The Independent Committee was established in December 1995 and, during the year ended December 31, 2001, met once in person and acted five times by unanimous written consent.

DIRECTOR COMPENSATION

Directors who are not employees or executive officers of the Company or associated with the Company receive \$1,000 for each Board and Committee meeting

Edgar Filing: EMERGING VISION INC - Form PRE 14A

attended in person, and \$250 for each Board and Committee meeting attended telephonically. Further, all directors are reimbursed for certain expenses in connection with their attendance at Board and Committee meetings.

On April 26, 2001, the Compensation Committee of the Board (and the Independent Committee as it relates to Drs. Robert and Alan Cohen) authorized the grant, to each of Dr. Robert Cohen, Dr. Alan Cohen and Joel L. Gold, of options to purchase 100,000 shares of EVI's Common Stock, each of which options has a term of ten years, has an exercise price equal to the Closing Price on the date of grant (\$0.33) and vested immediately; and on June 4, 2001, the Compensation Committee authorized the grant, to William F. Stasior, of options to purchase 100,000 shares of EVI's Common Stock at an exercise price equal to the closing price on the date of grant (\$0.27), which options have a term of ten years and vested immediately.

Other than with respect to the reimbursement of expenses, directors who are employees or executive officers of the Company will not receive additional compensation for serving as a director.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires EVI's executive officers and directors, and persons who own more than ten percent of a registered class of EVI's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Executive officers, directors and greater than ten percent shareholders are required, by SEC regulation, to furnish EVI with copies of all Section 16(a) forms they may file.

10

Based solely on a review of the copies of such forms furnished to EVI, or written representations that no Forms 5 were required, EVI believes that, during the year ended December 31, 2001, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than ten percent beneficial owners were complied with, except that Messrs. Hillman, Herskowitz and Lewis filed their Forms 3 after the respective required deadlines and Mr. Fernandez filed certain of his Forms 4 after the required deadlines.

EXECUTIVE COMPENSATION

The following Summary Compensation Table sets forth the compensation, for the three years ended December 31, 2001, of: (i) each individual who served as the Chief Executive Officer of EVI during the year ended December 31, 2001; (ii) each of the Company's two most highly-compensated executive officers who were serving as executive officers of the Company and/or VCC as of December 31, 2001; and (iii) one additional individual who would have been included with the individuals described in clause (ii) above, but for the fact that he was not serving as an executive officer of the Company as of December 31, 2001 (collectively, the "Named Executive Officers"):

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board has furnished the following report on executive compensation:

Philosophy

The compensation philosophy of the Company is to develop and implement policies that will encourage and reward outstanding performance, seek to increase the profitability of the Company, and maximize the Company's return on equity so as to increase shareholder value. Maintaining competitive compensation levels in order to attract and retain executives who bring valuable experience and skills to the Company is also an important consideration. The Company's executive compensation programs are designed to attract and retain talented individuals and motivate them to achieve the Company's business objectives and

Edgar Filing: EMERGING VISION INC - Form PRE 14A

performance targets, including increasing long-term shareholder value.

The Compensation Committee of the Board is comprised of the following three directors: Benito R. Fernandez, Alan Cohen and Joel L. Gold. Working with the Company, the Compensation Committee develops and implements compensation plans for the Company's executive officers.

Compensation Structure

The Compensation Committee believes that it is in the best interests of the Company and its shareholders that its executive officers be compensated in a manner that provides such officers with a strong incentive to advance both the short-term and long-term interests of the Company.

The annual cash compensation of most of the Company's executive officers, excluding Michael C. McGeeney, the Company's President and Chief Executive Officer until June 30, 2001 (who was employed and compensated by Goldin Associates, LLC, a firm retained by the Company to provide interim management services), consists primarily of an annual salary and stock options. The Compensation Committee also has discretion to award bonuses to each of the executive officers.

