PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 23, 2006

This proxy statement and the accompanying form of proxy are being furnished to shareholders in connection with the solicitation of proxies on behalf of the Board of Directors (the "Board") of Mexican Restaurants, Inc., a Texas corporation (the "Company"), for use at the Company's 2006 Annual Meeting of Shareholders, to be held on Tuesday, May 23, 2006 at 9:30 a.m., Houston, Texas time, at the Casa Olé restaurant located at 20131 Highway 59 North, Suite 2004, Humble, Texas 77338, and at any adjournment, continuation or postponement thereof. The Notice of Annual Meeting, this Proxy Statement and the accompanying proxy, together with the Company's Annual Report to Shareholders for the year ended January 1, 2006, are first being sent to shareholders on or about April 19, 2006.

At the Annual Meeting, the Company's shareholders will be asked to consider and vote upon (i) the election of three Class I directors, and (ii) such other business as may properly come before the annual meeting.

Solicitation

The solicitation of proxies is made by and on behalf of the Board. The cost of the solicitation will be borne by the Company, including the reasonable expenses of brokerage firms or other nominees for forwarding proxy materials to beneficial owners. In addition to solicitation by mail, proxies may be solicited by telephone, telecopy or personally. Proxies may be solicited by directors, officers and employees of the Company without additional compensation.

Record Date, Outstanding Shares and Voting Rights

The close of business on April 3, 2006, has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the meeting (the "Record Date"). On the Record Date, the Company had outstanding 3,356,977 shares of Common Stock, \$.01 par value ("Common Stock"), each of which will be entitled to one vote.

In order to transact business at the Annual Meeting, a quorum consisting of a majority of all outstanding shares entitled to vote must be present. Abstentions and proxies returned by brokerage firms for which no voting instructions have been received from their principals will be counted for the purpose of determining whether a quorum is present, in person or by proxy. Once a share is represented for any purpose at the Annual Meeting, it will be deemed present for quorum purposes for the entirety of the meeting. A plurality of the votes cast is required for the election of directors. A majority of the outstanding shares entitled to vote that are represented at the meeting in person or by proxy is required for approval of any other matters that may be presented at the meeting.

If the enclosed proxy is executed and returned, the shares represented thereby will be voted in accordance with any specifications made by the shareholder. In the absence of any such specification, they will be voted to elect the directors as set forth under "Election of Directors" and in the transaction of any other business which properly comes before the meeting or any adjournment thereof. Pursuant to applicable law, broker nonvotes and abstaining votes will not be counted in favor of or against the election of any nominee for director or any other proposal to be presented at the meeting.

The presence of a shareholder at the meeting will not operate to revoke his proxy. A proxy may be revoked at any time insofar as it has not been exercised by giving written notice of revocation to the Company, executing and

returning a proxy with a later date, or by attending the Annual Meeting and voting in person.

If any other matters come before the meeting, the persons named in the proxy, or their substitutes, will vote thereon in accordance with their best judgment. The Board does not know of any matters other than the election of directors as described below that will be presented for action at the meeting, and none of the members of the Board have informed the Company in writing that they intend to oppose any action intended to be taken by the Company.

NO PERSON IS AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATION OTHER THAN THOSE CONTAINED IN THIS PROXY STATEMENT, AND, IF GIVEN OR MADE, SUCH INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED. THE DELIVERY OF THIS PROXY STATEMENT SHALL, UNDER NO CIRCUMSTANCES, CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN THE AFFAIRS OF THE COMPANY SINCE THE DATE OF THIS PROXY STATEMENT.

REPORT BY THE COMPENSATION/STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

The Board has a Compensation/Stock Option Committee (the "Committee") to administer all aspects of the compensation program for the executive officers of the Company, including the review and approval of the compensation levels, the evaluation of performance and the granting of options under the Company's 2005 Long Term Incentive Plan (the "2005 Incentive Plan"). The Committee consists of the three directors whose names are listed at the end of this report.

Compensation Philosophy

The primary objective of the Company's compensation program is to attract, retain and reward executives whose contributions will enhance the Company's ability to execute its business strategy. The Company's strategy is to build shareholder value by growing the restaurant system through both same-store sales increases and careful new unit

openings, and to grow earnings per share by carefully managing costs and by opportunistically repurchasing shares.

The Committee views establishing compensation policies that facilitate the achievement of the Company's business strategy, in order to ultimately create value for shareholders, as one of its principal responsibilities. In this regard, policies and programs are intended to enhance the ability of the Company to attract, retain and motivate exceptionally knowledgeable and experienced executives committed to the successful operation and management of the Company.

The compensation policies and programs of the Company are considered by the Committee within the context of an integrated total rewards framework. Within this framework, the Committee considers and determines various components of "pay" - base salary, annual incentive compensation, long-term equity incentive compensation, benefits and perquisites. It is through the considered combination of these programs that the Committee believes it can most effectively support and facilitate the ultimate creation of value for shareholders.

With respect to the compensation of executive officers, actual pay decisions take into consideration several additional factors, including individual performance, scope of responsibility, prior experience, breadth of knowledge, and comparison against the competitive practices of relevant comparator companies of similar size, as well as indicators derived from published compensation surveys of companies in the Company's industry.

