Customers USA Bank  
to Acquire Berkshire Bank

WYOMISSING, PA, August 24, 2010 — Customers USA Bank today announced that it has entered into a definitive agreement to acquire Reading, PA based Berkshire Bancorp and its subsidiary Berkshire Bank. Customers USA Bank is a service mark for which New Century Bank is seeking approval.

Berkshire is a \$150 million bank holding company with 5 offices in the Reading, PA market. This will be an all common stock transaction valued at tangible book value at the month end prior to closing.

“We are excited to partner with Berkshire in serving Berks County in a way that will be profitable for our shareholders and the communities we serve”, said Jay Sidhu, Chairman and CEO of Customers USA Bank.

The combination will allow Customers USA Bank to accelerate its growth plans in Berks County. It’s anticipated that the combined banks will have assets over \$1 billion with 15 banking offices in Berks, Bucks, Chester and Delaware Counties in PA and Westchester County in NY.

Customers USA Bank recently entered Berks County with the opening of its first branch in Wyomissing. The Berkshire deal will allow the bank to expand that network to 6 banking offices immediately without incurring the start up costs associated with expanding organically.

The merger is expected to close in the first quarter of 2011 with Customers USA Bank as the surviving institution and will require both regulatory and each Bank's shareholder approval. It is expected that this transaction will be mildly accretive to Customers USA Bank's earnings and will enhance its franchise.

"This combination of our two banks accelerates our growth opportunities here in Berks. Our combined responsibility will be to deliver an outstanding customer experience which will be unrivaled in today's marketplace, and to have a much needed positive impact on the economic development of the County through our support of the business banking market," stated Jay Sidhu. "We know the Berks market very well. We live and work here and have made contributions to the County's development for more than 20 years. This business combination with Berkshire and their management team will enable us to continue our dedication."

"We are delighted to join forces with Jay's team who shares our strong commitment to customers, employees, shareholders and the community. Our cultures are remarkably similar. The integration of our two banks will be completely seamless to our customers," stated Norman Heilenman, Chairman and CEO of Berkshire Bank.

Richard Ehst, President and COO of Customers USA Bank said, "I have lived in this community for many decades and we are very excited about Customers USA Bank in Berks County."
