PROXY STATEMENT

Our Board of Directors (the "Board") is soliciting proxies for the 2008 Annual Meeting of Stockholders to be held at 1:00 p.m. on May 13, 2008 at the Company's distribution center located at 1455 South 5500 West, Salt Lake City, Utah 84104. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters before the meeting.

The Board set March 18, 2008 as the record date for the meeting. Stockholders who owned Overstock common stock on that date are entitled to attend and vote at the meeting. Each share is entitled to one vote. There were 22,712,522 shares of common stock outstanding on the record date.

Voting materials, which include this Proxy Statement, the proxy card and Overstock's Annual Report on Form 10-K for the year ended December 31, 2007, are being mailed to stockholders on or about March 28, 2008.

The date of this Proxy Statement is March 28, 2008.

QUESTIONS AND ANSWERS

Q:
Why am I receiving this Proxy Statement?

A:
This Proxy Statement describes proposals on which we would like you, as a stockholder, to vote. It also gives you information on these issues so that you can make an informed decision.

Q:
Who can vote at the Annual Stockholders Meeting?

A:
Stockholders who owned Overstock common stock on March 18, 2008 may attend and vote at the Annual Meeting. Each share is entitled to one vote. There were 22,712,522 shares of common stock outstanding on March 18, 2008. Information about the stockholdings of our directors and executive officers is contained in the section entitled "Share Ownership of Management, Directors, Nominees and 5% Stockholders" beginning on page 33 of this Proxy Statement.

Q:
What is the proxy card?

A:
The proxy card enables you to appoint Patrick M. Byrne and Jonathan E. Johnson III as your representatives at the Annual Meeting. By completing and returning the proxy card you are authorizing Messrs. Byrne and Johnson to vote your shares at the meeting, as you have instructed them on the proxy card. This way, your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, it is a good idea to complete and return your proxy card before the meeting date just in case your plans change.

Q:
What am I voting on?

A:
You are being asked to vote on:

the election of two directors;

an amendment of the Company's 2005 Equity Incentive Plan; and

ratification of our Audit Committee's selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

The section entitled "Proposals to be Voted On" on page 6 of this Proxy Statement gives you more information about the nominees for election to our Board, the proposed amendment of the 2005 Equity Incentive Plan, and the Company's independent registered public accounting firm. You may also find more information on the nominees in the section entitled "The Board Information Regarding Director Nominees and Other Directors" beginning on page 20 of this Proxy Statement. We will also transact any other business that properly comes before the meeting.

Q:
How do I vote?

A:
You may vote either by attending the meeting and voting in person, or you may vote by mail by completing, signing and dating your proxy card and returning it in the enclosed, postage-paid and addressed envelope, or, if available, by the Internet or by telephone by following the instructions on the proxy card. If you mark your voting instructions on the proxy card, your shares will be voted:

as you instruct, and

Edgar Filing: OVERSTOCK.COM, INC - Form DEF 14A

according to the best judgment of the Board (or the proxy holders, in the absence of instructions from the Board) if a proposal comes up for a vote at the meeting that is not on the proxy card.

If you return a signed card but do not provide voting instructions, your shares will be voted:

for the named nominees for director;

for the proposed amendment of the 2005 Equity Incentive Plan;

Edgar Filing: OVERSTOCK.COM, INC - Form DEF 14A

for ratification of the Audit Committee's selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm, and

according to the best judgment of the Board (or the proxy holders, in the absence of instructions from the Board) if a proposal comes up for a vote at the meeting that is not on the proxy card.

We will hand out written ballots to anyone who wants to vote at the meeting. However, if you hold your shares in street name, you must obtain a legal proxy from the record holder in order to vote at the meeting. Holding shares in "street name" means you hold them through a brokerage firm, bank or other nominee, and therefore the shares are not held in your individual name.

We encourage you to examine your proxy card closely to make sure you are voting all of your shares in the Company.

Q:
What does it mean if I receive more than one proxy card?

A:
It means that you may have multiple accounts at the transfer agent and/or with stockbrokers or other nominees. Please sign and return all proxy cards to ensure that all of your shares are voted.

Q:
What if I change my mind after I return my proxy?

A:
You may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

sending a written notice to the Secretary of the Company (at the address shown on the cover page) stating that you are revoking your proxy of a particular date,

signing another proxy with a later date and returning it before the polls close at the meeting, or

attending the Annual Meeting and voting in person.

Q:
Will my shares be voted if I do not sign and return my proxy card or vote via the Internet or by telephone?

A:
(1) If your shares are held in street name, your brokerage firm or other nominee, under certain circumstances, may vote your shares. Nominees have authority under the Nasdaq rules to vote customers' unvoted shares on some "routine" matters. The proposals to elect directors and ratify the appointment of the independent registered public accounting firm are routine matters. The proposal to approve the amendment of the 2005 Equity Incentive Plan is not a routine matter. If you do not give a proxy to vote your shares, your brokerage firm may either:

vote your shares on routine matters, or

leave your shares unvoted.

If a brokerage firm entitled to vote your shares leaves those shares unvoted, it is called a "broker nonvote." A brokerage firm cannot vote customers' shares on non-routine matters without instructions from you.

You may have granted to your stockbroker discretionary voting authority over your account. Your stockbroker may be able to vote your shares depending on the terms of the agreement you have with your broker. If you hold your shares in street name and you do not authorize your broker to vote on your behalf, you must obtain a legal proxy from your stockbroker in order to vote at the meeting. We

Edgar Filing: OVERSTOCK.COM, INC - Form DEF 14A

encourage you to provide instructions to your broker. This ensures your shares will be voted at the meeting.

(2) If your shares are in your name and you do not sign and return your proxy card or vote via the Internet or by telephone, your shares will not be voted unless you vote in person at the meeting.

Q:
How may I vote?

A:
You may vote:

with respect to the nominees for election to the Board, either "for" the nominees or to "withhold" your vote from any nominee,

"for," "against," or "abstain" on the proposal to amend the Company's 2005 Equity Incentive Plan, and

"for," "against," or "abstain" on the ratification of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm.

Q:
How many stockholders are needed either in person or by proxy to hold the meeting?

A:
To hold the meeting and conduct business, a majority of the Company's outstanding shares entitled to vote as of March 18, 2008 must be present at the meeting. This is called a quorum.

Shares are counted as present at the meeting if the stockholder either:

is present in person at the meeting, or

has properly submitted a proxy card.

On proposals for routine matters, a broker nonvote is counted for determining the presence of a quorum.

Q:
How many votes must each nominee have to be elected as a director?

A:
The two nominees receiving the highest number of "yes" votes will be elected as directors. This number is called a plurality.

Q:
What happens if a nominee is unable to stand for re-election?

A:
A majority of the independent members of the Board may designate a substitute nominee. If you have completed and returned your proxy, Messrs. Byrne and Johnson can vote your shares for a substitute nominee. They cannot vote for more than two nominees.

Q:
How many votes are required to approve the amendment of the 2005 Equity Incentive Plan?

A:
A majority of the shares present, in person or by proxy, excluding broker nonvotes, voting in favor is required to approve the amendment of the 2005 Equity Incentive Plan. Brokers do not have discretion to vote on this proposal without your instruction.

Q:
How many votes are required to ratify the appointment of PricewaterhouseCoopers LLP?

A:
A majority of the shares present, in person or by proxy, including broker nonvotes, voting in favor is required to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

Q:

How many votes are required to approve other matters that may come before the stockholders at the meeting?

A:

A majority of the shares present, in person or by proxy, excluding broker nonvotes, voting in favor is required to approve other matters that may come before the stockholders at the meeting.

Q:

What happens if I don't indicate how to vote my proxy?

A:

If you just sign your proxy card without providing further instructions, your shares will be counted as a "for" vote for the director nominees, "for" the proposed amendment of the 2005 Equity Incentive Plan, and "for" ratification of the selection of PricewaterhouseCoopers LLP.

Q:
Is my vote kept confidential?

A:
Proxies, ballots and voting tabulations identifying stockholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

Q:
Where do I find the voting results of the meeting?

A:
We will announce preliminary voting results at the meeting. We will publish the final results in our quarterly report on Form 10-Q for the second quarter of 2008 on or before August 11, 2008. We will file that report with the SEC, and you can get a copy by calling Investor Relations at (801) 947-3282 or the SEC at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. You can also get a copy from our website at <http://investors.overstock.com>.

Q:
Who can help answer my questions?

A:
You can call Georgeson Shareholder Communications, our proxy solicitor, toll-free at (800) 314-4549 with any questions about the proposals described in this Proxy Statement or the mechanics of voting.

PROPOSALS TO BE VOTED ON:

1. ELECTION OF DIRECTORS

The nominees for election this year as Class III directors, for three-year terms ending in 2011, are Allison H. Abraham and Joseph J. Tabacco, Jr. Ms. Abraham has been a director since 2002, and Mr. Tabacco has been a director since June 2007. Ms. Abraham and Mr. Tabacco have each consented to serve a new three-year term.

For information about the nominees, see "The Board Information Regarding Director Nominees and Other Directors" beginning on page 20.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote "for" each of Ms. Abraham and Mr. Tabacco.

Vote Required

Directors are elected by a plurality of the votes of the shares of common stock present in person or represented by proxy at the meeting. Votes withheld are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but otherwise they have no legal effect under Delaware law.

2. AMENDMENT OF 2005 EQUITY INCENTIVE PLAN.

The Company's stockholders are being asked to approve an increase in the number of shares of common stock reserved for issuance under the Company's 2005 Equity Incentive Plan (the "2005 Plan") by 1,000,000 shares. The increase was approved by the Board of Directors of the Company on February 6, 2008, subject to stockholder approval.

As of December 31, 2007, 23,820,617 shares of common stock were outstanding, options to purchase 4,165,089 shares had been granted under the 2005 plan and prior plans, and options to purchase 1,160,603 shares of common stock remained outstanding under the 2005 Plan and prior plans. During 2007, we granted employees, consultants and directors options under the 2005 Plan to purchase a total of 760,500 shares, including options to purchase 300,000 shares granted to current executive officers of the Company. At December 31, 2007, 608,485 shares of common stock remained available for future grants, and at February 29, 2008, after the Company made the restricted stock grants described below, only 157,235 shares of common stock remained available for future grants. The Compensation Committee and the Board believe that it is in the best interest of the Company and its stockholders for the Company to have the ability to grant additional equity awards under the 2005 Plan, and consequently have approved the proposed increase.

