The Company will bear all costs of this solicitation. Proxies will be solicited primarily by mail, but directors, officers and other employees of the Company may also solicit proxies in person or by telephone in the ordinary course of business for which they will not be compensated. The Company has requested that brokerage houses, nominees, fiduciaries and other custodians send proxy materials to the beneficial owners of the Common Stock, for which the Company will reimburse them for their reasonable out-of-pocket expenses.

At the Annual Meeting, stockholders will be asked (i) to consider and vote upon the election of four nominees to serve on the Board of Directors of the Company (ii) to consider and vote upon an amendment to the Company's 2000 Stock Incentive Plan (the "Incentive Plan") increasing the number of shares of Common Stock that can be issued pursuant to the Incentive Plan and (iii) to consider and take action upon such other matters as may properly come before the Annual Meeting.

Proposal No. 2 To Approve Amendment to 2000 Stock Incentive Plan

As of March 19, 2003, 114,395 shares of Common Stock were available for grant pursuant to the Incentive Plan. The Board of Directors does not believe that such remaining amount under this plan is sufficient to carry out its compensation policy. Accordingly, as part of the Company's overall effort to increase shareholder value, on March 19, 2003, the Board of Directors unanimously adopted an amendment to the Incentive Plan, subject to shareholder approval, increasing the aggregate number of shares reserved for grant pursuant to the Incentive Plan from 500,000 to 650,000. The amendment to the Incentive Plan is intended to (i) further the Company's efforts in attracting, retaining and motivating officers, key employees and non-employee consultants of the Company and (ii) continue to closely align the interest of participants in the Incentive Plan with those of stockholders by encouraging stock ownership and by tying compensation to the performance of the Company and the Company Stock.

11

If approved, 264,345 shares of Common Stock will be available for future grants pursuant to the Incentive Plan. If approved, this amendment will not change any other material term of the Incentive Plan.

The amendment appears as Appendix B to this proxy statement.

Participation in the Incentive Plan

The grant of incentive and non-qualified stock options, shares of restricted stock and stock bonuses under the Incentive Plan to key employees, consultants, and non-employee directors, including our Chairman, Chief Executive Officer, and each of the other Named Executive Officers, is subject to the discretion of the Compensation Committee. As of April 11, 2003, the fair market value of the Common Stock was \$.42 per share, which was the closing sale price reported by The Nasdaq Small Cap Stock Market. The following table sets forth information with respect to grants of options to the Named Executive Officers and the other individuals and groups indicated that were previously approved by the Compensation Committee and are subject to the approval of the stockholders of the amendment to the Incentive Plan. The exercise price per share of all options granted on January 6, 2003 is \$.43 per share. No associate of any of such individuals has been granted options under the Incentive Plan.

Compliance With Section 16(A) Of The Securities Exchange Act Of 1934, as amended

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors, executive officers, and stockholders who own more than 10% of the Common Stock, to file reports of stock ownership and changes in ownership with the Securities and Exchange Commission and to furnish the Company with copies of all such reports they file. Based solely on a review of the copies of the Section 16(a) reports furnished to the Company, the Company believes that during fiscal year 2002, all Section 16(a) filing requirements applicable to its directors, executive officers and greater than 10% shareholders were complied with.

Certain Relationships and Related Transactions

In March 2003, the Company entered into a sublease agreement expiring December 31, 2006 for certain of its office space with Tri-Union Development Corporation ("Tri-Union"). The Company's annual receipts from this sublease will be \$81,630. Mr. James M. Trimble, a director of the Company is the Chairman and Chief Executive Officer of Tri-Union.

In September 2001, Drillmar, Inc. an affiliate of the Company, entered into a merger agreement and merged with Zephyr Drilling Ltd. ("Zephyr"). Ivar Siem, Chairman of the Company, and Harris A. Kaffie, a director of the Company, are both directors, and Mr. Siem is Chairman and President of Drillmar. Prior to the merger, Zephyr was a limited partnership in which Drillmar was the general partner and Messrs. Siem and Kaffie were limited partners. Zephyr owned a semi-submersible drilling rig that was prepared for reconfiguration into a semi-tender. Prior to the merger, the Company owned approximately 64% of Drillmar's outstanding common stock. As a result of the merger between Drillmar and Zephyr, the Company's interest in Drillmar decreased to 12.8% and Messrs. Siem and Kaffie became owners of 30.3% and 30.6%, respectively, of Drillmar's common stock.

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

Messrs. Siem and Kaffie provided funding to Drillmar in 2002 of \$116,000 and \$100,000, respectively, and in 2001 of \$300,000 and \$425,000, respectively, and were issued unsecured promissory notes from Drillmar. The promissory notes were due June 30, 2002 and bore interest at the rate of 10% per annum. Along with the promissory notes, Drillmar issued detachable warrants to Messrs. Siem and Kaffie of 41,500 and 42,500, respectively. Each warrant provides for the purchase of one share of Drillmar common stock at \$5 per share and are exercisable through June 2005. At December 31, 2002, the promissory notes and accrued interest had not been paid. The promissory notes issued by Drillmar are nonrecourse to the Company.

In January 2003, Drillmar stockholders approved a restructuring plan whereby Drillmar will issue up to \$3.0 million of convertible notes that will convert into common stock representing over 99% of Drillmar's outstanding shares. As a result, the Company's ownership in Drillmar will be reduced to less than 1%. Messrs. Siem and Kaffie are expected to exchange their promissory notes and accrued interest into Drillmar new convertible notes.

