A copy of the Company's 2009 Annual Report on Form 10-K including financial state-ments for the years ended August 31, 2009 and 2008, is being mailed to all shareholders herewith. Except for any portion of the Form 10-K which is specifically incorporated by reference into this Proxy Statement, the Form 10-K is not to be regarded as proxy solicitation material or as a communication by means of which any solicitation is being made. THE COMPANY WILL PROVIDE ANY SHAREHOLDER WITH A COPY OF ANY EXHIBIT TO THE FORM 10-K/A PURSUANT TO THE REQUEST PROCEDURE DESCRIBED IN THE FORM 10-K.

INFORMATION CONCERNING SOLICITATION AND VOTING

The following information is provided to shareholders to explain the use of this Proxy Statement for this Meeting:

RECORD DATE

Only shareholders of record at the close of business on December 15, 2009 are entitled to vote at the Meeting. The Company's Common Stock is its only class of voting securities. As of December 15, 2009, the Company had issued and outstanding 15,681,460 shares of Common Stock of record.

REVOCABILITY OF PROXIES

A PROXY FOR USE AT THE MEETING IS ENCLOSED. ANY STOCKHOLDER WHO EXECUTES AND DELIVERS A PROXY HAS THE RIGHT TO REVOKE IT AT ANY TIME BEFORE ITS EXERCISE BY FILING WITH THE SECRETARY OF THE COMPANY AN INSTRUMENT REVOKING IT OR A DULY EXECUTED PROXY BEARING A LATER DATE. IN ADDITION, A STOCKHOLDER MAY REVOKE A PROXY PREVIOUSLY EXECUTED BY ATTENDING THE MEETING AND ELECTING TO VOTE IN PERSON.

VOTING AND SOLICITATION

Proxies are being solicited by the Board of Directors of the Company. The cost of this solicitation will be borne by the Company. Solicitation will be primarily by mail, but may also be made by telephone, fax transmission or personal contact by certain officers and directors of the Company, who will not receive any compensation therefore. Shares of Common Stock represented by properly executed proxies will, unless such proxies have been previously revoked, be voted in accordance with the instructions indicated thereon. IN THE ABSENCE OF SPECIFIC INSTRUCTIONS TO THE CONTRARY, PROPERLY EXECUTED PROXIES WILL BE VOTED FOR EACH OF THE PROPOSALS DESCRIBED ABOVE. No business other than that set forth in the accompanying Notice of Annual Meeting of Shareholders is expected to come before the Meeting. Should any other matter requiring a vote of shareholders properly arise, the persons named in the enclosed form of proxy will vote such proxy in accordance with the recommendation of the Board of Directors.

Each share of Common Stock is entitled to one vote for each share held as of record, and there are no preemptive rights. The law of the state of California and the Company's current Certificate of Incorporation (the "Certificate of Incorporation") and Bylaws do provide for cumulative voting for the election of directors or any other purpose.

The effect of cumulative voting is that the holders of a majority of the noutstanding shares of Common Stock may not be able to elect all of the Company's directors. No shareholder will be entitled to cumulate votes for a candidate, however, unless that candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the meeting, prior to the voting, of an intention to cumulate votes. A favorable vote consists of a simple majority of the shares entitled to vote at the meeting. The Company believes that as of December 15, 2009, the approximate number of shareholders of record of its common stock was 58 and that there were approximately 1424 beneficial owners. This includes shares held in nominee or "street" accounts.

Only shareholders of record at the close of business on December 15, 2009, will be entitled to vote at the meeting. On December 15, 2009, there were 15,681,460 shares of the Common Stock issued and outstanding. Shareholders are entitled to one vote per share on all matters being submitted to shareholders at the meeting, other than with respect to the election of directors, for which cumulative voting is currently required under certain circumstances by applicable provisions of California Law. Under cumulative voting, each shareholder may give any one candidate whose name is placed in nomination prior to the commencement of voting a number of votes equal to the number of directors to be elected, multiplied by the number of votes to which the shareholder's shares are normally entitled, or distribute such number of votes among as many candidates as the shareholder sees fit.

The Board of Directors knows of only two shareholders who owned more than five percent of the outstanding voting securities of the Company as of the record date: Walter S. Woltoz and Virginia E. Woltoz. See "Beneficial Ownership of Common Stock."