The 2005 Plan replaced the Company's 2002 Stock Option Plan (the "2002 Plan"), which was terminated as to new grants on April 26, 2005. All options outstanding under the 2002 Plan on April 26, 2005 remained outstanding, and any shares available for grant under the 2002 Plan or prior plans became available for grant under the 2005 Plan.

The 2005 Plan authorizes the Board of Directors to grant stock-based awards to our employees, directors and consultants. The 2005 Plan is structured to allow the Board of Directors discretion in creating equity incentives in order to assist the Company in attracting, retaining and motivating the best available personnel for the successful conduct of the Company's business. From its inception, the Company has provided stock options as an incentive to its employees and executives as a means to promote increased stockholder value. In January 2008, the Company granted restricted stock units under the 2005 Plan covering an aggregate of 451,250 shares of Common Stock to an aggregate of 108

key employees, including the grants to named executive officers described under "Compensation Discussion and Analysis Executive Compensation Action Taken After Year-End."

Vote Required

If a quorum is present, the affirmative vote of a majority of the shares present, entitled to vote and cast at the Annual Meeting, will be required to approve the amendment to the 2005 Plan.

Brokers do not have discretion to vote on this proposal without your instruction. If you do not instruct your broker how to vote on this proposal, your broker will deliver a non-vote on this proposal. Broker non-votes, if any, will have no effect on the outcome of the vote on this proposal. Abstentions will have the effect of a vote "against" the proposal.

Terms of the 2005 Plan

The principal features of the 2005 Plan are summarized below. This summary does not purport to be complete and is subject to, and qualified in its entirety by, the provisions of the 2005 Plan, which, as proposed to be amended, is attached as Appendix A. Capitalized terms used herein and not defined shall have the meanings set forth in the 2005 Plan.

Purpose. The purposes of the 2005 Plan are to attract and retain the best available personnel, to provide additional incentive to our employees, consultants and non-employee directors, and to promote the success of our business.

Administration. The 2005 Plan may be administered by our Board of Directors or a committee, which our Board of Directors may appoint from among its members (the "Administrator"). Subject to the provisions of the 2005 Plan, the Administrator has the authority to: (i) interpret the 2005 Plan and apply its provisions; (ii) prescribe, amend or rescind rules and regulations relating to the 2005 Plan; (iii) select the persons to whom awards are to be granted; (iv) subject to individual fiscal year limits applicable to each type of award, determine the number of shares or equivalent units to be made subject to each award; (v) determine whether and to what extent awards are to be granted; (vi) determine the terms and conditions applicable to awards generally and of each individual award (including the provisions of the award agreement to be entered into between the Company and the participant); (vii) amend any outstanding award subject to applicable legal restrictions; (viii) authorize any person to execute, on our behalf, any instrument required to effect the grant of an award; (ix) approve forms of agreement for use under the 2005 Plan; (x) allow participants to satisfy withholding tax obligations by electing to have the Company withhold from the shares or cash to be issued that number of shares or cash having a fair market value equal to the minimum amount required to be withheld; (xi) reduce the exercise price of an award to the then current fair market value if the fair market value of the common stock covered by the award has declined since the date the award was granted; (xii) institute an award exchange program; and (xiii) subject to certain limitations, take any other actions deemed necessary or advisable for the administration of the 2005 Plan. All decisions, interpretations and other actions of the Administrator shall be final and binding on all holders of awards and on all persons deriving their rights therefrom.

Eligibility. The 2005 Plan provides that awards may be granted to our employees, consultants and non-employee directors, and employees and consultants of our parent or subsidiary corporations. Incentive options may be granted only to employees (including officers and employee directors). Approximately 200 persons are eligible to participate in the 2005 Plan. Participation is based on the Compensation Committee's determination to grant awards under the 2005 Plan.

Code Section 162(m) Performance Goals. The 2005 Plan permits us to issue awards that qualify as performance-based under Section 162(m) of the Code. Thus, the Administrator may make performance goals applicable to a participant with respect to an award. At the Administrator's discretion, one or

more of the following or any other reasonable performance goals may apply: cash position, earnings per share, expenses, gross margin, individual objectives, net income, operating cash flow, operating income, operating margin, return on assets, return on equity, return on sales, revenue, total stockholder return, and/or unit sales, all as determined in accordance with accounting principles generally accepted in the United States or on a non-GAAP basis. Except for cash position, return on equity and total stockholder return, a performance goal may apply either to us or to one of our business units. The Administrator may use other performance goals for awards that are not intended to qualify as performance-based under Section 162(m) of the Code. To date we have not issued performance-based awards for purposes of Section 162(m).

Terms and Conditions of Options. Each option granted under the 2005 Plan is evidenced by a written stock option agreement between the optionee and the Company and is subject to the following terms and conditions:

(a) *Exercise Price.* The Administrator determines the exercise price of options at the time the options are granted. The option price of all incentive stock options under the 2005 Plan and non-statutory options granted under the 2005 Plan intended to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code may not be less than the fair market value of the common stock on the date the option is granted. Subject to the foregoing, and subject to Section 409A of the Internal Revenue Code, non-statutory stock options may be granted with a per share exercise price determined by the Administrator. Non-statutory options may be granted with an exercise price of less than 100% of the fair market value per share on the date of grant pursuant to a merger or other corporate transaction. In the case of an incentive stock option granted to an optionee who at the time of grant owns stock representing more than 10% of the voting power of all classes of stock of the Company, the option price must be not less than 110% of the fair market value on the date of grant. For purposes of the 2005 Plan, fair market value is defined as the closing sale price per share of the common stock on the date of grant as reported on the Nasdaq Global Market. On March 18, 2008, the closing price of the common stock as reported on the Nasdaq Global Market was \$10.36. Optionees are not required to pay the Company any amount upon the grant of an option.

(b) *Form of Consideration.* The means of payment for shares issued upon exercise of an option is specified in each option agreement and generally may be made by cash, check, other shares of our common stock owned by the optionee, delivery of an exercise notice together with irrevocable instructions to a broker to deliver to us the exercise price from sale proceeds, or by a combination thereof.

(c) *Exercise of the Option.* Each stock option agreement specifies the term of the option and the date when the option is to become exercisable. However, in no event shall an option granted under the 2005 Plan be exercised more than 10 years after the date of grant.

(d) *Termination of Employment.* The 2005 Plan provides that if the optionee's employment relationship with the Company is terminated for any reason, other than death or disability, the period of time during which an option may be exercised following such termination may be determined by the Administrator and set forth in the option agreement and the option may be exercised only to the extent the options were exercisable on the date of termination and in no event later than the expiration of the term of the option. In the absence of a specified time in the option agreement, the option will generally remain exercisable for three months after the optionee's termination.

(e) *Permanent Disability.* If an optionee's employment or other service is terminated due to a disability, options granted to such optionee may be exercised within such period of time as is determined by the Administrator and set forth in the option agreement, but only to the extent that the options were exercisable on the date of termination and in no event later than the expiration of the term of such option as set forth in the option agreement. In the absence of a specified time in the

option agreement, the option will generally remain exercisable for one year following the optionee's termination due to disability.

(f) *Death.* If an optionee should die while an employee of or other service provider to the Company, options granted to such optionee may be exercised within such period of time as is determined by the Administrator and set forth in the option agreement but only to the extent that the options were exercisable on the date of death and in no event later than the expiration of the term of such option as set forth in the option agreement. In the absence of a specified time in the option agreement, the option will generally remain exercisable for one year following the optionee's death.

(g) *ISO Limitation.* The Plan provides a limit of \$100,000 on the aggregate fair market value of shares subject to all incentive options held by an employee that are exercisable for the first time in any one calendar year. To the extent the limit is exceeded, the options relating to the excess shares will be treated as nonstatutory options.

(h) *162(m) Share Limit.* No participant may be granted stock options and stock appreciation rights to purchase more than 423,430 shares of common stock in any fiscal year, except that up to 846,860 shares may be granted in the participant's first fiscal year of service.

(i) *Other Provisions.* The stock option agreement may contain other terms, provisions and conditions as determined by the Administrator.

Terms and Conditions of Stock Appreciation Rights. The Administrator, subject to the provisions of the 2005 Plan (including the 162(m) share limit referred to above), shall have complete discretion to determine the terms and conditions of SARs granted under the 2005 Plan.

Payment of Stock Appreciation Right Amount. Upon exercise of an SAR, the holder of the SAR shall be entitled to receive payment in an amount equal to the product of (i) the difference between the fair market value of a share on the date of exercise and the exercise price and (ii) the number of shares for which the SAR is exercised.

Payment upon Exercise of Stock Appreciation Right. At the discretion of the Administrator, payment to the holder of an SAR may be in cash, shares of our common stock or a combination thereof. To the extent that an SAR is settled in cash, the shares available for issuance under the 2005 Plan shall not be diminished as a result of the settlement.

Stock Appreciation Right Agreement. Each SAR grant shall be evidenced by an agreement that shall specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, shall determine.

Expiration of Stock Appreciation Rights. SARs granted under the 2005 Plan expire as determined by the Administrator, but in no event later than ten (10) years from date of grant. No SAR may be exercised by any person after its expiration.

Termination of Employment, Disability and Death. SARs are treated in the same manner as described above for options in the event of the holder's termination of service, disability or death.

Restricted Stock. Subject to the terms and conditions of the 2005 Plan, restricted stock may be granted to our employees and consultants at any time and from time to time at the discretion of the Administrator. The Administrator shall have complete discretion to determine (i) the number of shares subject to a restricted stock award granted to any participant and (ii) the conditions for grant or for vesting that must be satisfied, which may be based principally or solely on continued provision of services but may include a performance-based component. However, no participant shall be granted a restricted stock award and performance shares covering more than 211,715 shares in any of our fiscal years, except that up to 635,145 shares may be granted in the participant's first fiscal year of service.

Until the shares are issued, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the underlying shares.

Restricted Stock Award Agreement. Each restricted stock grant shall be evidenced by an agreement that shall specify the purchase price (if any) and such other terms and conditions as the Administrator shall determine; *provided, however*, that if the restricted stock grant has a purchase price, the purchase price must be paid no more than ten (10) years following the date of grant.

Performance Shares. Subject to the terms and conditions of the 2005 Plan, performance shares may be granted to our employees and consultants at any time and from time to time as shall be determined at the discretion of the Administrator. The Administrator shall have complete discretion to determine (i) the number of shares of our common stock subject to a performance share award granted to any service provider and (ii) the conditions that must be satisfied for grant or for vesting, which may be based principally or solely on achievement of performance milestones but may include a service-based component. However, no participant shall be granted performance shares and restricted stock awards covering more than 211,715 shares in any of our fiscal years, except that up to 635,145 shares may be granted in the participant's first fiscal year of service.

