Item
4. PURPOSE OF TRANSACTION

Item 4 of the Schedule 13D is hereby supplemented as follows:

Effective as of June 27, 2014, the Issuer entered into a securities purchase agreement (the "Purchase Agreement") with the Fund and certain other investors (collectively, the "Buyers") and closed the issuance and sale to the Buyers of \$18.0 million in aggregate principal amount of its subordinated secured convertible notes (the "Notes") and new series of preferred stock (the "Preferred Stock").

In the Purchase Agreement, the Issuer has agreed, among other things, to seek stockholder approval within 90 days to effect a reverse stock split.

The Notes will be convertible into shares of Common Stock, at any time, in whole or in part, at the option of the holders at a fixed conversion price, initially set at \$0.35, which shall be subject to adjustment for stock splits, combinations or similar events and subsequent dilutive issuances during the term of the Notes. Interest on the Notes will accrue at 7.5% per annum payable quarterly in arrears. At the option of the Issuer, subject to the terms of the Subordination Agreement (as defined below), the Issuer may make cash payments of the quarterly interest amounts at the discounted rate of 6.75% per annum. If the Issuer does not exercise the option to pay cash interest, the applicable quarterly interest payment will be made in kind by increasing the principal amount due under the Notes by an amount equal to the quarterly interest amount of 7.5% per annum. A default interest rate of 20% may apply upon the occurrence and continuance of an event of default. A late charge of 20% of any overdue amount shall apply if the Issuer fails to pay amounts due under the Notes when due.

The Notes will be guaranteed by the Issuer's subsidiaries and will enjoy a second lien against the Issuer's assets and will be junior only to liens of senior debt and certain permitted liens. All amounts under the Notes will be due and payable in cash on the third anniversary of the issuance of the Notes if not converted or redeemed earlier.

The Notes may not be converted if, after giving effect to the conversion, any Buyer together with its affiliates, would beneficially own in excess of 9.99% of the number of shares of the outstanding Common Stock immediately after giving effect to such conversion.

The Notes will contain certain covenants and restrictions and will be subject to various events of default, including, among others, failure to pay principal or interest on the Notes or comply with certain covenants under the Notes and cross-defaults to other material indebtedness. After certain senior indebtedness has been paid in full, the Notes will also contain events of default for failure by the Issuer to comply with its obligations to

reserve Common Stock for any conversions of the Notes, convert the Notes on register the Common Stock issuable upon such conversion. Upon a change of control of the Issuer, the holders may require the Issuer to redeem the Notes at a redemption price equal to the greater of (i) 107.5% of the principal amount of the Notes being redeemed and (ii) the market value of shares such holder would be entitled to receive if its Notes were converted into Common Stock.

CUSIP No. 09689U102 SCHEDULE 13D/A Page 10 of 13 Pages

On June 27, 2014, the Issuer filed a Certificate of Designations to designate the number, rights, preferences and privileges of shares of 16 new series of Preferred Stock—Series A-1 through A-3 Preferred Stock (the “Series A Preferred Stock”) and Series B-1 through B-13 Preferred Stock (the “Series B Preferred Stock”). The Issuer will authorize and issue one share of each series of Preferred Stock. The Fund was issued one share of Series A-1 Preferred Stock and one share of Series B-1 Preferred Stock.

Each share of Series A Preferred Stock will give its holder the right to elect a director to the board of directors of the Issuer (the “Board”). The Fund elected Erica Niemann to the Board effective as of the Closing (as defined below). Among other things, each share of Series B Preferred will give its holder the right to vote the shares of Common Stock underlying such holder’s Note on an as-converted basis. Shares of Series A Preferred are not transferable (other than to affiliates) and shares of Series B Preferred may only be transferred in conjunction with the Note held by such Buyer.

In connection with Purchase Agreement, the Issuer entered into a Registration Rights Agreement with the Buyers providing for the registration by the Issuer of the shares of the Common Stock issuable upon conversion of the Notes (“Registrable Securities”).