QUORUM; ABSTENTIONS; BROKER NON-VOTES

Shares representing 50% of the voting power of the 15,681,460 shares of Common Stock outstanding on the Record Date, which have voting rights, must be represented at the Meeting to constitute a quorum for conducting business. In the absence of a quorum, the shareholders present in person or by proxy, by majority vote and without further notice, may adjourn the meeting from time to time until a quorum is attained. At any reconvened meeting following such adjournment at which a quorum shall be present, any business may be transacted which might have been transacted at the Meeting as originally notified.

The required quorum for the transaction of business at the Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted "FOR" or "AGAINST" a matter are treated as being present at the Meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Meeting (the "Votes Cast") with respect to such matter.

The Company will count abstentions for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business, and (ii) the total number of Votes Cast with respect to a proposal (other than the election of directors). Accordingly, abstentions will have the same effect as a vote against the proposal.

Further, the Company intends to count broker non-votes for the purpose of determining the presence or absence of a quorum for the transaction of business, although broker non-votes will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Thus, a broker non-vote will not affect the outcome of the voting on a proposal.

DEADLINE FOR RECEIPT OF SHAREHOLDER PROPOSALS

Proposals of shareholders of the Company that are intended to be presented by such shareholders at the Company's next Annual Meeting of Shareholders for the fiscal year ending August 31, 2010, must be received by the Company no later than August 20, 2010, in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

COMPANY STOCK PRICE PERFORMANCE

The graph below compares the cumulative total shareholder return on the Common Stock of the Company from the last day of the first month of trading of the Company's Common Stock from August 31, 2000 to August 31, 2009 with the cumulative total return on the Russell 2000 Index, and the S&P 600 Small Cap Index (assuming the investment of \$100 in the Company's Common Stock and in each of the indices on August 31, 2000, and reinvestment of all dividends).

INFORMATION RELATING TO VARIOUS PROPOSALS

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors acts as a whole in determining the persons to be nominated as members of the Board of Directors. The Board of Directors identifies, screens and reviews potential directors for nominees for election to the Board at the Annual Meeting and candidates to fill any vacancies on the Board. When considering a potential candidate for membership on the Company's Board, the Board of Directors considers relevant business and industry experience and demonstrated character and judgment. The Board of Directors has not received any recommended nominations from any of the Company's shareholders in connection with this Annual Meeting.

INFORMATION REGARDING NOMINEES

The Board of Directors has nominated the persons named below for election as directors of the Company to serve until the next Annual Meeting of Shareholders and until their successors are duly elected and qualified.

In order to be elected as a director, a nominee will have to receive a majority of the votes cast for that nominee, assuming a quorum (which consists of a majority of the shares entitled to vote at the meeting) is present at the meeting. See "Voting," above.

At the time of the Annual Meeting, the Board of Directors will consist of five incumbent members who are seeking to be elected at the meeting to hold office until the next meeting of shareholders and until their successors are elected and qualified. The Company's Bylaws presently provide for a Board of no less than three and no more than five directors, with the number of directors currently fixed at five.

Walter S. Woltosz, Virginia E. Woltosz, Dr. David Z. D'Argenio, Dr. Richard R. Weiss, and H. Wayne Rosenberger, all of whom are incumbent directors, have been nominated by the Board of Directors for election as directors of the Company. All of the nominees have informed the Company that they are willing to serve, if elected, and management has no reason to believe that any of the nominees will be unavailable. In the event a nominee for director should become unavailable for election, the persons named in the proxy will vote for the election of any other person who may be recommended and nominated by the Board for the office of director. EXECUTIVE COMPENSATION

The goal of our named executive officer compensation program is the same as our goal for operating the company - to create long-term value for our shareholders. Toward this goal, we have designed and implemented our compensation programs for our named executives to reward them for sustained financial and operating performance and leadership excellence, to align their interests with those of our shareholders and to encourage them to remain with the company for long and productive careers. Most of our compensation elements simultaneously fulfill one or more of our performance, alignment and retention objectives. These elements consist of salary and annual bonus, equity incentive compensation, and 401(k) matching retirement benefits. In deciding on the type and amount of compensation for each executive, we focus on both current pay and the opportunity for future compensation. We combine the compensation elements for each executive in a manner we believe optimizes the executive's contribution to the company.