Performance Share Award Agreement. Each performance share grant shall be evidenced by an agreement that shall specify such other terms and conditions as the Administrator, in its sole discretion, shall determine.

Performance Units. Performance units are similar to performance shares, except that they shall be settled in cash equivalent to the fair market value of the underlying shares of our common stock, determined as of the vesting date. The shares available for issuance under the 2005 Plan shall not be diminished as a result of the settlement of a performance unit.

Performance Unit Award Agreement. Each performance unit grant shall be evidenced by an agreement that shall specify such terms and conditions as shall be determined at the discretion of the Administrator. However, no participant shall be granted a performance unit award covering more than \$1,000,000 in any of the Company's fiscal years, except that a performance unit award covering up to \$3,000,000 may be granted in the participant's first fiscal year of service.

Deferred Stock Units. Deferred stock units shall consist of a restricted stock, performance share or performance unit award that the Administrator, in its sole discretion, permits to be paid out in installments or on a deferred basis, in accordance with rules and procedures established by the Administrator. Deferred stock units are subject to the individual annual limits that apply to each type of award.

Non-Transferability of Awards. Unless determined otherwise by the Administrator, an award granted under the 2005 Plan may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the recipient, only by the recipient. If the Administrator makes an award granted under the 2005 Plan transferable, such award shall contain such additional terms and conditions as the Administrator deems appropriate.

Acceleration upon Death. In the event that a participant dies while a service provider, the award may be exercised within the time period set forth in the relevant agreement, but in no event later than the expiration date of the relevant award.

Adjustment Upon Changes in Capitalization. In the event that our capital stock is changed by reason of any stock split, reverse stock split, stock dividend, combination or reclassification of our common stock or any other increase or decrease in the number of issued shares of common stock effected without receipt of consideration by us, appropriate proportional adjustments shall be made in

the number and class of shares of stock subject to the 2005 Plan, the individual fiscal year limits applicable to restricted stock, performance share awards, SARs and options, the number and class of shares of stock subject to any award outstanding under the 2005 Plan, and the exercise price of any such outstanding option or SAR or other award. Any such adjustment shall be made by the Administrator or the Compensation Committee of our Board of Directors, whose determination shall be conclusive.

Change of Control. In the event of a change of control, the successor corporation (or its parent or subsidiary) will assume or substitute each outstanding award. If the successor corporation refuses to assume the awards or to substitute equivalent awards, such awards shall become 100% vested. In such event, the Administrator shall notify the participant that each option and SAR is fully exercisable for 15 days from the date of such notice and that the award terminates upon expiration of such period. If, within eighteen (18) months following a merger or Change of Control, a participant's employment is terminated involuntarily by the Company or successor corporation other than for cause (as defined), on account of death or disability or by the participant by a voluntary termination for good reason (as defined), then the participant shall fully vest in and have the right to exercise his or her award as to all of the shares subject to the award including shares as to which such award would not otherwise be vested or exercisable.

Amendment, Suspensions and Termination of the 2005 Plan. Our Board of Directors may amend, suspend or terminate the 2005 Plan at any time; *provided, however,* that stockholder approval is required for any amendment to the extent necessary to comply with Rule 16b-3 promulgated under the Securities Exchange Act of 1934 ("Rule 16b-3") or Section 422 of the Code, or any other applicable rule or statute or by the rules of any stock exchange or automated quotation system on which the Company's shares may then be listed or quoted. The 2005 Plan will terminate in April 2015.

Federal Income Tax Information

Incentive Stock Options. An optionee who is granted an incentive stock option will not recognize taxable income either at the time the option is granted or upon its exercise, although the exercise is an adjustment for alternative minimum tax purposes and may subject the optionee to the alternative minimum tax. Upon the sale or exchange of the shares more than two years after grant of the option and one year after exercise of the option, any gain or loss will be treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee will recognize ordinary income at the time of sale or exchange equal to the difference between the exercise price and the lower of (i) the fair market value of the shares at the date of the option exercise or (ii) the sale price of the shares. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income will be characterized as long-term or short-term capital gain or loss, depending on the holding period.

Non-statutory Stock Options. All other options that do not qualify as incentive stock options are referred to as non-statutory options. An optionee will not recognize any taxable income at the time a non-statutory option is granted. However, upon its exercise, the optionee will recognize ordinary income generally measured as the excess of the then fair market value of the shares purchased over the purchase price. Any taxable income recognized in connection with an option exercise by an optionee who is also an employee of the Company will be subject to tax withholding by the Company. Upon resale of such shares by the optionee, any difference between the sales price and the optionee's purchase price, to the extent not recognized as taxable income as described above, will be treated as long-term or short-term capital gain or loss, depending on the holding period.

Stock Appreciation Rights. No taxable income is reportable when an SAR is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the fair market value of any shares of our common stock received and/or the amount of cash received. Any

additional gain or loss recognized upon any later disposition of the shares of our common stock would be a capital gain or loss.

Restricted Stock, Performance Units and Performance Shares. A participant will not have taxable income upon grant (unless, with respect to restricted stock, he or she elects to be taxed at that time). Instead, he or she will recognize ordinary income at the time of vesting equal to the fair market value (on the vesting date) of the vested shares or cash received minus any amount paid for the shares of our vested common stock.

Tax Effect for the Company. We generally will be entitled to a tax deduction in connection with an award under the 2005 Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income. Special rules limit the deductibility of compensation paid to our chief executive officer and to each of our four most highly compensated executive officers. Under Section 162(m) of the Code, the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, we can preserve the deductibility of certain compensation in excess of \$1,000,000 if the conditions of Section 162(m) are met with respect to awards. These conditions include stockholder approval of the 2005 Plan and performance goals under the 2005 Plan, setting individual annual limits on each type of award, and certain other requirements. The 2005 Plan has been designed to permit the Administrator to grant awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting us to continue to receive a federal income tax deduction in connection with any such awards. To date we have not issued performance-based awards for purposes of Section 162(m).

Requirements Regarding "Deferred Compensation." Certain of the benefits under the 2005 Plan may constitute "deferred compensation" within the meaning of Section 409A of the Internal Revenue Code, which is a provision governing "nonqualified deferred compensation plans." Failure to comply with the requirements of the provisions of Section 409A regarding participant elections and the timing of payment distributions could result in the affected participants being required to recognize ordinary income for federal tax purposes earlier than expected, and to be subject to substantial penalties.

The foregoing is only a summary of the effect of federal income taxation upon us and upon the participant, does not purport to be complete, and does not discuss the tax consequences of the participant's death or the income tax laws of any municipality, state or foreign country in which a participant may reside. It also does not discuss the potential application of Section 280G of the Internal Revenue Code, which can apply to an "excess parachute payment." Further, different rules may apply if the participant is also an officer, director, or 10% stockholder of the Company.

Accounting Treatment

The Financial Accounting Standards Board has adopted Statement of Financial Accounting Standards No. 123(R), Share Based Payments ("SFAS 123(R)"), which requires mandatory expensing for equity awards for public companies. Consequently, we expect that all Plan awards granted after the effective date of this standard (January 1, 2006) and any Plan awards granted prior to the effective date with outstanding unvested awards as of the effective date will result in direct charges to our reported earnings over the future respective vesting periods.

New Plan Benefits

The grant of awards under the 2005 Plan, including grants to our named executive officers and directors, is discretionary. As of the date of this proxy statement, there has been no determination with respect to future awards under the 2005 Plan, and the amount of any future discretionary awards is not determinable. The following table sets forth information with respect to the grant of options during the fiscal year ended December 31, 2007, and the grant of restricted stock units in January 2008, to

(a) each of our named executive officers; (b) all current executive officers as a group; (c) all current non-employee directors as a group; and (d) all employees, including current officers who are not executive officers, as a group:

(2) Mr. Lindsey resigned as our President and Chief Operating Officer effective December 31, 2007, but remains an employee of the Company.

(3) Restricted stock unit grants were made in January 2008, and vest over a three-year period commencing on the date of grant at the rate of 25% at the end of year one, 25% at the end of year two, and 50% at the end of year three. The exercise price for each unit is the par value of the underlying shares, which is \$0.0001.

(4) Includes 40,000 options held by James V. Joyce, a consultant to the Company, which were granted prior to his appointment to the Board, having a weighted average exercise price of \$30.38 per share and vesting, with respect to 30,000 shares, on December 31, 2008, and with respect to 10,000 shares, 28% on the date one year after the date of grant and 2% per month thereafter.

The Company does not have any equity compensation plans not approved by the stockholders. See "Equity Compensation Plan Information."

Recommendation Of The Board Of Directors

The Board of Directors unanimously recommends that stockholders vote "for" approval of the plan, as amended.

3. RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the current fiscal year. PricewaterhouseCoopers LLP has served as our independent registered public accounting firm since 1999. Although ratification of the Audit Committee's selection of PricewaterhouseCoopers LLP is not required under our bylaws or other legal requirements, the Company is submitting the appointment of PricewaterhouseCoopers LLP to the stockholders as a matter of good corporate practice. If stockholders do not ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee will reconsider whether or not to retain PricewaterhouseCoopers LLP. Even if stockholders ratify the selection of PricewaterhouseCoopers LLP, the Audit Committee may appoint a different independent registered public accounting firm or replace PricewaterhouseCoopers LLP with a different independent registered public accounting firm at any time if the Audit Committee determines it is in the best interests of the Company and the stockholders to do so. Representatives of PricewaterhouseCoopers LLP are expected to attend the meeting in order to respond to appropriate questions from stockholders and will have an opportunity to make a statement if they desire to do so.

Audit Fees

The aggregate fees and out-of-pocket expenses PricewaterhouseCoopers LLP billed us for each of the last two fiscal years for professional services for the audits of our annual financial statements, the effectiveness of internal control over financial reporting and reviews of financial statements included in our Reports on Form 10-K and Form 10-Q and for their services assisting us with our responses to accounting comments from the Staff of the SEC and to the SEC's investigation into our accounting and other matters were \$611,000 in 2006 and \$761,000 in 2007.

Audit-Related Fees

PricewaterhouseCoopers LLP did not bill us any fees in the last two fiscal years for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported above under the caption "Audit Fees."

Tax Fees

PricewaterhouseCoopers LLP did not bill us any fees in the last two fiscal years for compliance, tax advice, or tax planning.

