AMERICAN RIVER BANKSHARES
PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS
May 18, 2006

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies for use at the 2006 Annual Meeting of Shareholders (the "Meeting") of American River Bankshares (the "Company") to be held on Thursday, May 18, 2006 at 5:30 p.m., at the North Ridge Country Club, located at 7600 Madison Avenue, Fair Oaks, California 95628 and at any and all postponements or adjournments thereof. Only shareholders of record on April 6, 2006 (the "Record Date") will be entitled to notice of the Meeting and to vote at the Meeting. At the close of business on the Record Date, the Company had outstanding and entitled to be voted 5,624,644 of the Company's no par value common stock.

Revocability of Proxies

A proxy for voting your shares at the Meeting is enclosed. Any shareholder who executes and delivers such proxy has the right to and may revoke it at any time before it is exercised by filing with the Secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date.

Edgar Filing: AMERICAN RIVER BANKSHARES - Form DEF 14A

In addition, a proxy will be revoked if the shareholder executing such proxy is in attendance at the Meeting and such shareholder votes in person. Subject to such revocation, all shares represented by a properly executed proxy received in time for the Meeting will be voted by the proxyholders in accordance with the instructions specified on the proxy.

Unless otherwise directed in the accompanying proxy, the shares represented by your executed proxy will be voted "FOR" the nominees for election of directors named herein and "FOR" the ratification of the selection of Perry-Smith LLP as independent public accountants for the 2006 fiscal year. If any other business is properly presented at the Meeting, the proxy will be voted in accordance with the recommendations of management.

Solicitation of Proxies

This solicitation of proxies is being made by the Board of Directors of the Company. The expenses of preparing, assembling, printing, and mailing this Proxy Statement and the materials used in this solicitation of proxies will be borne by the Company. It is contemplated that proxies will be solicited principally through the use of the mail, but directors, officers, and employees of the Company may solicit proxies personally or by telephone, without receiving special compensation. The Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding the Proxy Statement to shareholders whose stock in the Company is held of record by such entities. In addition, the Company may use the services of individuals or companies it does not regularly employ in connection with this solicitation of proxies, if management determines it is advisable.

Voting Securities

On any matter submitted to the vote of the shareholders, each holder of common stock will be entitled to one vote, in person or by proxy, for each share of common stock he or she held of record on the books of the Company as of the Record Date.

A majority of the shares entitled to vote, represented either in person or by a properly executed proxy, will constitute a quorum at the Meeting. If, by the time scheduled for the Meeting, a quorum of shareholders of the Company is not present or if a quorum is present but sufficient votes in favor of any of the proposals have not been received, the Meeting may be held for purposes of voting on those proposals for which sufficient votes have been received, and the persons named as proxyholders may propose one or more adjournments of the Meeting to permit further solicitation of proxies with respect to any of the proposals as to which sufficient votes have not been received.

1

Votes cast by proxy or in person at the Meeting will be counted by the Inspectors of Election for the Meeting. The Inspectors will treat abstentions and "broker non-votes" (shares held by brokers or nominees as to which instructions have not been received from the beneficial owners or persons entitled to vote and the broker or nominee does not have discretionary voting power under applicable rules of the stock exchange or other self-regulatory organization of which the broker or nominee is a member) as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions and "broker non-votes" will not be counted as shares voted for purposes of determining the outcome of any matter as may properly come before the Meeting.

Committees of the Board of Directors

The Audit Committee, whose members are Amador S. Bustos, Robert J. Fox, and William A. Robotham (Chairman), oversees the Company's independent public accountants, analyzes the results of internal and regulatory examinations and monitors the financial and accounting organization and reporting. Director Fox has been designated by the Board of Directors as an "audit committee financial expert" as defined under rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002. The Audit Committee met five (5) times in 2005. See the Audit Committee Report on page 18 for additional information regarding the functions of the Audit Committee. Each member of the Audit Committee is "independent," as that term is defined under rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002, and by applicable Nasdaq Listing Rules. In addition, each other member of the Audit Committee is "financially literate" as defined under applicable Nasdaq Listing Rules.

