**Nominating and Corporate Governance Matters**

The Company's Board of Directors currently has no standing nominating committee, which the Board of Directors believes is appropriate, given the compact size of the Board. The Board of Directors, including each independent director, participates in the nomination process as described below.

Candidates for nomination to the Board of Directors, including those suggested by shareholders in compliance with the Company's charter, bylaws and applicable law, will be submitted to the Board of Directors with as much biographical information as is available and with a brief statement of the candidates' qualifications for Board membership.

While the Board of Directors may consider whatever factors it deems appropriate in its assessment of a candidate for board membership, candidates nominated to serve as directors will, at a minimum, in the judgment of the independent directors:

be able to represent the interests of the Company and all of its shareholders and not be disposed by affiliation or interest to favor any individual, group or class of shareholders or other constituency;

possess relevant background, skills and abilities, and characteristics that fulfill the needs of the Board at that time;

possess the background and demonstrated ability to contribute to the Board's performance of its collective responsibilities, through senior executive management experience, relevant professional or academic distinction, and/or a record of relevant civic and community leadership;

have the highest ethical character and share the core values of the Company as reflected in the Company's Code of Business Conduct and Ethics;

have a reputation, both personal and professional, consistent with the image and reputation of the Company;

have relevant expertise and experience, and be able to offer advice and guidance to the chief executive officer based on that expertise and experience; and

have the ability and the willingness to devote the necessary time and energy to exercise sound business judgment.

The Board will preliminarily assess each candidate's qualifications and suitability. If it is the consensus of the independent directors that a candidate is likely to meet the criteria for Board membership, the Board will advise the candidate of the Board's preliminary interest and, if the candidate expresses sufficient interest will arrange interviews of the candidate with one or more members of the Board and request such additional information from the candidate as the Board deems appropriate. The independent directors will consider the candidate's qualifications, the assessment of the individual's background, skills and abilities, and whether such characteristics fulfill the needs of the Board at that time, confer and reach a collective assessment as to the qualifications and suitability of the candidate for Board membership.

If a majority of the independent directors determine that the candidate is suitable and meets the criteria for Board membership, the candidate will be invited to meet with senior management of the Company, both to allow the candidate to obtain further information about the Company and to give management a basis for input to the Board regarding the candidate. On the basis of its assessment, and taking into consideration input from senior management, the Board will formally consider whether to recommend the candidate's nomination for election to the Board of Directors. Approval by a majority of the independent directors will be required to recommend the candidate's nomination.

### **Compensation/Stock Option Committee Matters**

The Compensation/Stock Option Committee acts on behalf of the Board of Directors to establish the compensation of executive officers of the Company and provides oversight of the Company's compensation philosophy. The Compensation/Stock Option Committee also acts as the oversight committee with respect to the Company's deferred compensation, stock and bonus plans covering executive officers and other senior management. In overseeing those plans, the Compensation/Stock Option Committee has the sole authority for administration and interpretation of the plans. The Compensation/Stock Option Committee has the authority to engage outside advisors to assist the Compensation/Stock Option Committee in the performance of its duties; however, the Compensation/Stock Option Committee may not delegate its authority to others.

The Committee was composed during 2008 of four non-employee directors of the Company who were each (i) independent as defined under the NASDAQ listing standards, (ii) a non-employee director for purposes of Section 16b-3 of the Securities Exchange Act of 1934, as amended, and (iii) an outside director for purposes of Section 162(m) of the Internal Revenue Code. The Committee has been given the responsibility to assist the Board of Directors in the discharge of its fiduciary duties with respect to the compensation of the executives and other employees of the Company, including the Named Officers, and the Company's retirement and other benefit plans. As part of the Committee's duties, the Committee, among other things, periodically reviews the Company's philosophy regarding executive compensation and assesses the three main elements of the Company's compensation. The Committee reports to the Board of Directors on its activities.

Generally, the Committee reviews the performance and compensation of the Chief Executive Officer and, following discussions with him and other advisors, if appropriate, establishes his compensation level. For the remaining Named Officers, the Chief Executive Officer makes recommendations for salary and bonus levels to the Committee that are generally approved. With respect to equity compensation awards, the Committee typically grants options based upon the initial recommendation of the Chief Executive Officer, and with additional or different terms deemed appropriate by the Committee.

