PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

April 27, 2005

GENERAL

The enclosed proxy is solicited by the Board of Directors of CSB Bancorp, Inc. (CSB), the principal executive offices of which are located at 6 West Jackson Street, Millersburg, Ohio 44654, in connection with the Annual Meeting of Shareholders (the Meeting) of CSB to be held on Wednesday, April 27, 2005, at the Carlisle Inn, Walnut Creek, Ohio, at 7:00 p.m. local time. This proxy statement and the accompanying notice of meeting are first being mailed to shareholders on or about March 24, 2005.

The Meeting has been called for the following purposes: (i) to elect three directors, each for a three-year term; (ii) to amend the CSB Bancorp, Inc. Share Equity Incentive Plan to increase the number of shares available for grant from 75,000 to 200,000 shares; and (iii) to transact any other business that may properly come before the Meeting or any adjournment thereof.

**REVOCATION OF PROXIES, DISCRETIONARY AUTHORITY
AND CUMULATIVE VOTING**

Shares of CSB s common stock, par value \$6.25 per share (the Common Shares), can be voted at the Meeting only if the shareholder is represented by proxy or is present in person. Shareholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the Meeting and all adjournments thereof. Proxies may be revoked by written notice to the Secretary of CSB (addressed to: CSB Bancorp, Inc., 6 West Jackson Street, Millersburg, Ohio 44654, Attention: Ms. Margaret L. Conn, Secretary) or by the filing of a later dated proxy prior to a vote being taken on a particular proposal at the Meeting. A proxy will not be voted if a shareholder attends the Meeting and votes in person. Proxies solicited by the Board of Directors will be voted in accordance with the directions given therein. Where no instructions are indicated, proxies will be voted for the nominees for directors set forth below or as otherwise described herein in the event cumulative voting for directors is properly requested. The proxy confers discretionary authority on the persons named therein to vote with respect to (i) the election of any person as a director where the nominee is unavailable or unable to serve, (ii) matters incident to the conduct of the Meeting and (iii) any other business that may properly come before the Meeting or any adjournment thereof. At this time, it is not known whether there will be cumulative voting for the election of directors at the Meeting. If any shareholder demands cumulative voting for the election of directors at the Meeting, your proxy will give the individuals named on the proxy full discretion and authority to vote cumulatively, and in their sole discretion to allocate votes among any or all of the nominees for director, unless authority to vote for any or all of the nominees is withheld.

The enclosed proxy is being solicited by CSB and the cost of soliciting proxies will be borne by CSB. In addition to use of the mails, proxies may be solicited personally or by telephone, telegraph or telefax by directors, officers and employees of CSB.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Shareholders of record as of the close of business on March 1, 2005, (the Record Date), are entitled to (i) notice of the Meeting and (ii) one vote on each matter to be considered at the Meeting for each Common Share held on that date. As of the Record Date, there were 2,644,968 Common Shares issued and outstanding. The presence at the Meeting in person or by proxy of at least a majority of such shares will be required to constitute a quorum at the Meeting. Common Shares held by holders who abstain from voting and all Common Shares held by brokers who do not have the discretionary authority to vote on certain matters will be included in determining the presence of a quorum. Consequently, an abstention or a broker non-vote has the same effect as a vote against a proposal or Director nominees, as each abstention or broker non-vote would be one less vote in favor of a proposal or for a Director nominee. Shareholders will not be entitled to dissenter's rights with respect to any matter to be considered at the Meeting.

The following table sets forth the Common Shares beneficially owned by each person, group or entity owning more than five percent of CSB's outstanding Common Shares as of the Record Date. This information was obtained from a Schedule 13D/A filed with the Securities and Exchange Commission by the Committee of Concerned CSB Shareholders for a Better Bank on January 3, 2002.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires CSB's officers, directors and persons who own more than ten percent of a registered class of CSB's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten percent shareholders are required to furnish CSB with copies of all Section 16(a) forms they file. During 2004, with the exception of one Form 4 filing for Mr. Lang with respect to the acquisition of shares, and based solely on CSB's review of the copies of such forms received by it and by statements of officers and directors that they complied with all applicable filing requirements, CSB's officers, directors and greater than ten percent beneficial owners have complied with all filing requirements applicable to them.