Non-cash compensation of executive officers consists of options granted under the Company's 1995 Stock Incentive Plan. These stock options produce value for executives only if the Company's stock price increases over the respective option exercise prices. Although there are no particular targets with respect to the number of options granted to an executive officer, in general, the higher the level of an executive's responsibility, the larger this stock-based component of such person's compensation will be. In addition, in determining the size of option awards for a particular executive officer, the Compensation Committee considers the amount of stock options awarded to other executive officers in a like position.

The compensation of each executive officer (other than the Chief Executive Officer) is based on an annual review of such officer's performance by the Chief Executive Officer and his recommendations to the Compensation Committee; and the compensation of the Chief Executive Officer is determined by the Compensation Committee. In establishing and administering the variable elements in the compensation of the Company's executive officers, the Compensation Committee tries to recognize individual contributions, as well as overall business results. Compensation levels are also determined based upon the executive's responsibilities, the efficiency and effectiveness with which he/she marshals resources and oversees the matters under his/her supervision, and the degree to which he/she has contributed to the accomplishment of major tasks that advance the Company's goals.

Executive Officer Compensation for 2001

During the fiscal year ended December 31, 2001, each of Mr. Robert S. Hillman, the Company's President and Chief Executive Officer from and after July 2, 2001, Mr. George D. Papadopoulos, its Senior Vice President, Chief Financial Officer, Secretary and Treasurer from and after March 22, 2001, Mr. Gregory T. Cook, the President and Chief Executive Officer of the Company from and after April 18, 2000, Ms. Sara V. Traberman, the Company's Chief Financial Officer from and after April 18, 2000, Mr. James C. Ewer, the Senior Vice President of

Edgar Filing: EMERGING VISION INC - Form PRE 14A

the Company's Internet division from and after February 22, 2000, and Mr. Joseph Silver, the Company's Vice President - Legal Affairs and General Counsel from and after March 1, 2000, were employed by the Company pursuant to employment agreements entered into with each such individual; however, as noted below, Mr. Silver's agreement was terminated by the Company on February 28, 2001 and, as of the date hereof, has not been renewed, although he continues to serve as the Company's General Counsel. In addition, Mr. Hillman resigned from the Company on May 30, 2002, Mr. Papadopoulos resigned from the Company on December 14, 2001, Messrs. Cook and Ewer resigned from the Company on March 27, 2001, and Ms. Traberman resigned from the Company on April 24, 2001. The base salary to which each executive officer was entitled to during the 2001 fiscal year was based upon the Company's goal of attracting and retaining qualified executives and a comparison of the base salaries paid to executives of other companies in the retail optical and related industries.

During the fiscal year ended December 31, 2001, the following employee stock options were granted by the Compensation Committee to the Company's Named Executive Officers: Robert S. Hillman - 500,000; Gregory T. Cook - 250,000; George D. Papadopoulos - 150,000, and Nicholas Shashati - 100,000 (See "Option Grants In Last Fiscal Year").

Although the Compensation Committee believes that the compensation paid to its executive officers is comparable to compensation paid by similar companies, it has not made any independent investigation.

The Compensation Committee feels that actions taken regarding executive compensation are appropriate in view of each individual's, as well as the Company's, overall performance.

17

Chief Executive Officer Compensation for 2001

Robert S. Hillman served as the Company's President and Chief Executive Officer from July 2, 2001 through May 30, 2002, when he resigned. The terms of Mr. Hillman's employment by the Company are described below, in detail, under "Employment Contracts."

Michael C. McGeeney served as the Company's President and Chief Executive Officer from March 22, 2001 through June 29, 2001, when he resigned. Mr. McGeeney was employed and compensated by Goldin Associates, LLC, a firm retained by the Company, on January 16, 2001, to provide interim management services to the Company, at the direction of the Board.