DETERMINING COMPENSATION. We rely on our judgment in making compensation decisions, after reviewing the performance of the company and carefully evaluating an executive's performance during the year against established goals, leadership qualities, operational performance, business responsibilities, career with the company, current compensation arrangements and long-term potential to enhance shareholder value.

The following table sets forth certain information concerning compensation paid or accrued for the fiscal year ended August 2009, 2008 and 2007 by the Company to or for the benefit of the Company's CEO/President, Chief Financial Officer, Vice President, Sales and Marketing, and President of our Words+, Inc. - subsidiary (the "named executive officers"). For the fiscal year ended August 2009, no other executive officers of the Company received total annual compensation for the fiscal year ended August 31, 2009, 2008 and 2007 that exceeded \$100,000.

EMPLOYMENT AND OTHER COMPENSATION AGREEMENTS

The Board of Directors renewed its employment agreement with Walter Woltosz commencing September 1, 2007 for two years. The agreement provided for an annual salary of \$250,000. Pursuant to such agreement, Mr. Woltosz was entitled to such health insurance and other benefits that are not inconsistent with that which we customarily provide to our other management employees and to reimbursement of customary, ordinary and necessary business expenses incurred in connection with the rendering of services to the Company. The agreement also provides that we may terminate the agreement without cause upon 30 days written notice, and that our only obligation to Mr. Woltosz would be for a payment equal to the greater of (i) 12 months of salary or (ii) the remainder of the term of the employment agreement from the date of notice of termination. Further, the agreement provides that we may terminate the agreement for cause (as defined) and that our only obligation to Mr. Woltosz would be limited to the payment of Mr. Woltosz' salary and benefits through and until the effective date of any such termination.

As part of the agreement with the original underwriter and as partial compensation for the sale of Words+ to Simulations Plus in 1996, commencing with our fiscal year ending 1997 and for each fiscal year thereafter, Walter and Virginia Woltosz are entitled to receive bonuses not to exceed \$150,000 and \$60,000, respectively, equal to 5% of our net annual income before taxes. However, under the new agreement, effective as of September 1, 2007, at his request, Walter Woltosz will receive no bonus. The bonus to Virginia Woltosz remains the same. The Company's net income before taxes for FY09 was \$2,026,660, thus we accrued a bonus in the total amount of \$60,000 for Virginia Woltosz. This bonus was due and payable within 10 days after the filing of the annual report, and was paid on December 13, 2009.

The Compensation Committee renewed its employment agreement with Walter Woltosz commencing September 1, 2009 for two years. The agreement provided for; 1) a base salary of \$275,000 per year, 2) options to purchase 50 shares of Common Stock for each \$1,000 of net income before taxes at the end of each fiscal year (up to a maximum of 120,000 options – to be adjusted for stock split or reverse split) over the term of agreement, and 3) Bonus not to exceed 10% of salary, or \$27,500 per year. The specific amount of the bonus will be determined by the Compensation Committee.

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of the Company's compensation program is to attract and retain talented and dedicated professionals to manage and execute the Company's strategic plans and tactical operations. Although the Company's salaries have been and remain significantly lower than those of similar public companies, management and the board of directors believe that the award of options has fairly rewarded loyal, long-term employees who have contributed to the Company's growth and financial success.

The CEO's compensation is determined by the Compensation Committee as described below under Employment and Other Compensation Agreements. The salaries of all other officers are determined by the CEO and the Compensation Committee together. Option grants are determined by the CEO and CFO with the approval of the board of directors.

The CEO's bonus has been determined from the original underwriting agreement and carried forward in subsequent employment agreements through the end of fiscal year 2007. Beginning on September 1, 2007 (fiscal year 2008) the CEO's employment contract was renewed without an annual bonus, at his request and with the agreement of the Compensation Committee. Effective as of September 1, 2009, the CEO's employment contract was renewed by the Compensation Committee, and reported in the Company's 10K as an exhibit.

Bonuses for all other employees are determined through a calculation of two factors, one for longevity and one for performance, with the greater emphasis on performance. Supervisors provide an evaluation of each employee in five areas: attendance, attitude, productivity, skill level with respect to the position they occupy, and contribution to the Company's profitability. A scoring system is used and bonuses are awarded based on this system and the total budget for bonuses as determined by the CEO and CFO with the approval of the board of directors.