PROPOSAL 1: ELECTION OF DIRECTORS

CSB's Regulations provide that its business shall be managed by a board of directors of not less than three and not more than twenty-five persons. CSB's Regulations divide such directors into three classes, as nearly equal in number as possible, and set their terms at three years. The Board of Directors, pursuant to CSB's Code of Regulations, has established the number of directors at nine.

Assuming that at least a majority of the issued and outstanding Common Shares are present at the Meeting so that a quorum exists, the three nominees for director of CSB receiving the most votes will be elected as directors. Shareholders have the right to vote cumulatively in the election of directors. In order to exercise the right to vote cumulatively, a shareholder must give written notice to the President, a Vice President or the Secretary of CSB not less than forty-eight hours before the time fixed for the meeting, and the shareholder's demand for cumulative voting must be announced at the commencement of the meeting by or on behalf of the shareholder. If cumulative voting is elected, a shareholder may cast as many votes in an election of directors as the number of directors to be elected multiplied by the number of shares held. The Board of Directors has nominated Messrs. Robert K. Baker, J. Thomas

Lang, and John J. Limbert to serve until the 2008 Annual Meeting of Shareholders, and until their respective successors are elected and qualified. Messrs. Baker, Lang, and Limbert are incumbent directors whose present terms expire at the Meeting.

If it is intended that Common Shares represented by the accompanying form of proxy will be voted for the election of nominees, please so indicate on the proxy card. (If you do not wish your shares to be voted for particular nominees, please so indicate on the proxy card.) If one or more of the nominees should, at the time of the Meeting, be unavailable or unable to serve as a director, the shares represented by the proxies will be voted to elect the remaining nominee and any substitute nominee designated by the Board of Directors. The Board of Directors knows of no reason why any of the nominees will be unavailable or unable to serve. At this time, it is not known whether there will be cumulative voting for the election of directors at the Meeting. If any shareholder properly demands cumulative voting for the election of directors at the Meeting, your proxy will give the individuals named on the proxy full discretion and authority to vote cumulatively and in their sole discretion to allocate votes among any or all of the nominees, unless authority to vote for any or all of the nominees is withheld.

The Board of Directors recommends that shareholders vote **FOR** the election of the nominees.

The Board of Directors conducts its business through meetings of the Board and its committees. Regular meetings of the Board of Directors are held on a monthly basis. The Board of Directors held 12 regular, and no special meetings during the year ended December 31, 2004. Each incumbent director attended at least 75% of the aggregate of the total meetings of the Board of Directors and the total number of meetings held by all committees of the Board on which directors served in 2004. Directors receive no compensation from CSB. In addition, each director of CSB also serves as a director of The Commercial & Savings Bank, a wholly-owned banking subsidiary of CSB (the Bank), for which outside directors were compensated at a rate of \$10,000 annually, plus \$500 per Board Meeting attended and \$500 per Committee Meeting. Mr. Limbert, an inside Director, received no compensation for director fees in 2004.

CSB has a Nominating Committee, which recommends to the Board the nominees for election as directors. The Nominating Committee currently consists of Messrs. Miller, Steimel and Waltman. The Nominating Committee will consider candidates for nomination as a director, which are recommended by shareholders, directors and other sources. The Nominating Committee met one time in 2004. Under the terms of the Nominating Committee Charter, which is available on the Company's website, the Committee is responsible for developing and implementing a process and guidelines for the selection of individuals for nomination to the Board of Directors and considering incumbent directors for nomination and re-election.

In considering and evaluating potential candidates for positions on the CSB Board of Directors, and consistent with its Charter, the Nominating Committee considers, among other things, the potential candidates' knowledge of the communities in which CSB and the Bank operate; their experience and any special business, financial, or other expertise; their reputation for honesty and integrity; and their ability to provide independent and

objective oversight and supervision for matters which may impact CSB and the Bank. The Nominating Committee also considers applicable requirements of the CSB Code of Regulations and requirements of applicable law and regulations with respect to evaluating potential candidates, as well as other matters which the Nominating Committee deems appropriate in light of the specific circumstances and the potential candidate. To that end, the Nominating Committee may conduct its own analysis and may also seek information from a variety of outside sources in order to ascertain whether a potential candidate meets the referenced criteria.

