PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
MARCH 30, 2006

Farmers National Banc Corp., herein referred to as Farmers or the Corporation is furnishing this Proxy Statement to its shareholders in connection with the solicitation, by order of the Board of Directors of Farmers, of proxies to be used at the Annual Meeting of Shareholders to be held on Thursday, March 30, 2006 at 3:30 P.M., Eastern Standard Time, at Kenneth F. McMahon Hall at the Mill Creek MetroParks Experimental & Educational Building at 7574 Columbiana-Canfield Rd., Canfield, Ohio 44406, and at any adjournments thereof. The Corporation is a one-bank holding company of which The Farmers National Bank of Canfield is the wholly owned subsidiary.

The cost for solicitation of proxies will be borne by Farmers. Brokerage firms and other custodians, nominees and fiduciaries may be requested to forward soliciting material to their principals and to obtain authorization for the execution of proxies. Farmers will, upon request, reimburse brokerage firms, and other custodians, nominees and fiduciaries for the execution of proxies and for their expenses in forwarding proxy material to their principals.

The proxy statement and the form of proxy are being mailed on March 2, 2006 or as soon thereafter as practicable to all shareholders entitled to vote at the meeting. In addition to use of mails, proxies may be solicited by officers, directors, and employees of Farmers by personal interview, telephone or other forms of direct communication.

The 2005 Annual Report, including the required audited financial statements of the Corporation and related financial information, is enclosed with this proxy statement and form of proxy.

VOTING RIGHTS

Only shareholders of record at the close of business on February 3, 2006 will be entitled to vote at the meeting. As of February 3, 2006, Farmers had issued and outstanding 12,996,980 shares of common stock with no par value held by approximately 4,096 holders of record eligible to vote. Each outstanding share entitles the record holder to one vote. The number of shares present at the meeting in person or by proxy will constitute a quorum for the transaction of business.

It is important that your stock be represented at the meeting, regardless of the number of shares you may own. We would appreciate your signing and returning the enclosed proxy. The shares represented by each proxy, which is properly executed and returned to Farmers, will be voted in accordance with the instructions indicated in such proxy. If no instructions are indicated, shares represented by proxy will be voted FOR the election of each of the directors as described herein under Proposal 1. The proxy may be revoked at any time prior to its exercise, by delivering notice of revocation or a duly executed proxy bearing a later date to the Treasurer of the Corporation at any time before the proxy is voted. Shareholders who attend the meeting in person may vote their stock even though they may have sent in a proxy. No officer or employee of Farmers may be named as a proxy. If you received two or more proxy forms because of a difference in addresses or registration of shareholdings, each should be executed and returned in order to assure a complete tabulation of shares.

The Corporation will appoint two officers to act as inspectors for the purpose of tabulating the votes cast by proxy. Broker non-votes and abstentions are not treated as votes cast for purposes of

any of the matters to be voted on at the meeting. The directors standing for re-election shall be elected by a plurality of the votes cast.

The Board of Directors knows of no other business that will be presented for consideration at the 2005 Annual Meeting other than the matters described in this Proxy Statement. If any other matters should come before the meeting, the proxy holders will vote upon them in accordance with their best judgment.

COMMITTEES OF THE BOARD OF DIRECTORS

During 2005, the Board of Directors of the Corporation held twelve regular monthly meetings and two special meetings. All directors attended at least 75% of the aggregate number of meetings of the Board of Directors and the respective committees on which they serve. Members of the Board of Directors received a monthly retainer of \$1,000 for serving on the Board of Directors of the Company. In addition, these directors received a \$500 fee for each of the committee meetings attended with the exception of Mr. Paden who does not receive any compensation for committee meetings.

The Board encourages all directors to attend the Annual Meeting of Shareholders, although no formal policy has been adopted by the Board regarding such attendance. All members of the Board immediately prior to the Annual Meeting of Shareholders held in March 2005 attended such meeting.

