If any of the securities being registered on this form are to be offered on a delayed or continuous basis pursuant to Rule 415 under Securities Act of 1933, check the following box. []

If this form is filed to register additional securities for an offering pursuant to Rule 462(b) under the Securities Act, check the following box and list the Securities Act registration statement number of the earlier registration statement for the same offering. []

If this form is a post-effective amendment filed pursuant to Rule 462(c) under the Securities Act, check the following box and list the Securities Act registration statement number of the earlier effective registration for the same offering. []

If this form is a post-effective amendment filed pursuant to Rule 462(d) under the Securities Act, check the following box and list the Securities Act registration statement number of the earlier effective registration for the same offering. []

2

Explanatory Paragraph:

The Company is de-registering 285,080 shares from 601,005 shares of common stock underlying certain warrants previously issued to its placement agent, C.P. Baker Securities, Inc., which shares are registered on the current effective Form S-1 registration statement. After the de-registration of such shares, 315,925 shares of common stock underlying C.P. Baker Securities, Inc.'s warrants will remain registered under the registration statement.

In connection with the Series A Preferred Stock transactions and the bridge loan with Sotomar - Empreendimentos Industriais e Imobiliarios (occurring between February, 2006 and April, 2006, and unrelated to the Company's public offering of securities), described in the Form S-1 registration statement, the Company issued to its placement agent, C.P. Baker Securities, Inc., warrants (i) to purchase up to an aggregate 150,335 shares of the Company's common stock at an exercise price of \$2.125 per share; (ii) to purchase up to an aggregate 30,067 shares of the Company's Series A Preferred Stock at an exercise price of \$17.00 per share; and (iii) to purchase up to 150,000 shares of the Company's common stock at an exercise price of \$1.27. All 601,005 shares of common stock underlying the above warrants are registered on the current effective Form S-1 registration statement.

As part of its NASD approval process, the placement agent specifically requested that the Company de-register 285,080 shares of common stock underlying its warrant to purchase 33,085 shares of the Company's common stock, its warrant to purchase 48,675 shares of the Company's common stock, its warrant to purchase up to 6,617 shares of the Company's preferred stock and its warrant to purchase up to 13,715 shares of the Company's preferred stock.

In addition, as part of the NASD approval, the Company confirms that the maximum commission or discount to be received by any NASD member or independent broker/dealer will not be greater than eight (8) percent for the sale of any securities registered under the Form S-1 registration statement pursuant to SEC Rule 415.
