Item 8.01 Other Events.

On July 15, 2013, while Intellicell BioSciences, Inc. (the "Company") was finalizing an amendment and waiver to that certain Convertible Promissory Note (the "Note") issued by the Company in favor of TCA Global Credit Master Fund, LP ("TCA") on June 7, 2012 in the principal amount of \$500,000, the Company was advised that Ironridge Global IV, LTD ("Ironridge"), led by Mr. John C. Kirkland, Esq. ("Kirkland"), purportedly purchased (the "Purported Purchase") the Note from TCA.

Immediately after Ironridge informed the Company of the Purported Purchase, Ironridge and Kirkland threatened to foreclose on the Note and destroy the Company if the Company did not immediately file suit against Magna Group, LLC and certain of its affiliates in connection with the Company's recent 3(a)(10) transaction. The Company refused to comply with Kirkland's improper threats and demands. Thereafter, On July 29, 2013, the Company received from Ironridge and specifically Krikland, a Notice of Default and a Notice of Foreclosure Sale (the "Notice of Foreclosure") advising of Kirkland's intent to sell, lease or license all assets of the Company at a public auction on August 12, 2013.

On July 30, 2013, the Company notified Ironridge and TCA that the Purported Purchase was invalid, specifically due to failure to obtain the Company's written consent for any assignment or sale of the Note, as required under the terms of the Note. Neither TCA nor Ironridge obtained the Company's written consent prior to the Purported Purchase.

On July 31, 2013, subsequent to the Company's having advised Ironridge and TCA that the Purported Purchase was invalid, the Company received from TCA the same Notice of Foreclosure that it has previously received from Ironridge.

The Company intends to vigorously defend itself against Ironridge and Kirklands's improper attempts to seize the Company's assets for not giving into Kirkland's improper threats and demands. The Company will take all legal action necessary to protect the interests of the Company and its shareholders. The Company is also arranging for all outstanding principal and interest under the Note to be paid as soon as possible.
