On December 10, 2014, Urstadt Biddle Properties Inc. (the "Company"), through four wholly-owned subsidiaries, acquired four retail properties totaling 375,000 square feet located in three counties in northern New Jersey (the "New Jersey Properties") for an aggregate purchase price of \$124.5 million. The four properties were purchased from four property owners under common control, but unaffiliated with the Company. The properties were purchased free and clear of mortgages. The purchase was funded with available cash remaining from the Company's Class A Common and Series G Preferred stock offerings completed in October and November 2014 and borrowings under the Company's unsecured revolving credit facility. The Company plans on repaying a portion of the unsecured revolving credit line borrowing used for these acquisitions by placing non-recourse first mortgages on the properties aggregating \$62.7 million. The Company has entered into a mortgage commitment with a lender to provide this financing. The mortgage loans each will have a term of twelve years and will require payments of principal and interest based on a thirty-year amortization schedule at a fixed rate of interest of 3.85% per annum. The Company plans on closing on the mortgage loans on December 15, 2014.

On December 11, 2014, the Company issued a press release announcing the acquisition of the New Jersey Properties. A copy of the press release is attached hereto as Exhibit 99.1.