The Nominating Committee, whose members are Charles D. Fite, Robert J. Fox, Stephen H. Waks and Michael A. Ziegler (who joined in June 2005), has the responsibility to assist the Board of Directors by (a) establishing criteria for candidates and identifying, evaluating, and recommending candidates, including candidates proposed by shareholders, for election to the Board of Directors, and (b) periodically reviewing and making recommendations on the composition of the Board of Directors. The Nominating Committee met once in 2005. In January of 2006, Dr. Roger J. Taylor was added to the committee and Mr. Fox left the committee. All members of the Nominating Committee are "independent," as that term is defined under rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002, and applicable Nasdaq Listing Rules. Candidates are selected in accordance with a Nominating Charter. The Nominating Charter includes a policy for consideration of candidates proposed by shareholders. Any recommendations by shareholders will be evaluated

(1) As used in this Proxy Statement, the term "executive officer" of the Company includes the President and Chief Executive Officer of American River Bankshares, the Executive Vice President and Chief Financial Officer of American River Bankshares, the Executive Vice President and Chief Credit Officer of American River Bankshares, Executive Vice President and Chief Information Officer of American River Bankshares, the President of American River Bank and the Presidents of North Coast Bank and Bank of Amador, divisions of American River Bank.

by the Board of Directors in the same manner as any other recommendation and in each case in accordance with the Nominating Charter. Shareholders that desire to recommend candidates for consideration by the Company's Board of Directors should mail or deliver written recommendations to the Company addressed as follows: Board of Directors, American River Bankshares, 3100 Zinfandel Drive, Suite 450, Rancho Cordova, CA 95670. Each recommendation should include biographical information indicating the background and experience of the candidate that qualifies the candidate for consideration as a director for evaluation by the Board of Directors. In addition to minimum standards of independence for non-employee directors and financial literacy, the Board of Directors considers various other criteria including the candidate's experience and expertise, financial resources, ability to devote the time and effort necessary to fulfill the responsibilities of a director and involvement in community activities in the market areas served by the Company that may enhance the reputation of the Company. The Company operates in a highly regulated industry and is subject to the supervision, regulation and periodic examination by state and federal banking regulatory authorities including the Board of Governors of the Federal Reserve System, California Commissioner of Financial Institutions and Federal Deposit Insurance Corporation. Directors of the Company are subject to certain rules and regulations and potential liabilities not otherwise applicable to directors of non-banking organizations. Consequently, evaluation of candidates by the Company's Board of Directors may include more extensive inquiries into personal background information including confirmation of the accuracy and completeness of background information by (a) requiring candidates to complete questionnaires to elicit information of the type required to be disclosed by the Company in reports filed with the Securities and Exchange Commission, Nasdaq, or such state and federal banking regulatory authorities, (b) conducting background investigations by qualified independent organizations experienced in conducting criminal and civil investigatory reviews, and (c) such other personal and financial reviews and analyses as the Board of Directors may deem appropriate in connection with the consideration of candidates. Shareholders who wish to nominate a candidate for election to the Company's Board of Directors, as opposed to recommending a potential nominee for consideration by the Board of Directors, are required to comply with the advance notice and any other requirements of the Company's bylaws, applicable laws and regulations. The Board of Directors may elect to use third parties in the future to identify or evaluate candidates for consideration by the Board of Directors. The Nominating Charter adopted by the Board of Directors is attached to this proxy Statement as Appendix A. The Nominating Committee recommended the slate of Nominees for Election described on page 3.

The Compensation Committee, whose members include Charles D. Fite (Chairman), Roger J. Taylor, D.D.S. Amador S. Bustos, Robert J. Fox and William A. The Loan Committee has the responsibility for establishing loan policy, approving loans which exceed certain dollar limits and reviewing the outside loan review firm's examinations of the loan portfolios. American River Bank's Loan Committee includes Charles D. Fite, Robert J. Fox (Chairman), Roger J. Taylor, D.D.S., Stephen H. Waks, and Philip A. Wright. American River Bank's Loan Committee met thirty (30) times during 2005.

