EXPLANATORY NOTE: DEREGISTRATION OF UNSOLD SECURITIES

Pursuant to a Registration Statement on Form S-4 (File No. 333-54406) NVIDIA Corporation (the “Company” or “NVIDIA”) filed with the Securities and Exchange Commission (the “SEC”) on January 26, 2001, as amended by Amendment No. 1 to the Registration Statement filed with the SEC on February 13, 2001, and declared effective by the SEC on February 13, 2001 (the “Registration Statement”), the Company registered 1,000,000 pre-split shares of its common stock, par value \$0.001 per share (the “Common Stock”), to be issued to 3dfx Interactive, Inc. (“3dfx”) upon the satisfaction of certain conditions as set forth in the Asset Purchase Agreement, dated as of December 15, 2000, by and between the Company and 3dfx (the “Asset Purchase Agreement”). Pursuant to the terms of the Asset Purchase Agreement, the Company agreed to purchase the assets of 3dfx for \$70,000,000 and potentially 1,000,000 pre-split shares of Common Stock, subject to certain adjustments (the “Asset Sale”). The 1,000,000 pre-split shares would be delivered to 3dfx only upon the completion of the winding up of the business of 3dfx, and delivery to the Company of a certificate certifying the following: (i) that the shareholders of 3dfx have duly adopted resolutions approving the wind-up and dissolution of 3dfx; (ii) that all liabilities of 3dfx and its subsidiaries have been paid in full or otherwise provided for; and (iii) that 3dfx has validly dissolved. The 1,000,000 pre-split shares were subsequently adjusted for a two-for-one stock split in September 2001, a two-for-one stock split in April 2006 and a three-for-two stock split in September 2007, bringing the total to 6,000,000 post-split shares.

The Asset Sale closed on April 18, 2001. In October 2002, 3dfx filed for bankruptcy. Following the bankruptcy, in March 2003, the Trustee appointed by the Bankruptcy Court to represent 3dfx’s bankruptcy estate served a complaint on NVIDIA asserting claims for, among other things, successor liability and fraudulent transfer and seeking additional payments from the Company. In early November 2005, the Company and the Official Committee of Unsecured Creditors, or the Creditors’ Committee, agreed to a Plan of Liquidation of 3dfx, which included a conditional settlement of the Trustee’s claims against the Company. This conditional settlement was subject to a confirmation process through a vote of creditors and the review and approval of the Bankruptcy Court. The conditional settlement called for a payment by the Company of approximately \$30.6 million to the 3dfx estate. The conditional settlement reached in November 2005 never progressed substantially through the confirmation process.

In March 2007, a trial was held regarding certain valuation issues in the Trustee’s constructive fraudulent transfer claims against the Company. On April 30, 2008, the Bankruptcy Court issued its Memorandum Decision After Trial, in which it concluded that “the creditors of 3dfx were not injured by the Transaction.” This decision did not entirely dispose of the Trustee’s action, however, as the Trustee’s claims for successor liability and intentional fraudulent conveyance were still pending. On June 19, 2008, the Company filed a motion for summary judgment to convert the Memorandum Decision After Trial to a final judgment, which judgment was entered in the Company’s favor on September 11, 2008. The Trustee filed a Notice of Appeal from that judgment on September 22, 2008. On December 20, 2010, the United States District Court issued an Order affirming the Bankruptcy Court’s entry of summary judgment in the Company’s favor, and on January 19, 2011, the Trustee filed a Notice of Appeal to the United States Court of Appeals for the Ninth Circuit. The appeal is currently pending.

The Company has determined in good faith that 3dfx has not and cannot meet the requirements of the Asset Purchase Agreement necessary to trigger the delivery of the 6,000,000 post-split shares of Common Stock and the conditional settlement does not require such delivery; accordingly, the Company is seeking to deregister the 6,000,000 post-split shares of Common Stock that were not issued.

Pursuant to the undertaking of the Company as required by Item 512(a)(3) of Regulation S-K, the Company is filing this post-effective Amendment No. 1 to the Registration Statement to deregister the 6,000,000 post-split shares of Common Stock under the Registration Statement that were not issued.
