Although New Peoples Bankshares, Inc. (the “Company”) has completed a substantial part of the information required for its annual report on Form 10-K for the year ended December 31, 2008, the Company and its auditors are unable, without unreasonable effort or expense, to complete the disclosures for the Form 10-K on or before the fifteenth day following the prescribed due date.

The Company is working diligently to complete the assessment of the effectiveness of its internal control over financial reporting as of December 31, 2008, as required by Section 404 of the Sarbanes-Oxley Act of 2002. However, it is unable to complete this assessment at this time and is not able to predict when its assessment will be completed. The Company expects to file a complete Form 10-K for the year ended December 31, 2008 as soon as practicable after it completes this assessment. The Company believes that there will be no material changes to the operational results that it has previously reported.

As previously announced, the Company's net income after tax was \$4,737,000 or \$0.47 per basic share and \$0.46 per diluted share for the year ended December 31, 2008 as compared to \$2,870,000, or \$0.29 per basic share and \$0.28 per diluted share for the year ended December 31, 2007.

The increase in net income after tax was attributable in part to an increase in net interest income. Net interest income for the year ended December 31, 2008 was \$29,222,000 as compared to \$25,709,000 for the year ended December 31, 2007, an increase of \$3,513,000, or 13.66%.