The Committee generally considers making equity awards periodically after the Committee has had an opportunity to review the Company's financial results for the prior fiscal year and consider the Company's expectations and projections for the current fiscal year. In some years, the Committee has granted awards at other times or has determined not to grant any awards to some executives, based on its conclusion that the awards then currently outstanding would serve to properly incentivize the executive officers.

The Board of Directors sets non-management directors' compensation at the recommendation of the Compensation/Stock Option Committee. See Director Compensation.

### **Code of Business Conduct and Ethics**

The Company's Board of Directors has adopted a Code of Business Conduct and Ethics applicable to the members of its Board of Directors and officers, including the Chief Executive Officer and Chief Financial Officer. The Company's Code of Business Conduct and Ethics may be accessed on its website at [investor.jalexanders.com/corporate.htm](http://investor.jalexanders.com/corporate.htm) or a copy requested by writing to the following address: J. Alexander's Corporation, 3401 West End Avenue, Suite 260, P.O. Box 24300, Nashville Tennessee 37202. The Company will make any legally required disclosures regarding amendments to, or waivers of, provisions of the Code of Business Conduct and Ethics on its website.

### **Communications with Members of the Board**

Shareholders interested in communicating directly with members of the Company's Board of Directors may do so by writing to Board of Directors, c/o Corporate Secretary, J. Alexander's Corporation, 3401 West End Avenue, Suite 260, P.O. Box 24300, Nashville, Tennessee 37202.

**NARRATIVE DISCLOSURE TO SUMMARY COMPENSATION TABLE**

**Compensation Philosophy.** The Company's executive compensation program is administered by the Compensation/Stock Option Committee (the Committee) and compensates management through a combination of base salary, annual incentives and long-term incentives. The goal of the executive compensation program is to attract and retain talent through a mix of short-term and long-term incentives that reward outstanding Company and individual performance and the creation of shareholder value. Base salaries are designed to reward the executive officers' contributions to the success of the Company. The Company's incentive compensation, which has historically taken the form of a cash bonus program and stock options, is designed to reward both short-term and long-term strategic management and align a portion of the incentives of management with the long-term interest of shareholders. No cash bonuses were awarded for 2007 or 2008.

**Base Salary.** After consideration of a review of the Chief Executive Officer's recommendations regarding base salaries for the other Named Officers and statistics on inflation rates, the Committee established base salaries for each of the Named Officers for 2008 as set forth in the Summary Compensation Table under the heading Salary. These base salaries reflect moderate increases in the base salaries of each of Messrs. Stout, Lewis and Moore from 2007.

**Equity-Based Incentive Compensation.** The Company has historically awarded non-qualified or incentive stock options to its executive officers under shareholder-approved plans on a periodic basis. The Committee has indicated that it awards stock options because it believes that stock options closely align employees' interests with those of other shareholders because when the price of the Company's stock increases from the price on the date of grant, the employee realizes value commensurate with increases to shareholder value generally.

Stock options generally are granted to all officers and other key employees, have a seven or ten-year term and an exercise price equal to or greater than the closing market price of the shares on the date of grant. The number of options granted is based on the Committee's conclusions on the sufficiency of the Company's cash compensation and other benefits available to officers. Because the Committee has indicated that it believes a larger portion of more senior executives' compensation should be tied to the Company's performance, a larger number of options are granted to the more senior executive officers, decreasing incrementally based on position. In 2007, the Company made two grants of stock options to Mr. Stout. The Committee approved a grant of 50,000 options at an exercise price of \$13.09 per share, the market price of the Company's stock on the grant date. The Committee also approved a grant of 175,000 options at an exercise price of \$15.00 per share. Additionally the Committee approved grants of 25,000 and 20,000 options at an exercise price of \$13.09 per share (the market price of the Company's stock on the date of grant) to Messrs. Lewis and Moore, respectively. In 2008, the Company made grants of 22,500 stock options to Mr. Stout, and grants of 15,000 and 10,000 options to Messrs. Lewis and Moore, respectively all at an exercise price of \$6.10 (the market price of the Company's stock on the date of the grant). All of the options granted to the Named Officers in 2007 and 2008 vest ratably over four years and have a seven-year term rather than a ten-year term.