The Nominating Committee utilizes the same standards and criteria in considering and evaluating potential candidates for positions on the CSB Board of Directors who are recommended by CSB shareholders, when appropriate. The majority of the members of the Nominating Committee are independent, as defined by the National Association of Securities Dealers, Inc., listing standards.

The Compensation Committee develops and recommends executive compensation principles, policies and programs to the CSB Board of Directors. The Compensation Committee currently consists of Messrs. Steimel, Baker and Waltman. The Compensation Committee met two times in 2004.

CSB has an Audit Committee, the members of which currently consist of Messrs. Steiner, Holtman and Robb. All of the members of the Audit Committee are independent directors. Among other things, the Audit Committee is responsible for the engagement of independent auditors, reviewing with the independent auditors the plans and results of the audit, and reviewing the adequacy of internal accounting controls. The Audit Committee met a total of 12 times in 2004. The Board of Directors has determined that Messrs. Robb and Steiner meet the requirements of an audit committee financial expert as defined by the Securities and Exchange Commission

PROPOSAL 2:

APPROVAL AND ADOPTION OF AN INCREASE IN THE NUMBER OF COMMON SHARES AVAILABLE TO BE GRANTED UNDER THE CSB BANCORP, INC. SHARE EQUITY INCENTIVE PLAN

On April 24, 2002, the shareholders of CSB approved and adopted the CSB Bancorp, Inc. Share Equity Incentive Plan (the Plan). The Plan currently authorizes the grant of share incentives involving up to 75,000 of CSB's Common Shares through ownership incentives to eligible employees, consultants and directors of CSB and its subsidiaries. CSB and its subsidiaries currently have approximately 143 employees and nine directors. The term eligible person refers to any person who in the opinion of the Board of Directors can and does contribute significantly to the growth and successful operations of CSB and its subsidiaries.

The Board of Directors may amend the Plan. The Board of Directors may also, by a resolution adopted by a majority of the entire Board of Directors, discontinue the Plan. However, no amendment or discontinuance of the Plan by the Board of Directors may, without the consent of the eligible person, adversely affect any share incentive previously granted to the eligible person.

On January 27, 2005, the Board of Directors of CSB approved an amendment to the Plan increasing the total number of Common Shares available to be granted as share incentive awards under the Plan from 75,000 Common Shares to 200,000 Common Shares.

The proposal to amend the total number of Common Shares available to be granted as share incentives under the Plan from 75,000 Common Shares to 200,000 Common Shares is contained in the following resolution that will be submitted to the shareholders for adoption at the Annual Meeting. The affirmative vote of the holders of a majority of CSB's Common Shares present in person or by proxy at the Meeting and entitled to vote is required to adopt the

resolution. Proxies will be voted in favor of the following resolution unless otherwise instructed by the shareholders. The Board of Directors recommends that the shareholders vote FOR the adoption of the following resolution.

The resolution states:

RESOLVED, that the CSB Bancorp, Inc. Share Equity Incentive Plan be, and hereby is, amended to provide that the total number of Common Shares of CSB Bancorp, Inc., available for grant under the terms of the Plan, is increased from 75,000 shares to 200,000 shares effective immediately.

**REPORT OF THE COMPENSATION COMMITTEE OF THE
BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

The Compensation Committee is responsible for developing and recommending CSB's executive compensation principles, policies and programs to the Board of Directors. The Compensation Committee believes that in representing the Board of Directors, it must act in the best interest of the shareholders as it reviews and determines CSB's executive compensation principles, policies and programs. The Compensation Committee's essential goal is to create a balance by which CSB is able to attract and retain qualified management personnel, while at the same time providing for maximization of CSB's financial performance and safeguarding CSB's assets. In compensating CSB's executive officers, the Committee seeks to achieve the following goals:

1. motivate executive officers to strive for and achieve outstanding corporate performance that provides a direct benefit to shareholders;
2. attract highly-qualified key management personnel; and
3. reward superior performance in reaching corporate objectives with aggressive compensation levels and provide that a significant portion of compensation will be dependent on CSB's annual performance.