All Other Fees

PricewaterhouseCoopers LLP did not bill us any fees in 2006 and 2007 for products and services provided by PricewaterhouseCoopers LLP, other than the services reported above, except for \$2,400 in 2007 for the use of proprietary software.

Auditor Independence

The Audit Committee has considered the role of PricewaterhouseCoopers LLP in providing us with the services described above, and has concluded that those services are compatible with their independence from management and from the Company.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

General

The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy, which sets forth the procedures and the conditions pursuant to which services to be performed by the independent registered public accounting firm are to be pre-approved. Under the Policy, proposed services either may be pre-approved by agreeing to a framework with descriptions of allowable services with the Audit Committee ("general pre-approval"), or require the specific pre-approval of the Audit Committee ("specific pre-approval"). Unless a type of service has received general pre-approval, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accounting firm.

The Policy describes the Audit, Audit-related, Tax and All Other Services that are subject to the general pre-approval of the Audit Committee. The Audit Committee annually reviews and pre-approves the services that may be provided by the independent registered public accounting firm that are subject to general pre-approval. Under the Policy, the Audit Committee may delegate either type of pre-approval authority to its chairperson or any other member or members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next meeting. The Policy does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Audit Services

The annual Audit services engagement scope and terms are subject to the general pre-approval of the Audit Committee. Audit services include the annual financial statement audit (including required quarterly reviews) and other procedures required to be performed by the independent registered public accounting firm to be able to form an opinion on the Company's consolidated financial statements. Audit services also include the attestation engagement for the independent registered public accounting firm's report on the effectiveness of internal control over financial reporting and, for 2006, management's assertion on internal control over financial reporting. The Policy provides that the Audit Committee will monitor the Audit services engagement throughout the year and will also approve, if necessary, any changes in terms and conditions resulting from changes in audit scope or other items. The Policy provides for Audit Committee pre-approval of specific Audit services outside the engagement scope.

Audit-related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm. Under the Policy, the Audit Committee grants general pre-approval to specified Audit-related services. All other Audit-related services not specified must be specifically pre-approved by the Audit Committee.

Tax Services

Under the Policy, the Audit Committee grants general pre-approval to specific tax compliance, planning and advice services that have historically been provided by the auditor, that the Audit Committee has reviewed and believes would not impair the independence of the auditor, and that are consistent with the SEC's rules on auditor independence. Other tax services must be specifically approved by the Audit Committee.

All Other Services

Under the Policy, the Audit Committee grants general pre-approval to specific permissible non-audit services classified as All Other Services that it believes are routine and recurring services, would not impair the independence of the independent registered public accounting firm and are consistent with the SEC's rules on auditor independence. Services permissible under applicable rules but not specifically approved in the Policy require further specific pre-approval by the Audit Committee.

Procedures

The Policy provides that at the beginning of each year, the Senior Vice President, Finance (our principal financial and accounting officer) and the Company's independent registered public accounting firm will jointly submit to the Audit Committee a schedule of audit, audit-related, tax and other non-audit services that are subject to general pre-approval. This schedule will provide a description of each type of service that is subject to general pre-approval and, where possible, will provide projected fees (or a range of projected fees) for each service. The Audit Committee will review and approve the types of services and review the projected fees for the next fiscal year. Any changes to the fee amounts listed in the schedule will be subject to further specific approval of the Audit Committee. The Policy prohibits the independent registered public accounting firm from commencing any project not described in the schedule approved by the Audit Committee until specific approval has been given.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that the stockholders vote "for" ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm.

Vote Required

The affirmative vote of a majority of the shares represented at the meeting, in person or by proxy, will be required to approve the proposal.

4. OTHER BUSINESS

The Board knows of no other business for consideration at the meeting. If other matters are properly presented at the meeting, or at any adjournment or postponement of the meeting, Messrs. Byrne and Johnson will vote, or otherwise act, on your behalf in accordance with the Board's (or, in the absence of instructions from the Board, their) judgment on such matters.

THE BOARD

General

The Board of Directors is currently composed of five members. Two current directors are nominees for re-election this year. The remaining three directors will continue to serve the terms described below. Our directors serve staggered terms. This is accomplished as follows:

each director serves a three-year term,

the directors are divided into three classes,

the classes are as nearly equal in number as possible, and

the term of each class begins on a staggered schedule.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for each of Allison H. Abraham and Joseph J. Tabacco, Jr., each of whom is a current director of the Company. In the event that either nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by a majority of the independent members of the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will ensure the election of the nominees approved by a majority of the independent members of the Board, if possible. The term of office of the persons elected as directors will continue until the 2011 Annual Meeting of Stockholders or until his or her successor has been duly elected and qualified or until his or her earlier death, resignation or removal. It is not expected that either nominee will be unable or will decline to serve as a director.

Board and Committee Meetings

The Board held nine meetings during 2007. The Audit Committee held 11 meetings during 2007, and the Compensation Committee held one meeting during 2007. Each director attended at least 75% of the meetings of the Board and of the committees on which he or she served during 2007.

Board Independence

The Board currently consists of five members. The Board of Directors has determined that, except for Patrick M. Byrne, who serves as our Chief Executive Officer, and James V. Joyce, who serves as a consultant to us, each of our current directors is independent within the meaning of the Nasdaq director independence standards. In reaching this determination, the Board considered that neither Allison H. Abraham nor Joseph J. Tabacco, Jr. has any relationship with the Company except as a director and stockholder. With respect to Barclay (Clay) F. Corbus, the Board considered the fact that Mr. Corbus formerly served as Co-CEO of WR Hambrecht + Co., and considered the services that WR Hambrecht + Co. has performed for the Company and determined that Mr. Corbus met the independence requirements.

Committees of the Board

The Board of Directors has an Audit Committee and a Compensation Committee, each of which has adopted a written charter. All members of the committees are appointed by the Board of Directors, and each member is independent within the meaning of the Nasdaq director independence standards and SEC rules. The committees are described in more detail below. In addition, the Board has adopted resolutions authorizing a majority of the independent members of the Board of Directors to recommend nominees for election to the Board, as described in more detail below.

Audit Committee. The Board has an Audit Committee consisting of Allison H. Abraham, who serves as Chair, Barclay (Clay) F. Corbus and Joseph J. Tabacco, Jr., each of whom is independent within the meaning of the Nasdaq director independence standards. The Board of Directors has determined that each of Ms. Abraham and Mr. Corbus is an "audit committee financial expert" as defined by the SEC. The Audit Committee is responsible for reviewing and monitoring our financial statements and internal accounting procedures, selecting, reviewing and monitoring our independent registered public accounting firm, evaluating the scope of the annual audit, reviewing audit results, and consulting with management and our independent registered public accounting firm prior to presentation of financial statements to stockholders. The Audit Committee Report is included beginning on page 32 of this proxy statement.

Compensation Committee. The Board also has a Compensation Committee consisting of Barclay (Clay) F. Corbus, who serves as Chairman, Allison H. Abraham and Joseph J. Tabacco, Jr., each of whom is a non-employee and independent under the Nasdaq independence standards. The

Compensation Committee is responsible for determining salaries, incentives and other forms of compensation for our directors, officers and other employees and administering various incentive compensation and benefit plans. The Compensation Committee Report is included on page 27 of this proxy statement.

Nominations. The Board does not have a standing nominating committee or committee performing similar functions. The Board has adopted resolutions in accordance with applicable Nasdaq rules authorizing a majority of the independent members of the Board to recommend nominees to the full Board. The Board believes that it is appropriate for the Board not to have a nominating committee because of the small size of the full Board. The Board currently consists of five members, three of whom are independent. The Board considered forming a nominations committee consisting of some or all of the independent members of the Board. Forming a committee consisting of less than all the independent members was unattractive because it would have omitted one or more of the independent members of the Board. The Board desired the participation in the nomination procedure of all of its independent members, and therefore authorized a majority of the independent members of the Board to make nominations. The Board intends to review this matter periodically, and may in the future elect to designate a formal nominations committee. Each member of the Board of Directors has historically participated in the consideration of director nominees. The independent members of the Board do not have a nominating committee charter, but act pursuant to Board resolutions as described above. Each of the members of the Board authorized to recommend nominees to the full Board is independent within the meaning of the Nasdaq director independence standards.

Director Qualifications

The independent members of the Board have not formalized specific minimum qualifications they believe must be met by a candidate to be recommended by the independent members. The independent members believe that candidates for election to the Board should have the highest professional and personal ethics and values, consistent with those of the Company. Candidates should have broad relevant experience, and should be committed to enhancing long-term stockholder value. They should be able and willing to provide insight and practical advice based on experience, and they must actively represent the interests of the stockholders. The independent members believe that a variety of types and a balance of knowledge, experience and capabilities among the members of the Board are in the best interests of the stockholders.

Identification and Evaluation of Nominees for Director

The independent members of the Board believe that the current Board composition is serving the stockholders of the Company well. The independent Board members have recommended additional persons, including Mr. Barclay (Clay) F. Corbus, who joined the Board in March 2007, and Mr. Joseph J. Tabacco, Jr., who joined the Board in June 2007, as candidates for the Board from time to time, based largely on the qualifications of the potential candidates, as well as on the needs of the Company. In the future, the independent members may consider candidates identified through current members of the Board, professional search firms, stockholders or other persons. Candidates may be evaluated at regular or special meetings of the Board, and may be considered at any point during the year.

The independent members have a policy that they will consider any properly submitted director candidates recommended by stockholders of the Company. Any stockholder who desires to submit a recommendation should submit a written recommendation to the Board, including information about the qualifications of the person to be a nominee for election to the Board, and a consent of the person to serve if elected, addressed to Board of Directors, Overstock.com, Inc., 6350 South 3000 East, Salt Lake City, Utah 84121. There is no difference in the manner in which the independent members would evaluate a nominee based on whether the nominee is recommended by a stockholder. There has been

no material change to the procedures by which stockholders may recommend nominees to the independent members that was implemented after the Company's most recent disclosure pursuant to Item 407(c)(2) of Regulation S-K.

The independent members have not approved any nominee for inclusion on the Company's proxy card for the 2008 Annual Meeting other than Allison H. Abraham and Joseph J. Tabacco, Jr., each of whom is standing for re-election. The Company has not paid a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees. The independent members did not receive, by December 1, 2007, any recommended nominee from any stockholder that beneficially owned more than 5% of the Company's voting common stock for at least one year as of the date the recommendation was made, or from a group of stockholders that beneficially owned, in the aggregate, more than 5% of the Company's voting common stock, with each of the securities used to calculate that ownership held for at least one year as of the date the recommendation was made.