**Employment Agreements.** On December 26, 2008, J. Alexander's Corporation (the Company) entered into employment agreements with Messrs. Stout, Lewis and Moore. The agreements provide that each of the Named Officers will continue to serve in their current offices and such other office or offices to which he may be appointed or elected by the Board of Directors of the Company for a term to expire on December 25, 2011. Each agreement is subject to successive one-year automatic renewals unless either party gives not less than 90 days prior written notice to the other party that it is electing not to extend the agreement. Each agreement provides for the Named Officer to continue to receive his current annual base salary as well as customary benefits, including remuneration pursuant to the Company's cash compensation incentive plans (assuming applicable performance targets are met) or any long-term incentive award plans offered generally to executives of the Company and health insurance. Pursuant to the terms of each agreement, the Company will also reimburse the Named Officer for all reasonable business expenses incurred by such Named Officer in performance of his duties. Compensation payable under the agreements is subject to annual review by the Compensation Committee of the Board of Directors, and may be increased as the Compensation Committee deems advisable.

**Table of Contents**

Each agreement provides for certain payments upon the termination of the Named Officer's employment. Details of these payments and obligations are discussed below under the heading Potential Payments Upon Termination or Change in Control. Pursuant to the terms of each of the agreements, each Named Officer is prohibited from competing with the Company during the term of his employment and for a period of one year following termination of employment if the Named Officer receives payments under the employment agreements in connection with termination without cause or by the Named Officer for good reason. The Named Officer is also subject to certain confidentiality, non-disclosure and non-solicitation provisions.

***Retirement Plans and Programs.*** In addition to the compensation programs described above, the Company provides its Named Officers certain retirement benefits, including participation in the Company's 401(k) plan and a non-qualified deferred compensation plan. Each plan allows the Named Officer to defer a portion of his income from salary and bonus amounts on a pre-tax basis through contributions to the plan. The Company will match 25% of the Named Officer's total elective contributions up to 3% of the Named Officer's compensation for the Plan year (taking into account elective contributions to both plans). In addition, the Company maintains an Employee Stock Ownership Plan. Historically, all Company employees with at least 1,000 hours of service during the 12-month period subsequent to their hire date, or any calendar year thereafter, and who were at least 21 years of age, were eligible to participate and receive an allocation of stock in proportion to their compensation for the year. Three years of service with the Company are generally required for a participant's account to vest. In addition, the Named Officers are each party to an Amended and Restated Salary Continuation Agreement as described below in Potential Payments upon Termination or Change in Control.

**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL****Overview**

***Payments Pursuant to the Employment Agreements.*** Under each of the employment agreements discussed above under Narrative Disclosure to Summary Compensation Table, if the Company terminates the employment of the Named Officer with cause, or the Named Officer terminates employment without good reason, the Company is required to pay the Named Officer his salary, prior year bonus (if any) and benefits already earned but unpaid through the date of such termination. If the Company terminates the employment of the Named Officer without cause, including non-renewal by the Company or if the Named Officer resigns for good reason, the Named Officer will

receive the foregoing and will also be entitled to receive (i) a lump sum cash payment equal to 2.00 times his base salary then in effect, (ii) a lump sum cash payment equal to 2.00 times the higher of a) the cash bonus earned the previous year or b) the average bonus earned over the last three years, (iii) health insurance benefits substantially commensurate with the Company's standard health insurance benefits for the Named Officer and his spouse and dependents for a period of two years and (iv) certain tax reimbursement payments. For Mr. Stout and Mr. Lewis, who are also parties to Severance Benefits Agreements entitling them to 18 months' salary upon termination by the Company without cause or resignation for good reason, the applicable severance amounts payable under the employment agreements in the event of termination without cause and for good reason are 2.99 times salary and applicable bonus, but amounts payable in such events under the employment agreements are reduced by amounts actually paid under the executive's Severance Benefits Agreement.

Under the employment agreements, in the event of termination without cause or if the Named Officer resigns for good reason, each in connection with a change in control, the Named Officer will be entitled to receive (i) a lump sum cash payment equal to 2.99 times his base salary then in effect, (ii) a lump sum cash payment equal to 2.99 times the higher of a) the cash bonus earned the previous year or b) the average bonus earned over the last three years (iii) health insurance benefits substantially commensurate with the Company's standard health insurance benefits for the Named Officer and his spouse and dependents for a period of three years, (iv) certain tax reimbursement payments, and (v) vesting of unvested equity incentive plan awards. In the employment agreements change in control is defined to include (i) the acquisition of 35% or more of the combined voting power of the then outstanding securities of the Company by any person, entity or group; (ii) the change in ownership of a majority of the combined voting power of the then outstanding securities of the Company as the result of, or in

## Table of Contents

connection with, any cash tender or exchange offer, merger or other business combination transaction, sales of all or substantially all assets or contested election, or any combination of the foregoing; or (iii) a change, during any period of two consecutive years, in a majority of the Directors of the Company, unless such newly elected Directors were approved by a vote of at least two-thirds of the Directors in office at the beginning of such period.