Base salaries for executive officers in 2004 were determined after review of an analysis of salaries paid for comparable positions and consideration of the competition for executive talent within CSB's industry. CSB's review included a survey of public filings made by industry peers. CSB's compensation philosophy is to target executive salaries close to the mean of the market rate paid for comparable positions by similarly sized bank holding companies. CSB's senior officers recommend to the Board of Directors an aggregate amount of cash and options to purchase Common Shares to offer as bonuses to employees each fiscal year, based upon the performance of CSB and the Bank during the prior fiscal year, and an allocation of these bonuses among the employees of CSB and the Bank. After consideration of this recommendation, the Compensation Committee approves the issuance of bonuses each year. The Chief Executive Officer only participates in the evaluation of compensation of the other executive officers.

If Management wishes to engage the independent accountants for any services, Management will define and present to the Audit Committee specific projects and categories of service, and fee estimates, for which the advance approval of the Audit Committee is required. The Audit Committee will review these requests and determine whether to pre-approve the engagement of the independent accountants for the specific projects and categories of service.

Management will report to the Audit Committee regarding the actual spending for these projects and services, compared to the approved amounts on a quarterly basis.

The Audit Committee Chairperson will report to the Committee at each regularly scheduled meeting the nature and amount of any non-audit services that he has approved.

Shares thus delivered shall be valued at their Fair Market Value on the date on which they are delivered to the Company in payment of the exercise price.

Each Agreement shall specify the period during which the Options may be exercised and shall provide that the Options shall expire at the end of such period (or periods); provided that such expiration date shall not be later than ten years from the date of grant thereof. Unless otherwise provided in the Option, an Option, to the extent it is or becomes exercisable, may be exercised at any time in whole or in part until the expiration or termination of the Option, provided, however, that the date of exercise of an Option shall be determined under procedures established by the Committee. Any term or provision in any outstanding Option specifying that the Option not be immediately exercisable or that it be exercisable in installments may be modified at any time during the life of the Option by the Committee, provided, however, no such modifications of an outstanding Option shall, without the consent of the optionee, adversely affect any Option theretofore granted to the optionee.
- c. Subject to the expiration of and the termination of Options under an Agreement, each Option shall be exercisable during the life of the optionee only by the optionee and, after the optionee's death, only by the optionee's estate or by a person who acquired the right to exercise the Option by will or the laws of descent and distribution. An Option, to the extent that it shall not have been exercised, shall terminate at the close of business on the sixtieth day following the date the optionee ceases to be an employee, consultant or director of or to the Company or any Subsidiary, unless the optionee ceases to be an employee, consultant or director of or to the Company or any Subsidiary because of (i) resignation with the consent of the Committee (which consent may be given before or after resignation or (ii) by reason of death, incapacity or retirement under a retirement plan of the Company or a Subsidiary, in which case the Option shall terminate eighteen months

after the optionee ceases to be an employee, consultant or director of or to the Company or any Subsidiary. A leave of absence for military or governmental service or for other purposes shall not, if approved by the Committee, be deemed a termination of employment within the meaning of this paragraph (c). Notwithstanding the foregoing provisions of this paragraph (c) or any other provisions of this Plan, no Option shall be exercisable after expiration of the term for which the Option was granted, which shall in no event exceed ten years.

- d. Options shall be granted for such lawful consideration as the Committee shall determine.
-