Gregory T. Cook served as the Company's President and Chief Executive Officer from April 18, 2000 through March 27, 2001. Pursuant to Mr. Cook's employment agreement, he was appointed to the position of President and Chief Executive Officer of the Company's Internet division at an initial annual base salary of \$200,000, increasing by at least five percent for each year of the term thereafter. In addition, the agreement: (i) provided for the grant, to Mr. Cook, of options to purchase 800,000 shares of the Company's Common Stock, each at an exercise price equal to the Closing Price on the day immediately preceding the date of his commencement of employment (\$8.06), and one-third of which were to vest as of the expiration of each year of the term thereof; and (ii) permitted Mr. Cook to terminate such employment agreement upon the occurrence of certain specified events, whereupon the Company would be required to: (x) immediately vest all of the options previously granted to Mr. Cook; and (y) pay to Mr. Cook severance in an amount equal to (A) all compensation which would have otherwise become payable to him through the original expiration date of the term of the agreement (February 22, 2003), plus (B) the sum of \$2 million (the

Edgar Filing: EMERGING VISION INC - Form PRE 14A

"Base Amount"), which Base Amount was to be reduced (under certain conditions) by the excess, if any, of the then fair market value of the options granted to Mr. Cook, over the exercise price thereof.

The Committee believes that the 2001 salaries of Messrs. Hillman and Cook were reasonable in light of their leadership. The Committee believes that the 2001 compensation level of each of these individuals reflected the Committee's confidence in each of them and the Company's desire, in each case, to retain the talents of each such individual. In each instance, the Committee sought to provide a total compensation package that is competitive with individuals who hold comparable positions or have similar qualifications in other similar organizations.

EMPLOYMENT CONTRACTS

On June 6, 2001, the Company and Mr. Robert S. Hillman entered into an employment agreement pursuant to which he was appointed as the Company's President and Chief Executive Officer for a period of three (3) years, commencing July 2, 2001. Pursuant to said agreement, Mr. Hillman: (i) was initially paid an annual base salary of \$250,000 per year; (ii) received a monthly automobile allowance of \$400.00 (which amount was subsequently increased to \$850.00 per month); (iii) was entitled to the use of a corporate apartment to be leased and partially furnished by the Company; and (iv) was entitled to an annual bonus in an amount equal to ten percent by which the Net Income of the Company (as said term is defined in the Agreement) for any fiscal year ending June 30th, was not less than \$2,000,000, which minimum Net Income would increase to the Net Income achieved by the Company during any fiscal year in which the Company was required to pay such annual bonus to Mr. Hillman, if any.

Thereafter, on July 11, 2001, the members of the Compensation Committee agreed to reimburse Mr. Hillman for his moving expenses (in relocating to the United States), in the amount of \$20,000. In addition, on December 15, 2001, Mr. Hillman and EVI modified his original agreement so as to: (i) require EVI to lease a new apartment for Mr. Hillman at a rental per month higher than that previously agreed to by the Committee; and (ii) reduce Mr. Hillman's annual base salary by the sum of \$14,450 as a result thereof.

In addition, Mr. Hillman, pursuant to the terms of said agreement, was granted: (i) 250,000 employee stock options, one-third (33.3%) of which would have otherwise vested on each of July 1, 2002, 2003 and 2004, provided that Mr. Hillman was still then employed by the Company; and (ii) 250,000 additional employee stock options, each of which would have otherwise vested on July 1, 2010 (provided that Mr. Hillman was still then employed by the Company); provided, however, that: (x) one-third (33.3%) of such additional options would

Edgar Filing: EMERGING VISION INC - Form PRE 14A

have otherwise vested as of August 31st of any year following the expiration of a fiscal year (ending June 30th) in which the Company achieved Net Income (as defined in the Agreement) of at least \$2 million; (y) an additional one-third (33.3%) of such additional options would have otherwise vested as of August 31st of any year following the expiration of a fiscal year (ending June 30th) in which the Company achieved Net Income of at least \$3 million; and (z) an additional one-third (33.3%) of such additional options would have otherwise vested as of August 31st of any year following the expiration of a fiscal year (ending June 30th) in which the Company achieved Net Income of at least \$4 million.

On May 30, 2002, Mr. Hillman resigned from the Company and all of his options were cancelled.

