**Item 7.01. Regulation FD Disclosure.**

On April 24, 2008, The Scotts Miracle-Gro Company (the Company) issued a press release announcing that it had initiated a series of proactive steps aimed at strengthening its product registration practices and procedures with state and federal regulatory agencies and announcing the recall of its Bonus S Max and Turf Builder Plus 2 Max fertilizer products from retail customers and consumers. The two products together represent less than 1% of the Company's total sales.

The Company is still in the process of determining the cost of this product recall but currently believes that it will be in the range of \$5 million to \$10 million, which is incremental to the previously disclosed estimated product recall costs associated with the consumer recall of the Miracle-Gro® Shake 'n Feed with Weed Preventer All Purpose Plant Food product and Scotts LawnServices product.

A copy of the Company's press release is attached to this Form 8-K as Exhibit 99.1.