At the director's organizational meeting, held on April 12, 2005, following the last Annual Shareholders Meeting of the Farmers National Banc Corp., the following committees were appointed by the President & Secretary:

The Board of Directors has an *Audit Committee* consisting of Messrs. Brown, Fisher, Scott and Wertz. Each of the members is independent from the Company, in accordance with the requirements of the National Association of Securities Dealers. The Board of Directors has determined that Messrs. Scott and Fisher qualify as Audit Committee financial experts. The Audit Committee met five times in 2005. Included in the functions performed by the Audit Committee are (i) review the internal auditing procedures and controls of the Corporation and its subsidiary; (ii) review reports prepared by the internal and external auditor; (iii) formally report to the full Board of Directors its evaluations, conclusions and recommendations with respect to the Corporation's implementation of its policies, practices and controls; (iv) hold discussions with external auditors regarding the quality of the Corporation's financial reporting; (v) recommend to the Board of Directors that the Corporation's financial statements be included in the annual report in Form 10-K filing; and (vi) review and discuss audited financial statements with management. The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the Audit Committee Charter can be found on the Corporation's web site at www.fnbcnfield.com.

Audit Committee Report: The Corporation's Audit Committee has reviewed and discussed with management the audited financial statements of the Corporation for the year ended December 31, 2005. In addition, the Committee has discussed with Crowe Chizek and Company LLC, the independent auditing firm for the Corporation, the matters required by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, and Rule 2-07, Communication with Audit Committees, of Regulation S-X.

The Committee also has received the written disclosures from Crowe Chizek and Company, LLC required by Independence Standards Board Standard No. 1, and have discussed with Crowe Chizek and Company LLC its independence from the Corporation.

Based on the foregoing discussion and reviews, the Committee has recommended to the Corporation's Board of Directors that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

The Board of Directors has a *Discount Loan Committee* consisting of all the directors. The function of this committee is to review all loans made during the previous periods and to approve any new loan applications or loan commitments, which are greater than the lending limits of specific loan officers or the Executive Loan Committee. This committee meets on a regular biweekly basis with three members of the bank's Executive Loan Committee.

The Board of Directors has a *Building Committee* consisting of all the directors. The function of this committee is to oversee site selection for new offices, remodeling projects and any other modifications to the Corporation's buildings. This committee did not meet in 2005.

The Board of Directors has a *Long Range and Strategic Planning Committee* consisting of all the directors. This committee is responsible for the formulation and implementation of the Corporation's long range Strategic Plan and short term Business Plan. This committee met once in 2005.

The Board of Directors has a *Risk Management and Insurance Committee* consisting of Messrs. Wertz, Brown, Macali and EVP/CFO Culp. The function of this committee is to annually review all insurance protection and coverage maintained by the Corporation. This committee met once in 2005.

The Board of Directors has an *Executive Compensation and Employees Salary Committee* consisting of Messrs. Brown, Macali, Lane, Crawford, Scott, Fisher and Wertz. The Compensation Committee also administers the Farmers National Banc Corp. 1999 Stock Option Plan.

The Board of Directors has a *Nominating Committee* consisting of all the directors. All members of the committee are independent with exception of Mr. Paden. During 2005, the Nominating Committee met once. This committee is responsible for selecting and recommending to the Board of Directors: (a) nominees for election as Directors at the Annual Meeting of shareholders; (b) nominees to fill Board vacancies; and (c) the composition of membership of the various other standing Board committees. The Nominating Committee will consider director nominees recommended by shareholders, provided these nominations are in accordance with the procedures set forth in the Corporation's Code of Regulations. The Code of Regulations requires that nominations made by a shareholder be made in writing to the Secretary of the Corporation not less than 90 nor more than 120 days prior to the Annual Meeting. The nomination must include the name, age, address, principal occupation and employment history for at least five years, the number of shares of the Corporation owned by the nominee and the identity and ownership of shares of the shareholder making such nomination. The Corporation may also require other information reasonably required to allow the Nominating Committee to make an informed decision regarding the qualifications and characteristics of the nominee. The Nominating Committee has no formal policy regarding consideration of candidates recommended by shareholders. In its deliberations for all candidates, the Nominating Committee considers a candidate's personal and professional integrity as well as knowledge of the banking business, involvement in community, business and civic affairs. In searching for qualified director candidates to fill vacancies to the Board, the Nominating Committee solicits potential candidates from members of the Board. If no acceptable candidates are found from such solicitation, each member of the Board is asked to seek suggested candidates from their respective trusted personal and business advisors. In this process, nominations from shareholders will also be considered. With respect to nominating an existing director for re-election, the Nominating Committee will consider the intentions of the Director to continue to serve the Corporation, and will consider and review such director's Board and committee attendance, performance and independence. The Nominating Committee operates under a written charter adopted by the Board of Directors. A copy of the Nominating Committee Charter can be found on the Corporation's web site at www.fnbcnfield.com.

