ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Edgar Filing: ONE IP VOICE, INC. - Form 8-K

On October 17, 2006, the Company and the Laurus Master Fund. LTD. ("Laurus") executed and entered into an Amendment and Forbearance Agreement, and related documents, pursuant to which among other things (a) Laurus was issued a Secured Demand Note, with interest accruing at prime plus 2%, for a principal amount of up to \$1,000,000 (the "New Note") (\$500,000 of which has been advanced and up to \$500,000 additional may be advanced depending on the aggregate amount of proceeds from future financings) and a Common Stock Purchase Warrant to purchase up to a certain number of shares of Company's common stock at \$0.60 per share (the "New Warrant"); (b) the conversion price under the existing Secured Revolving Note and Secured Convertible Minimum Borrowing Notes previously issued to Laurus (the "Prior Notes"), as well as the exercise price for the previously issued Common Stock Purchase Warrant to Laurus dated March 31, 2005 to purchase up to 500,000 shares of Company's common stock (the "Prior Warrant"), were each reduced to \$.60 per share; (c) a Master Security Agreement (the "Master Security Agreement") granting Laurus security interest in all of the assets of the Company's and its wholly-owned subsidiary, OIPV Corp. (the "Subsidiary"); (d) two separate Stock Pledge Agreements each pledging all of the shares of common stock of the Subsidiary issued to the Company pursuant to the Master Security Agreement and the Security Agreement between the same parties dated March 31, 2005; and (e) Laurus agreed to forbear from exercising its rights with respect to certain events of default that may have occurred or existing under its financing agreements with the Company and OIPV Corp., for a period of time.

ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES

Pursuant to the Amendment and Forbearance Agreement described in Item 1.01 above, the New Warrant allows Laurus to purchase Company's common stock at \$0.60 per share up to a number equal to 8,333.34 shares of Common Stock for each tranche of \$10,000 funded by Laurus to the Company or its designee under the Secured Demand Note.

The New Warrant also contains normal anti-dilution clauses in the event of stock splits or stock dividends, and provides registration rights with respect to the underlying equity securities to be equal to the registration rights of certain future investors in the Company.

This transaction was completed in a private offering pursuant to an exemption from registration under Section 4(2) of the Securities Act of 1933, as amended. The New Warrant and its underlying securities were not registered under the Securities Act of 1933, as amended, or applicable state securities laws. The New Warrant and its underlying securities are subject to restrictions on transferability and resale and may not be transferred or resold except as permitted under the Securities Act of 1933, as amended, and applicable state securities laws, pursuant to registration or exemption from those laws.

ITEM 3.03 MATERIAL MODIFICATION TO RIGHTS OF SECURITY HOLDERS

Under the Amendment and Forbearance Agreement described in Item 1.01 above, conversion of the current aggregate principal amounts under the Prior Notes at the reduced fixed conversion price of \$.60 could result in the potential issuance of approximately 707,000 more shares of common stock than would have been issued under the pre-amendment fixed conversion prices.