- e. No Option nor any right thereunder may be assigned or transferred by the optionee except by will or the laws of descent and distribution. If so provided in the Agreement or if so authorized by the Committee and subject to such terms and conditions as are specified in the Agreement or by the Committee, the Company shall have the right, upon or without the request of the holder of the Option and at any time or from time to time, to cancel all or a portion of the Option then subject to exercise and, at the Company's election, either (i) pay the holder an amount of money equal to the excess, if any, of the Fair Market Value, at such time or times, of the Shares subject to the portion of the Option so canceled over the aggregate purchase price of such Shares or (ii) issue or transfer Shares to the holder with a Fair Market Value, at such time or times, equal to such excess.
 - f. Each Option shall be evidenced by a written Agreement, which shall contain such terms and conditions (including, without limitation, Performance Objectives), and shall be in such form as the Committee may determine, provided the Agreement is consistent with this Plan and incorporates it by reference. Notwithstanding the preceding sentence, an Agreement, if so recommended by the Committee, may include restrictions and limitations in addition to those provided for in this Plan.
 - g. Options may be either Statutory Options or Nonstatutory Options at the discretion of the Committee. Options not otherwise designated shall be Nonstatutory Options. Notwithstanding any other provisions herein, the following provisions shall apply to Statutory Options: (i) except as set forth in clause (ii), the exercise price of any Statutory Option shall not be less than the Fair Market Value of the Shares on the date of grant; (ii) the exercise price of any Statutory Option granted to any person who on the date of grant owns (within the meaning of Section 425(d) of the Internal Revenue Code) Shares possessing more than 10% of the total combined voting power of all classes of Shares of the Company or any Subsidiary shall not be less than 110% of the Fair Market Value of the Shares on the date of grant; (iii) the maximum term of any Statutory Option granted hereunder shall be ten years, except that the maximum term of any Statutory Option granted to a person described in clause (ii) above shall be five years; (iv) no Statutory Option may be granted subsequent to the tenth anniversary of the date of shareholder approval of this Plan; (v) Statutory Options may only be granted to persons who are employees of the Company or any Subsidiary within the meaning of the Code; and (vi) During any calendar year, Statutory Options may not be granted with respect to Shares under this Plan having a fair market value of more than \$100,000.
 - h. Any federal, state or local withholding taxes payable by an optionee upon the exercise of an Option shall be paid in cash or, unless otherwise provided by the Committee, by the surrender of Shares or the withholding of Shares to be issued to the optionee, or in any combination thereof, or in such other form as the Committee may authorize from time to time. All such Shares so surrendered or withheld shall be valued at the Fair Market Value for the date on which they are surrendered or withheld, and the number of Shares surrendered or withheld shall not exceed the number of such Shares necessary to satisfy the withholding obligation.
6. **Appreciation Rights:** Share Incentives in the form of Appreciation Rights shall be subject to the following provisions:
- a. Each grant of Appreciation Rights shall be evidenced by an Agreement specifying the number of Appreciation Rights granted and containing such other terms and conditions (which may, but need not, include Performance Objectives) as the Committee may determine.
 - b. Each Agreement shall specify the period during which the pertinent Appreciation Rights may be exercised and shall provide that the Appreciation Rights shall expire at the end of such period (or periods); provided that such expiration date shall not be later than ten years from the date of grant thereof. Except as otherwise provided herein or in an Agreement, any Appreciation Right may be exercisable in full or in part in one or more installments at such time or times as may be specified in the Agreement. Any term or provision in any

Agreement specifying that the Appreciation Right not be immediately exercisable or that it is to be exercisable in installments may be modified at any time during the term of the Agreement by the Committee, provided, however, no such modifications of any outstanding Appreciation Right shall, without the consent of the Eligible Person, adversely affect any Appreciation Right theretofore granted.

- c. Subject to the expiration of and the termination of Appreciation Rights under an Agreement, each Appreciation Right shall be exercisable during the life of the Eligible Person only by the Eligible Person and, after the Eligible Person's death, only by the Eligible Person's estate or by a person who acquired the right to
-

exercise the Appreciation Right by will or the laws of descent and distribution. An Appreciation Right, to the extent that it shall not have been exercised, shall terminate at the close of business on the sixtieth day following the date the Eligible Person ceases to be an employee, consultant or director of or to the Company or any Subsidiary, unless the Eligible Person ceases to be an employee, consultant or director of or to the Company or any Subsidiary because of (i) resignation with the consent of the Committee (which consent may be given before or after resignation) or (ii) by reason of death, incapacity or retirement under a retirement plan of the Company or a Subsidiary, in which case the Appreciation Right shall terminate eighteen months after the Eligible Person ceases to be an employee, consultant or director of or to the Company or any Subsidiary. A leave of absence for military or governmental service or for other purposes shall not, if approved by the Committee, be deemed a termination of employment within the meaning of this paragraph (c). Notwithstanding the foregoing provisions of this paragraph (c) or any other provisions of this Plan, no Appreciation Rights shall be exercisable after expiration of the term for which the Appreciation Right was granted, which shall in no event exceed ten years.