CURRENTLY, THE MEMBERS OF FARMERS' BOARD OF DIRECTORS ALSO SERVE AS THE DIRECTORS OF THE BANK, AND ATTEND BOARD MEETINGS FOR BOTH FARMERS AND THE BANK. ALTHOUGH THESE MEETINGS ARE CONDUCTED SEPARATELY ON THE SAME DAY, A MEMBER RECEIVES COMPENSATION (WHICH IS PAID BY FARMERS) FOR ONLY ONE MEETING; CONSEQUENTLY, MEMBERS ATTENDING A MEETING OF THE BOARDS OF BOTH FARMERS AND THE BANK ON A SINGLE DAY ARE CREDITED WITH ONE BOARD MEETING FOR ATTENDANCE AND COMPENSATION PURPOSES.

Any shareholder wishing to communicate with the Board of Directors, or an individual member of the Board may do so in writing by sending such communication to Mr. Frank L. Paden, President at the main office of the Corporation, 20 South Broad Street, P.O. Box 555, Canfield, Ohio 44406. (b) In May 1996, the Corporation adopted a 401(k) Profit Sharing Retirement Savings Plan. All employees of the Bank who have completed at least one year of service and meet certain other eligibility requirements are eligible to participate in the Plan. Under the terms of the Plan, employees may voluntarily defer a portion of their annual compensation, not to exceed 15%, pursuant to Section 401(k) of the Internal Revenue Code. The Bank matches a percentage of the participants' voluntary contributions up to 6% of gross wages. In addition, at the discretion of the Board of Directors, the Bank may make an additional profit sharing contribution to the Plan. The Bank's contributions are subject to a vesting schedule and the Plan meets the requirements of Section 401(a) of the Internal Revenue Code and Department of Labor Regulations under ERISA.

(c) Amounts represent cost of group term life insurance and other benefits.

Listed above is the total compensation paid by the Corporation's subsidiary, The Farmers National Bank of Canfield during the latest fiscal year to the named person(s) for their respective services in all capacities, specifically setting forth the direct compensation to the President & CEO and Executive Officers who received cash and cash equivalent compensation in excess of \$100,000. The Compensation Committee of the Board of Directors has approved the compensation set forth above.

In 1991, as a result of certain changes in the Internal Revenue Code, the Bank's pension plan was amended to reduce significantly the benefits of several key employees, including those of Mr. Paden and Mr. Lukas. As a result, the Bank has entered into Deferred Compensation Agreements with certain of its executive officers, including Mr. Paden and Mr. Lukas. Under the terms of the Deferred Compensation Agreements, Mr. Paden will receive monthly payments of \$930.00 and Mr. Lukas will receive monthly payments of \$815.00. The monthly payments will commence with their retirement age of 65 and will continue for a period of 204 months. These agreements also provide that these executive officers will be available to perform consulting services for the Bank during the period they are receiving these payments, and prohibits them from entering into competition with the Bank during that same period. In the event that any payments should still remain due and payable to the executive officer under the Agreement at the time of his death, those payments would be made to his surviving spouse. In the event that any payment should still remain due and payable to either the executive officer or his spouse under the Agreement at the death of the survivor of them, those

payments would be reduced to their then present value at a predetermined rate of interest and paid to the estate of the survivor in a lump sum. Payments will be prorated in the event the employee retires before the age of 65, and will be increased if he retires after the age of 65. These Agreements are funded by life insurance policies owned by the Bank, on which the Bank is the beneficiary and on which the Bank pays the premiums.

FARMERS NATIONAL BANC CORP. 1999 STOCK OPTION PLAN

The following table sets forth the incentive stock options granted to the Corporation's President & CEO and Executive Officers under the Farmers National Banc Corp. 1999 Stock Option Plan. Under Securities and Exchange Commission regulation, companies are required to project an estimate of appreciation of the underlying shares of stock during the option term. The Corporation has chosen the five percent/ten percent formula approved by the SEC. However, the ultimate value will depend on the market value of the Corporation's stock at a future date, which may not correspond to the projections below. The Compensation Committee of the Board of Directors has approved the grants of incentive stock options described below.

