claims, misstatements in connection with Adelphia securities offerings between 1997 and 2001. Wachovia affiliates acted as an underwriter in certain of those securities offerings, as agent and/or lender for certain Adelphia credit facilities, and as a provider of Adelphia's treasury/cash management services. These complaints, which seek unspecified damages, have been consolidated in the United States District Court for the Southern District of New York. In separate orders entered in May and July 2005, the District Court dismissed a number of the securities law claims asserted against Wachovia, leaving some securities law claims pending. Wachovia still has a pending motion to dismiss with respect to these claims.

*Bluebird Partners, L.P., Litigation.* On December 12, 2002, the jury in the Supreme Court of the State of New York, County of New York, returned a verdict against First Fidelity Bank, N.A. New Jersey, a predecessor to WBNA in the case captioned *Bluebird Partners, L.P. v. First Fidelity Bank, N.A., et al.* The trial court directed a verdict in favor of CoreStates New Jersey National Bank, another predecessor of WBNA. In this action for breach of contract, breach of fiduciary duty, negligence and malpractice, plaintiff alleges that First Fidelity, while serving as indenture trustee for debt certificates issued by Continental Airlines, failed to take the necessary action to protect the value of

the collateral after Continental Airlines filed for bankruptcy on December 3, 1990 and that the decline in the value of the collateral during the pendency of the bankruptcy caused plaintiff's losses. On July 10, 2003, the trial judge granted First Fidelity's

---

**Table of Contents**

motion to set aside the verdict, holding that the evidence was insufficient to support the verdict. Plaintiff appealed, and on October 7, 2004, the Supreme Court, Appellate Division, First Department reversed the dismissal and reinstated the verdict. On January 13, 2005, the court entered judgment against WBNA in the amount of \$32.9 million plus pre- and post-judgment interest at the statutory rate from April 27, 1993. Post-judgment interest continues to accrue at the statutory rate until the judgment is paid. On January 24, 2005, Bluebird filed a notice of appeal of the judgment amount. Wachovia filed a motion for a new trial. In addition, Wachovia believes that numerous reversible errors occurred, and that the evidence was insufficient to support the verdict that First Fidelity's actions caused Bluebird's loss. Wachovia's motion for leave to appeal to the Court of Appeals from the October 7 Appellate Division order was denied. The trial court denied Wachovia's motion requesting the trial court to rule on its motion for a new trial on the ground that the motion for a new trial had been decided by the Appellate Division's October 7 order. Wachovia has appealed from both the motion for a new trial as well as from the final verdict in favor of plaintiff.

*Outlook.* Based on information currently available, advice of counsel, available insurance coverage and established reserves, Wachovia believes that the eventual outcome of the actions against Wachovia and/or its subsidiaries, including the matters described above, will not, individually or in the aggregate, have a material adverse effect on Wachovia's consolidated financial position or results of operations. However, in the event of unexpected future developments, it is possible that the ultimate resolution of those matters, if unfavorable, may be material to Wachovia's results of operations for any particular period.

**Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.*****Purchases of Equity Securities by the Issuer and Affiliated Purchasers.***

In January 2004, our board of directors authorized the repurchase of 60 million shares of our common stock, which together with remaining authority from previous board authorizations in 1999 and 2000, permitted Wachovia to repurchase up to 123 million shares of our common stock as of January 15, 2004, the date that authorization was announced. Future stock repurchases may be private or open-market purchases, including block transactions, accelerated or delayed block transactions, forward transactions, collar transactions, and similar transactions. The amount and timing of stock repurchases will be based on various factors, such as management's assessment of Wachovia's capital structure and liquidity, the market price of Wachovia common stock compared to management's assessment of the stock's underlying value, and applicable regulatory, legal and accounting factors. In 2004, Wachovia repurchased 41.98 million shares of Wachovia common stock in the open market and 752 thousand shares of Wachovia common stock in private transactions at average prices of \$49.56 per share and \$46.18 per share, respectively. In addition, Wachovia settled equity collar contracts in 2004 representing 5.0 million shares at an average cost of \$47.34 per share. Please see "Stockholders' Equity" beginning on page 20 in the Financial Supplement, filed as Exhibit (19) to this Report, for additional information about Wachovia's share repurchases in the second quarter of 2005. The following table sets forth information about our stock repurchases for the three months ended June 30, 2005.

In addition to these repurchases, pursuant to Wachovia's employee stock option plans, participants may exercise Wachovia stock options by surrendering shares of Wachovia common stock the participants already own as payment of the option exercise price. None of these programs has an expiration date and each respective program expires upon completion of repurchases totaling the amount authorized for repurchase. During the second quarter of 2004, all remaining shares authorized under the May 1999 authorization, which totaled approximately 5.2 million shares at the beginning of the quarter, were repurchased. During the first quarter of 2005, all remaining shares authorized under the June 2000 authorization, which totaled approximately 15.7 million shares at the beginning of the quarter, were repurchased. As of June 30, 2005, there are no more shares remaining under the May 1999 and June 2000 authorizations, and approximately 50.4 million shares remaining under the January 2004 authorization.