5

During 2005, the Company's Board of Directors held twelve (12) regular meetings. In addition, the Company's Board of Directors held three (3) "executive sessions" which only the non-employee directors attended, each of whom is "independent" as defined under rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002, and applicable Nasdaq Listing Rules. All directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the number of meetings of the committees on which they served.

A majority of the members of the Board of Directors, each of whom is "independent" as defined under applicable rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002, and applicable Nasdaq Listing Rules, has established procedures for receipt and delivery of shareholder communications addressed to the Board of Directors. Any such shareholder communications, including communications by employees of the Company solely in their capacity as shareholders, should be mailed or delivered to the Company addressed as follows: Board of Directors, American River Bankshares, 3100 Zinfandel Drive, Suite 450, Rancho Cordova, CA 95670.

The Company requires members of its Board of Directors to attend the Company's annual meeting of shareholders each year. With the exception of Michael A. Ziegler, all the directors attended the Company's annual meeting of shareholders held in 2005.

Compensation of Directors

The Compensation Committee is responsible for approving and evaluating the directors compensation and plans, including cash, stock and retirement.

The fees paid to non-employee directors of American River Bankshares during 2005 included a retainer of \$600 per month, a base fee of \$300 per month for attendance at board meetings, and a fee of \$200 per month for attendance at committee meetings, other than the Directors Loan Committee of American River Bank whose outside director members received a fee of \$300 for each meeting attended. In addition to the fees received as non-employee directors in connection with the meetings and matters described above, the Chairman of the Board of Directors also received an additional retainer fee of \$400 per month, and the Chairman of the Audit Committee, the Chairman of the Finance and Capital Committee and the Chairman of American River Bank's Directors Loan Committee also received an additional retainer fee of \$200 per month. Fite, Roger J. Taylor, D.D.S., and Stephen H. Waks as participants and applies only to those options granted on August 25, 1995. As of the Record Date, all stock options eligible under this Plan have been exercised. The Plan encouraged participating optionees to retain

6

shares acquired through the exercise of non-statutory stock options by American River Bankshares paying to the participating optionee an amount equal to the taxable income resulting from an exercise of a non-statutory stock option multiplied by American River Bankshares' effective tax rate, subject to the optionee's agreement to hold the shares acquired for a minimum of one (1) year. In the event that the shares acquired upon exercise are not held for at least one year from the date of acquisition, the optionee is required to reimburse the amount paid to the optionee under the Plan. During 2005, Directors Waks, Taylor and former Director Gallina executed agreements in return for payment of \$136,345, \$124,433, and \$183,804, respectively.

Effective December 20, 2001, a Deferred Fee Plan was established for the purpose of providing the directors an opportunity to defer director fees. Participating directors may elect to defer a portion, up to 100%, of their monthly director fees. American River Bankshares bears the administration costs and pays interest on the deferred balances at a rate equal to the five-year U.S. Treasury Bond plus 4.0%, but does not, otherwise, make contributions to the Plan. During 2005, Directors Bustos and Ziegler participated in the Plan and deferred \$23,500.

In January 2003, the Board of Directors approved a Directors Retirement Plan and in June 2004 this plan was replaced with a Director Emeritus Program, whereby each director, upon full retirement from the Company's or an affiliate's Board of Directors, is entitled to receive installment payments over a 24 month

Edgar Filing: AMERICAN RIVER BANKSHARES - Form DEF 14A

period following retirement which are equal to the total Board of Director and Committee fees received by a director for such service during the two full calendar years prior to retirement. The Director Emeritus Program contains a ten-year vesting component. A director vests 10% for each year of service on the Board of Directors of the Company or an affiliate Board of Directors. During 2005, six former directors participated in this Emeritus Program and received payments totaling \$55,705.

