**Item 1.01 Entry into a Material Definitive Agreement.**

On April 28, 2006, the shareholders of The Lamson & Sessions Co. (the Company ) approved the Company s 1998 Incentive Equity Plan (As Amended and Restated as of April 28, 2006) (the Amended and Restated 1998 Plan ) at the Company s Annual Meeting of Shareholders.

Under the Amended and Restated 1998 Plan, the Governance, Nominating and Compensation Committee (the Committee ) of the Board of Directors (the Board ) is authorized to make the following types of awards to officers (including officers who are members of the Board) and other key employees of the Company or any of its subsidiaries: option rights, free-standing and tandem appreciation rights, restricted shares, deferred shares, performance shares and performance units. The Committee is also authorized to grant the following types of awards to non-employee directors of the Company: option rights, restricted shares and deferred shares. Subject to adjustment as provided by the Amended and Restated 1998 Plan, a total of 3,220,000 (650,000 of which were added by the 2006 amendment and restatement) of the Company s common shares, without par value, are available for issuance under the Amended and Restated 1998 Plan. The principal reason for amending and restating the plan was to add the 650,000 shares. In addition, certain limits on awards have been changed and the Amended and Restated 1998 Plan eliminates the automatic annual award of Option rights and instead provides more flexibility for awards to non-employee Directors.

The foregoing is a summary of the Amended and Restated 1998 Plan and not a complete discussion thereof. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the Amended and Restated 1998 Plan, which is attached as Appendix A to the Company s Proxy Statement filed with the Commission on April 3, 2006.
