On March 31, 2006 (the "Record Date"), 17,197,598 shares of Common Stock were issued and outstanding.

The entire cost of this proxy solicitation is being paid by the Company. In addition to solicitation by mail, officers and employees of the Company, without additional remuneration, may solicit proxies by telephone, facsimile transmission or personal contact. Brokerage houses, banks, nominees, fiduciaries and other custodians will be requested to forward soliciting material to the beneficial owners of shares held by them of record and will be reimbursed by the Company for their expenses in so doing.

The mailing address of the Company's executive office is 2000 Waters Edge Drive, Johnson City, Tennessee 37604. This Proxy Statement and the form of proxy were mailed to shareholders on or about April 17, 2006.

Voting; Quorum; Proxies

Each share of Common Stock outstanding on the Record Date is entitled to one vote on each matter submitted to a vote of shareholders at the Annual Meeting. A quorum for the conduct of business is established when the holders of at least a majority of the outstanding shares of Common Stock entitled to vote in the election of directors is present at the meeting or is represented by proxy. Representatives of the Company will serve as inspectors of election for the Annual Meeting.

Shares represented by a properly executed proxy will be voted at the Annual Meeting in the manner specified. In the absence of specific instructions, shares represented by a properly executed proxy will be voted for each of the nominees for election to the Board of Directors named herein and for the proposal to ratify the selection of PricewaterhouseCoopers LLP to serve as the Company's registered independent public accounting firm for 2006.

The Board of Directors does not now intend to bring before the Annual Meeting any matters other than those disclosed in the Notice, and it is not aware of any business that any other persons intend to bring before the Annual Meeting. Should any such matter requiring a vote of the shareholders arise, the enclosed form of proxy confers upon the persons named therein the discretionary authority to vote the shares represented by the proxy as they deem appropriate.

A proxy may be revoked at any time before it is exercised by delivery to the Secretary of the Company of a written revocation or a subsequently dated proxy and will be deemed revoked if the shareholder votes in person at the Annual Meeting.

Required Vote

Proposal I: *Election of Directors*. Directors are elected by a plurality vote and the nominee who receives the most votes will be elected. Abstentions and broker non-votes will not be taken into account in determining the outcome of the election.

Proposal II: *Ratification of Registered Independent Public Accounting Firm*. To be approved, this matter must receive the affirmative vote of the majority of the shares present in person or by proxy and entitled to vote on the matter. Abstentions will have the effect of “no” votes on this matter. A broker non-vote will not be considered present and will not be entitled to vote on non-routine items and will have no impact on the vote for this proposal.

**PROPOSAL I
ELECTION OF DIRECTORS**

The Company's Certificate of Incorporation provides for the division of the Board of Directors into three classes: Class I, Class II and Class III. Only one class of directors is elected at each annual meeting. Each director so elected serves for a three-year term and until his or her successor is elected and qualified, subject to such director's earlier death, resignation or removal.

Nominees

Two Class II directors will be elected to the Board of Directors at the Annual Meeting. The Company has nominated for election Roderick R. Baty and Robert M. Aiken, Jr., each a current director of the Company. The nominees have both indicated a willingness to continue to serve as directors if elected, but if either of them should decline or be unable to serve, the persons named as proxies intend to vote all shares in favor of the election of such other persons who may be nominated as replacements by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

**PROPOSAL II
RATIFICATION OF SELECTION OF REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM**

The firm of PricewaterhouseCoopers LLP has been selected by the Audit Committee of the Board of Directors as the Company's registered independent public accounting firm for 2006. Although it is not required to do so, the Board has determined that it is desirable to seek shareholders' ratification of the selection of PricewaterhouseCoopers LLP. If the shareholders should not ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee will reconsider the appointment.