- (2) Amounts indicated as bonus payments are listed in the year paid. The amounts listed as paid were earned in the prior year under the Company's Incentive Compensation Plan. See "Board Compensation Committee Report on Executive Compensation" below. Additional amounts accrued in 2005 and paid in 2006 were \$126,863 to Mr. Taber; \$41,687 to Mr. Derenzo; \$30,476 to Mr. Patton; \$24,844 to Mr. Byrne; \$31,173 to Mr. Bender; \$33,863 to Mr. Standing; and \$41,442 to Mr. Tow.
- (3) No executive officer received perquisites or other personal benefits in excess of the lesser of \$50,000 or 10% of each such officer's total annual salary and bonus during 2005, 2004, and 2003.
- (4) Represents the number of shares granted in the year indicated, as adjusted for stock splits and stock dividends. The Company had a 1995 Stock Option Plan (the "1995 Plan") pursuant to which options could be granted to directors and key, full-time salaried officers and employees of the Company and American River Bank. The 1995 Plan was replaced with the Company's 2000 Stock Option Plan (the "2000 Plan"). Options granted under the 1995 Plan were either incentive options or non-statutory options. Options granted under the 1995 Plan became exercisable in accordance with a vesting schedule established at the time of grant. Vesting could not extend beyond

Edgar Filing: AMERICAN RIVER BANKSHARES - Form DEF 14A

ten years from the date of grant. Upon a change in control of the Company, all outstanding options under the 1995 Plan will become fully vested and exercisable. Options granted under the 1995 Plan are adjusted to protect against dilution in the event of certain changes in the Company's capitalization, including stock splits and stock dividends. The 2000 Plan is substantially similar to the 1995 Plan regarding provisions related to option grants, vesting, and dilution. All options granted to the named executive officers have an exercise price equal to the fair market value of the common stock on the date of grant.

- (5) Amounts shown for each named executive officer include 401(k) matching contributions, the use of an automobile owned by the Company, earned but unpaid interest on amounts deferred under the Company's Deferred Compensation Plan, excess life insurance premiums paid by the Company, and amounts accrued pursuant to post-retirement agreements as described under "Employment Contracts and Termination of Employment and Change in Control Agreements" below.

Employment Contracts and Termination of Employment and Change in Control Arrangements

In August 2003, the Company entered into an employment agreement with David T. Taber. The agreement provides for an original term of two years subject to automatic one-year extensions thereafter unless terminated in accordance with the terms of the agreement. The agreement provides for a base salary which is disclosed in the Summary Compensation Table on page 8. The base salary under the agreement is reviewed annually and is subject to adjustment at the discretion of the Board of Directors. Additionally, the agreement provides for, among other things (i) an annual incentive bonus based upon the Company's achievement of certain profitability, growth and asset quality standards as set forth in the agreement; (ii) in the event of disability, payment of base salary reduced by the amounts received from state disability insurance or workers' compensation or other similar insurance benefits through policies provided by the Company; (iii) stock option grants in the discretion of the Board of Directors under the Company's stock option plan; (iv) four weeks annual paid vacation leave; (v) use of an automobile; and (vi) reimbursement for ordinary and necessary expenses incurred in connection with employment. The agreement may be terminated with or without cause, but if the agreement is terminated without cause due to the occurrence of circumstances that make it impossible or impractical for the Company to conduct or continue its business, the loss by the Company of its legal capacity to contract or the Company's breach of the terms of the agreement, the employee is entitled to receive severance compensation equal to six months of the existing base salary plus any incentive bonus due. The agreement further provides that in the event of a "change in control" as defined therein and within a period of two years following consummation of such change in control (i) the employee's employment is terminated; or (ii) any adverse change occurs in the nature and scope of the employee's salary or benefits; or (iii) any event occurs which reasonably constitutes a constructive termination of employment, by resignation or otherwise, then the employee will be entitled to receive severance compensation in an amount equal to eighteen (18) months of the employee's annual base salary, less applicable withholding deductions (in

Edgar Filing: AMERICAN RIVER BANKSHARES - Form DEF 14A

addition to salary, incentive compensation, or other payments, if any, due the employee).