CERTAIN TRANSACTIONS AND OTHER MATTERS

Cohen's Fashion Optical

Drs. Robert and Alan Cohen are officers and directors of Cohen Fashion Optical, Inc. ("CFO"), including its affiliate, Real Optical, LLC. ("REAL"). CFO, which has been in existence since 1978, owns a chain of company-operated and franchised retail optical stores doing business under the name "Cohen's Fashion Optical." As of April 22, 2002, CFO had 71 franchised stores and 13 company-owned stores (including one store operated by an affiliate of CFO under the name "Cohen's Optical"). In addition, CFO also licenses to retail optical stores the right to operate under the name "Cohen's Kids Optical" or "Ultimate Spectacle." As of April 22, 2002, there were two Ultimate Spectacle stores located in the State of New York; and REAL, as of such date, operated three stores (under the name "Cohen's Fashion Optical"), all of which were located in New York State. CFO and REAL stores are similar to the Company's retail optical stores. CFO has been offering franchises since 1979 and currently has retail optical stores in the States of Connecticut, Florida, New Hampshire, Massachusetts, New Jersey and New York. In the future, Cohen's Fashion Optical, Cohen's Kids Optical or Ultimate Spectacle stores may be located in additional states. As of April 22, 2002, approximately 20 CFO stores were located in the same shopping center or mall as, or in close proximity to, certain of the Company's retail optical stores. It is possible that one or more additional Cohen's Fashion Optical stores, Cohen's Kids Optical stores or Ultimate Spectacle stores may, in the future, be located near one or more of the

20

Company's retail optical stores, thereby competing directly with such Company stores. In addition, the Company's stores and certain of CFO's stores jointly participate, as providers, under certain third party benefit plans obtained by either the Company or CFO, which arrangement is anticipated to continue in the future.

In January 2002, the Company subleased from CFO, for a term of five years, a portion of the space then being leased by CFO in a building located at 100 Quentin Roosevelt Boulevard, Garden City, New York and, in connection therewith, relocated its principal executive offices to such premises. The Company believes that its rent with respect to such premises is equal to the fair market rental value of such space.

Until January 10, 2002, the Company subleased, from a limited liability company owned by certain of the Company's directors and principal shareholders, and shared with CFO and others, an office building located in East Meadow, New York. Occupancy costs were appropriately allocated based upon the applicable

Edgar Filing: EMERGING VISION INC - Form PRE 14A

square footage leased by the respective tenants of the building. On January 10, 2002, the Company relocated its principal executive offices to 100 Quentin Roosevelt Boulevard, Garden City, New York, and, in connection therewith, entered into a sublease with CFO for one of the two floors then being subleased to CFO, for a term of five years. Occupancy costs are being allocated between the Company and CFO based upon the respective square footages being occupied. Management believes that its rent with respect to such premises is equal to the fair market rental value thereof.

General Vision Services

In January 2001, General Vision Services, LLC ("GVS"), a Delaware limited liability company located in New York City and beneficially owned, in principal part, by Drs. Robert and Alan Cohen and certain members of their respective, immediate families (collectively, the "Cohen Family") acquired substantially all of the assets of General Vision Services, Inc. As of April 22, 2002, GVS operated approximately 20 retail optical stores located in the New York metropolitan area, which stores are similar to the retail optical stores operated and franchised by the Company. In addition, GVS solicits and administers third party benefit programs similar to those being administered by the Company. It is possible that a GVS store, or another retail optical store which provides third party benefit plans administered by GVS, may now or in the future be located near one or more of the Company's retail optical stores and may be competing directly with such store.

Furthermore, the Company, CFO and/or GVS jointly participate in certain third party benefit plans, and certain of the Company's retail optical stores, CFO's stores and GVS' stores participate as providers under third party benefit plans obtained by either the Company, CFO or GVS and, in all likelihood, will continue to do so in the future.

In June 2001, the Company subleased to GVS its retail optical store (and the furniture, fixtures and equipment located therein), located in Nyack, New York, at a rent per month equal to the rent and additional rent payable under the Master Lease for such store, less a monthly rental credit, until May 31, 2003, of \$2,500. Pursuant to the terms of such sublease, the Company will be required to transfer and convey to GVS all of such store's furniture, fixtures and equipment from and after June 15, 2003, provided GVS is not then in default in performing its obligations under such sublease.

