Item 4. Changes in Registrant's Certifying Accountant

On June 4, 2002, the Thermo Electron Corporation Choice Plan (the "Plan") engaged Carlin, Charron & Rosen LLP ("CCR") as the Plan's independent certifying accountants. In connection with this engagement, the Plan dismissed Arthur Andersen LLP ("AA"), its prior independent certifying accountants, effective on that same day. The engagement of CCR and the dismissal of AA was approved by the Pension Committee of Thermo Electron Corporation.

The reports of AA with respect to the Plan for the last two completed fiscal years of the Plan contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the last two completed fiscal years and through June 4, 2002, there were no disagreements between the Plan and AA on any matter of accounting

principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of AA, would have caused AA to make reference to the subject matter of the disagreements in its report on the Plan's financial statements for such years.

During the last two completed fiscal years and through June 4, 2002, the Plan did not consult with CCR regarding either the application of accounting principles to a specified transaction, the type of audit opinion that might be rendered on the Plan's financial statements or any matter that was the subject of a disagreement or reportable event with AA.

Pursuant to Item 304(a)(3) of Regulation S-K, the Plan has requested that AA furnish it with a letter addressed to the SEC stating whether or not AA agrees with the above statements. A copy of such letter, dated June 4, 2002, is filed as Exhibit 16 to this Form 8-K.