Communications with the Board

In January 2004 the Board adopted resolutions to provide a formal process by which stockholders may communicate with the Board. Although the adoption of the formal process did not change the previously existing informal procedures by which stockholders could communicate with the Board, whether for the purpose of recommending nominees for election to the Company's Board of Directors or for other purposes, the adoption of the formal process did clarify that stockholders may communicate directly with the Board, whether for the purpose of recommending nominees for election to the Company's Board of Directors or for other purposes. The formal process adopted by the Board permits stockholders to communicate with the Board either in writing, addressed to the Board at the Company's headquarters at 6350 South 3000 East, Salt Lake City, Utah 84121, or by e-mail, sent to *boardofdirectors@overstock.com*. All communications from stockholders regarding matters appropriate for stockholder communications with the Board and delivered as described will be delivered to Board members.

Annual Meeting Attendance

The Company's policy is that Board members should attend annual stockholder meetings if reasonably possible. All the members of the Board, other than Barclay (Clay) F. Corbus, attended the 2007 annual stockholders meeting.

Code of Ethics

The Company has adopted a code of ethics that applies to all of the Company's directors and employees, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Company will provide a copy of the code of ethics to any person without charge, upon request. Requests for a copy of the code of ethics may be made in writing addressed to: General Counsel, Overstock.com, Inc., 6350 South 3000 East, Salt Lake City, Utah 84121.

Policies and Procedures Regarding Related Party Transactions

The Board has established a written policy and procedures for the review, approval or ratification of related party transactions. Under the Board's policy, any related party transaction that would be required to be disclosed pursuant to Item 404 of Regulation S-K is subject to the prior approval of the Audit Committee unless prior approval is not feasible, in which case the transaction is required to be considered at the Audit Committee's next meeting and, if the Audit Committee determines it to be appropriate, may be ratified at that meeting. In determining whether to approve or ratify a related party transaction, the Audit Committee takes into account, among other factors it deems appropriate,

whether the transaction is on terms no less favorable to the Company than terms generally available from an unrelated person under the same or similar circumstances, and the extent of the related person's interest in the transaction. No member of the Audit Committee participates in any approval or ratification of a related party transaction in which such member is a related person, other than to provide all material information regarding the transaction, including information regarding the extent of the member's interest in the transaction, to the Audit Committee. If a related party transaction will be ongoing, the Audit Committee may establish guidelines or other parameters or conditions relating to the Company's participation in the transaction. The Audit Committee may from time to time pre-approve types or categories of transactions by related persons.

Information Regarding Director Nominees and Other Directors

Set forth below is certain information as of the record date regarding the nominees for election and all other directors of Overstock whose term of office continues after the 2008 Annual Meeting.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The Compensation Committee administers our executive compensation program. The committee, which is composed entirely of independent directors, is responsible for reviewing and approving the compensation policies for executive officers and directors, for reviewing and approving all forms of compensation for our executive officers and directors, for administering our incentive compensation programs (including our 2005 Equity Incentive Plan and our Performance Share Plan), for approving and overseeing the administration of our employee benefits programs, and for providing insight and guidance to management with respect to employee compensation and retention generally. Following is a discussion of the objectives and implementation of our executive compensation programs.

The Compensation Committee operates under a charter adopted by the board of directors. The committee annually reviews the adequacy of its charter and recommends changes to the board for approval as it considers appropriate. The committee meets at scheduled times during the year and also acts upon occasion by written consent. The committee reports on its activities and makes committee recommendations at meetings of the board of directors. The committee collects and analyzes comparative executive compensation information from relevant peer groups, approves executive salary adjustments, approves awards under incentive/bonus plans, approves discretionary bonuses, and administers the Company's 2005 Equity Incentive Plan and Performance Share Plan. Additionally, from time to time, the committee reviews other human resource issues, including qualified and non-qualified benefits, management performance appraisals, and succession planning. Our Chief Executive Officer and other executive officers make recommendations and participate with respect to decisions concerning other executive officers, and provide information and make recommendations to the committee regarding the amount and form of director compensation. Neither the committee nor the Company has used outside compensation consultants to determine or recommend the amount or form of executive or director compensation. The committee has not delegated any of its authority to any other person.

Compensation Objectives

Our executive compensation programs seek to attract and retain highly competent executive management who will build long-term economic value for the Company. Our Chief Executive Officer has refused to accept any salary or bonus since our inception, and we have intentionally set all executive salaries at levels below the amounts we believe our executives could have earned at comparable public companies based in Utah. In order to retain our executive management, in early 2007 the committee authorized increases to our executives' salaries, but nevertheless continues to adhere to a compensation philosophy that the executive salary and bonus levels should remain modest in comparison to those paid at comparable companies, and that executives' opportunities for more significant compensation should be tied closely to the Company's performance. The objectives of our executive compensation plans and programs are to:

Emphasize the enhancement of the long-term economic value of the Company;

Retain the senior executives;

Deliver the total executive compensation package in a cost-effective manner; and

Encourage management ownership of our common stock.

Our executive compensation policy is designed to encourage decisions and actions that have a positive effect on our economic value and our overall corporate performance. Specifically, the Performance Share Plan is designed to have no value to the Named Executive Officers or other participants if the Company's economic value fails to increase as described below, and to have

increasing value if the Company's economic value and stock price increase. Similarly, option grants under the Company's 2005 Equity Incentive Plan have no value to the executives or other participants if the Company's stock price fails to increase above the exercise prices of the respective option grants. Restricted stock unit grants, which we first made in January 2008, are intended to have value to the recipients, subject to compliance with the vesting requirements, that is tied directly to the Company's stock price.

The accounting and tax treatment of particular forms of compensation generally do not affect the committee's compensation decisions. However, the committee evaluates the effects of accounting and tax treatment on an ongoing basis and takes those effects into account to the extent it considers appropriate.

The committee reviews executive pay practices at other publicly-held companies based in Utah as part of its process of determining the appropriate levels of compensation.

Elements of Compensation

The elements of total compensation the Company pays to its named executive officers identified in the Summary Compensation Table below (the "Named Executive Officers") other than its Chief Executive Officer (the "CEO") are as follows:

Base salary;

Annual individual cash bonuses;

Awards under our Performance Share Plan;

Awards under our 2005 Equity Incentive Plan;

Matching contributions under our 401(k) plan; and

Benefits under our health and welfare benefits plans.

Each of these elements is discussed below. In January 2008 our CEO received a grant of restricted stock units under the Company's 2005 Equity Incentive Plan, as discussed below, but declined to accept any compensation during or relating to 2007. The amounts shown for the CEO in the Stock Awards and Option Awards columns of the Summary Compensation Table reflect stock option grants and grants under our Performance Share Plan made in prior years. No awards have been made to any Named Executive Officer or other person under the Performance Share Plan since January 2006. See "Performance Share Plan" below.

Base Salary. The base salaries of the Named Executive Officers are reviewed by the committee annually. Salaries for the named executive officers in 2007 were set at \$200,000 each, except for our President, Jason C. Lindsey, who was paid \$300,000, and our CEO, Patrick Byrne, who did not receive any salary. We intentionally set all executive salaries at levels below the amounts we believe our executives could have earned elsewhere, but increased them significantly from the base salaries we paid in 2006 in order to retain the executives. In 2007 we paid Mr. Lindsey a higher salary than we paid the other Named Executive Officers because of the greater responsibilities assumed by Mr. Lindsey in his role as President and Chief Operating Officer. In setting the salaries, the committee reviewed 2006 base salaries paid by other publicly held companies based in Utah with revenues between \$250 million and \$2 billion. The companies reviewed were EnergySolutions, Franklin Covey, Headwaters, ICON Health & Fitness, Nu Skin Enterprises and USANA Health Services. The base salaries paid by the Company in 2007 were substantially lower than those paid in 2006 by five of these six companies. Salary income for each Named Executive Officer for calendar year 2007 is reported in the Summary Compensation Table.

Annual Individual Cash Bonuses. Annual individual cash bonuses paid to the Named Executive Officers are determined by the committee annually after the end of the year and are intended to serve both as recognition for individual and Company performance and as a retention mechanism. The amounts of the bonuses are determined by the committee based on recommendations made by the CEO and on the committee's subjective view of the performance of the respective Named Executive Officers during the prior year. In determining the amount of the bonuses paid to the Named Executive Officers, the committee first established the aggregate amount of bonuses to be paid to all Company employees, including the Named Executive Officers, and then allocated the aggregate amount to employees, including the Named Executive Officers. The amounts of the bonuses are intended to be sufficient to enable the Company to retain the services of the Named Executive officers, and to be meaningful to the Named Executive Officers as recognition for performance in 2007, but without being more than the amounts necessary to achieve these purposes. Bonus amounts paid to each Named Executive Officer for calendar year 2007 are reported in the Summary Compensation Table. Except for the CEO, who declined to accept any bonus payment, the bonus payments to each Named Executive Officer were either \$175,000 or \$225,000, depending on the Committee's subjective evaluation of the contributions made by each Named Executive Officer.

Performance Share Plan. The committee approved the adoption of the Company's Performance Share Plan in January 2006. The Performance Share Plan provides for a three-year period for the measurement of the Company's attainment of the performance goal described in the form of grant. At the Company's sole option the Company had the ability to make a payment of estimated amounts payable to a plan participant after two years, but the Compensation Committee did not approve any such payments. The performance goal is measured by growth in economic value, as defined in the plan. The amount of payments due to participants under the plan is a function of the then current market price of a share of the Company's common stock, multiplied by a percentage dependent on the extent to which the performance goal has been attained, which is between 0% and 200%. If the growth in economic value is 10% compounded annually, or less, the percentage will be 0%. If the growth in economic value is 25% compounded annually, the percentage is 100%. If the growth in economic value is 40% compounded annually or more, the percentage is 200%. If the percentage growth is between these percentages, the payment percentage is determined on the basis of straight line interpolation. Amounts payable under the plan will be payable in shares of common stock. The provisions of section 162(m) of the Internal Revenue Code could limit the Company's ability to deduct payments made pursuant to the plan. The dollar amount recognized as compensation cost for financial statement reporting purposes for calendar years 2006 and 2007 with respect to each such award (determined in accordance with FAS 123R) is set forth in the Summary Compensation Table. The plan is designed to provide at-risk (incentive) compensation that aligns management's financial interests with those of our stockholders. No actual cash, stock or other payments were made under these awards during 2007, and no awards have been made under the plan since January 2006.