A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement, if he or she so desires, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

As provided in its charter, the Governance Committee is responsible for reviewing and recommending qualified candidates for membership on the Board of Directors. The Committee seeks input from the Chairman of the Board, other Board members, and professional search firms, if applicable. The Committee will also consider and evaluate any qualified candidates recommended by shareholders. In accordance with the Board's governance principles, the Committee seeks to establish a Board that will bring to the Company a broad range of experience, knowledge and professional judgment. The Committee believes that the Board should have collective competency, knowledge and

experience with respect to Corporate Governance, Business, Finance and Accounting, Economics, Industry Knowledge, Manufacturing, Technology, Legal and Government Affairs, and International Operations, among other things.

A candidate's competencies, experience and knowledge should enable him or her to contribute significantly to the governance of a complex, multi-million dollar business enterprise. The candidate should be independent in judgment and not represent the interests of particular constituencies. The Committee will review a candidate's qualifications and any potential conflicts they may have with the Company's interests. In evaluating director nominees, including candidates submitted by shareholders, the Governance Committee will consider the candidate's experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment and willingness to devote adequate time to Board duties. The Governance Committee will also consider whether a candidate meets the definition of "independent director" under Nasdaq rules.

Shareholders who wish to recommend director candidates for the 2007 Annual Meeting of Shareholders should notify the Secretary in writing at NN, Inc., 2000 Waters Edge Drive, Johnson City, Tennessee 37604. This notification must be received by the Company by December 15, 2006, and must provide information about the nominee's qualifications for Board membership. This requirement does not apply to the deadline for submitting shareholder proposals for inclusion in the Proxy Statement (see "Submission of Shareholder Proposals" on page 2), nor does it apply to questions a shareholder may want to ask at the Annual Meeting. The Governance Committee Charter lists the qualifications against which a nominee will be judged. A copy of the Charter can be obtained by writing to the Secretary at the address set forth above. Alternatively, a copy of the Charter is available on the Company's website, www.nnbr.com. The Committee will evaluate any director candidate nominated by shareholders according to the criteria discussed above and, based on the results of that evaluation, will determine whether to include the candidate in its recommended slate of director nominees in the Proxy Statement.

The Company retains discretion to vote proxies it receives with respect to director nominations or any other business proposals received after December 15, 2006. The Company retains discretion to vote proxies it receives with respect to such proposals received prior to December 15, 2006 provided (a) the Company includes in its proxy statement advice on the nature of the proposal and how it intends to exercise its voting discretion, and (b) the proponent does not issue its own proxy statement.

The Company has not paid any third party a fee to assist in the process of identifying or evaluating director candidates. No shareholder or group of shareholders who beneficially owned more than 5% of the Common Stock for at least one year at the time of such recommendation have recommended candidates for election to the Board of Directors.

Additionally, the Governance Committee is responsible for overseeing the process of providing information to the Board, developing corporate governance principles applicable to the Company and oversight and annual evaluation of the Board of Directors. In October 2002, the Governance Committee adopted a statement of Principles of Corporate Governance. In April 2003, the Governance Committee presented to the Board and the Board approved a written charter. (2) The amounts shown as potential realizable values are based on assumed annualized rates of appreciation in the price of Common Stock of five percent and ten percent over the term of the options, as set forth in the rules of the Securities and Exchange Commission. Actual gains, if any, on stock option exercises are dependent upon the future performance of the Common Stock. REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors is responsible for the oversight of the Company's compensation policies. The membership of the Compensation Committee during 2005 consisted of G. Ronald Morris, Steven T. Warshaw and Richard G. Fanelli. The report of the Committee on executive officer compensation for 2005 is set forth below.

Compensation Principles

The goal of the Company is to structure its compensation arrangements for executive officers in a manner that will promote the Company's profitability and enhance shareholder value. In designing its compensation arrangements to achieve this goal, the Company is guided by the following objectives:

- attracting and retaining qualified and dedicated executives who are essential to the long-term success of the Company;

- providing compensation packages that are competitive with the compensation arrangements offered by comparable companies, including the Company's competitors;

12

- tying a significant portion of an executive officer's compensation to the Company's and the individual's performance; and
- directly aligning the interests of management with the interests of the shareholders through stock-based compensation arrangements.