In addition to the payments noted above, the employment agreements provide the Named Officers upon any termination: accrued but unpaid base salary through the date of termination; accrued but unpaid vacation pay; unreimbursed employment related expenses; and any other benefits owed to the executive under the Company's employee benefit plans and policies or applicable law. Each Named Officer is also subject to certain non-solicitation and non-competition covenants for a term of one year following termination.

***Payments Made Pursuant to the Amended and Restated Salary Continuation and Severance Benefits Agreements.*** In addition to the employment agreements, the Company is a party to two types of additional agreements with its Named Officers that impact the potential payments upon termination: a) the Severance Benefits Agreements and b) the Amended and Restated Salary Continuation Agreements. All of the Named Officers have individual Amended and Restated Salary Continuation Agreements with the Company. In addition, Mr. Stout and Mr. Lewis are each parties to individual Severance Benefits Agreements that provide cash payments in a lump sum of eighteen months' salary. The amounts described below assume that terminations occurred as of December 28, 2008.

The Amended and Restated Salary Continuation Agreements, which may be updated or replaced by new agreements from time to time, provide for a retirement benefit of 50% of the employee's base salary on the date of his retirement on or after attaining the age of 65. For the purpose of calculating retirement benefits, base salary is determined as the greater of actual base salary on the date of termination or the average base salary for the three full fiscal years immediately preceding termination. The retirement benefit is payable over 15 years commencing within 30 days of his retirement. The same benefit is available to the beneficiaries of an employee who dies while in office, but after age of 65. The Amended and Restated Salary Continuation Agreements also provide that in the event an employee dies while in the employ of the Company before attaining the age of 65, his or her beneficiaries will receive specified benefit payments for a period of ten years, or until such time as the employee would have attained age 65, whichever period is longer. The payments in this instance are 100% of the employee's base salary at the time of death for the first year after death and 50% of the employee's base salary at the time of death each year thereafter in the death benefits period. The annual payment for the first year after death for Messrs. Stout, Lewis and Moore would be \$376,000, \$196,000 and \$155,000, respectively.

The Amended and Restated Salary Continuation Agreements also provide for a vested benefit for each officer upon termination of service with the Company for any reason other than death or retirement prior to age 65. If such termination had occurred on or prior to December 31, 2008, the employee would have been entitled to receive a designated lump sum payment. For a termination occurring on or after January 1, 2009, the vested benefit will instead be based on the employee's base salary as of the date of termination, subject to certain minimum benefit levels. For Messrs. Stout and Lewis, the vested benefit is an annual benefit equal to the greater of fifty percent (50%) of the employee's base salary as of the employee's termination date or a designated minimum annual amount, each paid in equal monthly installments for a period of fifteen years commencing once the employee attains the age of 65. For Mr. Moore, the vested benefit is a lump sum payable within 30 days of termination equal to the greater of the present value as of the date of payment (using a seven percent (7%) discount rate) of fifty percent (50%) of Mr. Moore's base salary as of the date of termination as if paid in equal monthly installments, beginning when Mr. Moore would reach age 65, for a period of 15 years or a minimum lump sum. The designated minimum payments for each employee are based on the scheduled minimum lump sum vested benefits under the Salary Continuation Agreements previously held by the officers. The amounts payable, if termination had occurred on December 28, 2008 were \$1,293,307 for Mr. Stout, \$440,244 for Mr. Lewis and \$188,345 for Mr. Moore. Directors of the Company who are not also executive officers or employees are not parties to a Salary Continuation Agreement.

The annual benefits payable upon retirement at age 65 for each of Mr. Stout, Mr. Lewis and Mr. Moore are currently \$188,000, \$98,000 and \$77,500, respectively.