Further, in April 2002, EVI sold to GVS, for the sum of \$55,000, substantially all of the assets of one of its stores located in New York City, together with all of the capital stock of its wholly-owned subsidiary, Sterling Vision of 125th Street, Inc., which is the tenant under the Master Lease for such store.

Additional Agreements and Transactions Between the Company and the Cohen Family

During the fiscal year ended December 31, 2001, certain of the Company's real estate and construction supervisory service personnel were also employed by CFO in similar positions. The Company believes that the terms of this transaction were as favorable to the Company as could have been obtained from an unrelated party.

On December 6, 2001, the Company borrowed from Broadway Partners, LLC ("Broadway"), a New York partnership owned by certain of Dr. Robert and Alan

Edgar Filing: EMERGING VISION INC - Form PRE 14A

Cohen's children, the sum of \$300,000, which loan, together with interest thereon, calculated at 1% above the prime rate of interest, was repaid to Broadway, in full, on January 23, 2002.

During 2001, the Company purchased from City Lens, Inc. ("City Lens"), an ophthalmic lens laboratory owned, directly or indirectly, by members of the Cohen family, ophthalmic lenses and certain lens refinishing services for its Company-owned stores. For the year ended December 31, 2001, the total cost of such lenses and services purchased from City Lens, was approximately \$243,000. The Company believes that the cost of such lenses and services were as favorable to the Company as those which could have been obtained from an unrelated third party.

Horizons Investors Corp. and Matters Relating to Benito R. Fernandez

In November 2001, Horizons purchased from Rare Medium, Inc. ("Rare"), a portion (1,325,000) of the shares of EVI's Common Stock previously issued to Rare pursuant to its various agreements with such entity; and, in connection therewith, Horizons acquired Rare's right to require EVI to use its reasonable, good faith efforts to register all such shares under the Securities Act of 1933, as amended (the "Act").

On December 3, 2001 and December 20, 2001, the Company borrowed from Horizons the sums of \$150,000 and \$300,000, respectively, each of which loans, together with interest thereon, calculated at 1% above the prime rate, were repaid by the Company, in full, on January 23, 2002.

On January 23, 2002, the Company and Horizons entered into a series of agreements pursuant to which Horizons established, in favor of the Company, a credit facility, in the maximum amount of \$1,000,000 and, in connection therewith, the Company obtained from Horizons an initial advance thereunder, in the amount of \$300,000. Loans under such credit facility: (i) are secured by a pledge to Horizons of a substantial portion of the Company's franchise notes receivable; (ii) must be in increments of at least \$150,000; (iii) bear interest at the rate of 1% above the prime rate; and (iv) must be fully amortized (repaid) over the then remaining term of the facility, which will expire on January 23, 2004. In addition, pursuant to the terms of such agreements with Horizons, the Company: (i) is required to pay to Horizons a facility fee equal to 2% per annum of the average daily principal balance of the unused portion of the facility from time to time outstanding; (ii) issued to Horizons five-year warrants to purchase up to 2,500,000 shares of EVI's Common Stock at an exercise price of \$0.01 per share, 2,000,000 of which warrants were exercised on May 1, 2002 and the balance of which will vest in increments of 250,000 provided there is then due and owing to Horizons (and/or North Fork Bank), as of each of July 22, 2002 and October 22, 2002, any amounts under such credit facility (and/or under the Company's loan from North Fork Bank); (iii) is required to use its reasonable, good faith efforts to register, under the Act, the shares of EVI's Common Stock underlying such warrants; and (iv) is required to pay to Horizons an interest rate differential fee equal to the difference between the rate of interest actually paid, by the Company, to North Fork Bank on its \$1,000,000 term loan from such Bank (which loan was personally guaranteed by Horizons and Mr. Fernandez and secured by Horizon's pledge, to the Bank, of a \$1,000,000 certificate of deposit) and 1% above the prime rate of interest.