In December 2004, the Company's subsidiary, American River Bank, entered into an employment agreement with Larry D. Standing. The agreement provides for an original term of two years subject to automatic one-year extensions thereafter unless terminated in accordance with the terms of the agreement. The agreement provides for a base salary of \$150,000. The amount earned in 2005 is disclosed in the Summary Compensation Table on page 8. The base salary under the agreement is reviewed annually and is subject to adjustment at the discretion of the Board of Directors. Additionally, the agreement provides for, among other things (i) an annual incentive bonus based upon the Company's achievement of certain profitability, growth and asset

10

quality standards as set forth in the agreement; (ii) in the event of disability, payment of base salary reduced by the amounts received from state disability insurance or workers' compensation or other similar insurance benefits through policies provided by the Company; (iii) stock option grants in the discretion of the Board of Directors under the Company's stock option plan; (iv) four weeks annual paid vacation leave; (v) use of an automobile; and (vi) reimbursement for ordinary and necessary expenses incurred in connection with employment. The agreement may be terminated with or without cause, but if the agreement is terminated without cause due to the occurrence of circumstances that make it impossible or impractical for the Company to conduct or continue its business, the loss by the Company of its legal capacity to contract or the Company's breach of the terms of the agreement, the employee is entitled to receive severance compensation equal to six months of the existing base salary plus any incentive bonus due. The agreement further provides that in the event of a "change in control" as defined therein and within a period of two years following consummation of such change in control (i) the employee's employment is terminated; or (ii) any adverse change occurs in the nature and scope of the employee's salary or benefits; or (iii) any event occurs which reasonably constitutes a constructive termination of employment, by resignation or otherwise, then the employee will be entitled to receive severance compensation in an amount equal to eighteen (18) months of the employee's annual base salary, less applicable withholding deductions (in addition to salary, incentive compensation, or other payments, if any, due the employee).

On March 18, 1998, American River Bank adopted the American River Bank Employee Severance Policy. The Policy allows for certain named employees to receive severance payments equal to six times their monthly base pay should these named employees be terminated within one year of a "change in control." The Board of Directors has designated executive officers Mitchell A. Derenzo, Kevin B. Bender, Gregory N. Patton, Raymond F. Byrne, and Douglas E. Tow to be covered under the Policy.

Recognizing the importance of building and retaining a competent management team, additional agreements were entered into to provide post-retirement benefits to Messrs. Taber, Derenzo, and Tow. The terms of the agreements include the amounts each employee will receive upon the occurrence of certain specified events, including formal retirement on or after a specified age. The agreements generally provide for annual retirement benefit payments of One Hundred Thousand Dollars (\$100,000) to Mr. Taber and Fifty Thousand Dollars (\$50,000) each to Messrs. Derenzo and Tow. The annual retirement benefit amount is payable in equal monthly installments over a fifteen (15) year period. In the event of an employee's death, all remaining amounts due are anticipated to be paid to the employee's designated beneficiary over the remaining payout period. Other events which may alter when payment of the annual retirement benefit is to begin, or the amount which is to be paid, include: (a) disability prior to

Edgar Filing: AMERICAN RIVER BANKSHARES - Form DEF 14A

retirement in which case the employee shall be entitled to a lesser benefit payment amount based upon the length of employment; and (b) termination following a "change of control," in which case the employee is entitled to receive the annual benefit payment in equal monthly installments for fifteen (15) years beginning in the month following the termination or "change of control" equal to Sixty-Four Thousand Nine Hundred and Seventy Dollars (\$64,970) for Mr. Taber and Thirty-Two Thousand Four Hundred and Eighty-Five Dollars (\$32,485) each for Messrs. Derenzo and Tow. The expense recognized under these arrangements totaled \$31,000 for the year ended December 31, 2005. The Company purchased insurance policies in connection with these agreements on the lives of Messrs. Taber, Derenzo, and Tow paying the premiums for these insurance policies with a lump-sum premium payment of approximately \$954,100. Income earned by the Company on these policies, net of expenses, totaled \$38,000 for the year ended December 31, 2005.

