-
-

Item 8.01 Other Events

On March 16, 2006, the U.S. Court of Appeals for the Ninth Circuit (Ninth Circuit) dismissed as moot an appeal of the order issued by the U.S. Bankruptcy Court for the Northern District of California that confirmed Pacific Gas and Electric Company's (Utility) plan of reorganization under Chapter 11 of the U.S. Bankruptcy Code. The Utility's plan of reorganization became effective on April 12, 2004. The appeal was filed by two former commissioners of the California Public Utilities Commission (CPUC) who did not vote to approve the December 19, 2003 settlement agreement among PG&E Corporation, the Utility, and the CPUC to resolve the Utility's Chapter 11 case.

The Ninth Circuit's decision will become final on June 14, 2006, 90 days after entry of judgment, assuming that the former commissioners do not file either a petition for rehearing with the Ninth Circuit or a petition seeking review by the U.S. Supreme Court.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrants have duly caused this report to be signed on their behalf by the undersigned thereunto duly authorized.