Matters Relating to Robert S. Hillman

In October 2001, the Company entered into a certain management agreement with H&H Optical, LLC ("H&H") (a Nevada limited liability company owned, in part, by Susan Hillman, the sister of Robert S. Hillman, the Company's former President, Chief Executive Officer and Chairman) to manage the operations of its

Edgar Filing: EMERGING VISION INC - Form PRE 14A

store located in Palm Desert, California, and; in December 2001, similar management agreements were entered into with H&H to manage the operations of an additional three Company-owned stores located in the State of Minnesota. These management agreements, each of which was terminated by the Company on May 30, 2002 as a result of H&H's numerous defaults thereunder, generally had a term of 1 to 2 years, provided for the payment of additional rent and advertising contributions (based upon the gross revenues of the store in question), provided for a rent subsidy by the Company, and provided H&H with an option to purchase the assets of each store, together with a Sterling Optical Center Franchise for the same, upon the expiration of the respective terms thereof.

APPOINTMENT OF AUDITORS

On April 29, 2002, the members of the Company's Audit Committee recommended to the Board that it discontinue the future retention of Arthur Andersen, LLP ("Andersen") as the Company's principal accountants.

In connection with the audit of the three fiscal years ended December 31, 1999, 2000 and 2001, the Andersen reports did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the three fiscal years ended December 31, 1999, 2000 and 2001, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of such firm, would have caused it to make reference to the subject matter of the disagreement as part of its report.

The Board anticipates appointing another firm of independent public accountants upon the completion of a search, by management, and approval, by the Audit Committee, which search is currently in process.

Audit and Non-audit Fees

Audit Fees. During the fiscal year ended December 31, 2001, the aggregate fees billed by Andersen, the Company's independent auditors, for the audit of the Company's financial statements for such fiscal year and for the review of the Company's interim financial statements on Form 10-Q, was \$163,000.

Financial Information Systems Design and Implementation. During the fiscal year ended December 31, 2001, Andersen did not provide any information technology consulting services to the Company.

All Other Fees. During the fiscal year ended December 31, 2001, the aggregate fees billed by Andersen for professional services, other than audit services, was \$90,000. All other fees include fees for tax services and accounting research, but do not include fees for information technology services (which were not rendered to the Company).

The Audit Committee has determined that the rendering of all other non-audit services provided by Andersen was compatible with maintaining the auditors' independence.

Item 2. PROPOSAL TO AMEND EVI'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF ITS COMMON STOCK FROM 50,000,000 TO 150,000,000 (PROPOSAL NO. 2)

Edgar Filing: EMERGING VISION INC - Form PRE 14A

On April 29, 2002, the Board unanimously voted to recommend to the shareholders that the Company's Certificate of Incorporation be amended to increase the number of authorized shares of its Common Stock from 50,000,000 to 150,000,000 shares and to increase the total number of authorized shares of its capital stock from 55,000,000 to 155,000,000.

The authorized Common Stock of the Company currently consists of 50,000,000 shares of Common Stock, of which 29,004,972 shares were outstanding as of June 1, 2002, and approximately 10,532,000 shares were reserved for issuance under outstanding warrants, options and convertible securities. In addition, there are 5,000,000 shares of preferred stock, par value \$0.01 per share, authorized under the Certificate of Incorporation, of which 2.506252 shares were outstanding as of June 1, 2002.

On April 29, 2002, the Board unanimously approved of the Company's initiation of a rights offering (the "Rights Offering"), pursuant to which, on a date to be established by the Board, the Company will grant each holder of shares of the Company's Common Stock the right to purchase one additional share of Common Stock, at a price per share to be established by the Board (the

23

"Purchased Share"), for each share of Common Stock owned by such shareholder as of a record date to also be established by the Board. For each right that is exercised by a shareholder, such shareholder will receive the Purchased Share and a warrant to purchase one additional share of Common Stock at a price to be established by the Board (the "Warrant"), the additional terms and conditions of which Warrant will be established by the Board. Therefore, the Company must increase its number of authorized shares of Common Stock to effect the Rights Offering.