Name	Individual Grants			Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term	
	Options Granted (1)	% of Total Options Granted to Employees	Exercise Price (2) Per share		5%	10%

(1) Options granted in 2001 are incentive stock options, which are exercisable equally over a five-year vesting period; however, all options become immediately exercisable in the event of a change in control of the Corporation. These options were granted for a term of eight years, subject to earlier termination in certain events related to termination of employment.

(2) Exercise price is the fair market value on the date of the grant.

The following table sets forth the number and value of all unexercised incentive stock options held by the Corporation's President & CEO and Executive Officers at year-end. The value of in-the-money options refers to options having an exercise price, which is less than the market price of the Corporation's stock on December 31, 2005. In addition, the table sets forth the number of options exercised, if any, during the year and indicates the amount of value realized upon such exercise.

Name	Shares Acquired on Exercise	Net Value (\$)	Number (#) of Unexercised Options on 12/31/05	Value (\$) of Unexercised Options on 12/31/05 (2)

INDEBTEDNESS OF MANAGEMENT

The Bank has had, and expects to have in the future, banking transactions in the ordinary course of business with directors, executive officers and their associates on the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with others. Since the beginning of 2005, the largest aggregate extensions of credit to executive officers, directors and their associates during the year ended December 31, 2005 was \$7,987,243 or 10.52% of Equity Capital Accounts. In the opinion of the management of the Bank, these transactions do not involve more than a normal risk of collection or present any unfavorable features.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is made up of all of the outside directors of Farmers. No officers of the Corporation sit on this committee. This committee reports back to the full board, but its decisions are not subject to full board approval. The committee has the purpose and responsibility of providing the Bank, its staff and the communities it serves with consistent long-term leadership of the highest quality possible while protecting the interests of the shareholders.

The committee sets the limits for compensation increases in the aggregate for all staff, reviews performance of executive officers and sets their salaries for the coming year. The committee also negotiated the terms of the executive contracts referred to at Employment Contracts of Executives, below. In addition, the board based on the recommendation of the Compensation Committee sets any incentive/bonus program.

The committee takes a straightforward approach to the review of executives and bases its consideration of salaries on specific job performance, contribution to target levels of growth, profitability, stability, capital and return on equity (ROE) and return on assets (ROA). Also considered is the executive's contribution to the general success of the Bank and its business plan. Successful bank operations are contingent upon accomplishment in all areas and integration with the business community's direction and success in the Bank's market areas. Executive performance must therefore be evaluated by using these factors as well. Specific results of each executive's area of responsibility are evaluated and considered, but would not be appropriately discussed here as a matter of confidentiality.

EMPLOYMENT CONTRACTS OF EXECUTIVES

The Corporation has entered into employment contracts with Frank L. Paden, Carl D. Culp, Donald F. Lukas and Mark L. Graham. The Corporation desires to provide for the continued employment of these executives resulting in continuity of management for the future. Each executive has entered into an employment contract on or about March 29, 2001. Each employment contract for each respective executive provides the following terms and conditions of employment:

Each executive shall have a term of employment commencing on the date of the employment contract and continuing until that annual meeting which takes place during the third calendar year following the date of the agreement. At each successive annual meeting after the date of execution, the term of employment is renewed for an additional three-year period of time. The agreement shall continue until terminated pursuant to its terms.

The executive can only be terminated by the Corporation for cause, as that term is described in the agreement. If terminated, the executive shall be paid his salary for his remaining term of employment. Such payment shall be made in lump sum.

If a change in control of the Corporation shall occur and the executive leaves the employment of the Corporation within eighteen (18) months following the change of control, in addition to the above compensation, the employee shall receive a lump sum payment of three (3) times his prior year's compensation.

If the executive is terminated without cause, or leaves the Corporation within eighteen (18) months following a change of control, or if the board fails to elect the executive to a position of comparable duties and responsibilities then being served by the executive, all stock options previously granted to the executive shall become immediately exercisable and vested.

The Compensation Committee of the Board of Directors approved the terms of the employment contracts.
