Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers;
Compensatory Arrangements of Certain Officers

Edgar Filing: TWIN DISC INC - Form 8-K

At its meeting on July 28, 2011, the Compensation Committee of the Board of Directors of Twin Disc, Incorporated (the "Company") (i) approved the base salaries of, and (ii) approved the targets for fiscal 2012 bonuses for, the Company's principal executive officer, principal financial officer, and certain of the Company's "named executive officers" (as used in Instruction 4 to Item 5.02 of Form 8-K), as follows:

Name and Position	Base Salary	Target Bonus as % of Base Salary
Michael E. Batten Chairman and Chief Executive Officer	\$575,000	70%
John H. Batten President and Chief Operating Officer	\$330,000	50%
Christopher J. Eperjesy Vice President – Finance, Chief Financial Officer and Treasurer	\$303,000	50%
James E. Feiertag Executive Vice President	\$301,000	50%
H. Claude Fabry Vice President, International Distribution	\$282,190	40%

The above increases in base salary are effective the first pay period beginning on or after October 1, 2011. A portion of Mr. Fabry's base salary is denominated in Euro, which has been translated at the July 28, 2011 exchange rate of 1€/1.446\$.

In each case, the target incentive bonus is based on the FY 2012 Corporate Incentive Plan, which the Committee adopted and approved on July 28, 2011. The Corporate Incentive Plan establishes the target bonuses for the named executive officers based on the following factors and relative weights for each factor: corporate economic profit (70%), inventory as a percentage of sales (15%) and sales growth (15%).

On July 28, 2011, the Compensation Committee also issued performance stock awards to named executive officers of the Company under the Company's 2010 Long-Term Incentive Compensation Plan (the "Plan"). A target number of 10,167 performance shares were awarded to the named executive officers, subject to adjustment as described below. The performance shares will be paid out if the Company achieves certain economic profit objectives (measured as the difference between the cumulative net operating profit after taxes and the cumulative capital charge) for the cumulative three fiscal year period ending June 30, 2014. If the Company achieves the maximum 3-year cumulative economic profit goal, a recipient will earn a maximum number of performance shares. If the Company achieves the target 3-year cumulative economic profit goal, a recipient will earn the target number of performance shares. If the Company achieves the threshold 3-year cumulative economic profit goal, a recipient will earn a threshold number of performance shares. No performance shares will be earned for performance below the 3-year cumulative economic profit threshold and no additional performance shares will be earned for performance exceeding the 3-year cumulative economic profit maximum. In the event that the Company's economic profit is between the achievement levels set forth, the percentage of performance shares awarded shall be determined by interpolation. The

maximum number of performance shares that can be earned by the named executive officers pursuant to this award is 12,200. A copy of the form of the Performance Stock Award Grant Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

At its July 28, 2011 meeting, the Compensation Committee also issued performance stock units to named executive officers of the Company under the Plan. A target number of 13,235 performance stock units were awarded to the named executive officers, subject to adjustment as described below. The performance stock units will be paid out if the Company achieves certain economic profit objectives (measured as the difference between the cumulative net operating profit after taxes and the cumulative capital charge) for the cumulative three fiscal year period ending June 30, 2014. If the Company achieves the maximum 3-year cumulative economic profit goal, a recipient will earn a maximum number of performance stock units. If the Company achieves the target 3-year cumulative economic profit goal, a recipient will earn the target number of performance stock units. If the Company achieves the threshold 3-year cumulative economic profit goal, a recipient will earn a threshold number of performance stock units. No performance stock units will be earned for performance below the 3-year cumulative economic profit threshold and no additional performance stock units will be earned for performance exceeding the 3-year cumulative economic profit maximum. In the event that the Company's economic profit is between the achievement levels set forth, the percentage of performance stock units awarded shall be determined by interpolation. The maximum number of performance stock units that can be earned by the named executive officers pursuant to this award is 15,883. A copy of the form of the Performance Stock Unit Award Grant Agreement is attached hereto as Exhibit 10.2 and is incorporated herein by reference.

At its July 28, 2011 meeting, the Compensation Committee also issued restricted stock grants to named executive officers of the Company under the Plan. A total of 23,403 shares of restricted stock were granted to the named executive officers. The shares will vest in three years, provided the named executive officer remains employed as of such vesting date. The restricted stock will fully vest if the named executive officer terminates employment due to death or disability, or following a change in control of the Company. A copy of the form of the Restricted Stock Grant Agreement is attached hereto as Exhibit 10.3 and is incorporated herein by reference.

The following table shows the awards granted to the named executive officers under the Plan:

Name	Performance Shares (3-yr. Target)	Performance Stock Units (3-yr. Target)	Shares of Restricted Stock