Furthermore, the Board believes that the complexity of modern business financing and acquisition transactions requires greater flexibility in the Company's capital structure than now exists. The Board is of the opinion that the authorization of additional shares of Common Stock is desirable in order to have a substantial number of authorized shares available for issuance, from time to time, without further shareholder approval in connection with possible future distributions to shareholders (including stock splits), financings, joint ventures, strategic alliances, acquisitions, public or private offerings, employee benefit plans and other corporate opportunities that may present themselves in the future. Having additional authorized shares available for issuance in the future would give the Company greater flexibility and allow shares of Common Stock to be issued without the expense and delay of shareholder action at a special meeting of shareholders unless such action is required by applicable law or the rules of any stock exchange on which the Common Stock may be listed. Such a delay might deprive the Company of the flexibility the Board views as important in facilitating the effective use of the Company's shares. Except as described above, the Company has no plans, understandings, agreements or arrangements concerning the issuance of additional shares of Common Stock not previously authorized for issuance by the Board.

Another effect of the proposed amendment would be that the Board would have the authority, subject to the limitations set forth above, to issue additional shares of Common Stock that would dilute the voting power of outstanding shares, and thereby possibly impede a proposed tender offer or other attempt by a third party to gain control of the Company without Board approval. A portion of such additional shares could, for example, be privately placed with one or more purchasers who might side with the Board in opposing a hostile takeover bid and thus preserve the control of the then existing management. The mere existence of

Edgar Filing: EMERGING VISION INC - Form PRE 14A

the additional authorized shares of Common Stock could have the effect of discouraging unsolicited takeover attempts. The issuance of new shares of Common Stock also could be used to dilute the stock ownership of a person or entity seeking to obtain control. Accordingly, a future transaction which some, or even a majority, of the holders of Common Stock might deem to be in their best interest, or which such holders might have the opportunity to receive a premium for their shares over the then market price, might be impeded. As of the date hereof, the Company is not aware of any proposed tender offer or other attempt to take control of the Company. Holders of the Common Stock have no preemptive rights with respect to any shares that may be issued in the future. Under New York State law, shareholders are not entitled to dissenter's rights with respect to the proposed amendment to the Certificate of Incorporation.

The Board cannot predict what effect, if any, the increase in the number of authorized shares of Common Stock will have on the market price of the Common Stock. An increase in the number of authorized shares of Common Stock may have a depressive effect on the market price of the Common Stock. The issuance of additional shares of Common Stock, without further approval of the shareholders, would also require the Board to make any determination to issue shares of Common Stock based on its judgment as to the best interests of the Company and its shareholders.

The additional Common Stock to be authorized by adoption of the proposed amendment would have rights identical to the currently outstanding Common Stock of the Company. Adoption of the proposed amendment and issuance of the Common Stock would not affect the rights of the holders of currently outstanding Common Stock of the Company, except for effects incidental to increasing the number of shares of the Common Stock outstanding, such as dilution of the earnings per share and percentage share of voting rights of current holders of Common Stock. If the proposed amendment is adopted, it will become effective upon filing of a Certificate of Amendment of the Company's Certificate of Incorporation (the "Amendment") with the State of New York Department of State.

24

If the Amendment is approved by the shareholders, the first paragraph of Article Fourth of the Company's Amended and Restated Certificate of Incorporation will be amended to read as follows:

"The Company is authorized to issue two classes of shares of capital stock, to be designated, respectively, as Preferred Stock and Common Stock. The total number of shares of capital stock that the Company is authorized to issue is 155,000,000. The total number of shares of Common Stock which the Company shall have the authority to issue is 150,000,000 shares, par value \$0.01 per share. The total number of shares of Preferred Stock which the Company shall have the authority to issue is 5,000,000 shares, par value \$0.01 per share."

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the meeting is required to authorize the proposed increase in the authorized number of shares of Common Stock.

THE BOARD RECOMMENDS A VOTE "FOR" THE PROPOSED INCREASE IN THE NUMBER OF AUTHORIZED SHARES OF THE COMPANY'S COMMON STOCK.