In 2003, Bank of Amador and Larry Standing entered into a Director retirement agreement. This agreement was assumed by the Company in conjunction with the Company's acquisition of Bank of Amador in December 2004. The agreement provides annual retirement benefits or service compensation in the amount of \$18,000 per year after Mr. Standing's retirement from the Company. Under the agreement, such benefits will also be accelerated and be paid upon a "change of control" of the Company. The annual retirement benefit amount is payable in equal monthly installments over a ten (10) year period. In the event Mr. Standing dies or is disabled, the agreement provides for the payment of benefits corresponding to specified amounts accrued for the retirement benefits described above. The expense recognized under these arrangements totaled \$26,000 for the year ended December 31, 2005. In connection with the implementation of this agreement, the Company invested \$164,000 in a single premium life insurance policy which policy had an aggregate cash surrender value of \$180,000 at December 31, 2005. On the balance sheet, the cash surrender value is included in other assets. Income earned by the Company on this policy, net of expenses, totaled \$6,000 for the year ended December 31, 2005.

11

In 2004, Bank of Amador and Larry Standing entered into a Salary Continuation Agreement. This agreement was assumed by the Company in conjunction with the Company's acquisition of Bank of Amador in December 2004. The agreement provides annual retirement benefits or service compensation in the amount of \$32,000 per year after Mr. Standing's retirement from the Company. Under the agreement, such benefits will also be accelerated and be paid upon a "change of control" of the Company. The annual retirement benefit amount is payable in equal monthly installments over a ten (10) year period. In the event of Mr. Standing's death, amounts due are anticipated to be paid to the employee's designated beneficiary in a lump sum based on a split dollar agreement. Other events which may alter when payment of the annual retirement benefit is to begin, or the amount which is to be paid, include: (a) disability prior to retirement in which case the employee shall be entitled to a lesser benefit payment amount based upon the length of employment; and (b) termination following a "change of control," in which case the employee is entitled to receive a lump sum benefit payment amount based upon the length of employment. The expense recognized under this arrangement totaled \$56,000 for the year ended December 31, 2005. In connection with the implementation of this agreement, the Company invested \$200,000 in a single premium life insurance policy which policy had an aggregate cash surrender value totaling \$214,000 at December 31, 2005. On the balance sheet, the cash surrender value is included in other assets. Income earned by the Company on this policy, net of expenses, totaled \$8,000 for the year ended December 31, 2005.

Deferred Compensation Plans

Effective May 1, 1998, the American River Bank Deferred Compensation

Edgar Filing: AMERICAN RIVER BANKSHARES - Form DEF 14A

Plan was established for the purpose of providing certain highly compensated individuals, which includes the executive officers, an opportunity to defer compensation. Participants, who are selected by a committee designated by the Board of Directors, may elect to defer annually a minimum of \$5,000 or a maximum of eighty percent of their base salary and all of their cash bonus. American River Bank bears all administration costs, but does not make contributions to the plan. Effective December 20, 2000, the Deferred Compensation Plan was renamed the American River Bankshares Deferred Compensation Plan and beginning January 1, 2001, the Company now bears the administration costs for participants that are employed by the Company and American River Bank bears the costs for participants that are employed by American River Bank. The Deferred Compensation Plan requires the Company and American River Bank to pay interest on the deferred balances at a rate equal to the five-year U.S. Treasury Bond plus 4.0%. In addition, the executive officers are eligible to participate in the Company's 401(k) Plan. Under the 401(k) Plan, the Company matches salary deferrals at a rate of 100% of the participant's contributions up to 3% of such participant's annual compensation plus 50% of the next 2% of annual compensation.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The compensation of the executive officers of American River Bankshares is reviewed and approved annually by the Board of Directors on recommendation by the Compensation Committee. During 2005, Charles D. Fite (Chairman), Roger J. Taylor, D.D.S., Amador S. Bustos, Robert J. Fox and William A. Robotham served as members of the Compensation Committee. Each such member of the Committee is "independent" as defined under applicable rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002, and applicable Nasdaq Listing Rules. Mr. Taber was not present during the Compensation Committee voting or deliberations regarding his compensation as required by applicable Nasdaq Listing Rules. David T. Taber, Mitchell A. Derenzo, Raymond F. Byrne, Gregory N. Patton, Larry D. Standing, Kevin B. Bender, and Douglas E. Tow served as executive officers of American River Bankshares during 2005 in the capacities reflected in the Summary Compensation Table.