General

Mr. Neeb is presently the Company's non-executive Chairman of the Board. As non-executive Chairman of the Board, Mr. Neeb is compensated \$75,000 annually. If terminated as Chairman of the Board, the Company will pay Mr. Neeb's compensation until the first to occur of one year after termination, or the securing of an alternative position by Mr. Neeb. Messrs. Glowacki, Dennard, and Vegas have similar agreements. Under the agreements, annual base salaries as of January 1, 2006 for Messrs. Glowacki, Dennard, and Vegas were \$253,085, \$155,000, and \$175,000 respectively.

As incentive compensation, Company executives are eligible to receive annual cash bonus awards based in part on a formula of profits, same-store sales growth and cash flow relative to financial plan. For fiscal year 2005 performance, Messrs. Glowacki, Dennard, and Vegas were paid \$160,000, \$37,500, and \$43,000 respectively, in fiscal 2006.

The Board of Directors and shareholders of the Company have approved the Mexican Restaurants, Inc. 2005 Long Term Incentive Plan. The purpose of the Incentive Plan is to attract and retain key employees, to motivate key employees to achieve long-range goals and to further align the interests of key employees with those of the other shareholders of the Company. The 2005 Incentive Plan authorizes the granting of up to 350,000 shares of Common Stock in the form of incentive stock options and non-qualified stock options to key executives and other key employees of the Company, including officers of the Company and its subsidiaries, of which 260,000 shares are subject to presently outstanding awards. The 2005 Incentive Plan will terminate on November 8, 2015. It is anticipated that the 350,000 shares authorized under the 2005 Plan will enable the Company to provide sufficient grants of awards for the foreseeable future. Also, the inclusion of authority to grant various forms of equity compensation in addition to stock options, including restricted stock, will allow the Company to tailor future awards to the Company's specific needs and circumstances at that time.

The 1996 Incentive Plan authorizes the reservation of 500,000 shares of Common Stock to be used for stock options, stock appreciation rights or restricted stock, of which 429,000 shares are subject to presently outstanding awards. The Incentive Plan terminated on December 31, 2005.

In fiscal year 2005, the Company granted to Mr. Glowacki 40,000 options, Mr. Dennard 60,000 options, Mr. Vegas 60,000 options and 100,000 options to other key employees from the 2005 Incentive Plan. The exercise price was set at \$12.00 and all of the options were immediately vested. Also in fiscal year 2005, the Company granted 5,000 shares, valued at \$9.79 per share, of restricted common stock to Mr. Dennard.

In fiscal year 2004, the Company did not grant any non-qualified stock options under its Incentive Plan and its Managers Plan.

In fiscal year 2003, the Company granted to Mr. Vegas performance-related options covering 10,000 shares at an exercise price of \$3.56 per share and vesting over five years from the date of grant. Also in fiscal year 2003, the Company granted 3,000 shares, valued at \$3.50 per share, of restricted stock to Mr. Vegas.

In fiscal year 2002, the Company granted to Mr. Dennard performance-related options covering 5,000 shares at an exercise price of \$3.64 per share and vesting over five years from the date of grant. Also in fiscal year 2001, the Company granted to Mr. Dennard performance-related options covering 10,000 shares at an exercise price of \$2.70 per share and vesting over five years from date of grant. These options vest at the rate of 10%, 15%, and 25% each year thereafter over the five-year period.

In fiscal year 2000 the Company granted to Mr. Glowacki performance-related options covering 60,000 shares at an exercise price of \$3.00 per share. These options vest ten years from grant and were subject to earlier vesting if the Company met certain financial and operational targets with respect to fiscal years 2000 and 2001, which targets were not attained. In fiscal year 2001 the Company granted to Mr. Glowacki performance related options covering 90,000 shares at an exercise price of \$2.70 per share and which vest at the rate of 10%, 20%, 30% and 40% over the four-year

period.

During fiscal year 1999, the Company granted 24,000 shares, valued at \$4.38 per share, of restricted stock to Mr. Glowacki. On February 28, 2000, these restricted shares were issued. The restricted stock will vest in 20% increments over a five-year period from the date of the grant. Additionally on that date, 10,000 shares were granted

and issued to Mr. Dennard and 30,000 shares were granted and issued to other key employees. The latter awards were valued at \$3.50 per share.

Although not part of the compensation program for the Company's executive officers, the Committee also administers the 1996 Managers Stock Option Plan (the "Managers Plan"). The purpose of the Managers Plan is to attract and retain key employees, to motivate key employees to achieve long-range goals, to provide incentive compensation opportunities that are competitive with those of other corporations and further align the interest of eligible employees with the Company's other shareholders. The Managers Plan authorizes the granting of non-qualified stock options to purchase Common Stock to employees of the Company and its subsidiaries who are managers or assistant managers of or hold key managerial positions in or for the Company or any subsidiary ("Managers") and who are at the time of grant neither officers, directors nor 10% shareholders of the Company.

The Managers Plan authorizes the award of an aggregate of 200,000 shares of Common Stock to be used for non-qualified stock options, of which 51,375 shares are subject to presently outstanding awards. The Managers Plan terminated on December 31, 2005.