The Company provides 401(k) matching up to 4% of employees' salaries or wages, regardless of their position within the Company.

There are no perquisites or other benefits of any kind for any officer or any other employee or director of the Company.

BOARD COMMITTEES AND MEETINGS

The Board of Directors has an Audit Committee and a Compensation Committee.

Audit Committee

The Audit Committee reviews, acts on and reports to the Board of Directors with respect to various auditing and accounting matters, including selecting our independent auditors, the scope of the annual audits, fees to be paid to the auditors, the performance of our independent auditors and our accounting practices. This committee is responsible for selecting the Company's independent auditors, reviewing the Company's internal audit procedures, reviewing quarterly and annual financial statements independently and with the Company's independent auditors, reviewing the results of the annual audit and implementing and monitoring the Company's cash investment policy. In addition, this committee assists the Board in its oversight of corporate accounting and internal controls, reporting practices and the quality and integrity of the financial reports of the Company. The Audit Committee met on three times during fiscal

2009.

18

Audit Committee Financial Expert

Currently our three independent directors, Mr. H. Wayne Rosenberger, Dr. Richard R. Weiss and Dr. David Z. D'Argenio, are the members of the Audit Committee. Under the new rules of the Securities and Exchange Commission brought about by the Sarbanes–Oxley Act, companies are required to disclose whether their audit committees have an "audit committee financial expert" as defined in Item 401(h) of Regulation S-B under the Exchange Act and whether that expert is "independent" as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act. The Board of Directors believes that all members of the current audit committee are qualified to read and understand financial reports, and that Mr. H. Wayne Rosenberger meets the description of "audit committee financial expert" as defined in the Regulation.

Compensation Committee

The Compensation Committee reviews and approves the compensation and benefits of our key executive officers, administers our employee benefit plans and makes recommendations to the Board of Directors regarding such matters. Dr. Richard R. Weiss and Dr. David Z. D'Argenio are members of the Compensation Committee. The Compensation Committee met once during fiscal 2009.

DIRECTOR COMPENSATION

At the Board of Directors' meeting held on July 19, 2006, the stipend for the outside directors increased to \$5,000 per year, which was the first increase since the Company was incorporated. The payment per meeting was increased to \$1,000 at the Board meeting held on May 10, 2007. In addition, stock options which each outside director receive annually were increased to 2,000 shares (4,000 shares after the 2-for-1 split on October 1, 2007) at the fair market value of the shares on the date of grant.

Although ratification by shareholders is not a legal prerequisite to the Board's selection of Rose, Snyder and Jacobs as the Company's independent registered accounting firm, the Company believes such ratification to be appropriate. If the shareholders do not ratify the selection of Rose, Snyder and Jacobs, the selection of our independent registered accounting firm will be reconsidered by the Board; however, the Board may select Rose, Snyder and Jacobs, notwithstanding the failure of the shareholders to ratify its selection.

The Board expects that a representative of Rose, Snyder and Jacobs will be present at the meeting, will have an opportunity to make a statement if he or she so desires, and will be available to respond to appropriate questions.

Appendix 1: Audit Committee Charter

ORGANIZATION:

The audit committee shall be composed of directors, the majority of whom are independent of the management of the corporation and are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member.

STATEMENT OF POLICY:

The audit committee shall provide assistance to the corporate management in fulfilling their responsibility to the shareholders, potential shareholders, and investment community on matters relating to corporate finances. In so doing, it is the responsibility of the audit committee to maintain free and open means of communication between the directors, the independent registered accounting firm ("independent auditors"), and the financial management of the corporation.

RESPONSIBILITIES:

In carrying out its responsibilities, the audit committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting and reporting practices of the corporation are in accordance with all requirements and are of high quality.

In carrying out these responsibilities, the audit committee will:

Review and recommend to the management the independent auditors to be selected to audit the financial statements of the corporation and its subsidiaries.

Review with the independent auditors, the company's management, and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper. Further, the committee periodically should review company policy.

Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed.

Provide sufficient opportunity for independent auditors to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the corporation's financial, accounting, auditing personnel, and the cooperation that the independent auditors received during the course of the audit.

Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.