13

Effective March 31, 2002, the Company recorded a full impairment of its investment in Drillmar of approximately \$340,000 and a full reserve for the accounts receivable amount owed from Drillmar of approximately \$200,000, due to Drillmar's working capital deficiency and delays in securing capital funding.

In May 2002, the Company and Drillmar entered into a new agreement effective as of May 1, 2002, whereby the Company will provide office space and minimal accounting and administrative services to Drillmar for \$2,000 per month. If Drillmar is able to secure financing to implement its business plan, the fee will increase to \$20,000 per month retroactive to May 1, 2002. The agreement can be terminated upon 30 days notice or by the mutual agreement of the parties.

In January 2003, the Company and Drillmar entered into a new agreement effective as of February 1, 2003, whereby the Company will provide office space to Drillmar for \$1,500 per month. The Company will also provide professional, accounting and administrative services to Drillmar based on hourly rates based on the Company's cost. The agreement can be terminated upon 30 days notice or by the mutual agreement of the parties.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

In February 2002, the Company elected not to continue the engagement of KPMG LLP ("KPMG") as the Company's independent accountants and the Audit Committee recommended, and the Board approved, the selection of Mann Frankfort Stein & Lipp CPAs, LLP ("Mann Frankfort") as its new independent accountants.

In connection with the audits of the Company's consolidated financial statements for each of the two fiscal years ended December 31, 1999 and 2000, and the subsequent interim period through February 15, 2002, there were no disagreements with KPMG on any matter of accounting principles or practices, financial disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction, would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. The audit reports of KPMG on the consolidated financial statements of the Company and subsidiaries as of and for the years ended December 31, 1999 and 2000 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except that KPMG's report on the Company's consolidated financial statements for the years ended December 31, 1999 and 2000 contain a separate paragraph stating that "As discussed in Note 1 to the consolidated financial statements, effective January 1, 1999, the Company changed its method of accounting for costs of start-up activities."

During the two fiscal years ended December 31, 2001 and the subsequent interim period prior to engaging Mann Frankfort, neither the Company nor anyone on its behalf consulted with Mann Frankfort regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor advice was provided to the Company by Mann Frankfort that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue.

Mann Frankfort Stein & Lipp CPAs, LLP, has been engaged by the Company's Board of Directors as the independent accountants for the Company. The Company expects that they will continue as independent accountants.

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

Representatives of Mann Frankfort are expected to be present at the Annual Meeting, with the opportunity to make a statement if they desire to do so, and to respond to questions.

OTHER BUSINESS

At the date of this Proxy Statement, the Board of Directors does not know of any matter to be acted upon at the Annual Meeting other than those matters described above and set forth in the Notice. If other business comes before the Annual Meeting, the persons named on the proxy will vote the proxy in accordance with their best judgment.

Appendix B

FIRST AMENDMENT TO THE
2000 STOCK INCENTIVE PLAN

Blue Dolphin Energy Company (the "Company") hereby amends the Blue Dolphin Energy Company 2000 Stock Incentive Plan (the "2000 Plan") as follows, effective March 19, 2003.

1. The first paragraph of Section 1.4 is amended to read as follows in its entirety:

Subject to adjustment under Section 6.5, there shall be available for Incentive Awards under the Plan that are granted wholly or partly in Common Stock (including rights or Stock Options that may be exercised for or settled in Common Stock) Six Hundred Fifty Thousand (650,000) Shares of Common Stock. Six Hundred Fifty Thousand (650,000) of the Shares reserved under the Plan shall be available for grants of Incentive Stock Options. The number of Shares of Common Stock that are the subject of Incentive Awards under this Plan, that are forfeited or terminated, expire unexercised, are settled in cash in lieu of Common Stock or in a manner such that all or some of the Shares covered by an Incentive Award are not issued to a Grantee or are exchanged for Incentive Awards that do not involve Common Stock, shall again immediately become available for Incentive Awards hereunder. The Committee may from time to time adopt and observe such procedures concerning the counting of Shares against the Plan maximum as it may deem appropriate.

During such period that the Company is a Publicly Held Corporation, then unless and until the Committee determines that a particular Incentive Award granted to a Covered Employee is not intended to comply with the Performance-Based Exception, the following rules shall apply to grants of Incentive Awards to Covered Employees:

- (a) Subject to adjustment as provided in Section 6.5, the maximum aggregate number of Shares of Common Stock (including Stock Options, Restricted Stock, or Other Stock-Based Awards paid out in Shares) that may be granted or that may vest, as applicable, in any calendar year pursuant to any Incentive Award held by any individual Covered Employee shall be Five Hundred Thousand (500,000) Shares.

- (b) The maximum aggregate cash payout (including Other Stock-Based Awards paid out in cash) with respect to Incentive Awards granted in any calendar year which may be made to any Covered Employee shall be Five Hundred Thousand dollars (\$500,000).

(c) With respect to any Stock Option granted to a Covered Employee that is canceled or repriced, the number of Shares subject to such Stock Option shall continue to count against the maximum number of Shares that may be the subject of Stock Options granted to such Covered Employee hereunder and, in this regard, such maximum number shall be determined in accordance with Section 162(m) of the Code.

(d) The limitations of subsections (a), (b) and (c) above shall be construed and administered so as to comply with the Performance-Based Exception.

The following officer of the Company has caused this amendment to be executed effective as of March 19, 2003, subject to shareholder approval.
