#### Item 11. Temporary Suspension of Trading Under Registrant's Employee Benefit Plans.

On June 23, 2003, the Registrant notified the participants of its 1-800 CONTACTS, INC. Retirement and Savings Plan (the "Plan") that the Registrant was changing the third party administrator of the Plan. As a result of this change, plan participants were informed that they temporarily would be unable to direct or diversify investments in their accounts or obtain a distribution from the Plan.

On July 10, 2003, the Registrant sent the following notice to its directors and executive officers:

This notice is to inform you that 1-800 CONTACTS, INC. (the "Company") will be changing the third party administrator of the 1-800 CONTACTS, INC. Retirement and Savings Plan.

As a result of this change, plan participants temporarily will be unable to direct or diversify investments in their accounts or obtain a distribution from the plan. This period, during which plan participants will be unable to exercise these rights otherwise available under the plan, is called a "blackout period." The blackout period for the plan is expected to begin on July 26, 2003 and end on September 7, 2003.

## Edgar Filing: 1 800 CONTACTS INC - Form 8-K

Recent changes in federal securities laws prohibit the Company's directors and executive officers from conducting any direct or indirect transactions in any shares of the Company's common stock (including restricted stock and the exercise of stock options) during this blackout period. Certain transactions may be made automatically under an individual's pre-existing written plan, but the plan must not be modified during the blackout period or while you were aware of the actual or approximate beginning or ending dates of the blackout period. This limitation on your ability to conduct transactions in the Company's common stock will automatically terminate upon the end of the blackout period.