The Issuer will be obligated to file a registration statement within 20 calendar days from the closing of the issuance of the Notes (the “Closing”) and to use its reasonable best efforts to cause the registration statement to become effective within 90 calendar days from the date the registration statement is filed and maintain the effectiveness of such registration statement until all of the shares registered thereunder may be freely transferred by the Buyers or the Buyers have sold all of the shares covered by such registration statement. In the event that the registration statement does not cover all of the Registrable Securities, the Issuer will be obligated to file additional registration statements. The Issuer will be subject to certain obligations if the Issuer (i) fails to file the registration statement within the agreed upon time period, (ii) fails to have the registration statement declared effective on or before the agreed upon date or (iii) fails to maintain the effectiveness of the registration statement or fails to meet certain other maintenance obligations. If the Issuer fails to meet its obligations as described in the previous sentence, it will be required to pay liquidated damages equal to 2% of the purchase price of the Registrable Securities relating to such registration statement upon the occurrence of the failure and for each 30 calendar day period during which such failure is continuing, with such liquidated damages being capped at 15% of the aggregate purchase price of the Registrable Securities.

The foregoing descriptions of the Purchase Agreement, the Notes, the Certificate of Designations, and the Registration Rights Agreement are summaries, and are qualified in their entirety by reference to such documents, which are filed as Exhibits 10.1, 4.1, 4.2, and 4.3 respectively, to the Issuer’s Current Report on Form 8-K filed with the Securities and Exchange Commission on June 30, 2014 (the “8-K Filing”), and are incorporated herein by reference.

The agent and the lenders party to that certain Credit Agreement, dated February 6, 2014, with Body Central Stores, Inc., Body Central Direct, Inc., and Body Central Services, Inc. and the Issuer entered into an intercreditor and subordination agreement (the "Subordination Agreement") with the Fund, as agent for the Buyers, under which payments and other obligations under the Notes, and the liens securing such obligations, are subordinated to the prior right of payment and performance of all obligations owed the Agent and the Lenders under the Credit Agreement and the liens securing such obligations.

CUSIP No. 09689U102 SCHEDULE 13D/A Page 11 of 13 Pages

The foregoing description of the Subordination Agreement is a summary, and is qualified in its entirety by reference to such document, which is filed as Exhibits 10.3 to the 8-K Filing, and is incorporated herein by reference.

The Reporting Persons filed Amendment No. 1 together with certain of the other Buyers and their affiliates (the “Other Reporting Persons”) as they may have previously been deemed to be a group with such Other Reporting Persons. As a result of the closing of the transactions contemplated by the Purchase Agreement, there is no longer any argument that the Reporting Persons could be deemed to be a group with the Other Reporting Persons. The Reporting Persons expressly disclaim membership in a group with the Other Reporting Persons or any other person.

Item 5. INTEREST IN SECURITIES OF THE ISSUER

Item 5 of the Schedule 13D is hereby amended and restated as follows:

See rows (11) and (13) of the cover pages to this Schedule 13D for the aggregate number of Common Stock and percentage of Common Stock beneficially owned by each of the Reporting Persons. Percentages of the shares of Common Stock outstanding reported in this Statement are calculated based upon 16,654,550 shares of Common Stock outstanding as of June 27, 2014 as provided in the Purchase Agreement and assumes the conversion of the reported Notes. As disclosed in Item 4, the Notes may not be converted if, after giving effect to the conversion, any Buyer together with its affiliates, would beneficially own in excess of 9.99% of the number of shares of the outstanding Common Stock immediately after giving effect to such conversion.

(a)

The Reporting Persons filed Amendment No. 1 together with the Other Reporting Persons as they may have previously been deemed to be a group with such Other Reporting Persons. As a result of the closing of the transactions contemplated by the Purchase Agreement, there is no longer any argument that the Reporting Persons could be deemed to be a group with the Other Reporting Persons. The Reporting Persons expressly disclaim membership in a group with the Other Reporting Persons or any other person.

(b) See rows (7) through (10) of the cover pages to this Schedule 13D for the number of shares of Common Stock as to which each Reporting Person has the sole or shared power to vote or direct the vote and sole or shared power to dispose or to direct the disposition.

(c) Except as set forth herein, none of the Reporting Persons have effected any transaction in the Issuer’s stock during the past 60 days.

(d) No person is known by the Reporting Person to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, any shares of Common Stock beneficially owned by the Reporting Person.

(e) Not applicable.