- d. No Appreciation Right may be assigned or transferred by the Eligible Person except by will or the laws of descent and distribution. If so provided in the Agreement or if so authorized by the Committee and subject to such terms and conditions as are specified in the Agreement or by the Committee, the Company shall have the right, upon or without the request of the holder of an Appreciation Right and at any time or from time to time, to cancel all or a portion of the Appreciation Right then subject to exercise and pay the holder an amount of cash for each Appreciation Right equal to the excess, if any, of the Fair Market Value of a Share at the date of cancellation over the Fair Market Value of a Share at the time the Appreciation Right was granted.
- e. Any federal, state or local withholding taxes payable upon the exercise of an Appreciation Right shall be paid in cash by the Eligible Person or withheld from the cash payment made to the Eligible Person pursuant to the exercise of an Appreciation Right.

7. Share Awards: Share Incentives in the form of Share Awards shall be subject to the following provisions:

- a. For the purposes of this Plan, in determining the value of a Share Award, all Shares subject to such Share Award shall be valued at not less than 100% of the Fair Market Value of such Shares on the date such Share Award is granted, regardless of whether or when such Shares are issued or transferred to the Eligible Person and whether or not such Shares are subject to restrictions which affect their value.
- b. Shares subject to a Share Award may be issued or transferred to the Eligible Person at the time the Share Award is granted, or at any time subsequent thereto, or in installments from time to time, as the Committee shall determine. In the event that any such issuance or transfer shall not be made to the Eligible Person at the time the Share Award is granted, the Committee may provide for payment to such Eligible Person, either in cash or in Shares from time to time or at the time or times such Shares shall be issued or transferred to such Eligible Person, of amounts not exceeding the income distributions which would have been payable to such Eligible Person in respect of such Shares (as adjusted under Section 9) if they had been issued or transferred to such Eligible Person at the time such Share Award was granted. Any amount payable in Shares under the terms of a Share Award may, at the discretion of the Committee, be paid in cash, on each date on which delivery of Shares would otherwise have been made, in an amount equal to the Fair Market Value on such date of the Shares which would otherwise have been delivered.
- c. A Share Award shall be subject to such terms and conditions, including, without limitation, restrictions on sale or other disposition of the Share Award or of the Shares issued or transferred pursuant to such Share Award, as the Committee shall determine; provided, however, that upon the issuance or transfer of Shares pursuant to a Share Award, the recipient shall, with respect to such Shares, be and become a Shareholder of

the Company fully entitled to receive income distributions, to vote and to exercise all other rights of a Shareholder except to the extent otherwise provided in the Share Award or in other Agreements. The Committee may, in its sole discretion, but shall not be required to, specify in any Agreement governing a Share Award that the issuance, transfer and retention of some or all of the Shares covered by the Share Award shall be subject to the attainment of Performance Objectives.

- d. Subject to the expiration of and the termination of Share Awards under an
-

Agreement, each Share Award shall be exercisable during the life of the recipient only by the recipient and, after the recipient's death, only by the recipient's estate or by a person who acquired the right to exercise the Share Award by will or the laws of descent and distribution. A Share Award, to the extent that it shall not have been exercised, shall terminate at the close of business on the sixtieth day following the date the recipient ceases to be an employee, consultant or director of or to the Company or any Subsidiary, unless the recipient ceases to be an employee, consultant or director of or to the Company or any Subsidiary because of (i) resignation with the consent of the Committee (which consent may be given before or after resignation or (ii) by reason of death, incapacity or retirement under a retirement plan of the Company or a Subsidiary, in which case the Share Award shall terminate eighteen months after the recipient ceases to be an employee, consultant or director of or to the Company or any Subsidiary. A leave of absence for military or governmental service or for other purposes shall not, if approved by the Committee, be deemed a termination of employment within the meaning of this paragraph (c). Notwithstanding the foregoing provisions of this paragraph (c) or any other provisions of this Plan, no Share Award shall be exercisable after expiration of the term for which the Share Award was granted, which shall in no event exceed ten years.