The Compensation Committee's philosophy is that compensation should be designed to reflect the value created for shareholders while supporting American River Bankshares' strategic goals. The Compensation Committee reviews annually the compensation of the executive officers to insure that American River Bankshares' compensation programs are related to financial performance and consistent generally with employers of comparable size in the industry. Annual compensation for American River Bankshares' executive officers includes the following components:

1. Base salary is related to the individual executive officer's level of responsibility and comparison with comparable employers in the industry.

2. Executive officers are eligible to participate in the American River Bankshares Executive Annual Incentive Plan (the "Incentive Plan"). The Incentive Plan is designed to promote exemplary performance and enhance shareholder value by focusing the executives on key performance metrics and providing rewards for excellent performance as measured by those metrics. The Incentive Plan outlines performance metrics and targets, which include performance, growth, and asset quality minimums. These metrics have minimums and corresponding weights which impact potential payout. The actual amounts accrued in 2005 were paid in March 2006, and are included in footnote 2 to the Summary Compensation Table on page 8.

Edgar Filing: AMERICAN RIVER BANKSHARES - Form DEF 14A

3. Stock option grants are intended to increase the executive officers' interest in American River Bankshares' long-term success and link interests of the executive officer with those of shareholders as measured by American River Bankshares' share price. Stock options are granted at the discretion of the Board of Directors and at the fair market value of American River Bankshares common stock on the date of grant. Consequently, the value of the options is directly connected to the increase in value of American River Bankshares' stock price. See the Summary Compensation Table, Option/SAR Grant Table, and Option/SAR Exercise Table, and notes thereto for a further description of stocks options.

4. American River Bankshares matches salary deferred by employees participating in its 401(k) Plan at a rate equal to 100% of the participant's contribution up to 3% of such participant's annual compensation plus 50% of the next 2% of annual compensation. Executive officers are eligible to participate in the 401(k) plan. See the Summary Compensation Table for further information regarding 401(k) Plan deferrals and matching contributions.

There were no business relationships during 2005 of the type requiring disclosure under Item 404(b) of Regulation S-K.

Indebtedness of Management

American River Bankshares, through American River Bank, has had, and expects in the future to have banking transactions in the ordinary course of its business with many of American River Bankshares' directors and officers and their associates, including transactions with corporations of which such persons are directors, officers or controlling shareholders, on substantially the same terms (including interest rates and collateral) as those prevailing for comparable transactions with others. Management believes that in 2005 such transactions comprising loans did not involve more than the normal risk of collectability or present other unfavorable features. Loans to executive officers of American River Bankshares and American River Bank are subject to limitations as to amount and purposes prescribed in part by the Federal Reserve Act, as amended, and the regulations of the Federal Deposit Insurance Corporation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors, executive officers and any persons beneficially owning ten percent or more of the Company's common stock to timely file initial reports of ownership and reports of changes in that ownership with the Securities and Exchange Commission. Such persons are required by Securities and Exchange Commission regulation to send copies of such reports to the

Edgar Filing: AMERICAN RIVER BANKSHARES - Form DEF 14A

Company. To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2005, the Company believes all such filing requirements applicable to its directors, executive officers and ten percent shareholders were met.

CODE OF ETHICS

The Company has adopted a Code of Ethics that complies with the rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002 and applicable Nasdaq Listing Rules. The Code of Ethics requires that the Company's directors, officers (including the principal executive, financial and accounting officers, or controller and persons performing similar functions) and employees conduct business in accordance with the highest ethical standards and in compliance with all laws, rules and regulations applicable to the Company. The Code of Ethics is intended to supplement the provisions of any other personnel policies of the Company or codes of conduct which may establish additional standards of ethical behavior applicable to the Company's directors, officers and employees.