2005 Equity Incentive Plan. We use the grant of stock options under our 2005 Equity Incentive Plan to provide long-term incentive compensation opportunities to our key employees, including the Named Executive Officers. The plan was approved by the stockholders in 2005 and provides for the grant of awards, including qualified and non-qualified stock options to purchase shares of our common stock. Options granted under the plan have been granted at a per share exercise price which is not less than 100% of the fair market value of the underlying shares on the date that the option is granted. Accordingly, options granted under the plan have no intrinsic value unless the market price of the Company's common stock increases after the date of grant. The plan also provides for the grant of restricted stock awards and other types of awards, although prior to 2008 we had not made any such awards. The plan is designed to provide at-risk (incentive) compensation that aligns management's financial interests with those of our stockholders and encourages management ownership of our common stock. We have not adopted any specific policy regarding the amount or timing of any stock-based compensation under the plan. The dollar amount recognized as compensation cost for financial

statement reporting purposes for calendar years 2006 and 2007 (determined in accordance with SFAS 123(R) without regard to forfeitures) is set forth in the Summary Compensation Table. In early 2007 the Compensation Committee approved option grants to the Named Executive Officers (other than the CEO, who did not receive any option grant) covering 35,000 shares to each of Messrs. Chidester and Tryon, 40,000 shares to Ms. Simon, and 80,000 shares to Mr. Lindsey. The committee approved the grants in an effort to retain and motivate the executives. Information concerning the number of options held by each Named Executive Officer as of December 31, 2007 is set forth in the Outstanding Equity Awards at Fiscal Year-End Table.

401(k) Plan. We maintain a 401(k) plan, in which Named Executive Officers may participate. During 2007 we matched 50% of participants' contributions on up to 6% of their salaries and contributed 2% as a discretionary contribution. The amounts of matching contributions and profit sharing contributions allocated to our Named Executive Officers are set forth in the Summary Compensation Table. Participation in the 401(k) plan is available to employees on a non-discriminatory basis.

Health and Welfare Benefits. We provide health, life and disability insurance and other employee benefits programs to our employees, including our Named Executive Officers. The committee is responsible for overseeing the administration of these programs and believes that the employee benefits programs should be generally comparable to those maintained by comparable companies so that we are able to attract and retain officers and other employees. Our employee benefits plans are provided on a non-discriminatory basis to all employees.

Executive Compensation Action Taken After Year-End

In January 2008, the Compensation Committee set salaries for our Named Executive Officers at the same rates they were paid during 2007, except that the committee decreased the base salary of Mr. Lindsey, who resigned as our President and Chief Operating Officer as of December 31, 2007, but will remain an employee, from \$300,000 to \$100,000. Patrick Byrne, our CEO, declined to accept any salary for 2008, and the salaries for the other Named Executive Officers were set at \$200,000. The committee determined that the \$200,000 salaries to be paid to the three Named Executive Officers other than Messrs. Byrne and Lindsey were consistent with the committee's philosophy that the salaries should be modest in comparison to salaries being paid by comparable public companies. At the same time, the committee approved cash bonuses for 2007 performance for the Named Executive Officers (other than the CEO, who declined to accept any bonus) as described above under "Annual Individual Cash Bonuses."

In January 2008 the committee approved the grant of restricted stock units under the Company's 2005 Equity Incentive Plan to 108 employees of the Company, including the Named Executive Officers. Each Named Executive Officer other than Mr. Lindsey received a grant of 15,000 units. Mr. Lindsey, who had resigned as our President and Chief Operating Officer, but remains an employee of the Company, received a grant of 7,500 units. Restricted stock units vest over a three-year period commencing on the date of grant at the rate of 25% at the end of year one, 25% at the end of year two, and 50% at the end of year three. The committee made the determination to grant restricted stock units rather than stock options in part because of the volatility of the Company's stock price. The committee wanted to provide an equity incentive that would have value to the recipient, and thus serve as an incentive, even during periods when the stock price may be lower than it was on the date of the grant of the award.

The committee has indicated that in January 2009 it will consider the year over year improvement, if any, in the Company's total contribution, which for this purpose consists of the Company's earnings or loss plus its noncash charges, less capital expenditures. The committee has indicated that if total contribution improves in 2008 in accordance with management's plan, the committee will consider

authorizing cash bonuses for Named Executive Officers in early 2009. However, the committee has complete discretion to determine the amount of any bonus to be paid to any Company employee, including any Named Executive Officer, with respect to 2008.

Timing of Stock Option Grants

The Company does not have any program, plan or practice to time option grants to its Named Executive Officers or to any other employee in coordination with the release of material non-public information. The Company's Board of Directors and Board committees, including the Compensation Committee, normally schedule their regular meetings at least a year in advance. Meetings of the Compensation Committee are generally held in connection with the regularly scheduled Board meetings. The meetings are scheduled in an effort to meet a number of different timing objectives, including the review of financial results and the review of press releases and filings containing financial results. Because the Compensation Committee approves stock option grants at some of its regularly scheduled meetings, option grants are sometimes made within a week before or after the public release of financial results or other material information. However, that is a result of the fact that the Compensation Committee holds its meetings in connection with the Board meetings, not as a result of a program, plan or practice to time option grants. The Company also does not set the grant date of its stock option grants to new executives in coordination with the release of material non-public information, and has not timed, and does not plan to time, its release of material non-public information for the purpose of affecting the value of executive compensation.

Severance And Change of Control Arrangements

None of our executive officers has any contractual right to any severance or change of control payments under any employment or severance agreement. Our executive officers hold options and restricted stock units issued under our 2005 Equity Incentive Plan, and have certain payment rights under our Performance Share Plan, and the vesting of options, restricted stock units or rights issued under those plans may be accelerated, under certain circumstances, upon or in connection with a change of control of the Company or upon the termination of the employment of the holder within a period of time after a change of control has occurred. The Performance Share Plan provides that if a participant is terminated within 24 months after a change of control (as defined in the plan), the participant's award under the plan will be cancelled and the participant will receive a payment equal to the then market value of the common stock multiplied by the harvest percentage (as previously described), with the harvest percentage being determined based on the extent to which the relevant performance goal had been achieved as of the end of the calendar quarter prior to the employee's termination, and contains a similar provision applicable if the Company sells a business unit to a purchaser which does not assume responsibility for awards held by employees of that business unit. If a triggering event had taken place with a measurement date of December 31, 2007, no amounts would have been payable under the Performance Share Plan to any Named Executive Officer. The 2005 Equity Incentive Plan provides that in the event of a merger or change of control (as defined in the plan) outstanding awards shall be assumed by the successor or an equivalent award shall be substituted, or the award shall vest and the participant will have the right to exercise the award.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed the Compensation Discussion and Analysis and discussed it with management. Based on its review and discussions with management, the committee recommended to our Board of Directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for 2007 and the Company's 2008 proxy statement. This report is provided by the following independent directors, who are all of the members of the Compensation Committee:

Barclay (Clay) F. Corbus (Chairman)
Allison H. Abraham
Joseph J. Tabacco, Jr.

We refer to these individuals throughout this proxy statement as the "Named Executive Officers".

(1) Bonuses shown for 2006 were paid in February 2007 and relate to 2006. Bonuses shown for 2007 were paid in February 2008 and relate to 2007.

(2) The Stock Awards column reflects grants made in 2006 under the Company's Performance Share Plan. No awards were made under this plan in 2007. The Performance Share Plan is a long-term incentive-based plan. Performance goals under the plan are measured by growth in economic value, as defined in the plan, and are specified in the grants made to participants in the plan. The plan provides for a three-year period for the measurement of the Company's attainment of the performance goal. The payments due to participants under the plan are a function of the then-current market price of a share of the Company's common stock, multiplied by a percentage

dependent on the extent to which the performance goal has been attained, which will be between 0% and 200%. If the growth in economic value is 10% compounded annually or less, the percentage will be 0%. If the growth in economic value is 25% compounded annually, the percentage will be 100%. If the growth in economic value is 40% compounded annually or more, the percentage will be 200%. If the percentage growth is between these percentages, the payment percentage will be determined on the basis of straight line interpolation. Amounts payable under the plan are payable in shares of common stock. The amounts reflect the dollar amount recognized for financial statement reporting purposes in accordance with SFAS 123(R) without regard to forfeitures. Assumptions used in the calculation of these amounts are discussed in Note 18 to the Company's audited financial statements for the fiscal year ended December 31, 2007, included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 17, 2008.

- (3) The Option Awards column reflects options granted under the Company's 2005 Equity Incentive Plan and previous equity incentive plans. The amounts reflect the dollar amount recognized for financial statement reporting purposes in accordance with SFAS 123(R) without regard to forfeitures and thus include amounts from awards granted prior to 2007. Assumptions used in the calculation of these amounts are discussed in Note 17 to the Company's audited financial statements for the fiscal year ended December 31, 2007, included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 17, 2008.
- (4) Except with respect to the CEO, amounts shown are 401(k) matching contributions from the Company and were made in the form of Company common stock. With respect to the CEO, the amount shown is for assistance with Schedule 13D filings in 2006.
- (5) Mr. Lindsey resigned as our President and Chief Operating Officer as of December 31, 2007, but remains an employee of the Company.

(1) Awards shown in this table consist of option grants under the Company's 2005 Equity Incentive Plan and of grants under the Company's Performance Share Plan.

(2) Options vest over the first four years of the option term at a rate of 25% at the end of the first year and 2% per month thereafter.

(3) Amounts shown relate to grants under the Company's Performance Share Plan, the material terms of which are described in note 2 to the Summary Compensation Table. The target amount is calculated as the amount that would have been payable if the Company's growth in economic value were 16.5% compounded annually and the market price of the common stock were \$19.15 per share, which was the fair value determined by the Company on August 7, 2007. If a triggering event had taken place with a measurement date of December 31, 2007, no amount would have been payable to any Named Executive Officer. Awards under the Performance Share Plan vest on December 31, 2008, subject to acceleration provisions.