8. **Combinations of Appreciation Rights, Share Awards and Options:** Share Incentives in the form of combinations of Options, Appreciation Rights or Share Awards shall be subject to the following provisions:
- a. A Share Incentive may be a combination of an Option with a form of Appreciation Right and/or with any form of Share Award; provided, however, that the terms and conditions of such Share Incentive pertaining to an Option are consistent with Section 5, the terms and conditions of such Share Incentive pertaining to an Appreciation Right are consistent with Section 6, and the terms and conditions of such Share Incentive pertaining to a Share Award are consistent with Section 7.
 - b. Such combination Share Incentive shall be subject to such other terms and conditions as the Committee may determine, including, without limitation, a provision terminating in whole or in part a portion thereof upon the exercise in whole or in part of another portion thereof. Such combination Share Incentive shall be evidenced by a written Agreement in such form as the Committee shall determine, provided it is consistent with this Plan and incorporates it by reference.
9. **Adjustment Provisions:** In the event that any recapitalization, reclassification, forward or reverse split of Shares or any similar transaction shall be effected, or the outstanding Shares are, in connection with a merger or consolidation of the Company or a sale by the Company of all or a part of its assets, exchanged for a different number or class of Shares or other securities of the Company or other securities of any other company, or a record date for determination of holders of Shares entitled to receive a share split or a dividend payable in Shares shall occur, (i) the number of Shares or other securities that may be issued or transferred pursuant to Share Incentives or with respect to which a cash payment pursuant to the Share Incentive is determinable, (ii) the number and class of Shares or other securities which have not been issued or transferred under outstanding Share Incentives, (iii) the purchase price to be paid per Share or other security under outstanding Options and (iv) the price to be paid by the Company or a Subsidiary for Shares or other securities issued or transferred pursuant to Share Incentives which are subject to a right of the Company or a Subsidiary to reacquire such Shares or other securities, shall in each case be equitably adjusted.
10. **Acceleration:** In the event of a Change of Control of the Company, One Hundred Percent (100%) of the Share Incentives granted herein which have then been outstanding hereunder shall vest or be exercisable by the Eligible Person. Such vesting shall occur without regard to any limitation imposed by the Plan or the Committee at the time the Share Incentive was granted, which permits all or any part of the Share Incentive to be exercised only after the lapse of time or the attainment of Performance Objectives or other conditions to exercise, and such Share Incentives will remain vested and exercisable until the expiration of the Share Incentive.

11. **Term:** This Plan shall be deemed adopted and shall become effective on the date it is approved and adopted by the shareholders of the Company. This Plan shall remain in effect until such time as it is terminated by the Board of Directors; provided, however, that no Share Incentive may be granted after the tenth anniversary of the effective date of the Plan.

12. **Administration:**

- a. The Plan shall be administered by the Committee, which shall consist of not less than two individuals designated by the Board of Directors in accordance with the
-

Regulations of the Company. Grants of Share Incentives may be recommended by the Committee either with or without consultation with Eligible Persons, but, anything in this Plan to the contrary notwithstanding, the Committee shall have full authority to act in the matter of selection of all Eligible Persons and in recommending Share Incentives to be granted to them.

- b. Subject to the provisions of this Plan, the Committee shall specify in each Agreement the terms of each Share Incentive, including, where applicable, the exercise price, any provisions regarding redemption or forfeiture of Share Incentives or Shares, acceleration or extension of exercise dates, and such other matters as the Committee determines to be appropriate. The Committee may establish such rules and regulations, not inconsistent with the provisions of this Plan, as it deems necessary to determine eligibility to participate in this Plan and for the proper administration of this Plan, and may amend or revoke any rule or regulation so established. The Committee may make such determinations and interpretations under or in connection with this Plan as it deems necessary or advisable. All such rules, regulations, determinations and interpretations shall be binding and conclusive upon the Company, its Subsidiaries, its shareholders and all Eligible Persons, and upon their respective legal representatives, beneficiaries, successors and assigns and upon all other persons claiming under or through any of them.
 - c. Members of the Board of Directors and members of the Committee acting under this Plan shall be indemnified, if applicable, in accordance with the terms of the Company's Articles of Incorporation and Regulations.
13. **Changes in Form or Acquisitions:** Notwithstanding Section 4(a), if the Company or any Subsidiary should, either pursuant to an initial public offering or otherwise, merge or consolidate, or purchase or exchange Shares or assets with another entity, the Company, in connection therewith, upon the recommendation of the Committee and the approval of the Board of Directors, (i) may assume, in whole or in part and with or without modifications or conditions, any Share Incentives granted by such other entity to its employees, consultants or directors, in their capacity as such, (ii) may grant new Share Incentives in substitution therefore; provided that the granting of a Share Incentive with the terms and conditions of the assumed or substitute Share Incentives is permissible under this Plan, or (iii) may cause such other entity to assume the obligations of the Plan and substitute Share Incentives in such other entity for the Share Incentives granted hereunder, provided that such assumption shall not, without the consent of the Eligible Person, adversely affect any Share Incentive theretofore granted to such Eligible Person.

