The following constitutes Amendment No. 2 to the Schedule 13D filed by Keefe Managers, LLC ("Keefe") with the Securities and Exchange Commission (the "SEC") on November 30, 2005 (the "Original Filing"), as previously amended by Amendment No. 1 filed by Keefe with the SEC on March 16, 2006 ("Amendment No. 1").

Item 1. Security and Issuer.

This statement relates to shares of the common stock, \$.01 par value per share (the "Common Stock"), of Federal Trust Corporation (the "Issuer"). The principal executive offices of the Issuer are located at 312 W. 1st Street, Sanford, Florida 32771.

Item 4. Purpose of the Transaction.

Keefe purchased the Shares based on its belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to Keefe and the availability of Shares at prices that would make the purchase of additional Shares desirable, Keefe may increase its position in the Issuer through, among other things, the purchase of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Keefe may deem advisable in its sole discretion.

Keefe has no present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D, except as set forth herein or such as would occur upon completion of any of the actions discussed herein.

On November 28, 2005, Keefe sent a letter to the Board of Directors of the Issuer regarding a request that the Board of Directors consider the appointment or the nomination for election of Robert B. Goldstein to the Issuer's Board of Directors not later than the Issuer's 2006 annual meeting of shareholders (the "Annual Meeting") and, if such request was denied, Keefe's reservation of its rights to take any actions necessary to assure that the shareholders would have the right to consider the candidacy of Mr. Goldstein, including directly nominating him for director in accordance with the Issuer's established procedures and engaging in a proxy campaign. A copy of this letter was attached as an exhibit to the Original Filing.

On March 16, 2006, Keefe sent a letter to the Board of Directors of the Issuer regarding a request that the Board of Directors again consider the nomination for election of Robert B. Goldstein to the Issuer's Board of Directors at the Annual Meeting and, if such request is denied, Keefe's intention to nominate him for director in accordance with the Issuer's established procedures, which might result in Keefe engaging in a proxy campaign. A copy of this letter was attached as an exhibit to Amendment No. 1.

3

On April 12, 2006, Keefe filed a preliminary proxy statement with the SEC relating to the solicitation of proxies in connection with the Annual Meeting, in which Keefe seeks support from the Issuer's shareholders (i) to elect Robert B. Goldstein to the Issuer's board of directors and (ii) to approve an amendment to the Issuer's Amended and Restated Bylaws (the "Bylaw Amendment") that would prohibit any person who has been the subject of a cease and desist

Edgar Filing: FEDERAL TRUST CORP - Form SC 13D/A

order issued by any federal bank regulatory agency or who has paid or been subject to a civil money penalty imposed by a federal bank regulatory agency for personal or professional conduct involving a banking institution insured by the Federal Deposit Insurance Corporation from being elected as a director of the Issuer. Keefe intends to solicit proxies from shareholders of the Issuer in favor of these proposals.

Keefe caused formal notices dated April 21, 2006 to be delivered to the Issuer (the "Notices") for the purposes of nominating Mr. Goldstein for election as a director of the Issuer at the Annual Meeting and proposing that the shareholders of the Issuer consider the Bylaw Amendment at the Annual Meeting. A copy of the Notices are attached hereto as Exhibit 1 and 2 and incorporated herein by reference.

Keefe intends to review its investment in the Issuer on a continuing basis and may engage in discussions with management and the Board of Directors of the Issuer concerning the business, operations, corporate governance and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial position and strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, Keefe may in the future take such actions with respect to its investment in the Issuer as it deems appropriate including, without limitation, communicating privately or publicly with other shareholders, the Issuer's Board of Directors or other persons, seeking additional Board representation, making proposals to the Issuer concerning the capitalization and operations of the Issuer, purchasing additional Shares or selling some or all of the Shares or changing its intention with respect to any and all matters referred to in this Item 4.

Item 7. Material To Be Filed As Exhibits.

Exhibit 1. Notice dated April 21, 2006 to the Issuer for the purpose of nominating Mr. Goldstein for election as a director of the Issuer at the Annual Meeting.

Exhibit 2. Notice dated April 21, 2006 to the Issuer for the purpose of proposing that the shareholders of the Issuer consider the Bylaw Amendment at the Annual Meeting.

SIGNATURE

After reasonable inquiry and to the best of the undersigned's knowledge and belief, the undersigned certifies that the information set forth in this Amendment No. 2 is true, complete and correct.