(4) Mr. Lindsey resigned as our President and Chief Operating Officer as of December 31, 2007, but remains an employee of the Company.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

As described in the Compensation Discussion and Analysis included in this proxy statement, none of our Named Executive Officers has any contractual right to any severance or change of control payments under any employment or severance agreement. Our Named Executive Officers hold options and restricted stock units ("RSUs") issued under our equity incentive plans, and have certain payment rights under our Performance Share Plan. The vesting of options, RSUs or rights issued under those plans may be accelerated, under certain circumstances, upon or in connection with a change of control of the Company or upon the termination of the employment of the Named Executive Officer within a period of time after a change of control has occurred or, under the Performance Share Plan, in connection with the sale of a business unit by the Company or a termination of the Named Executive Officer without cause or a constructive termination of the Named Executive Officer. These provisions do not discriminate in scope, terms or operation in favor of the executive officers of the Company. If a triggering event under the Performance Share Plan had taken place with a measurement date of December 31, 2007, no Named Executive Officer would have received any amount under the Performance Share Plan. If a triggering event under the 2005 Equity Incentive Plan had taken place on December 31, 2007, the vesting of options and RSUs held by Named Executive Officers could have been accelerated, but no additional payments or other benefits would have been paid as a result of the acceleration.

OTHER INFORMATION

Certain Relationships and Related Transactions

Since January 1, 2007, there has not been, and there is not currently proposed, any transaction or series of similar transactions requiring disclosure under Item 404 of Regulation S-K except as described below.

From time to time Haverford Valley, L.C., which is an affiliate of ours controlled by our chief executive officer, Patrick Byrne, and certain affiliated entities make travel arrangements for our executives and pay the travel related expenses incurred by our executives on Company business. In 2007 the amount we reimbursed Haverford Valley, L.C. for these expenses was less than \$120,000. Although the amount of these reimbursements in 2008 is unknown, the amount could exceed \$120,000. The amounts we pay to Haverford Valley, L.C. as reimbursement of air travel expenses are at rates not in excess of commercially available airline rates. The other amounts we reimburse to Haverford Valley, L.C. are reimbursed at its actual cost. Dr. Byrne owns 100% of the equity interest in Haverford Valley, L.C. The amounts paid to Haverford Valley, L.C. are simply reimbursements of costs incurred on behalf of the Company.

Dan Lindsey, who is the brother of our former President Jason Lindsey, is an employee of ours. Under the terms of Dan Lindsey's employment arrangement, Dan Lindsey earns a base salary and a commission based on the sales, less certain expenses, of the business unit he supervises. Although the amount Dan Lindsey will earn in 2008 is unknown, the aggregate amount could exceed \$120,000.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities and Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent (10%) of the Company's common stock, to file certain reports regarding ownership of, and transactions in, the Company's securities with the SEC. Such officers, directors, and 10% stockholders are also required to furnish the Company with copies of all Section 16(a) forms that they file.

Based solely on a review of reports filed by, and on written representations from, its officers, directors and 10% stockholders, the Company believes that during 2007, all of its officers, directors and 10% stockholders complied with requirements for reporting ownership and changes in ownership of Company common stock under Section 16(a) of the Securities Act of 1934, except that one Form 4 filed by Allison H. Abraham reporting one transaction was filed one day late.

Costs of Proxy Solicitation

The solicitation is made on behalf of the Board of Directors of the Company. The Company will pay the cost of soliciting these proxies. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for reasonable expenses they incur in sending these proxy materials to you if you are a beneficial holder of our shares.

Without receiving additional compensation, officials and regular employees of the Company may solicit proxies personally, by telephone, fax or email from stockholders if proxies are not promptly received. We have also hired Georgeson Shareholder Communications to assist in the solicitation of proxies at a cost of approximately \$3,500 plus out-of-pocket expenses.

An Annual Report on Form 10-K, excluding exhibits, for the fiscal year ended December 31, 2007 is enclosed with this Proxy Statement. You may obtain an additional copy without charge by sending a written request to Overstock.com, Inc., Attention Investor Relations, 6350 South 3000 East, Salt Lake City, Utah 84121. 4. *Administration of the Plan.*

(a) *Procedure.*

(i) *Multiple Administrative Bodies.* The Plan may be administered by different Committees with respect to different groups of Service Providers.

(ii) *Section 162(m).* To the extent that the Administrator determines it to be desirable to qualify Options or other Awards granted hereunder as "performance-based compensation" within the meaning of Section 162(m) of the Code, the Plan shall be administered by a Committee of two or more "outside directors" within the meaning of Section 162(m) of the Code.

(iii) *Rule 16b-3.* To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder shall be structured to satisfy the requirements for exemption under Rule 16b-3.

(b) *Powers of the Administrator.* Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator shall have the authority, in its discretion:

(i) to determine the Fair Market Value;

(ii) to select the Service Providers to whom Awards may be granted hereunder;

Edgar Filing: OVERSTOCK.COM, INC - Form DEF 14A

(iii) to determine whether and to what extent Awards or any combination thereof, are granted hereunder;

(iv) to determine the number of shares of Common Stock or equivalent units to be covered by each Award granted hereunder;

(v) to approve forms of agreement for use under the Plan;

(vi) to reduce the exercise price of an Award to the then current Fair Market Value if the Fair Market Value of the Common Stock covered by such Award shall have declined since the date the Award was granted;

(vii) to institute an Award Exchange Program;

(viii) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Options or SARs may be exercised or other Awards vest (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the shares of Common Stock relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(ix) to construe and interpret the terms of the Plan and Awards;

(x) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;

(xi) to modify or amend each Award (subject to Section 18(c) of the Plan), including the discretionary authority to extend the post-service-termination exercisability period of Options and SARs longer than is otherwise provided for in the Plan;

(xii) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;

(xiii) to allow Participants to satisfy withholding tax obligations by electing to have the Company withhold from the Shares or cash to be issued upon exercise or vesting of an Award (or distribution of a Deferred Stock Unit) that number of Shares or cash having a Fair Market Value equal to the minimum amount required to be withheld (but no more). The Fair Market Value of any Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares or cash withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable;

(xiv) to determine the terms and restrictions applicable to Awards; and

(xv) to make all other determinations deemed necessary or advisable for administering the Plan.

(c) *Effect of Administrator's Decision.* The Administrator's decisions, determinations and interpretations shall be final and binding on all Participants and any other holders of Awards.

5. *Eligibility.* Restricted Stock, Performance Shares, Performance Units, Stock Appreciation Rights, Deferred Stock Units and Nonstatutory Stock Options may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

6. *No Employment Rights.* Neither the Plan nor any Award shall confer upon a Participant any right with respect to continuing the Participant's employment with the Company or its Subsidiaries, nor

shall they interfere in any way with the Participant's right or the Company's or Subsidiary's right, as the case may be, to terminate such employment at any time, with or without cause.

7. *Code Section 162(m) Provisions.*

(a) *Option and SAR Annual Share Limit.* No Participant shall be granted, in any Fiscal Year, Options and Stock Appreciation Rights to purchase more than 423,430 Shares; provided, however, that such limit shall be 846,860 Shares in the Participant's first Fiscal Year of Company service.

(b) *Restricted Stock and Performance Share Annual Limit.* No Participant shall be granted, in any Fiscal Year, more than 211,715 Shares of Restricted Stock or Performance Shares; provided, however, that such limit shall be 635,145 Shares in the Participant's first Fiscal Year of Company service.

(c) *Performance Units Annual Limit.* No Participant shall receive Performance Units, in any Fiscal Year, having an initial value greater than \$1,000,000, provided, however, that such limit shall be \$3,000,000 in the Participant's first Fiscal Year of Company service.

(d) *Section 162(m) Performance Restrictions.* For purposes of qualifying grants of Restricted Stock, Performance Shares or Performance Units as "performance-based compensation" under Section 162(m) of the Code, the Administrator, in its discretion, may set restrictions based upon the achievement of Performance Goals. The Performance Goals shall be set by the Administrator on or before the latest date permissible to enable the Restricted Stock, Performance Shares or Performance Units to qualify as "performance-based compensation" under Section 162(m) of the Code. In granting Restricted Stock, Performance Shares or Performance Units which are intended to qualify under Section 162(m) of the Code, the Administrator shall follow any procedures determined by it from time to time to be necessary or appropriate to ensure qualification of the Award under Section 162(m) of the Code (e.g., in determining the Performance Goals).

(e) *Changes in Capitalization.* The numerical limitations in Sections 7(a) and (b) shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 16(a).

(f) If an Award is cancelled in the same Fiscal Year in which it was granted (other than in connection with a transaction described in Section 16), the cancelled Award will be counted against the limits set forth in subsections (a) and (b) above. For this purpose, if the exercise price of an Award is reduced, the transaction will be treated as a cancellation of the Award and the grant of a new Award.

8. *Term of Plan.* The Plan shall continue in effect for a term of ten (10) years following the date upon which the Board approved the Plan in 2005.

9. *Stock Options.*

(a) *Term.* The term of each Option shall be stated in the Notice of Grant; provided, however, that the term shall be ten (10) years from the date of grant or such shorter term as may be provided in the Notice of Grant. Moreover, in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Notice of Grant.

Edgar Filing: OVERSTOCK.COM, INC - Form DEF 14A

(b) *Option Exercise Price.* The per share exercise price for the Shares to be issued pursuant to exercise of an Option shall be determined by the Administrator, subject to the following:

(i) In the case of an Incentive Stock Option:

(A) granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(B) granted to any Employee other than an Employee described in paragraph (A) immediately above, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Nonstatutory Stock Option, the per Share exercise price shall be determined by the Administrator. In the case of a Nonstatutory Stock Option intended to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(iii) Notwithstanding the foregoing, Options may be granted with a per Share exercise price of less than 100% of the Fair Market Value per Share on the date of grant pursuant to a merger or other corporate transaction.

(c) *Waiting Period and Exercise Dates.* At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions which must be satisfied before the Option may be exercised. In so doing, the Administrator may specify that an Option may not be exercised until the completion of a service period or until performance milestones are satisfied.

(d) *Form of Consideration.* The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator shall determine the acceptable form of consideration at the time of grant. Subject to Applicable Laws, such consideration may consist entirely of:

(i) cash;

(ii) check;

(iii) other Shares which (A) in the case of Shares acquired upon exercise of an option, have been owned by the Participant for more than six months on the date of surrender, and (B) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised;

(iv) delivery of a properly executed exercise notice together with such other documentation as the Administrator and the broker, if applicable, shall require to effect an exercise of the Option and delivery to the Company of the sale proceeds required to pay the exercise price;

(v) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws, including, to the extent permitted by Applicable Laws and approved by the Administrator, delivery of a promissory note, consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan, or a reduction in the amount of any Company liability to the Participant; or

(vi) any combination of the foregoing methods of payment.

