THE PROPOSAL

CHANGE THE NAME OF THE COMPANY TO DIAMOND TECHNOLOGIES, INC.

The Board of Directors has approved, subject to stockholders' approval, an amendment to our Articles of Incorporation to change the name of the Company to Diamond Technologies, Inc. The Board of Directors has determined that this amendment is advisable and in the best interests of us and our stockholders.

Reason for the Proposal

We anticipate changing our business from selling printing equipment, media, display stands and consumables such as inks, ink cartridges to the development of medical related information technology.

We believe that Diamond Technologies, Inc. will alert the public that our new business is unrelated to the printing business and more reflective of our anticipated new business of medical related information technology. There is no assurance however that we will change our business purpose in the future.

At the Special Meeting, stockholders will be asked to consider and vote upon this amendment.

The Board of Directors recommends a vote FOR the proposal to amend the Articles of Incorporation to change the name of the Company to Diamond Technologies Inc.