Additionally, pursuant to the Severance Benefits Agreements, Mr. Stout and Mr. Lewis would receive lump sum payments representing 18 months of their salaries upon termination by the Company without cause or

**Table of Contents**

resignation by Mr. Stout or Mr. Lewis for good reason. Under the Severance Benefits Agreements, Mr. Stout or Mr. Lewis has good reason to terminate his employment if his present job responsibilities change or there is a decrease in his compensation or some other economic loss. Under the Severance Benefits Agreements, Mr. Stout and Mr. Lewis would not be entitled to severance benefits if either were terminated for cause. Under the Severance Benefits Agreements, the Company will have cause only if termination was the result of an act or acts of dishonesty by the Named Officer constituting a felony and resulting in or intended to result in substantial gain or personal enrichment at the expense of the Company. Amounts payable under the employment agreements described above are reduced by amounts actually paid under the Severance Benefits Agreements.

The following table summarizes the payments that would be made under the employment agreements, the Amended and Restated Salary Continuation Agreements and the Severance Benefits Agreements to the Named Officers upon termination or a change in control that occurred on December 28, 2008:

Agreement.

Upon termination by the Company without cause or by the Named Officer for good reason, or upon termination as the result of disability, each Named Officer would be eligible for certain continued health insurance benefits for him and his dependents, for a period of two years or for a period of three years upon a termination in connection with a change in control. Outstanding stock option awards would be subject to accelerated vesting upon a change in control as defined above. No payments would be made upon a change in control not involving a termination.

The above table reflects fees paid in cash in 2008 and the portion of the total value of option awards to non-employee directors recognized as expense during 2008 for financial accounting purposes under SFAS 123R. Currently each director who is not an employee of the Company receives a monthly fee of \$1,250 plus a fee of \$1,500 for each attended meeting of the Board or any Committee of which he or she is a member. These levels of compensation are applicable to 2008 and 2009.

Each director who is not also an employee of the Company is eligible for grants of non-qualified stock options under the Amended and Restated 2004 Equity Incentive Plan. Generally, directors who are not employees of the Company have been awarded options to purchase 10,000 shares of Common Stock upon joining the Board and options to purchase 1,000 shares of Common Stock for each succeeding year of service, with the exercise price equal to the fair market value of the Common Stock on the date of grant. Pursuant to the terms of the Amended and Restated 2004 Equity Incentive Plan, no non-employee director is eligible for a grant of incentive stock options under the Plan.

The foregoing report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference the Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

**DEADLINE FOR SUBMISSION OF SHAREHOLDER PROPOSALS TO BE  
PRESENTED AT THE 2010 ANNUAL MEETING OF SHAREHOLDERS**

Any proposal intended to be presented for action at the 2010 Annual Meeting of Shareholders by any shareholder of the Company must be received by the Secretary of the Company not later than December 17, 2009, in order for such proposal to be considered for inclusion in the Company's Proxy Statement and proxy relating to its 2010 Annual Meeting of Shareholders. Nothing in this paragraph shall be deemed to require the Company to include any shareholder proposal that does not meet all the Commission's requirements for inclusion in effect at the time.

For other shareholder proposals to be timely (but not considered for inclusion in the Company's Proxy Statement), a shareholder's notice must be received by the Secretary of the Company not less than 75 days nor more than 90 days prior to April 16, 2010. For proposals that are not timely filed, the Company retains discretion to vote proxies it receives. For proposals that are timely filed, the Company retains discretion to vote proxies it receives provided (1) it includes in the Proxy Statement advice on the nature of the proposal and how the Company intends to exercise its voting discretion and (2) the proponent does not issue a proxy statement.

**METHOD OF COUNTING VOTES**

Unless a contrary choice is indicated, all duly executed proxies will be voted in accordance with the instructions set forth on the proxy card. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote (the non-vote) on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, the election of directors is a routine matter on which a broker has the discretion to vote if instructions are not received from the client in a timely manner. Abstentions and broker non-votes will be counted as present for purposes of determining the existence of a quorum. Directors will be elected by a plurality of the votes cast in the election by the holders of the Common Stock represented and entitled to vote at the Annual Meeting. Abstentions and broker non-votes will not be counted as votes for or against any director nominee. Any other matters that may properly come before the meeting or any adjournment thereof shall be approved by the affirmative vote of a majority of the votes cast by holders of Common Stock represented and entitled to vote at the Annual Meeting, and abstentions and non-votes will have no effect on the outcome of the vote.