15

The Code of Ethics was filed as Exhibit 14.1 to the Company's 2003 Annual Report on Form 10-K and may be accessed through the Company's website by following the instructions for accessing reports filed with the Securities and Exchange Commission hereafter in this proxy Statement under the heading "Website" or is available, free of charge, upon written request to Mitchell A. Derenzo, American River Bankshares, 3100 Zinfandel Drive, Suite 450, Rancho Cordova, CA 95670.

PROPOSAL NO. 2 RATIFICATION OF THE SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

The accounting firm of Perry-Smith LLP, certified public accountants, served the Company as its independent public accountant and auditor for the 2005 fiscal year at the direction of the Audit Committee and the Board of Directors of the Company. Perry-Smith LLP has no interests, financial or otherwise, in the Company. The services rendered by Perry-Smith LLP during the 2005 fiscal year were audit services, consultation in connection with various accounting matters, and preparation of the Company's income tax returns.

The table below summarizes the services rendered to the Company by Perry-Smith LLP during and for the 2005 and 2004 fiscal years.

	2005	2004
	-----	-----
Audit Fees (1)	\$ 162,480	\$ 103,725
Audit-Related Fees (2)	\$ 4,500	\$ 15,125
Tax Fees (3)	\$ 20,825	\$ 29,270
All Other Fees (4)		\$ 600
Total Accounting Fees	\$ 187,805	\$ 148,720

- (1) Audit fees consisted of services rendered by Perry-Smith LLP for the audit of the Company's consolidated financial statements included in the Annual Report on Form 10-K and for reviews of the financial statements included in the Company's quarterly reports on Form 10-Q for fiscal years 2005 and

Edgar Filing: AMERICAN RIVER BANKSHARES - Form DEF 14A

2004, including auditing of the Bank of Amador acquisition.

- (2) Audit-related fees represent fees for professional services such as technical accounting, consulting, and research.
- (3) Tax fees consisted principally of services rendered by Perry-Smith LLP for assistance relating to tax compliance and reporting for fiscal years 2005 and 2004.
- (4) All other fees consist primarily of consulting services.

The Audit Committee approved each professional service rendered by Perry-Smith LLP during the 2005 and 2004 fiscal years and considered whether the provision of such services is compatible with Perry-Smith LLP maintaining its independence. The approval of such professional services included pre-approval of all audit and permissible non-audit services provided by Perry-Smith LLP. These services included audit, tax and other services described above. The Audit Committee Charter attached as Appendix B includes a policy of pre-approval of all services provided by the Company's independent public accountants. The Audit Committee approved one hundred percent (100%) of all such professional services provided by Perry-Smith LLP during the 2005 and 2004 fiscal years. It is anticipated that one or more representatives of Perry-Smith LLP will be present at the Meeting and will be able to make a statement if they so desire and answer appropriate questions.

The Board of Directors has selected Perry-Smith LLP to serve as the Company's independent public accountants for the year 2006 and recommends that shareholders vote "FOR" the ratification of the selection of Perry-Smith LLP. The ratification of the selection of Perry-Smith LLP as the Company's independent public accountants requires approval of a majority of the total number of shares voting at the Meeting. In the event such selection is not ratified, the adverse vote will be deemed to be an indication to the Board of Directors that it should consider selecting other independent public accountants for 2006. Because of the difficulty and expense of making any substitution of accounting firms after the beginning of the current year, it is the intention of the Board of Directors that the selection of Perry-Smith LLP for the year 2006 will remain in effect; however, the Board of Directors also retains the power to select another independent public accounting firm to replace the accountants ratified by the shareholders in the event the Board of Directors determines that the interests of the Company and its shareholders require such a change.

The Company's independent public accountants report directly to the Committee. The written Audit Committee charter adopted by the Board of Directors is attached to this proxy Statement as Appendix B.

The Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2005 with management and Perry-Smith LLP, the Company's independent public accountants. The Committee has also discussed with Perry-Smith LLP, the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards) as may be modified or supplemented. The Committee has also received the letter from Perry-Smith LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) as may be modified or supplemented, and the Committee has discussed the independence of Perry-Smith LLP with that firm.

Based on the Committee's review and discussions noted above, the Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.