14. **General Provisions:**

- a. Nothing in this Plan nor in any instrument executed pursuant hereto shall confer upon any Eligible Person any right to continue in his or her relationship with the Company or a Subsidiary, or shall affect the right of the Company or of a Subsidiary to terminate any Eligible Person at any time with or without cause.
- b. No Shares shall be issued or transferred pursuant to a Share Incentive unless and until all legal requirements applicable to the issuance or transfer of such Shares have been complied with. In connection with any such issuance or transfer the person acquiring the Shares shall, if requested by the Company, give assurances satisfactory to counsel to the Company that the Shares are being acquired for investment and not with a view to resale or distribution thereof and assurances in respect of such other matters as the Company or a Subsidiary may deem desirable to assure compliance with all applicable legal requirements. No Eligible Person (individually or as a member of a group), and no beneficiary or other person claiming under or through him, shall have any right, title or interest in or to any Shares allocated or reserved for the purposes of this Plan or subject to any Share Incentive except as to Shares, if any, as shall have been issued or transferred to him.

- c. The Company or a Subsidiary may, with the approval of the Committee, enter into an agreement or other commitment to grant a Share Incentive in the future to a person who is or will be an Eligible Person at the time of grant, and, notwithstanding any other provision of this Plan, any such agreement or commitment shall not be deemed the grant of a Share Incentive until the date on which the Company takes action to implement such agreement or commitment.
 - d. In the case of a grant of a Share Incentive to a Eligible Person of a Subsidiary, such grant may, if the Committee so directs, be implemented by the Company issuing or transferring the Shares, if any, covered by the Share Incentive to the Subsidiary, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Subsidiary will transfer the Shares to the Eligible Person in accordance with the terms of the Share Incentive specified by
-

the Committee pursuant to the provisions of this Plan. Notwithstanding any other provision hereof, such Share Incentive may be issued by and in the name of the Subsidiary and shall be deemed granted on the date it is approved by the Committee on the date it is delivered by the Subsidiary or on such other date between said two dates as the Committee shall specify.

- e. The Company or a Subsidiary may make such provisions as it may deem appropriate for the withholding of any taxes which the Company or a Subsidiary determines it is required to withhold in connection with any Share Incentive.
- f. Nothing in this Plan is intended to be a substitute for, or shall preclude or limit the establishment or continuation of, any other plan, practice or arrangement for the payment of compensation or fringe benefits to employees generally, or to any class or group of employees, which the Company or any Subsidiary or other affiliate now has or may hereafter lawfully put into effect, including, without limitation, any retirement, pension, group insurance, Share purchase, Share bonus or Share option plan.
- g. If any provision of the Plan is or becomes or is deemed invalid, illegal or unenforceable in any jurisdiction, or would disqualify the Plan or any Share Incentive under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan, it shall be stricken and the remainder of the Plan shall remain in full force and effect.

15. Amendments and Discontinuance:

- a. This Plan may be amended by the Board of Directors upon the recommendation of the Committee.
 - b. The Board of Directors may by resolution adopted by a majority of the entire Board of Directors discontinue this Plan.
 - c. No amendment or discontinuance of this Plan by the Board of Directors of the Company shall, without the consent of the Eligible Person, adversely affect any Share Incentive theretofore granted to him.