In 2005, the components of the Company's executive compensation arrangements consisted of salary, cash bonus, stock option award opportunities and restricted share awards pursuant to the Incentive Plan.

Executive Officer Compensation

As a general matter, the Company believes the interests of the Company and its shareholders are best served by developing and maintaining compensation policies that are consistent and competitive with peer group industrial companies. The Company, therefore, periodically conducts peer group benchmarking of public industrial companies and utilizes this information to aid in establishing a competitive compensation program for the Company. The following criteria are utilized as a basis for this program: performance (revenue growth, earnings per share growth, return on net assets, return on equity, and total shareholder return), executive pay, annual incentive/bonus, benefits, and stock incentive awards.

The current executive compensation structure includes a formal salary grade structure that establishes five levels of executive compensation within the Company. Base salary ranges (low, mid and high) are established for each salary grade. In addition, a formal annual incentive bonus plan includes threshold, target, and maximum awards based upon pre-established financial performance criteria.

Salary

The salary levels for the Company's executive officers and managers are reviewed and determined annually. Adjustments to executive officer compensation are evaluated based upon the individual's and Company's performance within the framework of the Company's formal compensation policies.

Annual Bonus

Annual bonuses are based solely on a formalized plan. Bonus payments are contingent upon achieving pre-established net income goals for each operating business unit and the total company and additionally, in 2006, achieving certain strategic goals. The bonuses paid to Named Executive Officers for 2005 are set forth in the Summary Compensation Table.

Incentive Plan

The Incentive Plan which was adopted by the Board of Directors on April 8, 2005 and approved by the shareholders on May 18, 2005 reserves 1.0 million shares of Common Stock for the issuance of options and stock appreciation rights and 300,000 shares of restricted stock, restricted stock units, performance shares and stock awards for to Directors, Executive Officers and other key employees. This Incentive Plan is intended to replace the NN, Inc. Stock Incentive Plan which was adopted on March 2, 1994 and expired on March 2, 2004. Stock options granted under the former plan prior to its expiration are exercisable upon vesting for a period of ten years after the date of grant.

Stock options and restricted share grants to the Company's executive officers and managers are generally reviewed and determined annually by the Compensation Committee. With respect to options and restricted shares awarded, the Committee utilizes a structure based upon the following: recommendations from the independent compensation review, Mr. Baty's recommendations (other than for himself), and rewards to officers and other key employees for superior performance and to provide financial incentives for officers and employees to continue to perform in a

superior manner. The Company awarded 119,000 options and 43,000 shares of restricted stock to seven executive officers during 2005.

13

Compensation of the Chief Executive Officer

The Company's decisions regarding compensation of its Chief Executive Officer are guided by the same policies and considerations that govern compensation of the Company's other executive officers. Mr. Baty's salary was set at a level that the Committee determined was appropriate on the basis of the following factors: 1) the Company's overall performance, 2) Mr. Baty's individual performance and 3) the competitiveness of Mr. Baty's salary in comparison to similar industrial companies.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, precludes any public corporation from taking a deduction for compensation in excess of \$1 million paid to its chief executive officer or any of its other executive officers. Certain performance-based compensation, however, is exempt from the deduction limit. No formal policy has been adopted by the Company with respect to minimizing the risk that compensation paid to its executive officers will exceed the deduction limit. No compensation paid to the executive officers in 2005 exceeded the limit imposed by Section 162(m).

G. Ronald Morris
Steven T. Warshaw
Richard G. Fanelli

Compensation Committee Interlock and Insider Participation

All compensation decisions during the fiscal year ended December 31, 2005 for each of the Named Executive Officers were made by the Compensation Committee of the Board of Directors, consisting of Messrs Morris, Warshaw and Fanelli, none of whom is or was an officer or employee of the Company during the last fiscal year.

Certain Relationships and Related Transactions

There were no transactions in 2005 requiring disclosure pursuant to Item 404 of Regulation S-K.