Under the Managers Plan, non-qualified stock options may be granted to Managers at the price determined by the Committee, which shall be 100% of the fair market value at the date the option is granted unless the Committee expressly determines otherwise. The Managers Plan provides that an option granted thereunder may be exercised at any time during the exercise period established by the Committee, except that: (i) no option may be exercised more than ninety days after employment with the Company and its subsidiaries has terminated by reason other than death, disability or authorized leave of absence for military or government service; and (ii) no option may be exercised more than 12 months after employment has terminated by reason of death or disability. The term of each option is determined by the Committee, but in no event may such term exceed ten years from the date of grant.

Chief Executive Officer Compensation

The Compensation Committee's general approach in reviewing the annual compensation of Mr. Glowacki, the Company's Chief Executive Officer, is to seek to be competitive with other companies of a similar size in the Company's industry, to recognize and reward initiative, overall corporate performance and managerial ability, and to provide long-term incentive to increase shareholder value. If terminated as Chief Executive Officer, the Company will pay Mr. Glowacki's compensation until the first to occur of one year after termination, or the securing of an alternative position by Mr. Glowacki. Annual base salary as of January 1, 2006 for Mr. Glowacki is \$253,085.

The Committee believes that the compensation of the Company's Chief Executive Officer and its other executives during fiscal 2005 was consistent with the objectives of the Company's executive compensation program.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

To the Company's knowledge, based solely on our review of such forms received by us with respect to fiscal 2005, as written representations from certain reporting persons, all statements of beneficial ownership required to be filed with the Securities and Exchange Commission for the fiscal year ended January 1, 2006 have been timely filed.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related party transactions are subject to the review and approval of the Company's Audit Committee, which is comprised exclusively of independent directors who are not otherwise involved in the day-to-day management of the Company or officers of the Company, and who do not have a personal financial interest in the matter in which they are acting.

Lease of Headquarters Building

Prior to February 20, 2004, the Company leased its executive offices in Houston, Texas from CO Properties No. 3, a Texas partnership owned by Larry N. Forehand and Michael D. Domec. The lease, which was originally set to expire in December 2006, was a gross lease (where the landlord pays utilities and property taxes) with monthly rental payments of \$10,416 per month in 2004. In 2004 the Company leased 10,015 square feet under the lease for aggregate rental payments of \$10,416. The Company believes that this lease is on terms at least as favorable as could be obtained from an unrelated third party.

On February 20, 2004, CO Properties No. 3 sold the executive offices to a third party. In exchange for two months of free rent, the Company exercised one of its options, extending the office lease through December 2009. In 2006 the Company's monthly rental payments will be \$11,000 per month.

PERFORMANCE GRAPH

The following performance graph compares the cumulative return of the Common Stock with that of the Nasdaq Composite Index and the Standard & Poors Small Cap Restaurants Index assuming in each case an initial investment of \$100 since December 31, 2000. The Standard & Poors Small Cap Restaurants Index replaces the Standard & Poors Midcap Restaurants Index that was used in previous proxy reports.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee serves an independent oversight role by consulting with and providing guidance to management and the external auditors on matters such as accounting, audits, compliance, controls, disclosure, finance and risk management. The Board has affirmatively determined that all Audit Committee members are financially literate and possess “financial sophistication” as defined by Nasdaq listing standards. The Board of Directors has designated the Chairman of the Audit Committee, Thomas E. Martin, as the audit committee “financial expert” under the SEC’s guidelines.

The three members of the Board’s Audit Committee, Thomas E. Martin, Joseph J. Fitzsimmons and Louis P. Neeb, are all independent within the meaning of applicable NASD listing standards and the applicable independence standards of the SEC. The Audit Committee is responsible for overseeing the Company’s financial reporting process on behalf of the Board and operates under a written charter adopted by the Board, a copy of which is attached to the Proxy Statement as Appendix A. The Audit Committee annually recommends to the Board the selection of the Company’s independent registered public accounting firm. For the fiscal year 2005, UHY MANN FRANKFORT STEIN & LIPP CPAs, LLP was the Company’s independent registered public accounting firm.

Management is responsible for the Company's financial statements and the financial reporting process, including the systems of internal controls. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosure in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, as required by Statement on Auditing Standards No. 61, Communication with Audit Committees. In addition, the Audit Committee has discussed with the independent registered public accounting firm the auditors' independence from management and the Company and has received the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee further considered whether the provision by UHY MANN FRANKFORT STEIN & LIPP CPAs, LLP of the non-audit services described elsewhere in this proxy statement is compatible with maintaining the auditors' independence.

Based upon (i) the Audit Committee's review and discussion of the audited financial statements with management and the independent registered public accounting firm, (ii) the Audit Committee's review of the representation of management, and (iii) the disclosures by the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended January 1, 2006, for filing with the SEC. The Company's Audit Committee periodically considers the selection of the Company's independent registered public accounting firm.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee requires that each engagement of the Company's independent auditor to perform auditing services and permitted non-audit services must be approved by the Audit Committee in advance, including the fees and principal terms thereof.
