Item 1.01 Entry into a Material Definitive Agreement.

On May 31, 2005, we entered into a 8% Series B Unsecured Convertible Debenture and Warrants Purchase Agreement (the "Purchase Agreement") with one accredited investor pursuant to which we sold a \$500,000 principal amount unsecured convertible debenture (the "Debenture") convertible into shares of our common

stock, no par value, and stock purchase warrants (the "Warrants") to purchase shares of our common stock to a certain investor who is a party to the Purchase Agreement (the "Investor") for an aggregate purchase price of \$500,000.

The Debenture matures on May 31, 2007 and pays simple interest quarterly accruing at the annual rate of 8%, either in the form of our common stock, which shall be valued at the conversion price in effect on the trading day prior to the date interest is due, or cash, each at our option. The Debenture is convertible into shares of our common stock at a conversion price equal to \$1.30, subject to adjustment in certain events, including, without limitation, upon our consolidation, merger or sale of all of substantially all of our assets, a reclassification of our common stock, or any stock splits, combinations or dividends with respect to our common stock. We may in our discretion require that the Investor convert all or a portion of the Debenture and the Investor may in its discretion require that we redeem all or a portion of the Debenture.

In addition, we issued 384,615 Warrants to the Investor, representing an amount of Warrants equal to 100% of the quotient of (i) the principal amount of the Debenture issued at the closing date divided by (ii) the conversion price on the closing date. The Warrants are exercisable at a price equal to \$2.11, subject to adjustment in certain events, including, without limitation, upon our consolidation, merger or sale of all of substantially all of our assets, a reclassification of our common stock, or any stock splits, combinations or dividends with respect to our common stock, from the date of issuance until 5 years after the closing date.

Under the Registration Rights Agreement we entered into with the Investor on May 31, 2005, we are obligated to file a registration statement on Form S-3 or Form SB-2 (or if such Forms are not then available to us, on such form of registration statement that is available to effect the registration of 120% the common stock issuable upon conversion of the Debenture and exercise of the Warrants) within 75 days after the date of effectiveness of the registration statement we filed with the Securities and Exchange Commission (the "SEC") on February 2, 2005. We are obligated to use our best efforts to cause the registration statement to be declared effective no later than 35 days after the filing date (in the event of no SEC review of the registration statement) and no later than 75 days after the filing date (in the event of SEC review of the registration statement). If we do not file the registration statement, or if the registration statement is not declared effective by the SEC, within the deadlines specified in the preceding sentence, we shall pay to the Investor, as liquidated damages, an amount equal to 2% of the amount invested by the Investor on a pro rata basis for each 30-day period of such registration default.

First Montauk Securities Corp. (the "Selling Agent") acted as selling agent in connection with the offering. We issued a total of 38,462 Warrants on May 31, 2005 to the Selling Agent and the Selling Agent received gross fees of \$65,000, as consideration for services performed in connection with the issuance of the Debenture and Warrants to the Investor pursuant to the Purchase Agreement. The Selling Agent has no obligation to buy any Debenture or Warrants from us. In addition, we have agreed to indemnify the Selling Agent and other persons against specific liabilities under the Securities Act of 1933, as amended.

The issuance of the Debenture and the Warrants was exempt from registration requirements of the Securities Act of 1933 pursuant to Regulation S and/or Section 4(2) of such Securities Act and/or Regulation D promulgated thereunder based upon the representations of the Investor that it is an "accredited investor" (as defined under Rule 501 of Regulation D) and that it was purchasing such securities without a present view toward a distribution of the securities. In addition, there was no general advertisement conducted in connection with the sale of the securities.

Furthermore, on May 31, 2005 we entered into a Letter Agreement (the "Letter Agreement") with the accredited investors who participated in our November 2004 private placement (the "November 2004 Investors") pursuant to which we agreed to pay to the November 2004 Investors an aggregate amount of \$120,429.33, representing an amount equal to 2% of the aggregate amount invested by the November 2004 Investors for each 30-day period or pro rata for any portion thereof, as liquidated damages for our failure to file the registration statement within 45 days of November 22, 2004 and for our failure to have such registration statement declared effective by the SEC within 90 days of November

22, 2004. The amount paid to the November 2004 Investors pursuant to the Letter Agreement represents a default of 36 days with respect to filing the registration statement and a default of 100 days with respect to having the registration statement declared effective by the SEC. Under the Letter Agreement, the liquidated damages paid to the November 2004 Investors satisfies our obligations until June 30, 2005. Further liquidated damages may accrue after June 30, 2005, since as of the date hereof, the SEC has not declared the registration statement effective.