(e) *Exercise of Option; Rights as a Stockholder.* Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Option Agreement. An Option may not be exercised for a fraction of a Share. An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the stock certificate evidencing such Shares is issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the optioned stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such stock certificate promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 16 of the Plan. Exercising an Option in any manner shall decrease the number of Shares thereafter available for sale under the Option, by the number of Shares as to which the Option is exercised.

(f) *Termination of Relationship as a Service Provider.* If a Participant ceases to be a Service Provider, other than upon the Participant's death or Disability, the Participant may exercise his or her Option within such period of time as is specified in the Option Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for three months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(g) *Disability.* If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period of time as is specified in the Option Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for twelve (12) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(h) *Death of Participant.* If a Participant dies while a Service Provider, the Option may be exercised following the Participant's death within such period of time as is specified in the Option Agreement to the extent that the Option is vested on the date of death (but in no event may the option be exercised later than the expiration of the term of such Option as set forth in the Option Agreement), by the Participant's designated beneficiary, provided such beneficiary has been designated prior to Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and

distribution. In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for twelve (12) months following Participant's death. If, at the time of death, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(i) *ISO \$100,000 Rule.* Each Option shall be designated in the Notice of Grant as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designations, to the extent that the aggregate Fair Market Value:

(i) of Shares subject to a Participant's Incentive Stock Options granted by the Company, any Parent or Subsidiary, which

(ii) become exercisable for the first time during any calendar year (under all plans of the Company or any Parent or Subsidiary) exceeds \$100,000, such excess Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 9(j), Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the Shares shall be determined as of the time of grant.

10. *Stock Appreciation Rights.*

(a) *Grant of SARs.* Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Administrator, in its sole discretion. The Administrator shall have complete discretion to determine the number of SARs granted to any Participant.

(b) *Exercise Price and other Terms.* Subject to Section 7(a) of the Plan, the Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of SARs granted under the Plan; provided, however, that no SAR may have a term of more than ten (10) years from the date of grant. The exercise price for the Shares or cash to be issued pursuant to an already granted SAR may not be changed without the consent of the Company's stockholders. This shall include, without limitation, a repricing of the SAR as well as an SAR exchange program whereby the Participant agrees to cancel an existing SAR in exchange for an Option, SAR or other Award.

(c) *Payment of SAR Amount.* Upon exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

(i) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times

(ii) the number of Shares with respect to which the SAR is exercised.

(d) *Payment upon Exercise of SAR.* At the discretion of the Administrator, payment for a SAR may be in cash, Shares or a combination thereof.

(e) *SAR Agreement.* Each SAR grant shall be evidenced by an Award Agreement that shall specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, shall determine.

(f) *Expiration of SARs.* A SAR granted under the Plan shall expire upon the date determined by the Administrator, in its sole discretion, and set forth in the Award Agreement.

(g) *Termination of Relationship as a Service Provider.* If a Participant ceases to be a Service Provider, other than upon the Participant's death or Disability termination, the Participant may exercise his or her SAR within such period of time as is specified in the Award Agreement to the

extent that the SAR is vested on the date of termination (but in no event later than the expiration of the term of such SAR as set forth in the SAR Agreement). In the absence of a specified time in the Award Agreement, the SAR shall remain exercisable for three months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire SAR, the Shares covered by the unvested portion of the SAR shall revert to the Plan. If, after termination, the Participant does not exercise his or her SAR within the time specified by the Administrator, the SAR shall terminate, and the Shares covered by such SAR shall revert to the Plan.

(h) *Disability.* If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her SAR within such period of time as is specified in the Award Agreement to the extent the SAR is vested on the date of termination (but in no event later than the expiration of the term of such SAR as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the SAR shall remain exercisable for twelve (12) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire SAR, the Shares covered by the unvested portion of the SAR shall revert to the Plan. If, after termination, the Participant does not exercise his or her SAR within the time specified herein, the SAR shall terminate, and the Shares covered by such SAR shall revert to the Plan.

(i) *Death of Participant.* If a Participant dies while a Service Provider, the SAR may be exercised following the Participant's death within such period of time as is specified in the Award Agreement (but in no event may the SAR be exercised later than the expiration of the term of such SAR as set forth in the Award Agreement), by the Participant's designated beneficiary, provided such beneficiary has been designated prior to Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such SAR may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the SAR is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. In the absence of a specified time in the SAR Agreement, the SAR shall remain exercisable for twelve (12) months following Participant's death. If the SAR is not so exercised within the time specified herein, the SAR shall terminate, and the Shares covered by such SAR shall revert to the Plan.

11. *Restricted Stock.*

(a) *Grant of Restricted Stock.* Subject to the terms and conditions of the Plan, Restricted Stock may be granted to Participants at any time as shall be determined by the Administrator, in its sole discretion. Subject to Section 7(b) hereof, the Administrator shall have complete discretion to determine (i) the number of Shares subject to a Restricted Stock award granted to any Participant, and (ii) the conditions that must be satisfied, which may include a performance-based component, upon which is conditioned the grant, vesting or issuance of Restricted Stock. Restricted Stock shall be granted in the form of units to acquire Shares. Each such unit shall be the equivalent of one Share for purposes of determining the number of Shares subject to an Award. Restricted Stock may be granted in the form of restricted stock units that are not issued until the vesting conditions are satisfied. Until the Shares are issued, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the units to acquire Shares.

(b) *Other Terms.* The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of Restricted Stock granted under the Plan. Restricted Stock grants shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the stock or the restricted stock unit is awarded. The Administrator may require the recipient to sign an Award Agreement as a condition of the award.

Any certificates representing the Shares of stock awarded shall bear such legends as shall be determined by the Administrator.

(c) *Restricted Stock Award Agreement.* Each Restricted Stock grant shall be evidenced by an Award Agreement that shall specify the purchase price (if any) and such other terms and conditions as the Administrator, in its sole discretion, shall determine; provided; however, that if the Restricted Stock grant has a purchase price, such purchase price must be paid no more than ten (10) years following the date of grant.

12. *Performance Shares.*

(a) *Grant of Performance Shares.* Subject to the terms and conditions of the Plan, Performance Shares may be granted to Participants at any time as shall be determined by the Administrator, in its sole discretion. Subject to Section 7(b) hereof, the Administrator shall have complete discretion to determine (i) the number of Shares subject to a Performance Share award granted to any Participant, and (ii) the conditions that must be satisfied, which typically will be based principally or solely on achievement of performance milestones but may include a service-based component, upon which is conditioned the grant or vesting of Performance Shares. Performance Shares shall be granted in the form of units to acquire Shares. Each such unit shall be the equivalent of one Share for purposes of determining the number of Shares subject to an Award. Until the Shares are issued, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the units to acquire Shares.

(b) *Other Terms.* The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of Performance Shares granted under the Plan. Performance Share grants shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the stock is awarded, which may include such performance-based milestones as are determined appropriate by the Administrator. The Administrator may require the recipient to sign an Award Agreement as a condition of the award. Any certificates representing the Shares of stock awarded shall bear such legends as shall be determined by the Administrator.

(c) *Performance Share Award Agreement.* Each Performance Share grant shall be evidenced by an Award Agreement that shall specify such other terms and conditions as the Administrator, in its sole discretion, shall determine.

13. *Performance Units.*

(a) *Grant of Performance Units.* Performance Units are similar to Performance Shares, except that they shall be settled in a cash equivalent to the Fair Market Value of the underlying Shares, determined as of the vesting date. Subject to the terms and conditions of the Plan, Performance Units may be granted to Participants at any time and from time to time as shall be determined by the Administrator, in its sole discretion. The Administrator shall have complete discretion to determine the conditions that must be satisfied, which typically will be based principally or solely on achievement of performance milestones but may include a service-based component, upon which is conditioned the grant or vesting of Performance Units. Performance Units shall be granted in the form of units to acquire Shares. Each such unit shall be the cash equivalent of one Share of Common Stock. No right to vote or receive dividends or any other rights as a stockholder shall exist with respect to Performance Units or the cash payable thereunder.

(b) *Number of Performance Units.* Subject to Section 7(c) hereof, the Administrator will have complete discretion in determining the number of Performance Units granted to any Participant.

(c) *Other Terms.* The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of Performance Units granted under the Plan. For the purposes of this paragraph, a Restricted Stock, Performance Share, Performance Unit and Deferred Stock Unit award shall be considered assumed if, following the merger or Change of Control, the award confers the right to purchase or receive, for each Share (or with respect to Performance Units, the cash equivalent thereof) subject to the Award immediately prior to the merger or Change of Control, the consideration (whether stock, cash, or other securities or property) received in the merger or Change of Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided,

however, that if such consideration received in the merger or Change of Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received, for each Share and each unit/right to acquire a Share subject to the Award, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the merger or Change of Control.

(d) *Involuntary Termination other than for Cause, Death or Disability or a Voluntary Termination for Good Reason, Following a Change of Control.* If, within eighteen (18) months following a merger or Change of Control, Participant's employment is terminated involuntarily by the Company or successor corporation other than for Cause, on account of death or Disability or by the Participant by a Voluntary Termination for Good Reason, then Participant shall fully vest in and have the right to exercise his or her Award as to all of the Shares subject to each such Award including Shares as to which such Award would not otherwise be vested or exercisable.

17. *Date of Grant.* The date of grant of an Award shall be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Participant within a reasonable time after the date of such grant.

18. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend or terminate the Plan; provided, however, that the Board may not materially amend the Plan without obtaining stockholder approval.

(b) *Stockholder Approval.* The Company shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Law.

(c) *Effect of Amendment or Termination.* No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing (or electronic format) and signed by the Participant and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

19. *Conditions Upon Issuance of Shares.*

(a) *Legal Compliance.* Shares shall not be issued pursuant to the exercise of an Award unless the exercise of the Award or the issuance and delivery of such Shares (or with respect to Performance Units, the cash equivalent thereof) shall comply with Applicable Laws.

(b) *Investment Representations.* As a condition to the exercise or receipt of an Award, the Company may require the person exercising or receiving such Award to represent and warrant at the time of any such exercise or receipt that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

20. *Liability of Company.*

(a) *Inability to Obtain Authority.* The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

(b) *Grants Exceeding Allotted Shares.* If the Awarded Stock covered by an Award exceeds, as of the date of grant, the number of Shares which may be issued under the Plan without additional stockholder approval, such Award shall be void with respect to such excess Awarded Stock, unless stockholder approval of an amendment sufficiently increasing the number of Shares subject to the Plan is timely obtained in accordance with Section 18(b) of the Plan.

21. *Reservation of Shares.* The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.
